PROXY STATEMENT

This proxy statement is being furnished by the Board of Directors (the "Board of Directors") of P&F Industries, Inc. (the "Company") to holders of the Company's Class A Common Stock, \$1.00 par value (the "Common Stock"), in connection with the solicitation of proxies by the Board of Directors for use at its 2016 annual meeting of stockholders or any adjournment or postponement thereof (the "Annual Meeting").

The Company's principal offices are located at 445 Broadhollow Road, Suite 100, Melville, New York 11747. The Company anticipates mailing this proxy statement to stockholders on or about April 29, 2016.

ABOUT THE ANNUAL MEETING

Date, Time and Place of Meeting

The Annual Meeting will be held on Wednesday, May 25, 2016, at 10:00 a.m. local time at the Conference Center at 445 Broadhollow Road, Melville, New York.

Record Date and Voting Rights

The Board of Directors established the close of business on April 13, 2016 as the record date for determining the holders of the Common Stock entitled to notice of and to vote at the Annual Meeting. On the record date, 3,592,870 shares of Common Stock were outstanding and entitled to vote at the Annual Meeting. The Company's stockholders are entitled to one vote for each share of Common Stock held as of the record date on all matters.

Only stockholders and persons holding proxies from stockholders may attend the Annual Meeting. If your shares are registered in your name, you must bring a form of identification to the Annual Meeting. If your shares are held in the name of a broker, trust, bank or other nominee, otherwise known as holding in "street name," you must bring a proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares.

Cameras and recording devices will not be permitted at the Annual Meeting.

Quorum; Abstentions; Broker Non-Votes

Transaction of business at the Annual Meeting may occur if a quorum is present. If a quorum is not present, it is expected that the Annual Meeting will be adjourned or postponed in order to permit additional time for soliciting and obtaining additional proxies or votes, and, at any subsequent reconvening of the Annual Meeting, all proxies will be

voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast constitutes a quorum. If a share of Common Stock is represented for any purpose at the Annual Meeting, it is deemed to be present for quorum purposes and for all other matters as well. Shares of Common Stock represented by a properly executed proxy will be treated as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote the shares on a proposal because the nominee does not have discretionary voting power for a particular item and has not received instructions from the beneficial owner regarding voting. Brokers who hold shares for the accounts of their clients have discretionary authority to vote shares in the absence of specific instructions with respect to the ratification of the appointment of our independent registered public accounting firm; however, they do not have discretionary authority to vote on the election of our directors or on the approval of an advisory (non-binding) resolution relating to executive compensation, so we encourage you to provide instructions to your broker regarding the voting of your shares.

TABLE OF CONTENTS

Solicitation of Proxies

The Company will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of the Company, without additional compensation, may solicit proxies from stockholders by telephone, by letter, by facsimile, in person or otherwise.

Voting Proxies

Whether you hold shares of Common Stock directly as a registered stockholder or beneficially as a beneficial stockholder, you may direct how your shares are voted without attending the Annual Meeting. For directions on how to vote, please refer to the proxy card provided.

All proxies properly submitted and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are provided, such proxies will be voted FOR the nominees set forth in Proposal 1, and FOR Proposals 2 and 3.

Voting in Person at the Annual Meeting

You may also vote in person at the Annual Meeting. Votes in person will replace any previous votes you have made. The Company will provide a ballot to registered stockholders who request one at the meeting. Shares of Common Stock held in your name as the stockholder of record may be voted on that ballot. Shares of Common Stock held beneficially in street name may be voted on a ballot only if you bring a legal proxy from the broker, trust, bank or other nominee that holds your shares giving you the right to vote the shares. Attendance at the Annual Meeting without voting or revoking a previous proxy in accordance with the voting procedures will not in and of itself revoke a proxy.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please take the time to vote that your shares will be represented at the Annual Meeting.

Revocation of Proxies

If you are a beneficial stockholder, you may revoke your proxy or change your vote by following the separate instructions provided by your broker, trust, bank or other nominee. If you are a registered stockholder, you may revoke your proxy at any time before it is exercised at the Annual Meeting by (i) delivering written notice, bearing a date later than the proxy, stating that the proxy is revoked, (ii) submitting a later-dated proxy relating to the same shares prior to the vote at the Annual Meeting, or (iii) attending the Annual Meeting and properly giving notice of revocation to the inspector of elections or voting in person.

Other Business

The Board of Directors is not aware of any matters to be properly presented for action at the Annual Meeting other than the proposals relating to the election of directors, the ratification of the appointment of the Company's independent registered public accountant for 2016 and the approval of an advisory (non-binding) resolution regarding the compensation of named executive officers. The Company does not intend to bring any other matters before the Annual Meeting. However, if any other matters should properly come before the Annual Meeting, it is intended that

the holders of the proxies will vote them in their discretion.

PROPOSAL 1

ELECTION OF DIRECTORS

As permitted by Delaware law, the Board of Directors is divided into three classes, the classes being divided as equally as possible and each class having a term of three years. Each year the term of office of one class expires. A director elected to fill a vacancy, including a vacancy resulting from an increase in the number of directors constituting the Board of Directors, serves for the remaining term of the class in which the vacancy exists. The Board of Directors presently consists of six members, with each class consisting of two members.

The Board of Directors proposed that Messrs. Brownstein and Horowitz, whose terms expire at the Annual Meeting, each be elected as director to serve for a term expiring at the 2019 annual meeting of stockholders and until their successors are duly elected and qualified. Unless otherwise indicated, the enclosed proxy will be voted for the election of Messrs. Brownstein and Horowitz as nominees, to serve for the terms as set forth above. Should either such nominee become unable to serve for any reason or, for good cause will not serve, which is not anticipated, the Board of Directors may, unless the Board of Directors by resolution provides for a lesser number of directors, designate a substitute nominee, in which event the persons named in the enclosed proxy will vote for the election of such substitute nominees.

Required Vote

The directors will be elected by the plurality vote of the holders of the Common Stock entitled to vote at the Annual Meeting and present in person or represented by proxy. With respect to the election of directors, you may vote for or withhold authority to vote for each of the nominees. Any shares not voted for a particular nominee (whether as a result of stockholder withholding or a broker non-vote) will not be counted in any nominee's favor and will have no effect on the outcome of the election.

STOCKHOLDERS VOTE
FOR THE FOREGOING NOMINEES.**

CORPORATE GOVERNANCE

The Company operates within a comprehensive plan of corporate governance for the purpose of defining independence, assigning responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards.

Director Independence

The standards relied upon by the Board of Directors in affirmatively determining whether a director is independent, in compliance with NASDAQ and SEC rules, are comprised, in part, of those objective standards set forth in such rules.

In addition to these objective standards and in compliance with NASDAQ and SEC rules, no director will be considered independent who has a relationship which, in the opinion of the company's Board of Directors, would

interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board of Directors exercises appropriate discretion in identifying and evaluating any such relationship. The Board of Directors, in applying the above-referenced standards and after considering all of the relevant facts and circumstances, has affirmatively determined that the Company's independent directors are: Howard Brod Brownstein, Jeffrey D. Franklin, Richard P. Randall, Kenneth M. Scheriff and Mitchell A. Solomon, representing a majority of the members of the Board of Directors.

7

TABLE OF CONTENTS

The Company's independent directors hold annually at least two formal meetings independent from management. In 2015, the Company's independent directors held four such meetings. The Lead Independent Director, or in his absence, another independent director chosen by the independent directors, presides at such non-management sessions of the Board of Directors. The role of the Lead Independent Director is discussed in greater detail under Board Leadership Structure below.

Meetings and Committees of the Board of Directors

During 2015, the Board of Directors held twelve meetings and acted by unanimous written consent once. No director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and all committees on which he served.

During 2015, the Board of Directors had an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee and a Strategic Planning and Risk Assessment Committee. In addition, from time to time, special committees may be established under the direction of the Board of Directors when necessary to address specific issues.

Audit Committee

During 2015 and as of the record date, the members of the Audit Committee were Messrs. Franklin (Chairman), Brownstein and Randall. During 2015, the Audit Committee held four meetings.

Each member of the Audit Committee has been determined by the Board of Directors to meet the standards for independence required of audit committee members by the NASDAQ listing standards and applicable SEC rules. For more information on the NASDAQ standards for independence, see Corporate Governance Director Independence above.

The Board of Directors has further determined that all members of the Audit Committee are able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. The Board of Directors has determined that Jeffrey D. Franklin is an audit committee financial expert within the meaning of applicable SEC rules.

The Audit Committee appoints the Company's independent registered public accounting firm, reviews the overall scope and the results of the Company's annual audit and reviews the Company's overall internal controls, among other things.

The Company's independent registered public accounting firm reports directly to the Audit Committee. The Audit Committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, meets with management and the Company's independent registered public accountants, at least quarterly, prior to the filing of officers' certifications with the SEC to receive information concerning, among other things, significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting, if any, and to discuss the scope and results of the annual audit, quarterly reviews and issues of accounting policy and internal controls. The Audit Committee has adopted procedures for the receipt, retention and treatment of complaints by Company employees regarding the Company's accounting, internal accounting controls or auditing matters. The Audit Committee operates under a formal charter adopted by the Board of Directors, as amended, that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's website at www.pfina.com.

TABLE OF CONTENTS

Compensation Committee

All members of the Compensation Committee have been determined to meet the applicable NASDAQ and SEC standards for independence. See *Director Independence* above. Further, each member of the Compensation Committee is a *Non-Employee Director* as defined in Rule 16b-3 under the Exchange Act.

The Compensation Committee reviews, recommends and approves changes to the Company's compensation policies and benefits programs, administers the executive compensation program and otherwise seeks to ensure that the compensation philosophy is consistent with the Company's best interests and is properly implemented. The Compensation Committee also serves as the administrator of the Company's stock incentive plans, and as such, all option grants and grants of restricted stock are approved by the Compensation Committee.

The Compensation Committee reviews and approves annually the corporate goals and objectives applicable to the compensation of the chief executive officer, evaluates at least annually such officer's performance in light of those goals and objectives, and determines and approves such officer's compensation level based on this evaluation. The Compensation Committee also reviews and approves the compensation of the Company's other named executive officer. The Compensation Committee charter provides that the chief executive officer cannot be present during any voting or deliberations by the Compensation Committee on his or her compensation and it is also the policy of this committee not to allow the other named executive officer to be present. Corporate Governance and Nominating Committee

During 2015, and as of the record date, the members of the Corporate Governance and Nominating Committee were Messrs. Brownstein (Chairman) and Randall. During 2015, the Corporate Governance and Nominating Committee held two meetings.

All members of the Corporate Governance and Nominating Committee have been determined to meet the NASDAQ standards for independence. See *Director Independence* above.

The Corporate Governance and Nominating Committee recommends to the Board of Directors as director nominees individuals of established personal and professional integrity, ability and judgment, who are chosen with the primary goal of ensuring that the entire Board of Directors collectively serves the interests of the Company's stockholders. The Corporate Governance and Nominating Committee does not have a formal policy relating specifically to the consideration of diversity in making recommendations of qualified nominees for election to the Board of Directors. Due consideration is given to assessing the qualifications of potential nominees and any potential conflicts with the Company's interests. The Corporate Governance and Nominating Committee also assesses the contributions of the Company's incumbent directors in connection with their potential re-nomination. In identifying and recommending director nominees, the Committee members take into account such factors as they determine appropriate, including recommendations made by the Board of Directors and stockholders. Once the Corporate Governance and Nominating Committee has identified prospective nominees, background information is elicited about the candidates, following which they are interviewed and evaluated by the Committee, which then reports to the Board of Directors.

TABLE OF CONTENTS

The Corporate Governance and Nominating Committee reviews and reassesses the Company's corporate governance procedures and practices, and recommends any proposed changes therein to the Board of Directors. It also oversees the evaluation of the Board of Directors, its committees and the Company's management.

The Corporate Governance and Nominating Committee operates under a formal charter adopted by the Board of Directors, as amended, that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's website at www.pfina.com.

The Board of Directors adopted a policy setting forth that the Corporate Governance and Nominating Committee will consider individuals suggested by stockholders for nomination as candidates for election to the Board of Directors at annual meetings of stockholders. Such suggested nominees will be considered in the context of the Corporate Governance and Nominating Committee's determination regarding all issues relating to the composition of the Board of Directors, including the size of the Board of Directors, any criteria the Corporate Governance and Nominating Committee may develop for prospective Board of Directors candidates and the qualifications of candidates relative to any such criteria. Any stockholder who wishes to submit an individual for nomination as a Board of Directors candidate by the Corporate Governance and Nominating Committee should be directed in writing to the Chair of the Corporate Governance and Nominating Committee, c/o the Secretary of the Company, P&F Industries, Inc., 445 Broadhollow Road, Suite 100, Melville, New York 11747. Such submission should include the name of the individual submitted for nomination, information as to such individual's background and experience and a representation from such individual that he or she is willing to be nominated by the Corporate Governance and Nominating Committee and, if elected, to serve, and the information regarding such individual that would be required by the rules and regulations of the SEC to be included in the Company's proxy statement issued in connection with its annual meeting.

Stockholders are also permitted to submit nominees for election at annual meetings of stockholders subject to compliance with the advance notice requirements of the Company's By-laws, summarized below under "Stockholder Nominations for Board of Directors Membership and Other Proposals for the 2017 Annual Meeting".

Strategic Planning and Risk Assessment Committee

The Board of Directors also maintains a Strategic Planning and Risk Assessment Committee, comprised of independent members of the Board of Directors. During 2015 and as of the record date, the members of the Strategic Planning and Risk Assessment Committee were Messrs. Brownstein (Chairman), Solomon and Randall. During 2015, the Strategic Planning and Risk Assessment Committee held two meetings.

All members of the Strategic Planning and Risk Assessment Committee have been determined to meet the NASDAQ standards for independence. See "Director Independence" above.

Such committee reviews, on behalf of the Company, management's long-term strategy for the Company, which include material business strategy, financial and capital matters in the pursuit of continuing the long-term success of the Company and risk appetite/tolerance relating thereto, and make recommendations to the Board of Directors with respect to the foregoing.

The Strategic Planning and Risk Assessment Committee operates under a formal charter adopted by the Board of Directors, as amended, that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's website at www.pfina.com.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics, which is designed to help officers, directors and employees resolve ethical issues in an increasingly complex business environment.

The Code of Business Conduct and Ethics is applicable to all of the Company's officers, directors and employees, including the Company's principal executive officer, principal financial officer, controller and other persons

performing similar functions. The Code of Business Conduct and Ethics covers topics including, but not limited to, conflicts of interest, confidentiality of information and compliance with laws and regulations.

Waivers from the Code of Business Conduct and Ethics are discouraged. Any waivers from the Code of Business Conduct and Ethics that relate to the Company's directors and executive officers must be approved by the Board of Directors, and will be posted on the Company's website at www.pfina.com.

The Code of Business Conduct and Ethics can be obtained free of charge from the Company's website at www.pfina.com.

Board Leadership Structure

The Company's Chief Executive Officer also serves as its Chairman of the Board. The Board of Directors believes that a combined CEO/Chairman of the Board arrangement and having a Lead Independent Director (as further discussed below) is currently the best structure for the Board of Directors, as its Chief Executive Officer is most familiar with the Company's business and industry, and most capable of effectively identifying the Company's priorities and leading the execution of its strategy. The Company's independent directors bring experience, oversight and expertise from outside the Company and industry, while the Chief Executive Officer brings company-specific experience and expertise. Combining the role of Chairman and Chief Executive Officer facilitates information flow between management and the Board of Directors.

Because the Board of Directors also believes that strong, independent Board leadership is a critical aspect of effective corporate governance, the Board of Directors has established the position of Lead Independent Director. Our Lead Independent Director is an independent director elected annually by the independent directors. During 2015 and as of the record date, Mr. Solomon served as our Lead Independent Director. Our Lead Independent Director's responsibilities and authority include, among other things, advising on Board meeting schedules and agendas, calling meetings of the independent directors, chairing the executive sessions of the independent directors and chairing the meetings of the Board of Directors if the Chairman of the Board is not present. Copies of the charter of the Lead Independent Director can be obtained free of charge from the Company's website at www.pfina.com.

Board Role in Risk Oversight

While risk management is primarily the responsibility of the Company's management team, the Board of Directors is responsible for overall supervision of the company's risk management efforts as they relate to the key business risks facing the organization. As discussed in greater detail above, the Board of Directors maintains a Strategic Planning and Risk Assessment Committee as a standing committee whose responsibility includes working with management to identify, assess, and manage the risks most critical to the Company's operations and routinely advise the Board of Directors on those matters. Those areas of material risk can include operational, financial, legal, regulatory, human capital, informational technology, and strategic and reputational risks, among others. In addition, the Board of Directors regularly reviews with management, at Board of Director meetings, any risk management issues that any director wishes to discuss. Finally, the Board of Director's other committees each oversee certain aspects of risk management and report its respective findings to the Strategic Planning and Risk Assessment Committee or the full Board of Directors as appropriate.

Directors Attendance at Annual Meetings of Stockholders

It is the policy of the Board of Directors to expect that all directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance by the director with the Chairman of the Board. All of the members of the Board of Directors attended the Company's 2015 annual meeting of stockholders.

Communication with the Board of Directors

Any stockholder or interested party who wishes to communicate with the Board of Directors, or specific individual directors, or the non-management directors as a group, may do so by directing a written request addressed to such directors or director, care of the Lead Independent Director, P&F Industries, Inc., 445 Broadhollow Road, Suite 100, Melville, New York 11747. Communication(s) directed to members of the Board of Directors who are not non-management directors will be relayed to the intended Board member(s) except to the extent that it is deemed unnecessary or inappropriate to do so pursuant to the procedures established by a majority of the independent directors. Any communication so withheld will nevertheless be made available to any non-management director who wishes to review it.

TRANSACTIONS****Policies and Procedures**

The Company's Code of Ethics provides that the Company's compliance officer (currently the Company's General Counsel) must be fully informed of any proposed transaction between the Company, on the one hand, and any employee, officer or director, on the other, and must communicate the Company's approval of any such transaction before the agreement or transaction can be commenced. Further, pursuant to Nasdaq Rule 5630(a), the Company's Audit Committee (or another committee made up of independent directors) must review and have oversight over all transactions with related parties required to be disclosed under SEC Regulation S-K, Item 404. Related parties include the Company's directors, executive officers, and stockholders known by the Company to be the beneficial owner of more than five percent of the Company's Common Stock, and their respective immediate families. The Company does not have formal written procedures to implement this policy; instead, the Audit Committee (or another committee made up of independent directors) reviews and, where appropriate approves, related party transactions on a case by case basis.

Related Party Transactions

There were no transactions with related parties entered into, or proposed, since January 1, 2015.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has appointed CohnReznick LLP (CohnReznick) as independent registered public accountants for the Company and its subsidiaries for the year 2016 and has further directed that management submit the selection of independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

CohnReznick has audited the Company s financial statements since 2008. Representatives of CohnReznick are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company s By-laws nor other governing documents or law require stockholder ratification of the appointment of CohnReznick as the Company s independent registered public accounting firm. However, the Audit Committee seeks to have the appointment of CohnReznick ratified. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accountants at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The following table sets forth the fees billed by CohnReznick for professional services for the fiscal years ended December 31, 2015 and 2014.

	2015	2014
Audit Fees	\$ 259,000	\$ 299,000
Audit-Related Fees	34,500	-0-
Tax Fees	-0-	-0-
All Other Fees	33,500	19,050
	\$ 327,000	\$ 318,050

Audit fees include fees billed for the audit of P&F Industries, Inc. and its subsidiaries, the review of quarterly financial information, and attendance at Audit Committee meetings.

Audit-Related Fees include certain services that are reasonably related to the performance of the audit or review of the P&F Financial Statements. For 2015, such fees were comprised of expenses relating to audit procedures in connection with the Company s acquisitions. There were no such fees in 2014.

Tax fees include fees billed for services relating to tax compliance, tax advice and tax planning. There were no such fees in 2015 or 2014.

All Other Fees includes fees billed for services not classified in any of the above categories. For 2015, such fees are comprised of expenses relating the Company s 2016 disposition, assistance with responding to an SEC comment letter and certain out-of-pocket expenses. For 2014, such fees are comprised of expenses relating to the Company s acquisitions and certain out-of-pocket expenses. The Audit Committee negotiates the annual audit fee directly with the

Company's independent registered public accountants. Any additional services to be performed by the Company's independent registered public accountants requires the advance approval of the Audit Committee. The Audit Committee considers whether the provision of permitted non-audit services is compatible with maintaining its independent registered public accountants' independence.

Required Vote

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the appointment of CohnReznick. You may vote for, against or abstain. If you abstain from voting with respect to this proposal, your vote will have the same effect as a vote against the proposal. Broker non-votes are not applicable to this proposal.

AUDIT COMMITTEE REPORT*

The Audit Committee of the Board of Directors of P&F Industries, Inc. is composed of three independent directors appointed by the Board of Directors (each of whom is independent under NASDAQ and applicable SEC rules) and operates under a written charter adopted by the Board of Directors on March 9, 2004 and amended as of April 20, 2015. During 2015 and as of the record date, the members of such committee were Messrs. Franklin (Chairman), Brownstein and Randall. Management is responsible for the Company's internal accounting and financial controls, the financial reporting process and the internal audit function. The Company's independent registered public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and report its findings to the Board of Directors.

In this context, the Audit Committee has met and held discussions separately, and jointly, with each of management and the Company's independent registered public accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accountants. The Audit Committee discussed with the independent registered public accountants matters required to be discussed under PCAOB standards. The independent registered public accountants have provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the PCAOB regarding the independent registered public accountants' communications with the Audit Committee concerning independence, and the Audit Committee has discussed with the independent registered public accountants such registered public accountants' independence. The Audit Committee has concluded that the independent registered public accountants' provision of audit and non-audit services to the Company is compatible with such registered public accountants' independence.

Based on the Audit Committee's discussion with management and the independent registered public accountants, and the Audit Committee's review of the representation of management and the report of the independent registered public accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2015 filed with the SEC.

TABLE OF CONTENTS

COMPENSATION PHILOSOPHY AND AGREEMENTS WITH NAMED EXECUTIVE OFFICERS

As a smaller reporting company, the Company has presented the information in this proxy statement in accordance with the scaled disclosure requirements permitted under applicable SEC regulations, and as such, the Company has not included a compensation discussion and analysis. However, the Company is providing the following section of the proxy statement in order to provide stockholders with a better understanding of the Company's compensation philosophy, agreements and certain related matters with respect to its named executive officers.

The Company's overall executive compensation philosophy is to provide compensation in a manner that will incentivize the executives in order to optimize stockholder value. To that end, the program is designed to recognize successful operating performance and to attract, retain and motivate the executive talent essential to the Company's financial success. Consistent with this philosophy, the Compensation Committee is guided by the following objectives when administering the Company's overall compensation program:

Attract and retain highly qualified executives;

Motivate executives to provide excellent leadership and achieve the Company's goals;

Provide substantial performance-related incentive compensation that is aligned with the Company's strategies and directly tied to meeting specific Company objectives; and

Link the interests of the executives to the value derived by the Company's stockholders.

In furtherance of these objectives, the following considerations underlie the Compensation Committee's determination with respect to the following principal elements of compensation for the officers of the Company, including its named executive officers and its operating subsidiaries' officers:

Base Salary. Individual salary determinations should be based upon the officer's qualifications, experience and performance.

Annual Cash Incentives. Executives should have a portion of their total cash compensation at risk, contingent upon meeting specific Company objectives, in order to further align the interests of the executives with the stockholders. To that end, executives are only rewarded with cash bonuses to the extent stated objectives are achieved or exceeded.

Long-Term Equity-Based Awards. Where and when appropriate, executives who are critical to the Company's long-term success including the named executive officers should participate in long-term incentive opportunities that link a portion of their total compensation to stockholder value.

Retirement Plans and Other Benefits. Executives should be eligible to participate in the Company's benefit programs, such as life and health insurance and retirement plans as well as other benefits at a level consistent with Company policy, prevailing law and current regulations.

Total compensation is intended to correlate to the Company's profitability, growth, and the achievement of other Company objectives which in turn enhances the Company's stockholder value.

In 2015, the Compensation Committee directly engaged Steven Hall & Partners, LLC, an independent third-party compensation consultant, to assist it with, among other things, determining the level and composition of compensation, including performance-related compensation, for the named executive officers. Such consultant provided no additional services to the company or its affiliates in 2015.

Overview of 2015 Executive Compensation

Mr. Horowitz

Horowitz Employment Agreement. The 2015 compensation for Richard A. Horowitz, the Company's President, Chief Executive Officer and Chairman of the Board, was governed by an executive employment agreement between the Company and Mr. Horowitz, which was entered into as of January 1, 2015 (the Horowitz Employment Agreement). The Horowitz Employment Agreement was approved by the Compensation Committee following the review of the material proposed terms of the arrangement by the independent directors of the Board. The employment agreement with Mr. Horowitz that was in effect throughout 2014 is discussed below under Agreements with Named Executive Officers in Effect in 2014 .

TABLE OF CONTENTS

The Compensation Committee approved the terms of the Horowitz Employment Agreement after a multi-month process in which it and the independent directors of the Board evaluated Mr. Horowitz's performance, Mr. Horowitz's value to the Company and appropriate market comparables. In doing so, the Compensation Committee utilized the services of Steven Hall & Partners, an independent compensation consulting firm, as well as the services of special legal counsel to the Compensation Committee.

The Horowitz Employment Agreement provides for Mr. Horowitz to serve as the Company's President and Chief Executive Officer and, if elected by the Board of Directors, Chairman of the Board, for a term expiring on December 31, 2018, unless sooner terminated pursuant to the provisions of the Horowitz Employment Agreement. Pursuant to the Horowitz Employment Agreement, Mr. Horowitz will receive a minimum annual base salary of \$700,000. Mr. Horowitz's base salary will be reviewed annually by the Board of Directors (or a committee thereof) and may be increased, but not decreased, from time to time. Mr. Horowitz will be eligible for an annual incentive payment in accordance with the terms and conditions of the Amended and Restated 162(m) Bonus Plan (the "162(m) Bonus Plan") (or successor plan) with performance goals to be set by the Compensation Committee in its sole discretion (after discussions with Mr. Horowitz), with a target of 55% of his then-current base salary, and a maximum bonus based on exceeding performance targets as established by the Compensation Committee of 165% of his then-current base salary. The Compensation Committee may reduce the percentage of the target bonus and the maximum bonus and apply such target amount to a long-term cash or equity incentive plan award. Mr. Horowitz will also receive (i) senior executive level employee benefits, (ii) continuation of the annual payment, through 2016, of approximately \$45,000 to cover premiums on a life insurance policy, (iii) a Company-provided automobile and the payment of certain related expenses and (iv) payment and/or reimbursement of certain legal and consultants' fees in connection with the Horowitz Employment Agreement. Mr. Horowitz received no equity grants in connection with the Horowitz Employment Agreement.

In the event Mr. Horowitz's employment is terminated by the Company without Cause (as defined in the Horowitz Employment Agreement), or Mr. Horowitz resigns for Good Reason (as defined in the Horowitz Employment Agreement), then subject to his execution of a general release, (i) he will continue to receive his base salary for 20 months, (ii) he will receive a pro rata bonus for the year of termination (the "Pro Rata Bonus"), and (iii) the Company will pay him monthly an amount equal to the difference in his COBRA premium and the active employee contribution for medical coverage until the earlier of (a) 18 months from the date of termination, (b) his becoming eligible for medical benefits from a subsequent employer, or (c) his becoming ineligible for COBRA.

In the event Mr. Horowitz's employment is terminated by the Company without Cause or he resigns for Good Reason within two years following a 409A Change in Control (as defined in the Horowitz Agreement), then subject to his execution of a general release, he will receive the amounts set forth in the previous paragraph; provided, that he will receive the base salary severance payment set forth in clause (i) of the previous paragraph in a lump sum rather than in installments. Notwithstanding the foregoing, in the event an Excise Tax (as defined in the Horowitz Employment Agreement) would otherwise be incurred by Mr. Horowitz, amounts paid to Mr. Horowitz upon a Change in Control will be reduced to 2.99 times his base amount (as determined in accordance with Section 280G of the Internal Revenue Code).

Pursuant to the Horowitz Employment Agreement, during term of his employment and for a period of twelve months after termination of his employment, Mr. Horowitz is prohibited from (i) competing with the Company, (ii) soliciting or hiring the Company's employees, representatives or agents, or (iii) soliciting any of the Company's customers. The Horowitz Employment Agreement also prohibits Mr. Horowitz from using or disclosing any of the Company's non-public, proprietary or confidential information.

Mr. Horowitz's Bonus. The criteria for the 2015 bonus was set by the Compensation Committee in March 2015 under, and in accordance with the terms of, the Horowitz Employment Agreement and the Company's 162(m) Bonus Plan. It was based on achievement of certain target levels of Company profit, calculated primarily upon the level of earnings before taxes, depreciation and amortization achieved by the Company for fiscal 2015 with certain adjustments, and was subject to reduction by the Compensation Committee in its discretion, after reviewing narrower earnings-based achievement standards and other factors. Mr. Horowitz could have received no performance bonus or a bonus that was below the target bonus amount

if the Company did not achieve its performance goals or at the discretion of the Compensation Committee. However, as a result of the Company's performance exceeding the performance targets for 2015 and other factors, including Mr. Horowitz's role in 2015 in the implementation of the Company's strategic plan established by the Board of Directors to dispose of the Company's Nationwide Industries, Inc. subsidiary (which disposition was consummated in 2016), Mr. Horowitz received a bonus of \$712,000 for 2015.

Equity Awards granted to Mr. Horowitz. Mr. Horowitz did not receive any equity award from the Company in 2015.

Mr. Molino

Molino Employment Agreement. On April 2, 2015, the Company and Mr. Molino entered into an Executive Employment Agreement (the Molino Employment Agreement), effective as of January 1, 2015, which agreement was approved by the Compensation Committee following the earlier review of the material proposed terms of the arrangement by the independent directors of the Board. The Company had no previous employment agreement with Mr. Molino; however, the Company's Severance Agreement with Mr. Molino (discussed below) expired on December 31, 2014.

The Compensation Committee approved the terms of the Molino Employment Agreement after a process in which it and the independent directors of the Board evaluated Mr. Molino's performance, Mr. Molino's value to the Company and appropriate market comparables. In doing so, the Compensation Committee utilized the services of Steven Hall & Partners, an independent compensation consulting firm, as well as the services of special legal counsel to the Compensation Committee.

The Molino Employment Agreement provides for Mr. Molino to serve as the Company's Vice President, Chief Operating Officer and Chief Financial Officer; provided, that prior to a Change in Control (as defined in the Molino Employment Agreement), the Company may in its sole discretion remove any or all of the Executive's titles (and the related responsibilities) other than Chief Operating Officer. The term of the Molino Employment Agreement expires on December 31, 2017, unless sooner terminated pursuant to the provisions of the Molino Employment Agreement. Pursuant to the Molino Employment Agreement, Mr. Molino will receive a minimum annual base salary of \$375,000.

Mr. Molino's base salary will be reviewed annually by the Board of Directors (or a committee thereof) and may be increased, but not decreased, from time to time. Mr. Molino will be eligible for an annual incentive payment in accordance with the terms and conditions of the 162(m) Bonus Plan (or a successor plan) with performance goals to be set by the Compensation Committee in its sole discretion, with a target of 35% of his then-current base salary, and a maximum bonus based on exceeding performance targets as established by the Compensation Committee of 58% of his then-current base salary. Mr. Molino will also receive (i) senior executive level employee benefits, (ii) a Company-provided automobile and the payment of certain related expenses and (iii) payment and/or reimbursement of legal fees of up to \$5,000 in connection with the Molino Employment Agreement.

In the event Mr. Molino's employment is terminated by the Company without Cause (as defined in the Molino Employment Agreement), or Mr. Molino resigns for Good Reason (as defined in the Molino Employment Agreement), he will receive all accrued amounts of base salary, unpaid bonuses for the prior year, unreimbursed expenses and amounts due under benefits plans in accordance with their terms and, subject to his execution of a general release, (i) he will continue to receive his base salary for 12 months, (ii) he will receive a pro rata bonus for the year of termination, and (iii) the Company will pay him monthly an amount equal to the difference in his COBRA premium and the active employee contribution for medical coverage until the earlier of (a) 18 months from the date of termination, (b) his becoming eligible for medical benefits from a subsequent employer, or (c) his becoming ineligible for COBRA.

In the event Mr. Molino's employment is terminated by the Company without Cause or he resigns for Good Reason within two years following a Change in Control, then subject to his execution of a general release, he will receive the amounts set forth in the previous paragraph in addition to a lump sum amount equal to his target annual bonus for the fiscal year in which his termination occurs; provided, that the COBRA Payments set forth in clause (iii)(a) of the previous paragraph shall extend for up to 12 months from the date of termination rather than up to 18 months from the date of termination; and provided further, that in the event of a 409A Change in Control (as defined in the Molino Employment Agreement) he will receive the base salary severance payment set forth in clause (i) of the previous paragraph in a lump sum rather than in

installments. Notwithstanding the foregoing, in the event an Excise Tax (as defined in the Molino Employment Agreement) would otherwise be incurred by Mr. Molino, amounts paid to Mr. Molino upon a Change in Control will be reduced to 2.99 times his base amount (as determined in accordance with Sections 280G of the Internal Revenue Code of 1986, as amended).

Pursuant to the Molino Employment Agreement, during the term of his employment and for a period of twelve months after termination of his employment, Mr. Molino is prohibited from (i) competing with the Company, (ii) soliciting or hiring the Company's employees, representatives or agents, or (iii) soliciting any of the Company's customers. The Molino Employment Agreement also prohibits Mr. Molino from using or disclosing any of the Company's non-public, proprietary or confidential information.

Mr. Molino's Bonus. The criteria for the 2015 bonus was set by the Compensation Committee in March 2015 under, and in accordance with terms of, the Molino Employment Agreement and the Company's 162(m) Bonus Plan. It was based on achievement of certain target levels of Company profit, calculated primarily upon the level of earnings before taxes, depreciation and amortization achieved by the Company for fiscal 2015 with certain adjustments, and was subject to reduction by the Compensation Committee in its discretion, after reviewing narrower earnings-based achievement standards and other factors. Mr. Molino could have received no performance bonus or a bonus that was below the target bonus amount if the Company did not achieve its performance goals or at the discretion of the Compensation Committee. However, as a result of the Company's performance exceeding the performance targets for 2015 and other factors, including Mr. Molino's role in 2015 in the implementation of the Company's strategic plan established by the Board of Directors to dispose of the Company's Nationwide Industries, Inc. subsidiary (which disposition was consummated in 2016), Mr. Molino received a bonus of \$172,000 for 2015.

Equity Awards granted to Mr. Molino. In connection with entering into the Molino Employment Agreement, on April 2, 2015 the Company granted 2,500 shares of restricted stock of the Company (the Restricted Stock) to Mr. Molino under a Restricted Stock Agreement pursuant to the 2012 Plan, which vest as to one-third on each of the first, second and third anniversaries of the date of grant, subject to accelerated vesting upon Mr. Molino's death, termination due to disability or upon a Change in Control (as defined in the 2012 Plan).

Agreements with Named Executive Officers in Effect in 2014

Prior Horowitz Employment Agreement. On December 29, 2011, the Company and Richard A. Horowitz entered into an Executive Employment Agreement (the Prior Horowitz Employment Agreement), effective as of January 1, 2012. The Prior Horowitz Employment Agreement provided for Mr. Horowitz to serve as the Company's President and Chief Executive Officer and, if elected by the Board, Chairman of the Board, for a term expiring on December 31, 2014, unless sooner terminated pursuant to the provisions of the Prior Horowitz Employment Agreement. Pursuant to the Prior Horowitz Employment Agreement, Mr. Horowitz received a minimum annual base salary of \$650,000. Mr. Horowitz's base salary was reviewed annually by the Board of Directors and could have been increased, but not decreased, from time to time. Pursuant to a 2014 amendment to the Prior Horowitz Employment Agreement, the Compensation Committee increased Mr. Horowitz's annual base salary rate to \$700,000 as of January 1, 2014. Mr. Horowitz was eligible for an annual incentive payment in accordance with the terms and conditions of the 162(m) Bonus Plan (or a successor plan) with performance goals to be set by the Compensation Committee in its sole discretion (after discussions with Mr. Horowitz), with a target of 50% of his then-current base salary, and a maximum bonus based on exceeding performance targets as established by the Compensation Committee of 150% of his then-current base salary. Pursuant to the 2014 amendment, the target and maximum bonus amounts were increased to 55% and 165%, respectively, for 2014.

The Prior Horowitz Employment Agreement further provided that Mr. Horowitz would also receive (i) senior executive level employee benefits, (ii) continuation of the annual payment of approximately \$45,000 relating to premiums on a life insurance policy, (iii) a Company-provided automobile and the payment of certain related expenses and (iv) payment and/or reimbursement of certain legal and consultants fees. Mr. Horowitz received no equity grants in connection with the Prior Horowitz Employment Agreement.

TABLE OF CONTENTS

In the event Mr. Horowitz's employment had been terminated by the Company without Cause (as defined in the Prior Horowitz Employment Agreement), or Mr. Horowitz had resigned for Good Reason (as defined in the Prior Horowitz Employment Agreement), then subject to his execution of a general release, (i) he would have continued to receive his base salary for 18 months, (ii) he would have received a pro rata bonus for the year of termination, and (iii) the Company would have paid him monthly an amount equal to the difference in his COBRA premium and the active employee contribution for medical coverage until the earlier of (a) 18 months from the date of termination, (b) his becoming eligible for medical benefits from a subsequent employer, or (c) his becoming ineligible for COBRA. In the event Mr. Horowitz's employment was terminated by the Company without Cause or he resigned for Good Reason within two years following a Change in Control (as defined in the Prior Horowitz Employment Agreement) or, under certain circumstances, within six months prior to a Change in Control, then he would have received the amounts set forth in the previous paragraph either in whole or in part in a lump sum, subject to his execution of a general release. Notwithstanding the foregoing, in the event an Excise Tax (as defined in the Prior Horowitz Employment Agreement) would otherwise be incurred by Mr. Horowitz, amounts paid to Mr. Horowitz upon a Change in Control would have been reduced to 2.99 times his base amount (as determined in accordance with Section 280G of the Internal Revenue Code).

Pursuant to the Prior Horowitz Employment Agreement, during term of his employment and for a period of twelve months after termination of his employment, Mr. Horowitz was prohibited from (i) competing with the Company, (ii) soliciting or hiring the Company's employees, representatives or agents, or (iii) soliciting any of the Company's customers. The Prior Horowitz Employment Agreement also prohibited Mr. Horowitz from using or disclosing any of the Company's non-public, proprietary or confidential information.

Severance Agreement with Mr. Molino. In 2014, the Company did not have an employment agreement with Mr. Molino who was deemed to be an employee at will. However, the Company and Mr. Molino entered into a Severance Agreement (the Severance Agreement), effective as of June 22, 2012, which agreement provided that in the event Mr. Molino's employment was terminated by the Company without Cause (as defined in the Severance Agreement) on or prior to December 31, 2014 and a Change in Control (as defined in the Severance Agreement) had not occurred, then subject to his execution of a general release, he would continue to receive his base salary for 12 months (the Severance Amount).

Pursuant to the Severance Agreement, in the event Mr. Molino's employment was terminated by the Company without Cause or he resigns for Good Reason (as defined in the Severance Agreement) within two years following a Change in Control (as defined in the Severance Agreement) that occurred prior to December 31, 2014, then subject to his execution of a general release (i) he would receive the Severance Amount either in whole or in part in a lump sum depending on whether the Change in Control constitutes a change in control event within the meaning of Section 409A of the Internal Revenue Code, (ii) he would receive an amount equal to his target annual bonus for the fiscal year such termination occurs, and (iii) the Company would pay him monthly an amount equal to the difference in his COBRA premium and the active employee contribution for medical coverage until the earlier of (a) 12 months from the date of termination, (b) his becoming eligible for medical benefits from a subsequent employer, or (c) his becoming ineligible for COBRA. Notwithstanding the foregoing, in the event an Excise Tax (as defined in the Severance Agreement) would otherwise be incurred by Mr. Molino, amounts paid to Mr. Molino upon a Change in Control will be reduced to 2.99 times his base amount (as determined in accordance with Sections 280G of the Internal Revenue Code).

In the event of a termination of Mr. Molino's employment due to his death or by the Company due to his disability (i) he would receive a pro rata bonus for the year of termination and (ii) the Company would pay him or his estate monthly an amount equal to the difference in his COBRA premium and the active employee contribution for medical coverage until the earlier of (a) one year from the date of termination, (b) Mr. Molino or his dependents becoming

ineligible for COBRA or (c) in the case of a termination due to disability, his ceasing to have a physical or mental disability that would prevent him from performing his material duties for the Company.

TABLE OF CONTENTS

Pursuant to the Severance Agreement, during the term of his employment and for a period of twelve months after termination of his employment, Mr. Molino was prohibited from (i) competing with the Company, (ii) soliciting or hiring the Company's employees, representatives or agents, or (iii) soliciting any of the Company's customers. The Severance Agreement also prohibited Mr. Molino from using or disclosing any of the Company's non-public, proprietary or confidential information.

Post-2015 Executive Compensation Matters

In March 2016, the Compensation Committee designated that Mr. Horowitz and Mr. Molino would each be participating in the 162(m) Bonus Plan for 2016, and set forth the maximum bonus for 2016 for each such named executive officer, based on the achievement of certain target levels of Company profit, calculated based upon the level of earnings before taxes, depreciation and amortization to be achieved by the Company for fiscal 2016 with certain adjustments, which is subject to reduction by the Compensation Committee in its discretion, after reviewing narrower earnings-based achievement standards and other factors.

162(m) Bonus Plan

The 162(m) Bonus Plan was approved by the Compensation Committee, the Board of Directors and the stockholders in 2011, and re-adopted by such committee, the Board of Directors and the stockholders in 2015. Section 162(m) of the Internal Revenue Code (Section 162(m)) prohibits a corporation from taking a tax deduction in any tax year for compensation it pays to the chief executive officer and certain other named executive officers in excess of \$1 million unless such compensation qualifies as performance based and satisfies certain requirements. The Company maintains the 162(m) Bonus Plan to permit, when appropriate, annual incentive award to qualify as performance based compensation and, to the extent they qualify, be deductible for income tax purposes under Section 162(m) of the Internal Revenue Code. Similarly, the Company has provisions in the 2012 Plan to permit certain equity grants, when appropriate, to qualify as performance based compensation. The Compensation Committee considers the application of Section 162(m) when structuring awards. Section 162(m) regulations are complicated and subject to change. In addition, a number of requirements must be met in order for particular compensation to qualify as deductible under the section. Accordingly, there can be no assurance that the compensation intended to qualify for deductibility under Section 162(m) awarded or paid by the Company will be fully deductible.

Under the 162(m) Bonus Plan, the Compensation Committee selects the employees of our Company and its subsidiaries who will participate in the 162(m) Bonus Plan for each performance period. The Compensation Committee establishes the objective performance goals, formulae or standards and the individual target performance award (if any) applicable to each participant for a performance period prior to the beginning of such performance period or at such later date as permitted under Section 162(m), and while the outcome of the performance goals are substantially uncertain. As stated above, Mr. Horowitz and Mr. Molino each participated in the 162(m) Bonus Plan in 2015 and each was designated to participate in such bonus plan for 2016.

Stock Incentive Plans Change in Control

Change of Control Provisions. The Company's 2012 Plan provides that unless otherwise determined by the Compensation Committee at the time of grant, awards subject to vesting and/or restrictions will not accelerate and vest or cause the lapse of restrictions upon a change in control (as defined in the 2012 Plan). Instead, such awards will be, in the discretion of the Compensation Committee, either (i) assumed and continued or substituted in accordance with applicable law; (ii) purchased by the Company for an amount equal to the excess of the price of the Company's

Common Stock paid in a change in control over the exercise price of the award(s) (such purchase price not to exceed the fair market value of the Common Stock at the time of purchase), or (iii) cancelled if the price of the Common stock paid in a change in control is less than the exercise price of the award. The Committee may also, in its sole discretion, provide for accelerated vesting or lapse of restrictions of an award at any time.

In the event of a merger or consolidation in which the Company is not the surviving corporation or in the event of a transaction that results in the acquisition of all or substantially all of the Company's Common Stock or assets, the Compensation Committee may elect to terminate all outstanding exercisable awards granted under the 2012 Plan, provided that during the period from notification of such termination to the date

TABLE OF CONTENTS

of consummation of the relevant transaction (which must be at least 20 days) each participant shall have the right to exercise all of his or her exercisable awards in full (without regard to any restrictions on exercisability), contingent on the consummation of such transaction.

The Company's 2002 Stock Incentive Plan provides that in the event of a change in control, notwithstanding any vesting schedule with respect to an award of options or restricted stock, such option shall become immediately exercisable with respect to 100% of the shares subject to such option, and the restricted period shall expire immediately with respect to 100% of such shares of restricted stock. The 2002 Stock Incentive Plan further provides that in the event of a change in control, all other awards shall become fully vested and/or payable to the fullest extent of any award or portion thereof that has not then expired, and any restrictions with respect thereto shall expire.
