ITEM 8.01 OTHER EVENTS

On November 22, 2004 we announced financial results for our third quarter ended October 31, 2004.

We added approximately 419,000 total subscriptions in the third quarter, more than double the number we added in the same quarter of last year. In the past twelve months, our total installed base has more than doubled to approximately 2.3 million. Of the 419,000 net new subscriptions added in the quarter, approximately 316,000 are DIRECTV with TiVo subscriptions, or over twice the number of DIRECTV with TiVo subscriptions added in the same quarter of last year. New TiVo-Owned subscription additions in the quarter were approximately 103,000, a 75% increase compared to the same quarter of last year.

Net revenues for the third quarter were \$38.3 million. Of this amount, service revenues increased 73% to \$27.7 million, compared with \$16.0 million for the same quarter last year. Net loss for the quarter was \$(26.4) million, or \$(0.33) per share, compared to a net loss of \$(7.4) million, or \$(0.11) per share, for the three months ended October 31, 2003. The increase in net loss and net loss per share for the quarter reflects our previously announced investment in subscription acquisition activities to accelerate sub growth during fiscal year 2005.
