99.1 Press release issued by the Company on July 29, 2004 (furnished pursuant to Item 12).

**Item 12. Results of Operations and Financial Conditions.**

On July 29, 2004, NewMarket Corporation (the Company) issued a press release regarding its earnings for the second quarter and six months ended June 30, 2004. A copy of this press release is furnished as Exhibit 99.1 hereto and incorporated herein by reference.

The earnings press release includes the non-GAAP financial measures discussed below.

Earnings and earnings per share for continuing operations have been presented excluding the nonrecurring items discussed in the notes to the financial statements that are attached to the earnings press release. The Company has included these non-GAAP financial measures in the earnings press release in order to provide transparency to investors and to enhance period-to-period comparability of performance. The Company believes that these non-GAAP financial measures are more reflective of its continuing operations. The Company has also included in the earnings press release both the most directly comparable financial measures calculated and presented in accordance with GAAP and a quantitative reconciliation of the difference between the non-GAAP measures and the comparable GAAP financial measures.

In accordance with General Instruction B.6 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.
