First Keystone Corporation, (the "Corporation") is unable to file with the Securities and Exchange Commission ("SEC") its Annual Report on Form 10-K for the year ended December 31, 2016 (and related XBRL documents) within the prescribed time period without unreasonable effort or expense as a result of the circumstances described below.

The Corporation has experienced a delay in completing its Annual Report on Form 10-K for the year ended December 31, 2016 (the "Form 10-K"). The delay in filing the Form 10-K resulted from unanticipated delays in compiling certain necessary information to prepare and complete the formatting of the open international standard for digital business reporting, eXtensible Business Reporting Language ("XBRL"), for the filing of its form 10-K in a timely manner.

Notwithstanding the Corporation's inability to file its Annual Report on Form 10-K by March 16, 2017, the Corporation currently does not expect to report in its Annual Report on Form 10-K any material changes to its financial results from those previously reported in the press release for the Corporation's financial results for the quarter ended and year ended December 31, 2016.
