ITEM 1.01. Entry into a Material Definitive Agreement

The information set forth under Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant is incorporated into this Item 1.01 by reference.

On July 27, 2005, Syniverse Technologies, Inc. (the Company) executed a Purchase Agreement, by and among the Company, the guarantors named therein and Lehman Brothers Inc. and Deutsche Bank Securities Inc. (the Initial Purchasers). Pursuant to the Purchase Agreement, among other things, the Company agreed to sell to the Initial Purchasers \$175.0 million in aggregate principal amount of its 7³/₄% Senior Subordinated Notes due 2013 (the Notes).

Pursuant to an Exchange and Registration Rights Agreement, dated August 24, 2005, among the Company, the guarantors named therein and the Initial Purchasers relating to the Notes (the Registration Rights Agreement), the Company and the guarantors are obligated to file and use their commercially reasonable efforts to cause to become effective a registration statement with respect to an offer to exchange the Notes for other freely tradable notes issued by the Company that are registered with the Securities and Exchange Commission (the SEC) and have substantially identical terms as the Notes. The Registration Rights Agreement provides that if the Company is not able to effect the applicable exchange offer, the Company will file with the SEC and use its commercially reasonable efforts to cause to become effective a shelf registration statement relating to the resales of the Notes. Pursuant to the Registration Rights Agreement, the Company will be obligated to pay additional interest on the Notes in certain instances, including if it does not file the registration statement by November 22, 2005 or complete the related exchange offer within 45 days of the effective date of the registration statement.

The Initial Purchasers and their affiliates have provided and may, from time to time, continue to provide investment banking, financial advisory and other services to the Company and its affiliates, for which they have received customary fees and reimbursements of expenses, and for which they expect to receive customary fees and reimbursement of expenses, respectively. Lehman Brothers Inc. is acting as dealer-manager and solicitation agent for the tender offer and consent solicitation relating the Company's 1³/₄% senior subordinated notes due 2009. Lehman Brothers Inc. was also a joint book-running manager and an underwriter for the initial public offering of Syniverse Holdings, Inc. and an affiliate of Lehman Brothers Inc. is the administrative agent and lender under the Company's senior credit facility. Deutsche Bank Securities Inc. was one of the underwriters for the initial public offering of Syniverse Holdings, Inc.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement are qualified in their entirety by reference to the Purchase Agreement and the Registration Rights Agreement, which are attached as exhibits hereto and are incorporated herein by reference in their entirety.

ITEM 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The Company completed the offering of the Notes on August 24, 2005. The Notes were offered within the United States only to qualified institutional investors pursuant to Rule 144A under the Securities Act of 1933, and, outside the United States, only to non-U.S. investors.

As previously announced, the proceeds of this offering will be used to redeem or repurchase the Company's 1³/₄% senior subordinated notes due 2009.

The Notes have not been registered under the Securities Act of 1933, as amended (the Securities Act), or any state securities laws, and unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the

registration requirements of the Securities Act and applicable state securities laws.

The Notes are unsecured obligations of the Company that are subordinate in right of payments to all of the Company's existing and future senior indebtedness and equal in right of payment to the Company's existing and future senior subordinated indebtedness and are unconditionally guaranteed on an unsecured senior subordinated basis, as to the payment of principal and interest by Syniverse Holdings, Inc. and each of the Company's current and

future domestic subsidiaries that guarantee other indebtedness, including Syniverse Brienze, LLC and Syniverse Technologies of Virginia, Inc. (collectively, the Guarantors). The Notes will mature on August 15, 2013. Interest on the Notes will be payable twice a year, on each February 15 and August 15, beginning February 15, 2006. Before August 15, 2008, the Company may redeem up to 35% of the original aggregate principal amount of the Notes at a redemption price equal to 107.75% of their aggregate principal amount, plus accrued interest, with the net cash proceeds of certain equity offerings. In addition, on or after August 15, 2009, the Company may redeem some or all of the Notes at any time at redemption prices that start at 103.875% of their aggregate principal amount. The Company is required to offer to purchase the Notes at 101% of their aggregate principal amount, plus accrued interest, if it experiences specific kinds of changes in control.

The Indenture contains covenants that will, among other things, limit the Company's ability and that of its restricted subsidiaries to:

incur additional indebtedness and issue preferred stock;

pay dividends or make other distributions;

make other restricted payments and investments;

create liens;

incur restrictions on the ability of their subsidiaries to pay dividends or other payments to them;

sell assets;

The foregoing description of the Indenture is qualified in its entirety by reference to the Indenture, which is attached as an exhibit hereto and is incorporated herein by reference in its entirety.
