On July 31, 2013, the registrant's board of directors resolved to terminate the registration of the registrant's shares with the Securities and Exchange Commission (the "SEC"). The registrant intends to file a Form 15 with the SEC to voluntarily deregister its common stock and suspend its reporting obligations under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), on or about August 23, 2013. As a result of the filing of the Form 15, the registrant's obligation to file certain reports and forms with the SEC, including Forms 10-K, 10-Q, and 8-K, will be suspended and is expected to cease within 90 days. As a result of deregistration and filing of Form 15, the registrant's shares are expected to cease trading on the OTC QB. Notwithstanding, the registrant intends to timely file its quarterly report on Form 10-Q for the three and six months ended June 30, 2013.

In addition, the registrant announced that it would consider seeking registration of its stock capital in other favorable markets such as the UK.

These forward-looking statements include, but are not limited to, those statements regarding the registrant's plans to terminate the registration of its shares of common stock with the SEC, the registrant's intention to timely file its Form 10-Q, or the registrant's consideration to list its shares in more favorable markets.
