HSBC TO FURTHER STRENGTHEN LATIN AMERICA PLATFORM

HSBC Holdings plc (HSBC) is seeking to increase its investment in El Salvador by launching public tender offers to acquire the interests of the minority shareholders of Banco Salvadoreno, S.A. (Bancosal) and Inversiones Financieras Bancosal, S.A. (IFB).

HSBC's acquisition of Grupo Banistmo S.A. (Banistmo) in November 2006 established a significant platform across Central America, providing a full range of personal and commercial banking services through Panama's leading bank, Primer Banco del Istmo, and 106 other branches in Costa Rica, Honduras, Colombia and Nicaragua. In addition it gave HSBC a 56.2 per cent stake in IFB, the holding company for Bancosal, one of El Salvador's leading financial institutions which operates through 62 branches in that country.

HSBC, through majority-owned subsidiaries, will launch two public tender offers at a cost of up to US\$190.7 million to acquire the outstanding shares of its operations in El Salvador, as follows:

## Edgar Filing: HSBC HOLDINGS PLC - Form 6-K

Banistmo will launch a tender offer on the El Salvador Stock Exchange for the outstanding 58,245,037 common shares of IFB, representing 43.8 per cent of total common shares in issue. Under the proposed offer, IFB's shareholders will be entitled to receive US\$3 for each common share of IFB held. The proposed offer has been unanimously approved and recommended by IFB's board of directors.

This transaction is subject to certain conditions, including that at least 33.8 per cent of the outstanding IFB shares be tendered, giving HSBC 90 per cent of IFB.

Simultaneously, IFB will launch a public tender offer for the 399,700 outstanding minority shares of Bancosal, representing 4.94 per cent of Bancosal's total shares. Under the proposed offer, Bancosal shareholders will be entitled to receive US\$40 for each Bancosal share. The proposed offer has been unanimously approved and recommended by Bancosal's board of directors.

Sandy Flockhart, Group Managing Director and President, HSBC Latin America and the Caribbean, said: "El Salvador is a key developing country in the region. Increasing our investment in Banco Salvadoreno will benefit customers and deepen synergies with the HSBC Group worldwide, and particularly in Central America. Banco Salvadoreno is one of El Salvador's leading financial institutions and banking franchises, with more than 120 years of banking history in that country, providing HSBC with a strong platform for growth."

HSBC expects to complete the transactions by 31 March 2007.
