REVOCATION SOLICITATION STATEMENT
OF STEWART INFORMATION SERVICES CORPORATION
IN RESPONSE TO A SOLICITATION OF WRITTEN REQUESTS FOR SPECIAL MEETING
BY FOUNDATION ASSET MANAGEMENT, LP

August [•], 2016

This Revocation Solicitation Statement (this “*Revocation Solicitation Statement*”) and the accompanying WHITE revocation card (the “*WHITE Revocation Card*”) are being furnished by Stewart Information Services Corporation, a Delaware corporation (“*we*,” the “*Company*” or “*Stewart*”), to the holders of outstanding shares of our common stock in connection with the solicitation of green written request cards (“*Written Requests*”) by Foundation Asset Management, LP and certain affiliated entities and persons (collectively, “*Foundation*”). For purposes of this Revocation Solicitation Statement, all references herein to the Written Requests being solicited by Foundation shall be deemed to include any associated proxies being solicited by Foundation. This Revocation Solicitation Statement and the enclosed WHITE Revocation Card are first being mailed to shareholders on or about August [•], 2016.

As you may be aware, Foundation is a shareholder of the Company and, as of July 28, 2016, only owned approximately 5.6% of the Company’s common stock. Over the last two years, Foundation has nominated two directors on the Board of Directors of the Company (the “*Board*”) and made repeated public statements urging the Board to engage in an immediate sale of the Company. Most recently, Foundation filed a Schedule 14A (the “*Foundation Consent Solicitation*”) with the United States Securities and Exchange Commission (the “*SEC*”) pursuant to which Foundation is seeking your written consent to call a special meeting of the shareholders of the Company.

After careful consideration and consultation with its independent financial and legal advisors, the Board has determined by a six to three vote that a special meeting does not serve the interests of the Company’s shareholders. If Foundation is able to call a special meeting and elect its nominees to the Board, the Foundation Consent Solicitation could empower a single shareholder owning approximately 5.6% of the Company’s stock with an outsized influence over the direction of the Company, given that Foundation selected, and the Board agreed to nominate, two members of the current Board pursuant to a nomination and standstill agreement entered into on February 12, 2014. Additionally, as Foundation is well aware, the Board is contractually obligated under the recapitalization plan approved by the shareholders at the 2016 annual meeting to nominate, recommend and solicit in favor of the two directors Foundation seeks to remove at each of the 2017 and 2018 annual meetings, making Foundation’s call for a special meeting all the more purposeless and unnecessary at this time.

Rather than put forward its proposals at the Company’s 2017 annual meeting of shareholders, which is customarily held in the spring of the calendar year, Foundation is now soliciting your written request to demand a special meeting of the Company’s shareholders, to consider and vote upon a number of proposals put forth by Foundation, including (i) to repeal certain bylaws of the Company, (ii) to remove Malcolm S. Morris and Stewart Morris, Jr., (iii) to amend bylaws of the Company such that that any vacancies on the Board resulting from the removal of directors by the shareholders of the Company shall be filled exclusively by the shareholders of the Company, and (iv) to elect two directors hand-picked by Foundation, Ernest D. Smith and Roslyn B. Payne, to the Board (collectively, the “*Foundation Proposals*”).

Under the Company's Amended and Restated Certificate of Incorporation (the "**Charter**") and the Third Amended and Restated Bylaws of the Company (the "**Bylaws**"), the calling of a shareholder-requested special meeting will require the valid and unrevoked written requests of record holders, including Foundation, of at least twenty-five percent (25%) of the outstanding shares of common stock, subject to and in compliance with our Charter and Bylaws.

As of August 1, 2016, there were 23,820,902 outstanding shares of common stock. Based on the number of shares outstanding on August 1, 2016, in order to request the special meeting in accordance with the Bylaws, Foundation would need to validly deliver to the Company pursuant to our Bylaws, executed and unrevoked Written Requests from holders of approximately 5,955,226 shares of common stock, including the 1,310,850 shares purported to be

owned by Foundation (as of July 28, 2016). The actual number of shares of our common stock for which executed and unrevoked Written Requests will need to be received in order to request a special meeting will depend on the number of shares that are outstanding at the time Written Requests representing valid and unrevoked Written Requests of holders of at least twenty-five percent (25%) of the outstanding shares of common stock are delivered to the Company pursuant to our Bylaws.

As of August 1, 2016 our directors and executive officers collectively beneficially own 1,018,698 shares of common stock, representing approximately 4.28% of the outstanding shares of common stock. Our directors and executive officers will make their own decisions as shareholders whether to deliver any Written Request with respect to any of their shares of common stock.

For additional information regarding the mechanics of the consent solicitation, see “The Special Meeting Request Procedure—Effectiveness of Written Requests.”

THE BOARD HAS DETERMINED BY A SIX TO THREE VOTE THAT THE FOUNDATION CONSENT SOLICITATION IS CONTRARY TO THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS, AND STRONGLY OPPOSES THE SOLICITATION OF WRITTEN REQUESTS BY FOUNDATION. ACCORDINGLY, THE BOARD RECOMMENDS THAT YOU **DO NOT SIGN ANY GREEN WRITTEN REQUEST CARD** SENT TO YOU BY FOUNDATION. WHETHER OR NOT YOU HAVE PREVIOUSLY EXECUTED FOUNDATION’S GREEN WRITTEN REQUEST CARD, YOU MAY ELECT AGAINST THE CALLING OF A SPECIAL MEETING, AND YOU MAY REVOKE ANY PREVIOUSLY EXECUTED WRITTEN REQUEST TO CALL A SPECIAL MEETING, IF YOU **SIGN, DATE AND DELIVER THE ENCLOSED WHITE REVOCATION CARD** USING THE POSTAGE-PAID ENVELOPE PROVIDED AT ANY TIME PRIOR TO THE DATE OF ANY SHAREHOLDER-CALLED SPECIAL MEETING.

If you have questions or need assistance revoking your Written Request for your shares, please contact our proxy solicitor, Innisfree M&A Incorporated (“*Innisfree*”), toll-free at 1-888-750-5834.

QUESTIONS AND ANSWERS ABOUT THIS REVOCATION SOLICITATION STATEMENT

Why am I receiving this Revocation Solicitation Statement?

Foundation recently filed the Foundation Consent Solicitation pursuant to which it is seeking to require the Company to call a special meeting of shareholders to vote upon a number of proposals that Foundation has selected. At the proposed special meeting, Foundation expects the Company's shareholders to consider and vote upon the proposals described under "Description of the Foundation Proposals." The Board believes that the calling of a special meeting at this time is inappropriate, disruptive and contrary to the interests of the Company's shareholders, see the Board's recommendation under "Recommendation of the Company's Board of Directors and Reasons for the Recommendation."

You are receiving this Revocation Solicitation Statement as a shareholder of the Company as of the date of this Revocation Solicitation Statement. As further described below, you should sign, date and deliver the enclosed WHITE Revocation Card, by mail in the event you desire to:

1. Revoke any Written Request that you may have delivered or caused to be delivered to request that we call a special meeting; or
2. Communicate that you do not believe a special meeting is necessary or express your opposition to a special meeting, even if you have not already submitted a Written Request.

Who is making this solicitation?

The Company is making this solicitation.

Should I oppose Foundation's efforts to call a special meeting?

The Board believes that, through the Foundation Consent Solicitation, Foundation is seeking to seize control of the Board by removing directors elected by the shareholders and replacing them with two directors hand-picked by Foundation in addition to the two directors hand-picked by Foundation who currently serve on the Board. If Foundation is able to call a special meeting and elect its nominees to the Board, the Foundation Consent Solicitation could empower a single shareholder owning approximately 5.6% of the Company's stock with an outsized influence over the direction of the Company. Rather than submitting its nominees and proposals for consideration at the Company's 2017 annual meeting of shareholders, which is customarily held in the spring of the calendar year, Foundation has instead chosen to engage the Company in a costly and disruptive campaign for a special meeting. Additionally, as Foundation is well aware, the Board is contractually obligated under a recapitalization plan approved by the shareholders at the Company's 2016 annual meeting to nominate, recommend and solicit in favor of the two directors Foundation seeks to remove at each of the 2017 and 2018 annual meetings, making Foundation's call for a special meeting all the more purposeless and unnecessary at this time.

Furthermore, as an opportunistic investor, Foundation has specific interests that are not aligned with the Company's other shareholders. As recently as August 12, 2015, when the Company's shares were trading in the range of approximately \$40 per share, Foundation requested that the Company repurchase a significant block of Foundation's shares in an attempt to reduce its long-term investment in the Company. Foundation has demanded that the Board rush to engage in a fire sale at a time when the Company's earnings have improved by 38% compared to the same period a year ago, and the Board continues to implement a strategic vision for the Company that it believes will deliver long-term value to all the Company's shareholders. Other than demanding a sale of the Company and a change in composition of the Company's management, Foundation has articulated no concrete plan for the Company's future strategic direction that will benefit any of the Company's shareholders other than Foundation. Indeed, even in Foundation's public statements urging the Board to pursue a public auction process, Foundation has given scant attention to the significant costs and risks of such a public sale.

The Board, by a six to three vote, opposes the call for a special meeting and urges you NOT to sign any green Written Request card sent to you by Foundation.

Table of Contents

What are you asking me to do?

The Board has determined by a six to three vote that the Foundation Consent Solicitation is contrary to the best interests of the Company and its shareholders, and opposes the solicitation of Written Request cards by Foundation. Accordingly, the Board recommends that you do not sign any green Written Request card sent to you by Foundation. Whether or not you have previously executed Foundation's green Written Request card, you may elect against the calling of a special meeting if you sign, date and return the enclosed WHITE Revocation Card in the postage-paid envelope provided.

If I have already delivered a Written Request, is it too late for me to change my mind?

No. You have the right to revoke your Written Request at any time prior to the date of any shareholder-requested special meeting by signing, dating and delivering a WHITE Revocation Card in the postage-paid envelope provided.

When will the Written Requests become effective?

Under our Charter and Bylaws, the Written Requests will become effective if valid and unrevoked Written Requests of the holders of at least 25% of the outstanding shares of common stock are delivered to the Corporate Secretary of Foundation in the form and manner required by, and in compliance with, our Charter and Bylaws.

What happens if I do nothing?

If you do not send in any green Written Request card that Foundation may send you and you do not return the enclosed WHITE Revocation Card, you will effectively be voting AGAINST Foundation's attempt to hold a special meeting.

Does the revocation have any effect on matters other than the Written Request?

No. We are seeking revocations only for the Written Request related to the calling of the special meeting. We are not currently seeking your proxy, vote, consent or authorization with respect to any other matter.

BACKGROUND OF THE SOLICITATION

The following is a chronology of events leading up to the current solicitation:

In March of 2013, Foundation made its initial investment in the Company.

On December 4, 2013, Foundation filed a Schedule 13D with the SEC (the “*Schedule 13D*”) disclosing Foundation’s aggregate beneficial ownership of 1,216,889 shares, or 5.7%, of our common stock. According to the Schedule 13D, Foundation acquired its shares of common stock for investment purposes and in its ordinary course of business.

On January 16, 2014, Foundation filed an amendment to its Schedule 13D disclosing an increase in its ownership of our common stock. Pursuant to such amended Schedule 13D, Foundation disclosed an aggregate beneficial ownership of 1,488,735 shares, or 6.9%, of our common stock.

On January 21, 2014, Foundation and Engine Capital, L.P. and certain of its affiliates (collectively, the “*Foundation Group*”) announced the formation of a “group.”

On February 12, 2014, the Company entered into a nomination and standstill agreement (the “*2014 Agreement*”) with the Foundation Group, pertaining to, among other things, the nomination of directors for election to the Board at the Company’s 2014 annual meeting of shareholders. Pursuant to the 2014 Agreement, the Board nominated two individuals selected by the Foundation Group, Arnaud Ajdler and Glenn C. Christenson, for election as independent directors at the Company’s 2014 annual meeting of shareholders. The 2014 Agreement terminated pursuant to its terms on February 2, 2015.

On February 14, 2014, the Foundation Group filed an amendment to its Schedule 13D disclosing the 2014 Agreement and stating that, following the filing of such amended Schedule 13D, Engine Capital, L.P. and certain of its affiliates, including Mr. Ajdler, would cease to be part of the “group” with Foundation.

At the Company’s 2014 annual meeting of shareholders, held on May 2, 2014, the Company’s shareholders elected Messrs. Ajdler and Christenson to the Board.

On July 3, 2014, Foundation filed an amendment to its Schedule 13D disclosing, among other things, an aggregate beneficial ownership of 1,617,666, or 7.5%, of our common stock.

On February 6, 2015, Foundation wrote a letter to Messrs. Ajdler and Christenson, the two directors hand-picked by the Foundation Group and nominated by the Board for election as directors pursuant to the 2014 Agreement, inviting both directors to join a possible Foundation slate of nominees for election as directors at the Company’s 2015 annual meeting of shareholders. The letter advised Messrs. Ajdler and Christenson that Foundation would not object to their service on both the Company’s and Foundation’s slates for the Company’s 2015 annual meeting of shareholders.

In early February of 2015, the Company informed Messrs. Ajdler and Christenson that the Board was inclined to re-nominate each of them for election as directors at the Company’s 2015 annual meeting of shareholders but was not so inclined if they were also included as nominees on any competing slate of directors put forth by Foundation. Messrs. Ajdler and Christenson both agreed not to be nominated on any competing slate of directors that might be put forth by Foundation and agreed to be re-nominated on the Company’s slate of directors for the Company’s 2015 annual meeting of shareholders.

The Company did not receive a nomination notice from Foundation by the February 15, 2015, the deadline for shareholder nominations of directors for election at the Company's 2015 annual meeting of shareholders.

On February 12, 2015, a significant shareholder advised the Company that it intended to nominate five individuals, including current director James Chadwick, for election as directors at the Company's 2015 annual meeting of shareholders and to present a proposal recommending that the Board submit a proposal to shareholders to cause the Company's Class B common stock, par value \$1.00 per share (the "***Class B Stock***"), to be converted into common shares.

Table of Contents

On March 12, 2015, Foundation delivered a letter to the Board in which Foundation expressed its belief that there was tremendous value that could be unlocked at the Company, but that further change to the composition of the Board was warranted in order to improve the Company's poor operational performance and accountability as well as its troubling corporate governance practices, including its then-existing dual-class capital structure. On the same date, Foundation publicly filed a copy of its letter to the Board in an amendment to its Schedule 13D, pursuant to which Foundation also disclosed an aggregate beneficial ownership of 1,707,225, or 7.3%, of our common stock.

Following discussions with representatives of the shareholder that notified the Company of its intent to nominate five individuals for election as directors at the Company's 2015 annual meeting of shareholders, on March 26, 2015, the Company entered into a settlement agreement with such shareholder and certain of its affiliates (the "**2015 Agreement**"), pertaining to, among other things, the election of directors to the Board at the Company's 2015 annual meeting of shareholders and the inclusion of a shareholder proposal relating to the conversion of the Company's Class B Stock into common stock. On March 27, 2015, the Company issued a press release disclosing the 2015 Agreement with such shareholder, and filed the 2015 Agreement and press release as attachments to a Current Report on Form 8-K with the SEC on March 27, 2015. Pursuant to the 2015 Agreement, the Board nominated James Chadwick for election to the Board at the Company's 2015 annual meeting of shareholders.

Pursuant to the terms of the 2015 Agreement, the Company included an advisory proposal (the "**Advisory Proposal**") relating to the elimination of the Company's dual-class capital structure in the Company's proxy statement and proxy card for the 2015 annual meeting of shareholders, which the Company filed with the SEC on March 31, 2015.

On March 30, 2015, Foundation filed an amendment to its Schedule 13D, pursuant to which Foundation disclosed its support for both (i) the Company's 2015 Agreement and (ii) the potential elimination of the Company's dual-class capital structure. In such amended Schedule 13D, Foundation further disclosed its intention to vote in favor of the Advisory Proposal at the Company's 2015 annual meeting of shareholders.

At the Company's 2015 annual meeting of shareholders, held on May 1, 2015, the Company's shareholders overwhelmingly approved the Advisory Proposal with 91.3% of votes cast.

As recently as August 12, 2015, when the Company's shares were trading in the range of approximately \$40 per share, representatives of Foundation requested that the Company repurchase a significant block of Foundation's common stock in an attempt to reduce Foundation's long-term investment in the Company.

On January 26, 2016, as a result of the shareholders' overwhelming support for the Advisory Proposal and following extensive negotiations, the Company entered into an exchange agreement (the "**Exchange Agreement**") with Malcolm S. Morris, Matthew William Morris, Stewart Morris, Jr., Morris Children Heritage Trust and Stewart Security Capital L.P., which collectively constituted all of the holders of the Company's Class B Stock, relating to the exchange of the Class B Stock for common stock and cash, and pursuant to which the dual-class capital structure of the Company would be eliminated. Pursuant to the Exchange Agreement, the Board agreed, among other things, to nominate

Malcolm S. Morris and Stewart Morris, Jr. to stand for election as directors at each of the Company's 2017 annual meeting of shareholders and 2018 annual meeting of shareholders. On January 27, 2016, the Company publicly disclosed the Exchange Agreement in a Current Report on Form 8-K.

On February 23, 2016, Foundation filed an amendment to its Schedule 13D disclosing a decrease in its ownership of our common stock. Pursuant to such amended Schedule 13D, Foundation disclosed an aggregate beneficial ownership of 1,431,796, or 6.4%, of our common stock.

On April 27, 2016, the Company held its 2016 annual meeting of shareholders, at which time various changes to the Company's corporate governance and organizational documents were approved, including, but not limited to, (i) eliminating the Company's dual-class capital structure pursuant to the Exchange Agreement, (ii) eliminating the shareholders' ability to act by written consent and (iii) enabling shareholders owning at least twenty-five percent (25%) of the Company's outstanding common stock to call a special meeting. The Company's shareholders overwhelmingly approved the Exchange Agreement, with 99.7% of the votes cast voting in favor of approving the Exchange Agreement. Pursuant to the Exchange Agreement, the Company agreed to nominate, recommend and solicit in favor of Malcolm S. Morris and Stewart Morris, Jr. as directors for election at each of the Company's 2017 and 2018 annual meetings of shareholders.

On June 14, 2016, Foundation issued a presentation (the “**June 2016 Presentation**”) to the Board in which Foundation noted its belief that the Company was undermanaged and was still underperforming its peers after four years of restructuring. In addition, Foundation outlined its belief that the Board could create tremendous value by simultaneously exploring a public sale of the Company and evaluating external Chief Executive Officer (“**CEO**”) candidates. Foundation filed the June 2016 Presentation in an amendment to its Schedule 13D, pursuant to which Foundation also disclosed an additional decrease in its ownership of our common stock. Pursuant to such amended Schedule 13D, Foundation disclosed an aggregate beneficial ownership of 1,310,850, or 5.6%, of our common stock.

On June 17, 2016, representatives of Foundation engaged in a telephone conversation with Thomas G. Apel, the Chairman of the Board. During such conversation, Foundation reiterated its views described in the June 2016 Presentation and informed Mr. Apel that Foundation was evaluating all opportunities to maximize shareholder value, including potentially calling a special meeting of shareholders, if the Board did not increase its level of urgency to address Foundation’s allegations regarding the Company’s underperformance.

On July 6, 2016, representatives of Foundation engaged in an additional telephone conversation with Mr. Apel. During such conversation, Foundation once again reiterated its message from the June 2016 Presentation and indicated that it was prepared to move forward with a special meeting if necessary in order to address Foundation’s belief that change at the Company was necessary.

On July 28, 2016, Foundation initiated its consent solicitation seeking to call a special meeting by filing a preliminary Foundation Consent Solicitation on Schedule 14A with the SEC. On that same date, the Company issued a press release requesting shareholders not take any action at such time and stating that the Board, in consultation with its financial and legal advisors, was reviewing the Foundation Consent Solicitation.

On August 5, 2016, Foundation filed a revised preliminary Foundation Consent Solicitation on Schedule 14A with the SEC.

On August 7, 2016, the Company and Foundation entered into that certain tolling agreement (the “**Tolling Agreement**”), pursuant to which such parties agreed, among other things, to use their reasonable best efforts to enter into discussions regarding a potential settlement agreement addressing certain issues raised by Foundation in the Foundation Consent Solicitation. During the term of the Tolling Agreement, (i) each of Foundation and the Company agreed not to file any preliminary, revised preliminary or definitive proxy materials with the SEC, (ii) Foundation agreed not to communicate with the SEC, whether on a confidential basis or otherwise, in an effort to clear any comments that Foundation may receive, or has previously received, from the SEC regarding the Foundation Consent Solicitation and (iii) the Company agreed not to amend, modify or repeal any provision of the Company’s Bylaws in effect as of the date of the Tolling Agreement.

During the week of August 8, 2016, pursuant to the terms of the Tolling Agreement, Mr. Apel held various discussions with representatives of Foundation in an attempt to reach a settlement agreement which would include, among other things, Foundation's irrevocable withdrawal of the Foundation Preliminary Statement. During such discussions, Mr. Apel, on behalf of the Board, noted that the Board would be receptive to the appointment of two new independent directors to the Board, with one such director to be selected from the two candidates suggested by Foundation in the Foundation Consent Solicitation, Ernest D. Smith and Roslyn B. Payne, and another such director to be identified following a search by a nationally-recognized director search firm. On behalf of the Board, Mr. Apel proposed that the new independent directors would replace two legacy incumbent members of the Board. During such discussions and following various settlement proposals and counter-proposals, Mr. Apel, on behalf of the Board, and representatives of Foundation were unable to reach a mutually acceptable settlement agreement.

On August 12, 2016, Starboard Value LP and certain affiliated entities and persons (collectively, "**Starboard**") filed a Schedule 13D with the SEC disclosing Starboard's aggregate beneficial ownership of 2,315,000 shares, or 9.9%, of our common stock as of July 27, 2016 (the "**Starboard Schedule 13D**").

On August 15, 2016, pursuant to the terms of the Tolling Agreement, Foundation notified the Company of its decision to terminate the Tolling Agreement.

RECOMMENDATION OF THE COMPANY'S BOARD OF DIRECTORS AND REASONS FOR THE RECOMMENDATION

For the following reasons, the Board, by a vote of six to three, with three directors not supporting the recommendation to oppose the calling of the special meeting, opposes the call for the special meeting and urges you not to consent to the call for a special meeting. Accordingly, for the reasons set forth below, the Board recommends that you NOT sign any green Written Request card sent to you. Whether or not you have previously executed a green Written Request card, the Board urges you to sign, date and deliver the enclosed WHITE Revocation Card as soon as possible.

The Board has a Track Record of Implementing Shareholder-Friendly Initiatives

The Board has taken shareholder-friendly actions. The Board has added three new directors proposed by shareholders in the past two and a half years, eliminated the Company's dual class capital structure, improved the Company's earnings and reduced expenses by \$30 million, completed a \$70 million capital return program, and increased the annual dividend from \$0.10 per share to \$1.20 per share in 2015, among other shareholder-friendly initiatives.

A Special Meeting is Costly and Unnecessary

A special meeting will be distracting and costly. A special meeting will cause the Company to incur significant and unpredictable costs, including legal, financial, advisory, solicitation and public relations expenses. Successive solicitations will also require the Company to incur additional financial costs, including with respect to internal allocations, third-party advisory fees, printing, mailing and solicitation expenses and other costs. Additionally, Foundation has stated that it will seek reimbursement of all its expenses related to the solicitation, which would further drive up the costs of a special meeting if the Foundation Proposals pass and will only benefit Foundation to the detriment and expense of all other shareholders.

A special meeting at this time is unnecessary as the Company will soon be holding its annual meeting. Rather than submit nominees for consideration at the Company's annual meeting, which is customarily held in the spring of the calendar year, Foundation has instead chosen to engage the Company in a costly and disruptive campaign for a special meeting. Under the Company's bylaws, shareholders may nominate individuals for election as directors at the Company's 2017 annual meeting of shareholders between December 28, 2016 and January 27, 2017. Even if Foundation is able to call a special meeting to replace directors on the Board, the special meeting at most would establish the composition of the Company's Board for a short period of only several months prior to the Company's upcoming annual meeting, at which the two directors Foundation intends to replace at the special meeting will be re-nominated for election.

The disruptive nature of a special meeting may result in a loss of agents, customers and employees that are critical to the Company's operations and achieving growth. The costs of a special meeting will divert significant time and resources to the Foundation Proposals when it is critical for the Board and management to be fully focused on

operations and executing on the Company's strategy. The announcement of the Foundation Consent Solicitation may negatively impact the Company's ability to attract and retain customers, agents, mortgage lenders, servicers and employees due to perceived uncertainties as to our future direction and negative public statements about our business in connection with a special meeting. The Board believes that the 38% increase in earnings for the Company in its most recent quarter (as compared to the same period a year ago) is strong evidence that the Company is making genuine progress toward its goals. Rather than focusing attention on a costly special meeting, the Board believes that concentrating fully on the growth and strategic initiatives of the Company will create more value for the Company's shareholders.

The Foundation Proposals Will Replace Two Directors that Will be Nominated and May be Elected at the Next Two Annual Meetings

The Board is obligated to nominate Malcolm S. Morris and Stewart Morris, Jr. as directors at the 2017 and 2018 annual meetings of shareholders. As part of the recapitalization approved by 99.7% of the votes cast at the Company's 2016 annual meeting of shareholders, the Board contractually agreed to nominate, recommend and solicit in favor of Malcolm S. Morris and Stewart Morris, Jr. as directors for election at each of the Company's 2017 and 2018 annual meetings of shareholders. This obligation exists even if the Foundation Proposals pass. Accordingly, absent a contested election, it is likely that both directors will be reelected. Moreover, even if Messrs. Morris and Morris, Jr. are removed as directors pursuant to the Foundation Proposals, they will continue to serve the Company as employees under their existing employment contracts. Consistent with Company policy, as employees of the Company, Malcolm S. Morris and Stewart Morris, Jr. receive no cash, stock or other fees for their services on the Board. As such, there would be no reduction in expenses upon a removal of Messrs. Morris and Morris, Jr. as directors. Thus, the Foundation Proposals, if passed, will only have a limited, though costly, impact on the Company's administration.

Foundation Seeks, Through the Foundation Consent Solicitation, to Have Outsized Influence on the Stewart Board Relative to Foundation's 5.6% Ownership Position

*Foundation seeks to fill a disproportionate number of director seats on the Board with Foundation-selected nominees, despite the fact that the Board previously agreed to and nominated two directors selected by Foundation in 2014. On February 13, 2014, the Company entered into an agreement with Foundation and Engine Capital, L.P. and certain of its affiliates (collectively, the "**Foundation Group**"). Under the agreement, the Company agreed to nominate two directors—Arnaud Ajdler and Glenn C. Christenson—both of whom were proposed by the Foundation Group at the Company's 2014 annual meeting of shareholders. Messrs. Ajdler and Christenson both currently serve on the Board. The Foundation Proposals, if passed, would result in Foundation, a single shareholder owning only approximately 5.6% of the Company's outstanding stock, placing a total of four directors, or approximately 44%, on your nine member Board. This would, in effect, provide Foundation with an outsized influence over the future strategic direction of the Company. Moreover, another director currently serving on the Board, James Chadwick, was selected by another significant shareholder. Taken together, if shareholders vote to support the Foundation Proposals, a majority of your Board will have been selected by shareholders who own only approximately 10.6% of the Company's stock.*

Foundation does not have a fiduciary duty to act in the best interests of the Company's shareholders and has acted contrary to its own assertions that the Company is undervalued. In direct contrast with Foundation's previous assertions that the Company is undervalued, Foundation has actively sold a significant number of shares of the Company's stock as recently as June 14, 2016, which sale is not consistent with Foundation's previous assertions that the Company is undervalued. Indeed, as recently as August 12, 2015, when the Company's shares were trading in the range of approximately \$40 per share. Foundation requested that the Company repurchase a significant block of Foundation's shares in an attempt to reduce its long-term investment in the Company. In considering the Foundation Consent Solicitation, the Board believes that it is important for the Company's shareholders to recognize that Foundation has no fiduciary duty to act in the best interests of the Company's shareholders (including when selecting potential nominees to serve on your Board).

Foundation has offered no indication whether or how the Foundation Nominees will help the Company deliver value to all shareholders. Since 2013, Foundation has offered only a list of criticisms of the Company, with no constructive suggestions or ideas that would seek to address its concerns for the benefit of all of the Company's shareholders, other than a poorly timed public fire sale of the Company. In contrast, the Company, under the direction of the Board, has taken significant actions and instituted a number of important changes over the last several years, including adding three new directors over the last two and a half years, eliminating its dual class capital structure, improving core title margins and reducing expenses, and implementing other shareholder-friendly initiatives. In sum, the Company has aggressively transformed its business, improved its corporate governance profile and made strong progress in furtherance of its strategic initiatives.

Table of Contents

Foundation may require insurance regulatory clearance prior to adopting the Foundation Proposals. Under insurance regulatory law, a person or entity must obtain clearance from state insurance regulatory authorities prior to exercising influence over the management or policies of the Company. If passed, the Foundation Proposals would result in Foundation having hand-picked four of the Company's nine directors. Thus, Foundation could be required to obtain clearance from insurance regulatory authorities in the states in which the Company's insurance subsidiaries are domiciled prior to the Foundation Proposals being approved by shareholders, a complicated and lengthy process. If Foundation insists on proceeding with its solicitation to call a special meeting of the Company's shareholders, the Board believes such solicitation should only be made after Foundation receives any required clearance from insurance regulatory authorities to exercise its influence over the management and policies of the Company.

The Foundation Consent Solicitation May Be a Tactic to Force the Company to Engage In a Forced Public Sale

We believe Foundation has not presented constructive suggestions or ideas to build the long-term value of your investment in the Company for the benefit of all shareholders. The Board believes that Foundation's agenda will subject the Company to a costly and distracting proxy contest, as well as the significant costs and risks of a possible forced public sale. We believe that Foundation's interests are not aligned with maximizing the Company's long-term value for all shareholders. Other than urging that the Company engage in a public auction based on speculative and unsupported valuation evidence, Foundation has failed to put forward concrete proposals that haven't previously been considered by the Board or that are not currently under review. The Company recognizes there are meaningful downsides to a public sale process in terms of the impact on business and operating results, employee, agent and customer retention, and the impact if the Company does not ultimately pursue a public sale.

Further, Foundation's plan for the Company to undertake a public auction process does not take into account any antitrust scrutiny that could emerge if the Company entered into an agreement to be acquired by a strategic buyer, given the nature and market share of the title insurance business.

The Foundation Nominees May Have Conflicts of Interest that Could Impact Their Ability to Assess the Company's Strategic Opportunities

The Foundation Nominees may have conflicts of interest if the Board pursues Foundation's stated agenda. Foundation has called for the Company to engage in a public auction process and suggested that the Company could be acquired by a strategic buyer. Each of the Foundation Nominees has been an officer or director of, and may have continuing ties to or economic interests in, the Company's main competitors, which may create conflicts of interest that would require the Foundation Nominees to excuse themselves from Board meetings in the event of a possible sale to either such competitor. The process of evaluating and clearing the conflicts of the Foundation Nominees could be burdensome, and contrary to the interests of the Company's shareholders.

Directors James Chadwick, Arnaud Ajdler and Glenn C. Christenson did not support opposing the calling of the special meeting because, among other things, of their belief that shareholders, in the interest of corporate democracy, should have the right to call special meetings between annual meetings, including for the purpose of removing and

replacing a director.

Shareholders should carefully consider whether a special meeting is in the best interests of the Company and its shareholders. We strongly believe that a special meeting does not substitute for an open and productive dialogue between us and the shareholders. Your prompt delivery of the enclosed WHITE Revocation Card will allow the Board to focus on growing the Company and maximizing value for its shareholders. Do NOT sign any green Written Request card sent to you.

IF YOU ARE NOT CONVINCED THAT A SPECIAL MEETING IS THE APPROPRIATE PATH OR YOU BELIEVE A SPECIAL MEETING IS UNNECESSARY AND WISH TO OPPOSE THE CALLING OF A SPECIAL MEETING, PLEASE SIGN, DATE AND DELIVER THE ENCLOSED WHITE

THE SPECIAL MEETING REQUEST PROCEDURE

Voting Securities

As of August 1, 2016, there were 23,820,902 shares of the Company's common stock outstanding. The Company has only one class of common stock.

Persons beneficially owning shares of the Company's common stock (but not holders of record), such as persons whose ownership of common stock is through a broker, bank, financial institution or other nominee holder, who wish to revoke a previously instructed green Written Request card must contact such broker, bank, financial institution or other nominee holder and instruct such person to execute a revocation using the WHITE Revocation Card on their behalf. Any failure to submit a green Written Request card will have the same effect as submitting a WHITE Revocation Card.

Additionally, even if you have not already submitted a green Written Request card, you may elect to execute and submit the WHITE Revocation Card to communicate that you do not believe a special meeting is necessary or to express your opposition to a special meeting.

Effectiveness of Green Written Request Cards

Under our Charter and Bylaws, the Chief Executive Officer or the Secretary of the Company shall call a special meeting of shareholders at the request in writing of shareholders owning twenty-five percent (25%) or more of the common stock issued and outstanding and entitled to vote, subject to and in compliance with our Charter and Bylaws. Pursuant to our Bylaws, such written request must state the purpose of the proposed meeting. If written revocations of the green Written Request cards have been delivered to the Chief Executive Officer or the Secretary and the result is that green Written Requests cards have been delivered from shareholders of record (or their agents duly authorized in writing) that own less than twenty-five percent (25%) of the common stock issued and outstanding and entitled to vote, then the Chief Executive Officer or the Secretary is not obligated to call a special meeting.

The Chairman of the Board, Chief Executive Officer, Secretary or Board so calling any special meeting shall fix the time, date and place, either within or without the State of Delaware, for holding such special meeting, in accordance with our Bylaws and Delaware law.

We reserve our rights to require full compliance with the provisions set forth in our Charter, Bylaws and applicable law, including the General Corporation Law of the State of Delaware, with respect to any special meeting sought to be called by Foundation or any other shareholders.

Effect of WHITE Revocation Card

A shareholder may revoke any previously signed green Written Request card by signing, dating and returning to us a WHITE Revocation Card.

Unless you specify otherwise, by signing and delivering the WHITE Revocation Card, you will be deemed to have revoked any green Written Request for a special meeting.

Any WHITE Revocation Card may itself be revoked by marking, signing, dating and delivering a written revocation of your WHITE Revocation Card to the Company or by delivering to Foundation a subsequently dated green Written Request card that Foundation sent to you.

The revocation of any previously delivered green Written Request card or WHITE Revocation Card should be signed and have a date subsequent to the previously delivered green Written Request or WHITE Revocation Card. The revocation is not required to state the number of shares held unless you wish to revoke your green Written Request with respect to less than all shares as to which you previously requested the special meeting, in which case you must state the number of shares to which your revocation relates. In addition, if you have more than one account with respect to which you have delivered a green Written Request, the WHITE Revocation Card should identify the relevant account for which the green Written Request is being revoked.

If any shares of common stock that you own are held for you in an account with a stock brokerage firm, bank nominee or other similar “street name” holder, you should follow the instructions on the WHITE Revocation Card to revoke a request with respect to your shares. Alternatively, you can contact the person responsible for your account and direct him or her to revoke a request by executing the enclosed WHITE Revocation Card on your behalf. You are urged to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to the Company, c/o Innisfree, at 501 Madison Avenue, 20th Floor, New York, NY 10022 so that the Company will be aware of your instructions and can attempt to ensure each instruction is followed.

YOU HAVE THE RIGHT TO REVOKE ANY GREEN WRITTEN REQUEST CARD YOU MAY HAVE PREVIOUSLY GIVEN TO FOUNDATION. TO DO SO, YOU NEED ONLY SIGN, DATE AND RETURN A WHITE REVOCATION CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

You should carefully review this Revocation Solicitation Statement. YOUR TIMELY RESPONSE IS IMPORTANT. You are urged NOT to sign any green Written Request card. You may reject the Foundation Consent Solicitation by promptly signing, dating and returning the enclosed WHITE Revocation Card in the pre-paid envelope provided. Please be aware that if you sign a green Written Request card but do not check any of the boxes on such green Written Request card, you will be deemed to have requested a special meeting in accordance with the Foundation Consent Solicitation, unless your green Written Request is subsequently revoked by a valid revocation.

Results of Solicitation

We anticipate retaining an inspector of requests in connection with the Foundation Consent Solicitation. We intend to notify shareholders as to whether the requisite green Written Requests have been received for calling a special meeting promptly following the inspector’s review and certification of such green Written Requests.

In connection with the execution of the Exchange Agreement (discussed above), the Company and each of Malcolm S. Morris and Stewart Morris, Jr. entered into employment agreements (the “***Employment Agreements***”), dated January 26, 2016, with respect to each of Messrs. Morris and Morris, Jr.’s continued employment with the Company in their capacities as the Company’s non-operational executives. The Company publicly disclosed the Employment Agreements in a Current Report on Form 8-K filed with the SEC on February 1, 2016.

The term of each Employment Agreement is three (3) years from the effective date, January 1, 2017. Pursuant to the terms of their respective Employment Agreements, Messrs. Morris and Morris, Jr. are entitled to receive annual salaries of not less than \$164,000 per year, subject to increase if the compensation paid to members of the Board

increases in future years, plus customary vacation, medical, dental and life insurance benefits and reimbursement of certain qualified business expenses by the Company.

Payments Upon Qualifying Termination:

Pursuant to the terms of their respective Employment Agreements, Messrs. Morris, Jr. and Morris are entitled to receive certain benefits upon the termination of their employment under certain circumstances. In the event of the Company's termination of their employment upon death during the term, Messrs. Morris, Jr. and Morris are each entitled to receive as payment to their estates (A) any portion of their then-current salary in effect accrued as of the

Table of Contents

Date of Termination (as defined in the Employment Agreements) but unpaid, (B) reimbursement of certain qualified business expenses by the Company and (C) any unused paid vacation accrued as of the Date of Termination (the “**Accrued Amounts**”). In the event of (i) the Company’s termination of their employment for “Cause” (as defined in the Employment Agreements) during the term, (ii) their voluntary termination of employment during the term, or (iii) the Company’s termination of their employment upon Permanent Disability (as defined in the Employment Agreements) during the term, the Company’s obligation to Messrs. Morris, Jr. and Morris shall be limited solely to the payment of the Accrued Amounts.

The Employment Agreements also include non-competition and non-solicitation covenants by Messrs. Morris, Jr. and Morris for a twelve (12) month period following termination of their employment with the Company for any reason. The Employment Agreements will terminate, and be null and void, if the employment of Mr. Morris, Jr. or Mr. Morris, as applicable, terminates prior to January 1, 2017.

Settlement Agreement and General Release with Malcolm S. Morris

On January 27, 2016, the Company entered into a Settlement Agreement and General Release with each of Malcolm S. Morris, Rebecca Ann Morris and Stewart Morris, Jr., as Trustee of The Malcolm S. Morris Investment Trust (the “**Trust**”). The Company publicly disclosed the Settlement Agreement and General Release in a Current Report on Form 8-K filed with the SEC on February 1, 2016.

The Company and Mr. Morris previously entered into a Split Dollar Agreement, as most recently amended and restated on June 22, 2007 (the “**Split Dollar Agreement**”), pursuant to which the Company provides a death benefit which is payable to the Trust, which was established by Mr. Morris for the benefit of his family members. During last several years several differences have arisen concerning the level of coverage provided under the Split Dollar Agreement and the payment of certain insurance premiums. Following extensive negotiations with Mr. Morris, the Company and Mr. Morris agreed to resolve these differences by either (i) paying \$1,980,000 to Mr. Morris, which would settle all potential claims associated with this matter and/or Mr. Morris’ employment with the Company, and \$10,000 to each of Mrs. Morris and the Trust to settle all potential claims associated with the insurance coverage provided to Mr. Morris by the Company, or (ii) having the Company (A) purchase an insurance policy from an affiliate of Mr. Morris, (B) adopt a new death benefit plan to provide additional life insurance coverage with respect to Mr. Morris, (C) make additional contributions to the acquired insurance policy to increase its funding level, and (D) pay \$10,000 to each of Mr. Morris, Mrs. Morris and the Trust, which would settle all potential claims associated with this matter and/or Mr. Morris’ employment with the Company, provided that the total amount paid by the Company shall not exceed \$2,000,000.

Insurance Agreement with Stewart Morris, Jr.

On February 1, 2016, the Company entered into an Insurance Agreement with each of Stewart Morris, Jr. and Maco Fowlkes, as Trustee of The 2000 Stewart Morris, Jr. and Melissa Joy Birdsong Morris Investment Trust, dated September 1, 2000 (the “**SMJ Trust**”). The Company publicly disclosed the Insurance Agreement on Form 8-K filed with the SEC on February 1, 2016.

The Company and Mr. Morris, Jr. previously entered into a Split Dollar Agreement, as most recently amended and restated on June 22, 2007 (the “**SMJ Split Dollar Agreement**”), pursuant to which the Company provides a death benefit which is payable to the SMJ Trust which was established by Mr. Morris, Jr. for the benefit of his family members. Mr. Morris, Jr. asked the Company to permit him to revise the death benefit payable under the SMJ Split Dollar Agreement to provide a benefit payable to his spouse if he predeceases her, which would replace some or all of the benefit that is payable to his heirs upon the death of both Mr. Morris, Jr. and his spouse. The Company agreed to permit Mr. Morris, Jr. to make this change to his insurance coverage, provided that the annual expense of maintaining such coverage does not increase by more than \$25,000 per year. In addition, the Company agreed that Messrs. Morris,

Jr. and Fowlkes may propose changes to the SMJ Split Dollar Agreement and the associated insurance policy held by the SMJ Trust which would change the form of insurance coverage and/or the beneficiaries of that coverage, provided that the total annual expense of maintaining such coverage does not increase by more than \$25,000 per year. If Messrs. Morris, Jr. and Fowlkes make either of those changes to the SMJ Split Dollar Agreement and the insurance coverage provided pursuant to such agreement, Mr. Morris, Jr. has agreed to release any and all potential claims associated with his employment with the Company.

The Company publicly disclosed the Agreements in a Current Report on Form 8-K filed with the SEC on April 6, 2016. The material terms of the Agreements are summarized below.

Terms:

The terms of Messrs. Berryman, Lessack and Killea's Agreements are each one (1) year. The term of Mr. Morris' Agreement is three (3) years. Each Agreement extends automatically on a year-to-year basis thereafter, unless terminated by either of the parties upon 90 days' notice prior to the end of a term.

Each of Messrs. Morris, Berryman, Lessack and Killea is eligible to receive an annual short term incentive cash payment pursuant to an incentive plan. Under such incentive plan, Mr. Morris' current target payout is 100% of base pay, or \$550,000, Mr. Berryman's current target payout is 50% of base pay, or \$187,500, Mr. Lessack's current target payout is 60% of base pay, or \$285,000, and Mr. Killea's current target payout is 50% or \$187,500. The payout amounts will be determined by the attainment towards metrics specific to the position and corporate performance.

Further, Messrs. Morris, Berryman, Lessack and Killea are entitled to participate in the Company's Long Term Incentive Plan. Currently, the target payouts under such plan for Messrs. Morris, Berryman, Lessack and Killea are 200%, 85%, 50%, and 85% of their individual base pay, respectively. The awards under the plan will be paid out in the form of restricted stock awards and performance share awards. The payout amounts will be determined by the Board in its discretion taking into account certain corporate performance metrics, including Total Shareholder Return and Modified Earnings Per Share Growth (as defined in the Agreements) compared to the Russell 2000 Financial Services Index.

Payments Upon Qualifying Termination:

Pursuant to the terms of their respective Agreements, each executive is entitled to receive certain benefits upon the termination of their employment under certain circumstances. In the event of (i) the Company's termination of their employment without "Cause" (as defined in the Agreements) during the term, (ii) their resignation for "Good Reason" (as defined in the Agreements) during the term, or (iii) their voluntary retirement, then such respective executive shall receive the following: (a) for Mr. Morris, a cash payment equal to 24 months of Mr. Morris' then-current salary in effect, or, for Messrs. Berryman, Lessack and Killea, a cash payment equal to 12 months of the then-current salary in effect; (b) continued medical and dental benefits equal to those that were in effect as of the date of termination and reimbursement of applicable COBRA premiums for a 12-month period following the termination date (or until the executive is eligible to receive benefits under another employer-provided plan or the executive dies); (c) Special Pro-Rata Vesting (as defined in the Agreements) of performance-based awards; (d) payments of accrued but unpaid salary, short term incentive and long-term incentive payments and accrued but unused vacation time; (e) any benefits

that have vested as of the termination date as a result of participation in any of the Company's benefit plans; and (f) reimbursement of certain qualified business expenses by the Company. In the event that such termination of employment occurs during a Change in Control Period (as defined in the Agreements), or for Mr. Morris, during the 2016 calendar year, separate severance payments apply.

To receive the severance and benefits provided in the event of a qualifying termination, each executive must execute a release of claims included with the respective Agreements.

The Agreements also include non-competition and non-solicitation covenants by each executive for a twelve-month period following termination of their employment with the Company for any reason.
