Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

Each of the seven senior executive officers of Rowan Companies (including each named executive officer) has requested a voluntary reduction of 10% of base salary effective July 1, 2016 for a period of at least one year. The reduced base salaries will also be used for purposes of calculating awards and payments under the Company's salary-based compensation and benefit plans. Senior executives implemented these pay reductions in light of market conditions in the offshore drilling industry, ongoing cost control efforts, and to show good faith with the Company's shareholders and employees during this steep and sustained downturn in the price of oil.

In addition, our Board of Directors has agreed to a voluntary 10% reduction in their Board service retainers for the same period.
