Novoste announced on April 22, 2004 that it has signed an asset purchase agreement with Guidant Corporation pursuant to which Novoste will acquire information regarding Guidant's vascular brachytherapy business, including the customer list of Guidant in the United States and Canada. Under the terms of the agreement, during an established transition period, which is expected to be six months, Guidant and Novoste will jointly cooperate to transition the Guidant customers to Novoste products for any customer that wishes to continue vascular brachytherapy. Guidant will discontinue its vascular brachytherapy business in the United States and Canada over the six-month period. Additionally, Guidant has agreed to not compete in the vascular brachytherapy market in the United States and Canada for a period of five years. Novoste paid the sum of \$2.5 million to Guidant at the signing of the transaction and has agreed to pay a 5% royalty on its net sales of all vascular brachytherapy products in the United States and Canada, up to an additional payment of \$4.0 million.

The asset purchase agreement between Novoste and Guidant is attached hereto as Exhibit 99.1 and is incorporated herein by reference. The foregoing description of the asset purchase agreement does not purport to be complete and is qualified in its entirety by reference to Exhibit 99.1 hereto.
