* The remainder of this cover page shall be filled out for a reporting person s initial filing on this form with respect to the subject class of securities, and for any subsequent amendment containing information which would alter disclosures provided in a prior cover page.

The information required on the remainder of this cover page shall not be deemed to be filed for the purpose of Section 18 of the Securities Exchange Act of 1934 (Act) or otherwise subject to the liabilities of that section of the Act but shall be subject to all other provisions of the Act (however, see the Notes.)

The approval by the White Mountains shareholders of the issuance of the common shares caused the Class B warrants to become immediately exercisable.

Additionally, on October 24, 2002, the total number of common shares of White Mountains subject to Berkshire s Series A Warrants and Series B Warrants was adjusted upward from 1,714,285 to 1,724,200 due to an issuance by White Mountains of its convertible preference shares and its common shares. 13G Amendments should have been filed upon the August 23, 2001 shareholder approval and the October 24, 2002 adjustment. Inadvertently these amendments were not filed, but are being filed together now.
