Senior Executive Bonus Plan

On February 15, 2005, the Board of Directors of Google Inc. (the "Company") approved a Senior Executive Bonus Plan for 2005 (the "Plan"), which is a variable cash incentive program designed to motivate participants to achieve the Company's financial and other performance objectives, and to reward them for their achievements when those objectives are met. All of the Company's executive officers (excluding the Company's Chief Executive Officer and its Presidents) are eligible to be considered for participation in the Plan solely at the discretion of the Board of Directors. Target bonuses vary based on the executive's salary, and the amount of target bonus actually paid to individual employees will be based on the achievement of (i) certain individual performance objectives tailored to each executive's role in the Company and (ii) certain Company performance objectives tied to the Company's annual revenue and operating profit; provided that other financial goals may be assessed as determined appropriate by the Company's Board of Directors.

This brief description of the Plan is qualified by reference to the 2005 Senior Executive Bonus Plan attached as Exhibit 10.16 to this report.
