99.1	UNITED MICROELECTRONICS CORPORATION UNAUDITED BALANCE SHEETS AS OF MARCH 31, 2005 AND 2004, AND THE UNAUDITED RELATED STATEMENTS OF INCOME AND CASH FLOWS FOR THE THREE-MONTH PERIODS THEN ENDED WITH REVIEW REPORT OF INDEPENDENT AUDITORS.

REVIEW REPORT OF INDEPENDENT ACCOUNTANTS

English Translation of a Report Originally Issued in Chinese

To the Board of Directors and Shareholders of

United Microelectronics Corporation

We have reviewed the accompanying balance sheets of United Microelectronics Corporation as of March 31, 2005 and 2004, and the related statements of income and cash flows for the three-month periods then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to issue a review report on these financial statements based on our reviews. As described in Note 4(7) to the financial statements, certain long-term investments were accounted for under the equity method based on the financial statements of the investees for the three-month periods ended March 31, 2005 and 2004, which were reviewed by other independent accountants. Our reviews insofar as it relates to the investment income amounting to NT\$113 million and NT\$121 million for the three-month periods ended March 31, 2005 and 2004, respectively, and the related long-term investment balances of NT\$4,329 million and NT\$3,983 million as of March 31, 2005 and 2004, respectively, is based solely on the review reports of the other independent accountants.

We conducted our reviews in accordance with the Statements of Auditing Standards No. 36, "Review of Financial Statements", of the Republic of China. A review is limited primarily to applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in the Republic of China and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our reviews, we are not aware of any material modifications or adjustments that should be made to the financial statements referred to above in order for them to be in conformity with accounting principles generally accepted in the Republic of China.

As discussed in Note 3 to the financial statements, effective from January 1, 2005, United Microelectronics Corporation adopted the R.O.C. Statement of Financial Accounting Standards No. 35, "Accounting for Asset Impairment" to account for the impairment of its assets.
