ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Effective January 1, 2005, Oscient Pharmaceuticals Corporation (the Company) appointed Dominick Colangelo as Senior Vice President, Corporate Development and Operations and Antonius Bunt as Senior Vice President, Clinical Development and Medical Affairs. The parties have agreed to the employment terms described below and the Company expects to enter into definitive employment agreements with Mr. Colangelo and Dr. Bunt in the near future.

Pursuant to his employment arrangement, Mr. Colangelo will be paid a base salary of \$305,000 per year with a one time signing bonus of \$100,000. Mr. Colangelo will also be eligible to receive an annual bonus, to be determined by the Compensation Committee of the Board of Directors, of up to 40% of his base salary. The Company has granted Mr. Colangelo an option to purchase 250,000 shares of the Company's common stock at an exercise price equal to the market price of the Company's common stock at the commencement of his employment. This option will vest annually over four years. The Company has also agreed to reimburse Mr. Colangelo for reasonable moving expenses up to \$125,000.

Mr. Colangelo's employment agreement will provide for a severance payment equal to 9 months of base salary plus a pro-rata portion of his annual bonus in the event that Mr. Colangelo's employment is terminated without cause (as defined in the employment agreements) or he terminates his employment for good reason (as defined in the employment agreements). If such termination occurs within two years following a change of control (as defined in the employment agreements) the severance payment will be equal to 12 months of base salary plus a pro-rata portion of his annual bonus and all of Mr. Colangelo's unvested options and restricted shares will immediately vest and remain exercisable until the lesser of two years or the final exercise date of the option.

Dr. Bunt will be paid a base salary of \$275,000 per year with a one time signing bonus of \$50,000. Dr. Bunt will also be eligible to receive an annual bonus, to be determined by the Compensation Committee of the Board of Directors, of up to 40% of his base salary. The Company has granted Dr. Bunt an option to purchase 200,000 shares of the Company's common stock at an exercise price equal to the market price of the Company's common stock at the commencement of his employment. This option will vest annually over four years. The Company has also agreed to reimburse Dr. Bunt for reasonable moving expenses up to \$100,000.

Dr. Bunt's employment agreement will provide for a severance payment equal to 9 months of base salary plus a pro-rata portion of his annual bonus in the event that Dr. Bunt's employment is terminated without cause (as defined in the employment agreements) or he terminates his employment for good reason (as defined in the employment agreements). If such termination occurs within two years following a change of control (as defined in the employment agreements) the severance payment will be equal to 12 months of base salary plus a pro-rata portion of his annual bonus and all of Dr. Bunt's unvested options and restricted shares will immediately vest and remain exercisable until the lesser of two years or the final exercise date of the option.

The employment agreements with Mr. Colangelo and Dr. Bunt will be filed as exhibits to the Company's Form 10-K for the year ending December 31, 2004.
