For Immediate Release

Pointer Telocation Reports its Financial Results for Q2/2006
Net income increased to \$665 thousand
EBITDA improved to \$3.0 million

Givatayim, Israel - September 5th, 2006. Pointer Telocation Ltd. (Nasdaq Capital Markets: PNTR), a leading provider of services to insurance companies and car owners, including road-side assistance, towing and stolen vehicle retrieval services in Israel, Argentina and Mexico, reported its financial results for the second quarter of 2006.

Yes No

Edgar Filing: Pointer Telocation Ltd - Form 6-K

Financial Highlights:

Revenues: Pointer's revenues for the second quarter of 2006 were \$10.1 million compared to \$10.2 million, in the comparable period in 2005. Revenues for the first six months of 2006 increased 18.9% to \$19.8 million, compared with \$16.7 million in the same period of 2005. The increase in revenues in the first six months of 2006 as compared to the comparable period in 2005 is mainly attributable to the fact that revenues in the first six months of 2005 included only four months of revenues derived from the acquisition of the road-side assistance and towing business of Shagrir Towing Services completed on February 28, 2005.

Pointer's revenues from services in Q2 2006 and the first six months of 2006 were 78.5% and 79.1%, respectively, of total revenues, as compared with 79.2% and 73.3%, respectively, in the comparable periods in 2005.

Gross Profit: For the second quarter of 2006, gross profit was \$3.6 million as compared to \$3.7 million in Q2 2005. For the first six months of 2006, gross profit improved 21.0% to \$7.3 million as compared to \$6.0 million in the same period in 2005. As a percentage of revenues, gross margins was 35.9% and 36.7%, respectively, in Q2 2006 and the first six months of 2006, as compared to 36.6% and 36.0% in the comparable periods in 2005.

Operating Profit (loss): Pointer's operating profit increased 232% to \$1.7 million in Q2 2006, compared to \$508 thousand for the same quarter of 2005. In the first six months of 2006 Pointer recorded a \$2.7 million operating profit, compared to an operating loss of \$863 thousand for the comparable period of 2005. The improvement in operating profits includes a one time net income of \$1.3 million associated with an agreement signed with a Latin American customer, offset by a \$350 thousand impairment of long-lived assets.

Net Profit: Pointer improved its bottom-line results recording a net profit of \$665 thousand or \$0.22 per share in the second quarter of 2006, as compared to a net loss of \$476 thousand or \$(0.19) per share in the second quarter of 2005. For the first six months of 2006 Pointer recorded a net profit of \$686 thousand or \$0.24 per share as compared to a net loss of \$2.4 million or \$(1.07) per share in the comparable period of 2005. During this quarter Pointer continued to consolidate 100% of the net profit of its Israeli subsidiary Shagrir Motor Vehicle Systems, although its current holding is 56.6%. Pointer's management expects to consolidate Shagrir's results based on actual holdings, from the fourth quarter of 2006.

EBITDA: Pointer's EBITDA improved to \$3.0 million in the second quarter of 2006, as compared to \$2.2 million in the second quarter of 2005. In the first six months of 2006 EBITDA improved to \$5.2 million as compared to \$1.9 million in the same period in 2005.

Total Shareholder's Equity increased during the quarter of 2006 to \$14.8 million, which included additional exercise of warrants.

Danny Stern, CEO, said: We are pleased with our financial results, reflecting the strength of our business model. We continue to intensify business development, marketing and product development. During the second quarter we introduced to our international markets a range of services, based on cellular applications. This will allow us to provide nationwide coverage as well as to provide additional mobile resources management (MRM) services in the countries we operate in

Conference Call Information:

Pointer's management will host two conference calls with the investment community today, September 5th, in Hebrew at 15:30 Israel time and in English at 9:30 EST.

To listen to the conference calls, please dial:

From the US: 1-866-229-7198

From Israel: 03-9180609

A replay of the conference call will be available through Sep 6th, 2006 on the Company's website at www.pointer.com.

About Pointer Telocation:

Pointer Telocation Ltd www.pointer.com provides range of services to insurance companies and automobile owners, including road-side assistance, vehicle towing, stolen vehicle retrieval, fleet management and other value added services. Pointer Telocation provides services, for the most part, in Israel, through its subsidiary Shagrir and in Argentina and Mexico through its local subsidiaries. Independent operators provide similar services in Russia and Venezuela utilizing Pointer's technology and operational know-how.

Safe Harbor Statement

This press release contains forward-looking statements with respect to the business, financial condition and results of operations of Pointer and its affiliates. These forward-looking statements are based on the current expectations of the management of Pointer, only, and are subject to risk and uncertainties relating to changes in technology and market requirements, the company's concentration on one industry in limited territories, decline in demand for the company's products and those of its affiliates, inability to timely develop and introduce new technologies, products and applications, and loss of market share and pressure on pricing resulting from competition, which could cause the actual results or performance of the company to differ materially from those contemplated in such forward-looking statements. Pointer undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. For a more detailed description of the risks and uncertainties affecting the company, reference is made to the company's reports filed from time to time with the Securities and Exchange Commission.
