Explanatory Note

On August 31, 2018, Lydall, Inc. (the “Company”) completed the acquisition of Interface Performance Materials (“Interface”), based in Lancaster, Pennsylvania. A globally-recognized leader in the delivery of engineered sealing solutions, the Interface operations manufacture wet-laid gasket and specialty materials primarily serving OEM and Tier I manufacturers in the agriculture, construction, earthmoving, industrial, and automotive markets. The acquisition was consummated pursuant to the terms of a Stock Purchase Agreement dated August 9, 2018, by and among the Company, Susquehanna Capital Acquisition Co., and Vulcan Global, LLC (the “Purchase Agreement”). Susquehanna Capital Acquisition Co. is the parent holding company of the Interface operations.

The transaction strengthens the Company's position as an industry-leading global provider of filtration materials and expands the Company's end markets into attractive adjacencies. The Company acquired Interface for \$268.4 million, net of cash acquired of \$5.2 million, subject to post-closing purchase price adjustments. The purchase price was financed with a combination of cash on hand and \$261.4 million of borrowings from the Company's \$450 million amended credit facility. Beginning with 2018 third quarter reporting, the acquired business was included in the Company's Performance Materials reporting segment.

In the Company’s current report on Form 8-K filed on September 7, 2018 to report the Acquisition (the “Initial Form 8-K”), the Company indicated that the financial statements and pro forma financial information under Item 9.01 would be filed no later than 71 days after the date the Initial Form 8-K reporting the Acquisition was required to be filed. This amendment to the Initial Form 8-K, is to provide the financial statements and pro forma financial information required by Item 9.01 of Form 8-K.
