Edgar Filing: KNIGHT TRADING GROUP INC - Form DEF 14A

Shares of Knight Class A Common Stock that are entitled to vote and are represented by a Proxy properly signed and received at or before the Annual Meeting, unless subsequently properly revoked, will be voted in accordance with the instructions indicated thereon. If a Proxy is signed and returned without indicating any voting instructions for any particular matter or matters, shares of Knight Class A Common Stock represented by such Proxy will be voted as follows:

FOR the election of each of the seven nominees to the Company's Board of Directors; and

FOR the ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent auditor for 2004.

The Board of Directors is not currently aware of any business to be acted upon at the Annual Meeting other than as described herein. If, however, other matters are properly brought before the Annual Meeting or any adjournments or postponements thereof, the persons appointed as proxies will have the discretion to vote or act thereon in accordance with their best judgment, unless authority to do so is withheld in the Proxy.

Any Proxy given pursuant to this solicitation may be revoked by the person giving it at any time before the shares represented by such Proxy are voted at the Annual Meeting by: (i) attending and voting in person at the Annual Meeting; (ii) giving notice of revocation of the Proxy at the Annual Meeting; or (iii) delivering to the Corporate Secretary of Knight (a) a written notice of revocation or (b) a duly executed Proxy relating to the same shares and matters to be considered at the Annual Meeting, bearing a date later than the Proxy previously executed. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a Proxy. All written notices of revocation and other communications with respect to revocation of proxies should be addressed as follows: Knight Trading Group, Inc., 525 Washington Boulevard, 23rd Floor, Jersey City, New Jersey 07310, Attention: Corporate Secretary, and must be received before the taking of the votes at the Annual Meeting. **If you own shares held in street name and wish to vote at the Annual Meeting, you must have a legal Proxy from your broker.**

The Company will bear the entire cost of the solicitation of Proxies and the cost of printing and mailing this Proxy Statement. The Company has retained the services of Mellon Investor Services LLC (Mellon) to assist in the solicitation of Proxies. Mellon will receive a fee from the Company for services rendered of approximately \$8,500, plus out-of-pocket expenses. In addition to solicitation by mail, the Directors, officers and employees of the Company may solicit Proxies from stockholders of the Company by telephone, electronic communication or by personal interview. Such Directors, officers and employees will not be additionally compensated for any such solicitation but may be reimbursed for reasonable out-of-pocket expenses in connection therewith. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of shares held of record by such persons and the Company will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection therewith.

You can save the Company additional expense by electing to receive future proxy statements and annual reports electronically. If you would like to request this electronic delivery, please enroll once you have completed your voting. If your shares are held in street name, you may enroll at www.icsdelivery.com. If you are a registered stockholder, you may enroll at www.melloninvestor.com/isd.

Record Date; Outstanding Shares; Voting at the Annual Meeting

Only holders of Knight Class A Common Stock at the close of business on March 19, 2004 will be entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on March 19, 2004, the Company had outstanding and entitled to vote 116,241,640 shares of Knight Class A Common Stock. Shares of Knight Class A Common Stock represented by Proxies which are marked `abstain` will be counted as shares present for purposes of determining the presence of a quorum on all matters, but will not be counted as votes cast in favor of the matters brought before the stockholders at the Annual Meeting. Proxies relating to street name shares that are voted by brokers will be counted as shares present for purposes of determining the presence of a quorum on all matters, but will not be treated as shares having voted at the Annual Meeting as to any proposal as to which authority to vote is withheld by the broker.

The presence, in person or by proxy, at the Annual Meeting of the holders of at least a majority of the votes entitled to be cast at the Annual Meeting is necessary to constitute a quorum for the transaction of business. Because the ratification of PricewaterhouseCoopers LLP requires the approval of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting, abstentions will have the same effect as a negative vote on this proposal. However, broker non-votes will be disregarded and have no effect on the outcome of the vote for this matter. Abstentions from voting on the election of Directors (including broker non-votes) will be disregarded and have no effect on the outcome of the vote.

No Appraisal Rights

Stockholders have no rights under Delaware law, our Amended and Restated Certificate of Incorporation or our Amended and Restated By-Laws to exercise dissenters' rights of appraisal with respect to any of the matters to be voted upon.

PROPOSAL 1 ELECTION OF DIRECTORS

Directors of the Company will be elected by a plurality vote of the outstanding shares of Knight Class A Common Stock present in person or represented by proxy at the Annual Meeting. Under applicable Delaware law, in tabulating the votes, abstentions from voting on the election of Directors (including broker non-votes) will be disregarded and have no effect on the outcome of the vote.

Knight has eight members on its Board of Directors. Except for Bruce R. McMaken who is not standing for re-election, all of the current members have been approved, recommended and nominated for re-election to the Board of Directors by our Nominating and Corporate Governance Committee and by the Board of Directors. Accordingly, the Board of Directors has resolved to reduce the size of its Board from eight to seven, effective upon the election of the new Board at the Annual Meeting. Each of the seven current Directors nominated for election this year were elected by the stockholders at the 2003 Annual Meeting of Stockholders, except for William L. Bolster and Thomas C. Lockburner who were elected to the Board of Directors in November 2003 and February 2004, respectively. The Board of Directors has determined that each of its current Directors, including all Directors standing for re-election, except for Thomas M. Joyce, our Chief Executive Officer, is independent within the meaning of the Securities and Exchange Commission (SEC) and The Nasdaq Stock Market, Inc. (Nasdaq) director independence standards, as currently in effect.

The Board of Directors has been informed that all persons listed below are willing to serve as Directors, but if any of them should decline or be unable to act as a Director, the individuals named in the Proxies will vote for the election of such other person or persons as they, in their discretion, may choose. The Board of Directors has no reason to believe that any such nominees will be unable or unwilling to serve.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE **FOR** THE ELECTION OF EACH OF THE NOMINEES LISTED HEREIN FOR DIRECTOR.

Board of Directors and its Committees

During 2003, the Company's Board of Directors met eleven (11) times and took action by unanimous written consent on five (5) other occasions. The Company's independent Directors also meet at regularly scheduled executive sessions on at least a quarterly basis. The Company has, as standing committees, a Finance and Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. All current members of the Board of Directors attended at least 90% of its meetings and the meetings of any committees of the

Board of Directors of which they were members in 2003. Our corporate website at www.knighttradinggroup.com in the Investors section provides information regarding our policy on Director attendance at our Annual Meeting and last year's attendance by our Board.

Finance and Audit Committee

The current members of the Finance and Audit Committee are Messrs. Griffith, Doherty and McMaken, each of whom are not officers or employees of the Company. Mr. Griffith serves as the Chairman of the Finance and Audit Committee. The Board of Directors has determined in its business judgment that each member is in compliance with the independence, experience and financial literacy requirements set forth by Nasdaq, The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002, as currently in effect. The Finance and Audit Committee held twelve (12) meetings during 2003. The Finance and Audit Committee Report is included herein on page 18.

As Mr. McMaken will not be standing for re-election as a member of the Board of Directors, Mr. Lockburner will replace Mr. McMaken on the Finance and Audit Committee as of the date of our Annual Meeting. Mr. Lockburner is in compliance with the independence, experience and financial literacy requirements set forth by Nasdaq, The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002, as currently in effect. The Board of Directors has determined in its business judgment that Messrs. Griffith, Doherty and Lockburner are each an audit committee financial expert as defined under SEC rules. The SEC provides that an audit committee financial expert does not have additional duties, obligations or liabilities and is not considered an expert under the U.S. Securities Act of 1933.

The Finance and Audit Committee operates under a written charter adopted by the Board of Directors on March 29, 2004, which is attached hereto as Exhibit A and is available through the Knight corporate website at www.knighttradinggroup.com in the Investors section. The Finance and Audit Committee of the Board of Directors is established to assist the Company's Board of Directors oversight of: (1) the integrity of the financial statements and its risk and control environment; (2) the relationship with the independent auditor; (3) the Company's internal audit function; (4) compliance with applicable legal and regulatory requirements; and (5) compliance with the Company's Code of Business Conduct and Ethics. The Finance and Audit Committee also reviews and makes recommendations to the Board regarding: (i) all proposed material capital formation plans, including planned issuances of equity securities and debt instruments, and stock repurchase programs; and (ii) certain acquisitions, investments, new business ventures, and divestitures by the Company.

Compensation Committee

The current members of the Compensation Committee are Messrs. Bolster, Doherty, Lazarowitz and Riney, each of whom is independent within the meaning of Nasdaq's independence standards, as currently in effect. Mr. Doherty serves as the Compensation Committee's chairman. The Compensation Committee operates pursuant to a written charter, a current copy of which is available on our corporate website at www.knighttradinggroup.com in the Investors section. The Compensation Committee has responsibility for approving and evaluating executive officer compensation, incentive compensation and equity-based plans, policies and programs of the Company and its subsidiaries. The Compensation Committee also evaluates the performance of the Company's Chief Executive Officer, and based on such evaluation, reviews and approves his annual salary, cash incentives and long-term equity incentives. During 2003, the Compensation Committee held nine (9) meetings and took action by unanimous written consent on one other occasion. The Compensation Committee report is included herein on page 13.

Nominating and Corporate Governance Committee

The current members of the Nominating and Corporate Governance Committee (NCGC) are Messrs. Bolster, Doherty, Griffith, Lazarowitz, Lockburner, McMaken and Riney. Mr. Doherty serves as the chairman of the NCGC. As Mr. McMaken will not be standing for re-election as a

member of the Board of Directors, he will

serve on the NCGC until the date of our Annual Meeting. Each member of our NCGC is independent within the meaning of Nasdaq's independence standards, as currently in effect. The NCGC is governed by a written charter, a current copy of which is available on our corporate website at www.knighttradinggroup.com in the Investors section. A primary function of the NCGC is to identify and recommend to the Board individuals qualified to serve as Directors of the Company, consistent with the criteria included in our Nominating and Corporate Governance charter and our Corporate Governance Guidelines. In this regard, the NCGC has a sub-committee entitled the Nomination Sub-Committee which assists the NCGC in identifying qualified candidates for the Board of Directors. Messrs. Lazarowitz, McMaken and Riney are members of the Nomination Sub-Committee, which is chaired by Mr. Lazarowitz. The NCGC also considers nominee recommendations from stockholders of the Company. Other functions of the NCGC include: (i) recommending Directors to serve on committees of the Board; (ii) advising the Board with respect to matters of Board composition and procedures; (iii) developing and recommending to the Board a set of corporate governance principles applicable to the Company and overseeing corporate governance matters generally; and (iv) overseeing the annual evaluation of the Board and the Company's management. The NCGC held two (2) meetings in 2003.

162(m) Committee

During 2003, the Company also had a separate 162(m) Committee of which Messrs. Doherty, Griffith and McMaken were members. As of January 21, 2004, the Board dissolved the 162(m) Committee and instead created a 162(m) Sub-Committee of the Compensation Committee for which the members are Messrs. Bolster and Doherty. The 162(m) Committee provided assistance to the Board of Directors and the Compensation Committee by setting performance-based compensation criteria for the Company's Chief Executive Officer and other key executives, certifying the results of such performance at the end of the annual performance period and awarding the resulting performance-based compensation to such key executives. The 162(m) Committee was also responsible for making stock option grants to such key executives. The 162(m) Committee held two (2) meetings in 2003.

Compensation of Directors

As a current officer of the Company, Mr. Joyce receives no remuneration for serving on the Board of Directors. Each of the independent Directors receives an annual fee of \$45,000 and a meeting fee of \$1,000 for each of the Board of Directors and Committee meetings attended, except for the Finance and Audit Committee meetings where attendees receive \$3,000 per meeting. In addition, Committee Chairpersons receive: (i) \$15,000 for any Committee chaired by the Non-Executive Chairman; (ii) \$20,000 for the Chairman of the Finance and Audit Committee and (iii) \$10,000 for the chair of the Compensation Committee, unless that Chairperson is also the Non-Executive Chairman. No fee is paid to the Chairman of the NCGC. All Directors are reimbursed for out-of-pocket expenses. Each newly elected independent Director is granted an option to purchase 20,000 shares of Class A Common Stock. In addition, on the first business day following each annual meeting of our stockholders, each continuing independent Director will be granted an option to purchase 15,000 shares of Class A Common Stock. For the year ended December 31, 2003, Directors of the Company who were not officers received the above-described Directors' fees from the Company aggregating \$578,500.

CORPORATE GOVERNANCE

The Company has a Nominating and Corporate Governance Committee (the NCGC). The functions of the NCGC include: (i) identifying and recommending to the Board individuals qualified to serve as Directors of the Company; (ii) recommending Directors to serve on committees of the Board; (iii) advising the Board with respect to matters of Board composition and procedures; (iv) developing and recommending to the Board a set of corporate governance principles applicable to the Company and overseeing corporate governance matters generally; and (v) overseeing the annual evaluation of the Board and the Company's management. All of the outside members of the Board serve on the NCGC, each of whom is an independent Director under the Nasdaq listing standards, as currently in effect. The NCGC met two (2) times during 2003.

The NCGC is governed by a written charter, a current copy of which is available on our corporate website at www.knighttradinggroup.com in the Investors section. The Board has also adopted a set of written Corporate Governance Guidelines recommended by the NCGC, which is also available on our corporate website. A copy of the charter, along with the Corporate Governance Guidelines, is also available in print to stockholders upon request, addressed to Corporate Communication and Investor Relations at Knight Trading Group, Inc., 525 Washington Boulevard, 23rd Floor, Jersey City, New Jersey 07310.

Nomination Process

The NCGC believes that the minimum qualifications for serving as a Director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In this regard, the NCGC examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. Annex A to our Nominating and Corporate Governance Committee Charter lists criteria for nomination to our Board. Also, our Corporate Governance Guidelines list specific qualification rules for all of our Board members and nominees.

The NCGC, through its Nomination Sub-Committee, identifies potential nominees by asking current Directors and executive officers to notify the Nomination Sub-Committee if they become aware of persons meeting the criteria described above. The NCGC also, from time to time, engages firms that specialize in identifying director candidates. As described below, the Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nomination Sub-Committee as a potential candidate, the NCGC may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the NCGC determines that the candidate warrants further consideration, the Nomination Sub-Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nomination Sub-Committee requests information from the candidate, reviews the person's accomplishments and qualifications, and conducts one or more interviews with the candidate. In certain instances, the Nomination Sub-Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. Once the Nomination Sub-Committee has completed its work, it provides the NCGC with all information regarding the candidate. The NCGC's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

Mr. Joyce, our Chief Executive Officer, and Robert Greifeld, a former Director and chairman of our NCGC, suggested that the NCGC consider Mr. Bolster as a candidate for nomination to the Board. After a review of his qualifications, the NCGC recommended that Mr. Bolster be considered for election to the Board of Directors. The Board of Directors followed the NCGC recommendation and elected Mr. Bolster as a member in November 2003. Mr. Bluher, our Executive Vice President and General Counsel, suggested that the NCGC consider Mr. Lockburner as a candidate for nomination to the Board based on a recommendation from a third party. Actual gains, if any, on stock option exercises and common stock holdings are dependent on the timing of exercise and the future performance of the Class A Common Stock. There can be no assurance that the rates of appreciation assumed in this table can be achieved or that the amounts reflected will be received by the individuals.

Management Contracts and Change in Control Agreements

The Company has entered into an employment agreement with Mr. Joyce under which Mr. Joyce is employed as Chief Executive Officer and President of the Company. The agreement was effective as of May 30, 2002 and continues through May 31, 2005, unless earlier terminated. Either party may terminate the employment agreement, with or without cause. Under this agreement, Mr. Joyce's compensation will be determined by the Compensation Committee pursuant to the EIP for the years after 2003. Mr. Joyce is provided with such fringe benefits and insurance coverages as are made available to other senior executives of the Company, and the Company also provides Mr. Joyce with a car and driver for his commute to the Company's offices.

If Mr. Joyce's employment is terminated by the Company other than for cause or other than by reason of his disability, or if Mr. Joyce resigns for good reason (as defined in his employment agreement), Mr. Joyce will be entitled to full vesting of his stock options and restricted stock awards previously granted to him and a cash payment equal to \$500,000. In the event Mr. Joyce's employment is terminated by reason of his death, by the Company on account of his disability, by Mr. Joyce without good reason or by the Company for cause, Mr. Joyce will not automatically be entitled to such payments, vesting and/or grants.

Equity and Other Incentive Plan Change in Control Provisions. Under the terms of the Company's equity plans, (the Knight Trading Group, Inc. 1998 Long-Term Incentive Plan (the "1998 Plan"), the Knight Trading Group, Inc. Non-Employee Director Plan and the Knight Trading Group, Inc. 2003 Equity Incentive Plan (the "2003 Plan")), and under the Company's deferred cash plan (the Knight Trading Group, Inc. 2003 Incentive Share Program (the "2003 ISP Plan")), awards are generally subject to special provisions upon the occurrence of a defined "change in control" transaction. Under these plans, upon a change in control, (i) any award carrying a right to exercise that was not previously exercisable and vested shall become fully exercisable and vested; and (ii) the restrictions, deferral limitations, payment conditions, and forfeiture conditions applicable to any other award granted under these plans shall lapse and such awards shall be deemed fully vested, and any performance conditions imposed with respect to awards shall be deemed to be fully achieved.

Other Employment Agreements. The Company has entered into an employment agreement with Mr. Howard. The agreement was effective as of January 1, 2003 and continues through December 31, 2004, unless earlier terminated. During the term of the agreement, the Company may only terminate Mr. Howard's employment for cause.

No other Named Executive Officer has an employment agreement.

COMPENSATION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee was formed in April 1998 and has responsibility for approving and evaluating executive officer compensation, incentive compensation and equity-based plans, policies and programs of the Company and its subsidiaries. The Compensation Committee also evaluates the performance of the Company's Chief Executive Officer, and based on such evaluation, reviews and approves his annual salary, cash incentive and long-term equity incentive.

The Compensation Committee operates pursuant to a written Charter that was amended and restated in January 2004, which Charter is available on our website at www.knighttradinggroup.com in the Investors section. The Compensation Committee currently consists of Messrs. Doherty, Bolster, Lazarowitz and Riney, none of whom, except for Mr. Lazarowitz, has ever been an employee of the Company. Mr. Doherty serves as the Chairman of the Compensation Committee. The Board of Directors has determined that each member of the Compensation Committee is independent within the meaning of Nasdaq's independence standards, as currently in effect.

In 2002, the Company formed a formal 162(m) Committee which provided assistance to the Board of Directors and the Compensation Committee by setting performance-based compensation criteria for the Company's Chief Executive Officer and other key executives, certifying the results of such performance at the end of the annual performance period and awarding the resulting performance-based compensation to such key executives. The 162(m) Committee also made stock option grants to the Company's Chief Executive Officer and other key executives. The 162(m) Committee consisted of Messrs. Doherty, McMaken and Griffith, none of whom had ever been an employee of the Company. Each member of the 162(m) Committee qualified as a non-employee director under Rule 16b-3 of the Securities Exchange Act of 1934 (the Exchange Act) and as an outside director under Section 162(m) of the Internal Revenue Code (the Code). As of January 21, 2004, the Board dissolved the 162(m) Committee and instead created a 162(m) Sub-Committee of the Compensation Committee for which the members are Messrs. Bolster and Doherty. Each member of the 162(m) Sub-Committee qualifies as a non-employee director under Rule 16b-3 of the Exchange Act and as an outside director under Section 162(m) of the Code.

The Compensation Committee's primary purposes are to review the Company's executive compensation plans; review and approve corporate goals and objectives relevant to the Chief Executive Officer's compensation; annually review the performance and compensation of executive officers, including the Chief Executive Officer; review the Company's incentive compensation plans and equity-based plans, and approve specified awards to employees and officers; assist the Board of Directors in its oversight of the development, implementation and effectiveness of our policies and strategies relating to our human capital management function; and prepare this Report. As part of this responsibility, the Compensation Committee administers the 1998 Plan, the EIP, the 2003 Plan and the 2003 ISP Plan. The 2003 Plan is intended to supplement the 1998 Plan and replace it upon all authorized shares being issued under the 1998 Plan.

Set forth below is a description of the policies and practices that the Compensation Committee implemented in 2003 and will implement with respect to future compensation determinations.

Edgar Filing: KNIGHT TRADING GROUP INC - Form DEF 14A

Compensation Philosophy. The Company's compensation program is designed to align executive and employee compensation with stockholder interests, to attract, reward and retain highly qualified executives and

employees, and to encourage the achievement of business objectives and superior corporate performance. The program ensures the Board of Directors and stockholders that: (1) the achievement of the overall goals and objectives of the Company can be supported by adopting an appropriate executive and employee compensation policy and implementing it through an effective total compensation program and (2) the total compensation program and practices of the Company are designed with full consideration of all accounting, tax, securities law and other regulatory requirements and are of the highest quality.

The Company's executive officer compensation program generally consists of three key elements: salary, annual awards under the EIP and other long-term equity-based awards. Salary is paid in cash on a monthly or semi-monthly basis throughout the year. Awards under the EIP may consist of a combination of cash, deferred cash and long-term equity-based awards consisting of stock options, restricted stock and/or restricted stock units. Such long-term equity-based awards are made pursuant to the 1998 Plan and/or the 2003 Plan, while deferred cash is awarded through the 2003 ISP Plan. Other long-term equity based awards are made pursuant to either the 1998 Plan and/or the 2003 Plan. In addition to the above, executive officers may also be granted compensation outside of the EIP.

Compensation. The target compensation of executive officers is determined by first establishing the competitive range of compensation in peer companies of like size and complexity. The amount of each officer's target compensation is then established within that range based upon an evaluation of the officer's relative responsibility and the individual's overall level of experience with the Company and within the industry. Annual target compensation adjustments are determined by giving consideration to several factors: the Company's performance for the year; the individual's contribution to that performance; comparison with pay levels of comparable positions in the marketplace; internal comparisons; and, where applicable, the terms of existing employment contracts.

Salaries. Salaries of executive officers are fixed at the beginning of each year and typically are not changed during the year except for changes in responsibility. In general, salaries are intended to make up a small portion of executive compensation.

Executive Incentive Plan. The EIP was designed to: (1) advance the interests of the Company and its stockholders by providing incentives in the form of periodic bonus awards to certain key employees who contribute significantly to the strategic and long-term performance objectives and growth of the Company; and (2) further align the interests of the Company's key employees with the interests of the stockholders since payment of bonus awards under the EIP are based on Company or subsidiary performance criteria. The EIP provides for additional annual compensation based on the achievement of performance goals. Allocation of annual incentive compensation among cash, deferred cash, stock options and restricted stock (or restricted stock units) is based on a formula that provides a higher percentage of current cash to individuals who receive smaller awards and a higher percentage of deferred cash and equity awards to individuals with larger awards. Stock options, restricted stock and restricted stock units are awarded pursuant to the 1998 Plan and/or the 2003 Plan.

Deferred cash compensation vests after two years; earnings on this compensation depend on the Company's operating income during those years. Deferred cash compensation is awarded in accordance with the 2003 ISP Plan that was approved by the Board of Directors in early 2003. We did not make any awards under the 2003 ISP Plan related to 2003 executive compensation, but did make awards under the 2003 ISP Plan related to 2002 executive compensation. These 2002 awards to executive officers will vest in 2005.

Section 162(m) of the Code limits the deductibility of certain compensation paid to the Chief Executive Officer and the four most highly compensated executive officers (the "covered employees") in excess of the statutory maximum of \$1 million per covered employee. Compensation which is performance-based is not subject to this statutory maximum on deductibility. The Compensation Committee's general policy is, where feasible, to structure the compensation paid to the covered employees so as to allow it to qualify as performance-based compensation; however, the Compensation Committee retains the flexibility, where necessary to promote incentive and retention goals, to pay compensation which may not qualify as performance-based compensation.

Long-term Incentives. The Company also issues long-term equity awards whose value is directly related to the value of the Class A Common Stock. These equity-based awards are granted by the Compensation Committee pursuant to the 1998 Plan and/or the 2003 Plan. Individuals to whom equity-based awards are granted and the amount of Knight Class A Common Stock related to such equity-based awards are determined at the discretion of the Compensation Committee. Because individual equity-based award levels will be based on a subjective evaluation of each individual's overall past and expected future contribution, no specific formula is used to determine such awards for any executive.

Compensation of Chief Executive Officer. For 2003, Mr. Joyce received compensation valued at \$9,900,000 consisting of the following: (i) base salary of \$750,000; (ii) awards under the EIP valued at \$8,950,000 and (iii) a cash award outside of the EIP of \$200,000. The awards under the EIP consisted of the following: (i) cash equal to \$4,250,000 which was paid in January 2004 after Mr. Joyce satisfied the performance criteria previously set by the Compensation Committee; (ii) a stock option granted on December 31, 2003 having a value at the time of grant equal to \$855,000, using the valuation method used by the Company under the EIP; and (iii) shares of restricted stock granted on December 31, 2003 and January 30, 2004 having a value of \$760,000 and \$3,085,000, respectively, based on the average of the high and low sales prices of a share of Class A Common Stock on the day preceding such grant dates. Such restricted shares vest over time, subject to satisfaction of certain pre-determined performance criteria set by the Company. With the exception of restricted shares valued at \$200,000 which are scheduled to vest in August 2004, such restricted shares vest in three equal installments on the first, second and third anniversaries of the grant date.

Employment Contracts. Mr. Joyce and Mr. Howard are the only Named Executive Officers currently under employment contracts. See Management Contracts and Change in Control Agreements.

FINANCE AND AUDIT COMMITTEE REPORT

Edgar Filing: KNIGHT TRADING GROUP INC - Form DEF 14A

The Finance and Audit Committee of the Board of Directors (the Committee) is established to assist the Company's Board of Directors oversight of: (1) the integrity of the financial statements and its risk and control environment; (2) the relationship with the independent auditor; (3) the Company's internal audit function; (4) compliance with applicable legal and regulatory requirements; and (5) compliance with the Company's Code of Business Conduct and Ethics. The Committee also reviews and makes recommendations to the Board regarding: (i) all proposed material capital formation plans, including planned issuances of equity securities and debt instruments, and stock repurchase programs; and (ii) certain acquisitions, investments, new business ventures, and divestitures by the Company. From March 31, 2003 through December 31, 2003, the Committee operated under an amended and restated Charter adopted on March 31, 2003, which was attached as Exhibit B to the Proxy Statement sent to stockholders in connection with the 2003 Annual Meeting. Prior to March 31, 2003, the Committee operated under an amended and restated Charter adopted on October 16, 2001 which was attached as Exhibit A to the Proxy Statement sent to stockholders in connection with the 2002 Annual Meeting. A copy of the current Charter adopted on March 29, 2004 is available on our corporate website at www.knighttradinggroup.com in the Investors' section.

The Committee is composed of three independent Directors who are not officers or employees of the Company. The Board of Directors has determined in its business judgment that each Committee member is in compliance with the independence, experience and financial literacy requirements set forth by The Nasdaq Stock Market, Inc., The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002, as currently in effect.

For the calendar year 2003, PricewaterhouseCoopers LLP (PwC) was the Company's independent auditor. The Committee is responsible for retaining and, as necessary, terminating, the independent auditor and pre-approves all audit and non-audit services and fees to be provided by the independent auditor. The Committee received and reviewed the written disclosures and the letter from its current independent auditor, PwC, required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) regarding auditor independence, and held discussions and reviewed with the independent auditor all relationships it has with the Company to determine and satisfy itself regarding the independent auditor's independence. When considering the independence of the Company's independent auditor, the Committee considered whether the auditor's provision of services to the Company beyond those rendered in connection with its audit and review of the Company's consolidated financial statements was compatible with maintaining its objectivity and independence. The Committee reviewed and approved, among other matters, the amount of fees paid to PwC for audit and non-audit services. All non-audit services performed by the independent auditor must be pre-approved by the Committee or a specified member thereof. The Committee also evaluated the qualifications and performance of the independent auditor. Based on its review of these matters, the Committee selected PwC as the Company's independent auditor for the year ending December 31, 2004.

Management is responsible for the financial reporting process, including the system of internal control and the preparation, presentation and integrity of the consolidated financial statements in accordance with generally accepted accounting principles. The independent auditor is responsible for conducting an independent audit of the financial statements in accordance with generally accepted auditing standards. The Committee is responsible for monitoring and reviewing these processes. The Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditor.

In performing its duties, the Committee held twelve (12) meetings during 2003. These meetings were designed, among other things, to encourage free and open communications among the Committee, management and the independent auditor. The independent auditor has free access to the Committee to discuss any matters it deems appropriate. The Committee has discussed with the independent auditor, with and without management present, the overall scope and plan for its annual audit, the results of its examination and the overall quality of the Company's financial reporting and its evaluation of the Company's internal controls. Additionally, the Committee discussed matters related to the conduct of the audit and other matters required to be discussed by relevant auditing standards. The Committee also reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2003 with management and the independent auditor.

For the year ended December 31, 2003, the Committee performed all of its duties and responsibilities under the then applicable Finance and Audit Committee Charter. Based on the Committee's discussions with management and the independent auditor, review of the representations of management and the report of the independent auditor to the Committee, and subject to the limitations on the role of the Committee referred to above and in the Charter, the Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the year ended December 31, 2003 be included in the Company's Annual Report on Form 10-K.

Fees Paid To Our Independent Auditor

In addition to retaining PwC to audit the consolidated financial statements for 2003, the Company retained PwC, as well as other accounting and consulting firms, to provide various consulting services in 2003, and expects to continue to do so in the future. The Company understands the need for PwC to maintain its objectivity and independence in its audit of the Company's financial statements and, therefore, the Company does not use PwC for strategic consulting services, development of tax planning transactions or for services prohibited by The Sarbanes-Oxley Act of 2002 such as internal audit work and financial information system design and implementation. The Company uses PwC for non-audit work when it concludes that PwC is the most appropriate provider of that service and such work is compatible with maintaining its objectivity and independence.

The following fees were paid to PwC, the Company's independent auditor, for services rendered in 2003 and 2002:

	<u>2003</u>	<u>2002</u>
Audit fees	\$ 713,346	\$ 643,447
Non-audit fees:		
Audit-related fees	145,734	96,448
Tax Fees	338,823	364,478
All other fees	0	0
Total Non-audit fees	<u>484,557</u>	<u>460,926</u>
Total Fees Paid to PricewaterhouseCoopers LLP	<u>\$ 1,197,903</u>	<u>\$ 1,104,373</u>

Audit fees represent the aggregate fees for professional services rendered for the audit of the Company's annual financial statements for the applicable year, reviews of Company financial statements included in SEC Forms 10-Q during such year, and the audit of the financial statements of our former Japanese subsidiary as required by the Japanese Commercial Code.

Audit-related fees primarily represent fees paid in the applicable year for audits of benefit plans, due diligence related to acquisitions, financial accounting consultations and advice and consultations in connection with planning for the attestation required by Section 404 of The Sarbanes-Oxley Act of 2002.

Tax fees represent fees paid in the applicable year for assistance with domestic and international income tax compliance, expatriate employee tax compliance, tax examinations, and general tax advice.

Policy on Finance and Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Finance and Audit Committee (the Committee) is responsible for appointing, setting compensation and overseeing the work of the independent auditor. The Committee has established a policy regarding pre-approval of all audit and non-audit services provided by the

independent auditor and fees related to such services.

On an ongoing basis, management communicates specific projects and categories of service for which the advance approval of the Committee is requested. The Committee reviews these requests and advises management whether the Committee approves the engagement of the independent auditor. The Committee may delegate to one or more of its independent members the authority to grant pre-approval required by this policy. On a periodic basis, management reports to the Committee regarding the actual spending for such projects and services compared to the pre-approved amounts.

In granting pre-approval of non-audit services, the Committee considered whether the provision of non-audit services rendered by our independent auditor is compatible with maintaining their objectivity and independence. The Committee concluded that such objectivity and independence has been maintained.

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

The Finance and Audit Committee of the Board of Directors has selected PwC as the Company's independent auditor for the year ending December 31, 2004 as required under The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002. We are submitting the selection of PwC for stockholder ratification at the Annual Meeting.

PwC representatives will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Although stockholder action on this matter is not required under our By-Laws or Certificate of Incorporation, this appointment is being recommended to the stockholders for ratification (as we have done in prior years) because we believe it is a matter of good corporate practice. If our stockholders do not ratify the selection of PwC, the Finance and Audit Committee will reconsider whether or not to retain PwC, but still may retain them. Even if the selection is ratified, the Finance and Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Pursuant to applicable Delaware law, the ratification of the selection of PwC requires the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting, in person or by proxy, and entitled to vote. Abstentions will be counted and will have the same effect as a vote against the proposal. Broker non-votes will be disregarded and have no effect on the outcome of the vote.

THE FINANCE AND AUDIT COMMITTEE OF THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT AUDITOR FOR 2004.
