PROXY STATEMENT

This proxy statement is being solicited on behalf of the Board of Directors of TiVo Inc. for use at the Annual Meeting of Stockholders of TiVo Inc., including any postponements or adjournments, to be held on Wednesday, August 2, 2006 beginning at 10:30 a.m. at the offices of Latham & Watkins LLP, 140 Scott Drive, Menlo Park, California. This proxy statement and accompanying proxy card are being first mailed to stockholders on or about June 19, 2006.

ABOUT THE MEETING

What is the purpose of the Annual Meeting?

At our 2006 Annual Meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, including the election of three directors, ratification of the selection of the Company's independent auditors, and any other business as may properly come before the meeting.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on June 7, 2006, the record date for the meeting, are entitled to receive notice of and to participate in the 2006 Annual Meeting. If you were a stockholder of record as of the close of business on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

What are the voting rights of the holders of TiVo common stock?

Each outstanding share of TiVo common stock will be entitled to one vote on each matter considered at the meeting.

Who can attend the meeting?

Subject to space availability, all stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. Please also note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date. Please also see *How do I vote?* for instructions on voting at the annual meeting if you hold your shares in street name.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the common stock outstanding as of the close of business on the record date will constitute a quorum, permitting the meeting to conduct its business. At the close of business on May 10, 2006, there were 86,228,203 shares of our common stock outstanding and entitled to vote. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to the Company, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders, who wish to vote at the meeting, will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Edgar Filing: TIVO INC - Form DEF 14A

Yes. Even after you have submitted your proxy, you may revoke or change your vote at any time before the proxy is exercised by filing with the Corporate Secretary of the Company at our principal executive office, 2160 Gold Street, P.O. Box 2160, Alviso, CA 95002, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy.

-1-

What are the Board of Director s recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board s recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

for the election of three directors to hold office until the 2009 Annual Meeting of Stockholders (see Proposal 1); and

for ratification of the selection of KPMG LLP as independent auditors for TiVo for its fiscal year ending January 31, 2007 (see Proposal 2).

With respect to any other business that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

All votes will be tabulated by the Inspector of Elections appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions, and broker non-votes. Any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted in accordance with the recommendations of the Board. With respect to any other business that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion, as the case may be with respect to the item not marked. We believe that the tabulation procedures to be followed by the Inspector of Elections are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked *Withhold authority* with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Other Items. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval at which a quorum is present as is required under Delaware law for approval of proposals presented to stockholders. In general, Delaware law also provides that a quorum consists of a majority of the shares present in person or represented by proxy. A properly executed proxy marked *Abstain* with respect to such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in *street name* through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Share represented by such *broker non-votes* will, however be count in determining whether there is a quorum.

There is no statutory or contractual right of appraisal or similar remedy available to those stockholders who dissent from any matter to be acted upon.

Who pays for the solicitation of proxies?

We will bear the entire cost of solicitation of proxies including preparation, assembly, printing, and mailing of this proxy statement, the proxy card, and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries, and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram, or personal solicitation by our directors, officers, or other regular employees. No additional compensation will be paid to our directors, officers, or other regular employees for such services.

Is my vote confidential?

Proxies, ballots, and voting tabulations are handled on a confidential basis to protect your voting privacy. Information will not be disclosed except as required by law.

How do I find out the voting results?

Final voting results will be announced at the meeting and will be published in our Quarterly Report on Form 10-Q for the quarter ending July 31, 2006. We will file this quarterly report with the Securities and Exchange Commission (SEC). After the Form 10-Q is filed, you may obtain a copy by:

visiting our website; or

contacting our Investor Relations department at (408) 519-9345.

INDEPENDENT AUDITORS FEES AND SERVICES

In addition to retaining KPMG LLP to audit the consolidated financial statements for fiscal year 2006, TiVo retained KPMG LLP as well as one other auditing firm in the United Kingdom, Blick Rothenberg Chartered Accountants, to provide various accounting services during fiscal 2006. The aggregate fees billed for professional auditing services by KPMG LLP for the fiscal years ended January 31, 2006 and 2005 are as follows (rounded to the nearest \$1,000):

	Fiscal Year Ended January 31,	
	2006	2005
	KPMG LLP	KPMG LLP
Audit Fees	\$ 770,000	\$ 636,000
Audit Related Fees		
Tax Fees		143,000
All Other Fees		
Total	770,000	779,000

Audit Fees. This category includes the audit of TiVo's annual financial statements, review of financial statements included in TiVo's Form 10-Q Quarterly Reports and services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for those fiscal years. Audit fees also include fees for professional services rendered for KPMG's audit of the effectiveness of the Company's internal control over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act of 2002.

Audit Related Fees. This category consists of assurance and related services that were reasonably related to the performance of the audit or review of TiVo's financial statements and are not reported above under Audit Fees. There were no fees paid for fiscal 2006 and 2005 for services performed under this category.

Tax Fees. This category consists of professional services rendered for tax compliance and tax advice. The services for the fees disclosed under this category were for tax return preparation and technical tax advice regarding prospective business matters.

All Other Fees. This category consists of all other fees including fees billed for professional services that were not the result of an audit or review. There were no fees paid for fiscal 2006 and 2005 for services provided under this category.

Audit Committee Pre-Approval Policies and Procedures. The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company's independent auditors. These services may include audit services, audit-related services, tax, and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specified budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. During the fiscal years ended January 31, 2006 and 2005, all services provided by KPMG LLP were pre-approved by the Audit Committee, which concluded that the provisioning of these non-audit services by KPMG LLP is compatible with maintaining the auditor's independence.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors of TiVo Inc. has selected KPMG LLP as our independent public auditors for the fiscal year ending January 31, 2007 and has further directed that management submit the selection of independent public auditors for ratification by the stockholders at the Annual Meeting. KPMG LLP has audited our financial statements since the Company's fiscal year ended January 31, 2002. Representatives of KPMG LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of KPMG LLP as our independent public auditors is not required by our Amended & Restated Bylaws or otherwise. However, the Board is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee and the Board in their discretion may direct the appointment of different independent public auditors at any time during the year if they determine that such a change would be in the best interests of TiVo and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on **PROPOSAL 2** at the Annual Meeting will be required to ratify the selection of KPMG LLP as our independent public auditors.

STOCK OPTION GRANTS AND EXERCISES

TiVo grants stock options to its executive officers under its Amended & Restated 1997 Equity Incentive Plan and Amended & Restated 1999 Equity Incentive Plan. As of January 31, 2006, options to purchase a total of 16,710,588 shares were outstanding under the Amended & Restated 1997 and 1999 Equity Incentive Plans, and 17,981,820 shares were available for future option grants under these plans. The following tables show, for the fiscal year ended January 31, 2006, certain information regarding options granted to, exercised by, and held at year-end by, the named executive officers listed on the Summary of Executive Compensation table above. The exercise price of each option granted was equal to the fair market value of TiVo's common stock as quoted on the NASDAQ for the date of grant. The exercise price may be paid in cash or in shares of TiVo's common stock valued at fair value on the exercise date.

The potential realizable value is calculated based on the ten-year term of the option at the time of grant. Stock price appreciation of 5% and 10% is assumed pursuant to rules promulgated by the SEC and does not represent our prediction of our stock price performance. The potential realizable values at 5% or 10% appreciation are calculated by:

Edgar Filing: TIVO INC - Form DEF 14A

multiplying the number of shares of common stock subject to a given option by the exercise price per share;

-15-

assuming that the aggregate stock value derived from that calculation compounds at the annual 5% or 10% rate shown in the table until the expiration of the options; and

subtracting from that result the aggregate option exercise price.

The shares listed in the following table under Number of Securities Underlying Options Granted are subject to vesting. These stock options vest ratably over 48 months. Each of the options has a ten-year term, subject to earlier termination if the optionee's employment or service with the Company ceases. Under certain circumstances following a change of control, the vesting of a portion of such option grants may accelerate and become immediately exercisable.

Percentages shown under Percent of Total Options Granted to Employees in Fiscal Year Ended January 31, 2006 are based on options to purchase 6,641,500 shares of TiVo's common stock granted to TiVo's employees during fiscal 2006.

The following table sets forth the number and value of securities underlying unexercised options that are held by the named executive officers listed on the Summary of Executive Compensation table above. Amounts shown under the column Value Realized include the proceeds received from the options exercised, which is calculated by multiplying the deemed fair value per share on the date of exercise less the option exercise price per share times the number of shares exercised. Amounts shown under the column Value of Unexercised, In-the-Money Options at January 31, 2006 are based on the closing price of TiVo's common stock, \$5.51, on January 31, 2006, as reported on the NASDAQ National Market, without taking into account any taxes that may be payable in connection with the transaction, multiplied by the number of shares underlying the option, less the exercise price payable for these shares. TiVo's stock option plans allow for the early exercise of options granted to employees prior to August 8, 2001. For options granted subsequent to August 8, 2001, options are exercisable as vested. All options exercised early are subject to repurchase by TiVo at the original exercise price, upon the option holder's cessation of employment or service to the Company prior to the vesting of the shares.

COMPENSATION OF DIRECTORS

Standard Arrangements: Directors who are also executive officers do not receive any additional compensation for serving as members of the Board or any other committee of the Board. Each non-employee director of TiVo is eligible for reimbursement for his expenses incurred in connection with attendance at Board meetings in accordance with our policy. In addition, Michael Ramsay, our former Chief Executive Officer, has an employment agreement with the Company which entitles him, in addition to other compensation, to receive the same compensation that non-employee directors of the Company receive.

Additionally, non-employee directors are compensated as follows:

Each non-employee director receives stock option grants under the Amended & Restated 1999 Non-Employee Directors Stock Option Plan. Only non-employee directors or an affiliate of such directors (as defined in the Internal Revenue Code of 1986, as amended) are eligible to receive options under the Directors Plan. Options granted under the Directors Plan are intended by us not to qualify as incentive stock options under the Internal Revenue Code.

Option grants under the Directors Plan are non-discretionary. Under the Directors Plan, non-employee directors are granted a nonstatutory option to purchase 50,000 shares of common stock on the date on which such person was first elected or appointed a director. These initial option grants under the Directors Plan vest over a two-year period at a rate of 1/24th per month. In addition, on the day after each of our annual meetings of stockholders, each non-employee director automatically receives an option for 25,000 shares if the director has been a non-employee director for at least the prior eighteen months. These options are fully vested upon grant. The exercise price of options under the Directors Plan will be equal to the fair market value of the common stock on the date of grant.

The option term is 10 years, but it terminates three months after the optionholder's service as a director, an employee or a consultant to TiVo or its affiliates terminates. If such termination is due to the optionholder's disability, the exercise period is extended to 12 months. If such termination is due to the optionholder's death or if the optionholder dies within three months after his or her service terminates, the exercise period is extended to 18 months following death. The optionholder may transfer the option by gift to immediate family or for estate-planning purposes. The optionholder also may designate a beneficiary to exercise the option following the optionholder's death. Otherwise, the option exercise rights will pass by the optionholder's will or by the laws of descent and distribution. Transactions not involving receipt of consideration by TiVo, such as a merger, consolidation, reorganization, stock dividend or stock split, may change the class and number of shares subject to the Directors Plan and to outstanding options. In that event, the Board will appropriately adjust the Directors Plan as to the class and the maximum number of shares subject to the Directors Plan and subject to future option grants. It also will adjust outstanding options as to the class, number of shares and price per share subject to such options. Upon a change in control of TiVo, the vesting and exercisability of outstanding options will accelerate, and the options will terminate unless an acquiring corporation assumes or replaces outstanding options.

During fiscal 2006, TiVo granted options to purchase 150,000 shares to six non-employee directors of TiVo, at an exercise prices per share of \$6.02. As of January 31, 2006, options to purchase 560,000 shares of common stock are outstanding, all of which are exercisable under the 1999 Non-Employee Directors Stock Option Plan.

In addition to the option grants mentioned above, directors now receive annual cash compensation for service on the Board as well as committees. Non-employee directors are paid a retainer of \$15,000 per year, committee chairs each receive an additional \$2,000 for each committee meeting attended and committee members each receive an additional \$1,000 for each committee meeting attended.

EMPLOYMENT CONTRACTS , EMPLOYMENT SEVERANCE AND CHANGE OF CONTROL AGREEMENTS

Rogers Employment Agreement. In connection with the hiring of Thomas S. Rogers, the Vice Chairman of the Board of Directors, as the new President and Chief Executive Officer of TiVo, effective July 1, 2005, we entered into an at-will employment agreement with Mr. Rogers for his position as President and Chief Executive Officer. Pursuant to this agreement, Mr. Rogers is required to devote substantially all of his business time, attention and energies to the business of TiVo, and he shall perform his duties at TiVo's offices in Alviso, California and at an office to be maintained by TiVo for Mr. Rogers in New York City. Mr. Rogers will be paid cash compensation of \$750,000 per year and a target annual bonus of \$500,000 per year based on criteria established by the Board's Compensation Committee. As part of his compensation for his service as President and Chief Executive Officer for fiscal 2006, Mr. Rogers was paid a pro-rated portion of his target annual bonus based on the number of days worked during the fiscal year.

As part of his compensation, Mr. Rogers was also granted stock awards, effective July 1, 2005, comprised of options to purchase 1,000,000 shares of TiVo common stock (vesting monthly over four years), 1,000,000 stock appreciation rights (vesting monthly over four years) and 350,000 shares of restricted stock (vesting in four equal annual installments on the first four anniversaries of the effective date of the employment agreement). In the event that, following the second anniversary of Mr. Rogers's date of hire, he elects to have TiVo engage a full-time replacement Chief Executive Officer so that he may be elected Chairman of the Board, the vesting period of his stock awards described above will be extended to twice the length of the remaining vesting period at the time of such role conversion, and the number of stock awards vesting on each date will be proportionately adjusted to reflect the extension.

Pursuant to the employment agreement, so long as Mr. Rogers is serving as our President and Chief Executive Officer, he will be nominated to, and if elected by the stockholders of TiVo, be a member of, our Board of Directors.

Pursuant to the employment agreement, we will provide Mr. Rogers with air travel from New York City to Alviso, California, a furnished apartment within 15 miles of our Alviso, California offices, an automobile for Mr. Rogers's use while working out of our Alviso, California offices and reimbursement for other out-of-pocket expenses defined in the employment agreement appropriate for a chief executive officer of Mr. Rogers's stature.

The employment agreement provides that, in the event Mr. Rogers's employment agreement is terminated as a result of his death or disability, then the greater of (1) 50% of his unvested stock awards or (2) such number of stock awards as would vest if such termination were a result of his termination without cause (as defined in the agreement) or resignation for good reason (as defined in the agreement), will vest on the date of termination.

The employment agreement also provides that, in the event Mr. Rogers's employment is terminated by us other than for cause (as defined in the agreement) or if he resigns for good reason (as defined in the agreement), he will receive eighteen months of salary continuation payments, payable in three equal installments (one-third upon termination, one-third 6 months following termination and one-third 12 months following termination), provided that any amount of salary continuation payments that is unpaid as of the date that is the later of 2.5 months after the end of the calendar year in which Mr. Rogers's date of termination occurs or 2.5 months after the end of our fiscal year in which Mr. Rogers's date of termination occurs shall be paid in cash in a lump sum no later than such date. Mr. Rogers will also receive eighteen months of continued welfare benefits coverage (such coverage will terminate on the date Mr. Rogers obtains substantially similar coverage due to subsequent employment, if applicable). Assuming attainment of applicable performance criteria for the fiscal year in which Mr. Rogers's employment terminates, Mr. Rogers will receive a pro-rated bonus based upon the actual number of days worked during the fiscal year, payable in a lump sum when bonuses for the fiscal year are paid to other executives. Additionally, that portion of Mr. Rogers's stock awards that would have vested if he had remained employed for an additional twelve months will be automatically accelerated on the date of termination (treating Mr. Rogers's restricted stock for this purpose as if it were subject to monthly vesting for the period following the next regularly scheduled vesting date), and each stock award will remain exercisable for the remainder of its original term. Mr. Rogers's receipt of these severance benefits is conditioned upon his execution of a release, in the form attached to his employment agreement.

Ramsay Employment Agreement. On July 29, 2005, we entered into an at-will employment transition agreement with Michael Ramsay, our former Chief Executive Officer and Chairman of the Board, and a then current member of TiVo Inc.'s Board of Directors. Pursuant to this employment transition agreement, as approved by TiVo's Board, Mr. Ramsay will provide services to TiVo that include, among other things, assistance with executive transition matters, service as Chairman of the Technology Advisory Committee of TiVo's Board and TiVo's beta test program, cooperation with existing or future litigation, and the provision of other advice and assistance that falls within Mr. Ramsay's knowledge and expertise. Mr. Ramsay's transition employment agreement may be terminated by either TiVo or Mr. Ramsay at any time. Mr. Ramsay's entry into this transition

employment agreement was conditioned upon his execution of a full and complete general release. The term of Mr. Ramsay's employment agreement consists of a First Transition Period, which runs from the effective date of the agreement through September 9, 2005, a Second Transition Period, which will continue for an additional six (6) months, and is renewable for additional six (6) month Subsequent Transition Periods upon mutual agreement. Mr. Ramsay's transition employment agreement has been renewed for additional six (6) months

During the First Transition Period, Mr. Ramsay remained an employee of TiVo, in addition to his service on TiVo's Board, and received his then current salary and remained eligible to participate in all standard employee benefit plans and programs, including group medical, dental, vision, life and disability insurance. He also received payment of fifty percent (50%) of his target cash bonus for the current fiscal year based on TiVo's achievement of the relevant performance targets through for fiscal year 2006. At the end of the First Transition Period, Mr. Ramsay was paid all accrued, but unpaid vacation earned as of such date.

During the Second and Subsequent Transition Periods, Mr. Ramsay will remain an employee of TiVo, receive a salary of \$100,000 per year, payable monthly, and will continue to remain eligible for all standard employee benefit plans and programs.

Mr. Ramsay will continue to serve as a member of the Board and will only be nominated for future terms on the Board at the mutual agreement of Mr. Ramsay and the Board. After September 9, 2005, Mr. Ramsay is eligible to receive any compensation paid or granted to non-employee members of the Board in the future.

During the term of his employment, TiVo will reimburse Mr. Ramsay for expenses and any time spent in excess of 20 hours per week (including time spent as an employee or providing litigation cooperation) at a rate of \$250 per hour. Following termination of his employment, TiVo will reimburse Mr. Ramsay for expenses and any time spent at a rate of \$250 per hour.

During the term of his employment agreement, and so long as Mr. Ramsay continues to serve as a member of the Board or otherwise as a consultant or employee of TiVo, with the exception of the stock options to purchase 250,000 shares granted on March 11, 2005, all of Mr. Ramsay's unexercised stock awards will continue to vest and be exercisable, pursuant to the terms of TiVo's equity plans and stock award agreements as originally granted. The vesting of the stock options to purchase 250,000 shares granted to Mr. Ramsay on March 11, 2005 will be adjusted to double the length of the remaining vesting period and to proportionately adjust the number of stock awards scheduled to vest on each vesting date during the remaining vesting period so that all of the stock awards will be vested at the end of the revised vesting schedule.

The transition employment agreement provides that, in the event Mr. Ramsay's employment with TiVo is terminated by TiVo other than for cause (as defined in the agreement) or disability (as defined in the agreement) or is terminated by Mr. Ramsay with good reason (as defined in the agreement), he will be entitled to an additional six (6) months of salary from the date of termination and will be eligible for up to an additional six (6) months of benefits.

If, prior to August 1, 2007, Mr. Ramsay's service as a member of TiVo's Board is terminated (1) by TiVo for any reason other than for cause, or (2) if Mr. Ramsay resigns from the Board following his constructive termination as a director (as defined in the agreement) or (3) if he is not renominated for election to the Board at or following expiration of his current term, or if at anytime Mr. Ramsay's employment is terminated due to his death or disability, then a portion of Mr. Ramsay's outstanding, unvested stock awards will automatically accelerate on the date of termination in an amount equal to the lesser of the number of stock awards which would have vested over the twelve (12) months following the date of termination or the number of stock awards which would have vested had his service terminated on July 31, 2007 (except that such amount cannot be less than six (6) months of vesting). If on or after August 1, 2007 (1) Mr. Ramsay's service as a member of TiVo's Board is terminated by TiVo for any reason other than for cause, or (2) if Mr. Ramsay resigns from the Board following his constructive termination as a director or (3) if he is not renominated for election to the Board following expiration of his current term, then a portion of Mr. Ramsay's outstanding, unvested stock awards will automatically accelerate on the date of termination in an amount equal to the number of stock awards which would have vested over the six (6) months following the date of termination. In addition, in the event that Mr. Ramsay's employment is terminated due to his death or disability, or his service to the Board is terminated by TiVo other than for cause, if Mr. Ramsay resigns from the Board following his constructive termination as a director, or if he is not renominated for election to the Board at or following expiration of his current term, Mr. Ramsay's then outstanding stock awards will remain exercisable for up to one (1) year following such termination. Should Mr. Ramsay's

employment with TiVo continue after termination of his Board service, he will continue to vest in his then outstanding stock awards in addition to receiving acceleration of those shares described above (such that the shares that would otherwise vest last shall accelerate). Mr. Ramsay's receipt of severance benefits under the employment transition agreement is conditioned upon his execution of a release.

Additionally, in the event of a change of control (as defined in the agreement), Mr. Ramsay's outstanding, unvested stock awards will automatically accelerate on the date of the change of control as to the lesser of the number of stock awards which would have vested over the twelve (12) months following the date of termination or the number of stock awards which would have otherwise vested through July 31, 2007 (except that such amount cannot be less than nine (9) months of vesting). In addition, in the event of a change of control, Mr. Ramsay's vested stock awards will remain exercisable for up to one (1) year following any termination of his employment or service to TiVo. Should Mr. Ramsay's employment with TiVo and/or his Board service continue after such a change of control, Mr. Ramsay will continue to vest in his then outstanding stock awards in addition to receiving acceleration of those shares described above (such that the shares that would otherwise vest last shall accelerate), except that he will not be entitled to any additional acceleration of his stock awards upon a later termination of his Board service.

The employment transition agreement contains restrictive covenants regarding non-competition, confidentiality, non-solicitation and non-disparagement.

Change of Control Severance Agreements. Each of our executive officers, and substantially all of our vice presidents, have executed a change of control severance agreement with us. Mr. Rogers also entered into a change of control severance agreement with us when he was named President and Chief Executive Officer, effective July 1, 2005. Pursuant to the terms of these agreements, in the event that, within thirteen months following a change of control, as described below, an executive officer or a vice president is terminated other than for cause or due to a disability, each as defined in the agreements, or the executive officer or vice president terminates his or her employment for good reason, as defined in the agreements, the executive officer or vice president will be entitled to a lump sum payment equal to a percentage of his or her annual base salary and targeted annual bonus of which such percentage is 100% for the Chief Executive Officer, 75% for the Executive and Senior Vice Presidents, and 50% for the Vice Presidents. Pursuant to Mr. Rogers' employment agreement, Mr. Rogers will be entitled to receive the better of the benefits due under his employment agreement or his change in control agreement in such an event. In addition, the same percentage (as specified above) of options held by the terminated executive officer or vice president will become vested and any restrictions on that specified percentage of shares granted to the executive officer or vice president will immediately lapse. We have also agreed to provide the following benefits to any terminated executive officer or vice president:

continued directors' and officers' liability insurance for a period of six years not to exceed one hundred fifty percent (150%) of the per annum rate of premium currently paid by us for the insurance; and

medical benefits for a period not to exceed 6 months for Vice Presidents, 9 months for Executive and Senior Vice Presidents, and 18 months for the President and Chief Executive Officer from the date of termination.

These agreements do not obligate our executive officers or vice presidents to mitigate losses by seeking other employment or otherwise, and the benefits under these agreements will not be reduced by compensation earned through employment by another employer. These agreements, have one-year terms that automatically renew each January 1 unless we notify the executive officers or vice presidents by no later than December 15 of the preceding year.

A change of control under these agreements will be deemed to have occurred in the event of:

- (i) a sale, lease or other disposition of all or substantially all of our assets;
- (ii) a sale by the holders of our voting stock to another corporation and/or its subsidiaries that results in the ownership by such corporation and/or its subsidiaries of eighty percent (80%) or more of the combined voting power of all classes of our voting stock entitled to vote; provided, however, that if such corporation and/or its subsidiaries acquires less than eighty percent (80%) of the combined voting power of all classes of our voting stock entitled to vote shall nonetheless constitute a change of control if it results in such corporation having the right to appoint a majority of the members of the Board;

(iii) a merger or consolidation in which we are not the surviving corporation; or

(iv) a reverse merger in which we are the surviving corporation but the shares of our common stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise. Additionally, our Amended & Restated 1997 Equity Incentive Plan and our Amended & Restated 1999 Equity Incentive Plan provide for vesting of options upon a change of control, as defined in the plans, in the event that during the first thirteen months following the change of control, the option holder's employment is terminated by the company other than for cause or the employee terminates his or her employment due to a constructive termination. If the change of control provisions are triggered, all employees would be entitled to acceleration of twenty-five percent (25%) of their unvested options, while vice presidents and higher would be entitled to acceleration of fifty (50%) of their unvested options.

Employment Transition and Separation Agreement between David H. Courtney and TiVo Inc. On September 28, 2005, we entered into an employment transition and separation agreement with David H. Courtney, our Chief Financial Officer and Executive Vice President, Group Executive, Corporate Products & Services Group. Mr. Courtney has resigned from his employment with TiVo and his position as a member of our board of directors, effective as of April 15, 2006.

During the transition period commencing September 28, 2005 and ending on April 15, 2006, Mr. Courtney performed his existing duties, as well as assisted and cooperated with the company in identifying and recruiting internal and external candidates to assume some or all of his duties and responsibilities. During the transition period, Mr. Courtney received his current base salary, and remained eligible to participate in all standard employee benefit plans and programs, including group medical, dental, vision, life, and disability insurance and other programs. Mr. Courtney also received his second half fiscal 2006 executive bonus compensation based on achievement of deliverables under the plan to be paid at the same time as to other executives, and received a grant of fully-vested restricted stock equal to \$70,500, which represents the matching of Mr. Courtney's first half fiscal 2006 executive bonus. Mr. Courtney's unexercised stock awards continued to vest and be exercisable during the transition period, pursuant to the terms of our equity plans and the award agreements applicable to his awards.

Within ten days of his resignation on April 15, 2005, Mr. Courtney received the following lump sum severance payments: \$300,000 representing 12 months of base salary, \$50,000, representing his fiscal 2006 individual bonus target, and \$112,500 representing nine months of fiscal 2007 target bonus compensation. As of the resignation date, Mr. Courtney received 12 months of accelerated vesting on all unvested outstanding stock awards. Mr. Courtney's rights to exercise any outstanding and vested stock awards following his resignation is governed by our equity plans and the award agreements applicable to his awards, except that Mr. Courtney will have through December 31, 2006 to exercise the awards which were accelerated as described above.

Pursuant to the agreement, we will reimburse the cost of Mr. Courtney's continued participation in group medical, dental, vision, life and disability insurance for up to 12 months following his resignation. We have agreed to continue to indemnify Mr. Courtney against all claims related to actions arising prior to his termination and will use our best efforts to continue to include past officers and directors in our Directors and Officers Liability insurance, both for so long as Mr. Courtney is subject to any possible claim. We also agreed to pay Mr. Courtney an aggregate of \$18,750 within ten days of his resignation, and another \$18,750 following April 15, 2006, for execution of the employment transition and separation agreement on September 28, 2005 and satisfaction of certain other conditions, and we reimbursed Mr. Courtney approximately \$8,500 for legal expenses incurred in the negotiation of the agreement. Mr. Courtney's receipt of these severance benefits was conditioned upon his execution of a release.

TiVo Inc. Severance Plan For Full-Time Senior Executives. The TiVo Inc. Severance Plan for Full-Time Senior Executives was established to provide TiVo with continuity, stability, and retention of its senior leadership during its transition between Chief Executive Officers. This Plan shall remain in effect from the date of its approval by the Compensation Committee in March 2005 until twelve (12) months after the date a new Chief Executive Officer is hired by the Company. Only select Company's Executive Vice Presidents and Senior Vice Presidents, including Mr. Barton, and Mr. Roberts, remain eligible to participate. The Plan can only be triggered in the event any of the participants was involuntarily terminated without cause or voluntarily terminated with good reason (defined as a downward change in title, salary, or relocation of more than 50 miles). In the event of a Change of Control, the existing Change of Control agreement for participants will supersede the Plan. If triggered, in exchange for a release of all claims against the Company at the time of termination, a participant

would receive from the date of termination: twelve (12) months of accelerated vesting of any unvested stock grants; medical, dental, vision, and life insurance benefits for twelve (12) months; and guaranteed base salary for six (6) months plus an additional six (6) months of salary in the amount of any difference between the participant's former salary and any new salary the participant may receive from any new employment. The Plan specifically excludes payment of any future executive bonuses.

TiVo Inc. Fiscal Year 2007 Six and Twelve Month Bonus Plans for Executives. The terms of the TiVo Inc. (the Company) Fiscal Year 2007 Bonus Plan for Executives (the Plan) have been established to reward the Company's executives for assisting the Company in achieving its operational goals through exemplary performance. Under the Plan, cash bonuses and restricted stock grants, if any, will be based on the achievement of specified corporate and departmental goals at mid-year and end of fiscal year 2007, as determined by the Compensation Committee of the Board of Directors (the Compensation Committee) and/or the Board of Directors (the Board).

Company executives will be eligible to receive targeted amounts of cash and restricted stock under the Plan. The amount of actual bonuses of cash and/or restricted stock will be based on the achievement of objective Company and departmental performance goals and may be higher or lower than targeted amounts according to a pre-determined formula that will be applied by the Compensation Committee and the Board. Target cash bonuses for executives (excluding the Company's Chief Executive Officer whose target is \$500,000 per his employment agreement) under the Plan for fiscal year 2007 range from 20% to 50% of the recipient's base salary. Executives may also receive a grant of restricted stock under the Plan set at a target of up to a maximum of 50% of options granted to the executive during fiscal year 2007. These restricted stock grants under the Plan will vest 100% after two years from the date of grant. The objective Company performance goals will be based on meeting certain goals with respect to the Company's financial performance, subscription growth, product innovation, achievement of milestone delivery dates, and product deployment and distribution, as well as other Company and departmental performance goals that may be determined by the Compensation Committee and/or the Board. Under the Plan, the Company's executives will be eligible to receive up to twenty percent (20%) of their full fiscal year 2007 targeted cash bonuses at the mid-point of the Company's fiscal year based upon the Compensation Committee's and/or the Board's assessment of the Company's progress towards achievement of pre-determined performance goals for fiscal year 2007. The Board and the Compensation Committee reserve the right to modify these goals, amounts and criteria at any time.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As a matter of policy all transactions between TiVo and any of its officers, directors, or principal stockholders, are approved by the Audit Committee or a majority of the independent and disinterested members of the Board, are on terms no less favorable to TiVo than could be obtained from unaffiliated third parties, and are in connection with bona fide business purposes.

Directors and Executive Officers.

TiVo has entered into indemnity agreements with substantially all of its directors and executive officers that provide, among other things, that TiVo will indemnify these persons, under circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings to which he or she is or may be a party by reason of his or her position as a director, and otherwise to the full extent permitted under Delaware law and TiVo's Amended & Restated Bylaws.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

ON EXECUTIVE COMPENSATION

The information contained in this section shall not be deemed to be soliciting material or filed with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act, except to the extent that we specifically incorporate it by reference into a document under the Securities Act or the Securities Exchange Act.

The Compensation Committee of the Board of Directors is currently composed of Messrs. Uva and Yang, neither of whom are currently officers or employees of TiVo. The Committee is responsible for reviewing and establishing TiVo's compensation programs for its directors and executive officers, and to establish the general compensation policies for TiVo. The Committee is also responsible for administering our stock option incentive plans. For executive officers who are Section 16 officers, the Committee evaluates performance and recommends compensation policies and levels to the full Board of Directors for final determination and approval.

Compensation Philosophy

The goals of the compensation program are to align compensation with achievement of business objectives and performance and to enable TiVo to attract, retain and reward executive officers, management, and other key employees who contribute to the long-term success of TiVo and to motivate them to enhance long-term stockholder value. In all instances, the Committee emphasizes the principle of rewarding performance. Key elements of this philosophy are:

TiVo pays competitively by reviewing executive compensation information derived from a peer group survey of U.S.-based companies whose revenue levels and industry are generally considered to be comparable to TiVo. Although the Committee does not use a specific formula to set pay in relation to this market data, it generally sets executive officer annual base salary and annual incentives at or above the median salaries for comparable jobs in the marketplace.

TiVo maintains annual incentive opportunities in the form of cash and equity incentive compensation sufficient to provide motivation to achieve specific operating goals and to generate rewards that bring total compensation to competitive levels.

TiVo provides significant equity-based incentives for executives, management, and other key employees to ensure that they are motivated over the long term to respond to its business challenges and opportunities as owners and not just as employees thereby aligning their interests with those of the stockholders.

Components of Compensation

The principal factors that were taken into account in establishing each executive's compensation package for fiscal year 2006 are described below. In 2007 and future years, the Committee may in its discretion apply entirely different factors, such as different measures of financial performance, or utilize different compensation components.

Base Salary. When annually reviewing each executive's base salary, the Committee considers individual and corporate performance, levels of responsibility, prior experience, breadth of knowledge and competitive pay practices. Based upon these factors, the peer group data discussed above and the input and recommendation of the Chief Executive Officer, the Committee recommended no base salary increases for executives in March 2005, with one exception who was identified as below market. The base salary increase, or lack of increases, were determined on the basis of each executive's level of responsibility and performance relative to competitive pay practices in TiVo's peer group described above. This increase, or lack of increases, were designed to bring, or keep, the base salaries of the executives close to the median of the estimated base salaries for similar positions at the peer group companies described above. The base salary paid to each of the Named Executive Officers in fiscal year 2006 is set forth in the Summary Compensation Table appearing on page 14 of the proxy statement.

The base salary of the Chief Executive Officer is discussed later in this report.

Annual Incentives. The annual executive bonus plan is based on strategic, operational and functional goals. The actual incentive award earned depends on the extent to which corporate and individual performance objectives are achieved. At the start of each fiscal year, the Committee and the full Board review and approve the annual performance objectives for TiVo and individual executives. For the fiscal year ended January 31, 2006, executives who were Vice Presidents or above were eligible to receive a targeted cash bonus ranging from 30% to 50% of the recipient's

Edgar Filing: TIVO INC - Form DEF 14A

base salary (with the Chief Executive Officer eligible to receive up to 70%). Additionally, only under the annual executive bonus plan for fiscal year 2006, executives who were Vice Presidents or above were also eligible at the mid-point of fiscal year 2006 to receive up to half of their actual annual cash performance bonus based on the Company's progress towards the annual performance objectives established by the Committee at the beginning of the year. Under the annual executive bonus plan, each executive who was a Vice President or above was also eligible to receive a matching restricted stock bonus award whose fair market value on the date of grant would be equal to the executive's full year target cash bonus actually paid. The amount of actual cash and restricted stock award bonuses is based on the achievement of objective Company performance goals and may be higher or lower than targeted amounts according to a pre-determined formula applied by the

Compensation Committee. At the start of the fiscal year, TiVo's objectives consisted of operating, strategic and financial goals at the corporate level that were considered to be critical to its fundamental long-term goal of building stockholder value. At the mid-point of the year, in consultation with the Board and the Company's new Chief Executive Officer, the Committee revised these corporate level objectives and added new divisional level objectives to further encourage individual executives. The Committee also limited the matching restricted stock bonus awards to equal only each eligible executives actual first half cash bonus, and not each executives actual full year cash bonus. For the fiscal year ended January 31, 2006, these corporate and divisional goals included the attainment of net income goals, subscription growth targets, product innovation and distribution initiatives, and employee recruitment and retention goals.

At the mid-point and after the end of the fiscal year, the Committee evaluated the degree to which TiVo had met its established performance goals and evaluated management's performance against these objectives. At the mid-point of fiscal year 2006, executives who were Vice Presidents or above received the first half of their actual annual cash performance bonus based on the Company's progress towards its annual performance objectives established by the Committee at the beginning of the year. After the end of the fiscal year 2006, executives received their second half actual cash bonus awards based on the Company's and each executive's division's progress towards the annual performance objectives as established by the Committee and the Board at the mid-point of the year. In addition, executives who were Vice Presidents or above received restricted stock bonus awards, vesting 100% on the first anniversary of their grant, equal to each executive's actual first half cash performance bonus. Distributions of second half cash bonuses and restricted stock bonus awards were made in March following the performance year. The bonus awards to executives and other eligible members of management were made in the Committee's sole discretion, with full Board approval for Section 16 officers, pursuant to the terms of the executive bonus plan and were based on information provided by management. Bonus awards to executives and other eligible members of management ranged from between 52% to 125% of each executives' pre-determined targeted amount in accordance with the terms of the annual executive bonus plan for fiscal year 2006. Awards for the fiscal year ended January 31, 2007 will be paid in restricted stock with a two year vesting schedule and cash for Vice Presidents or above and in cash only to other eligible members of management, based on the Company's and each division's progress towards the annual performance objectives established by the Committee, with any eligible distributions expected to be made in March following the performance year.

The bonus paid to each of the Named Executive Officers for fiscal year 2006 (including any amounts paid pursuant to the Fiscal Year 2006 Six Month Bonus Plan for Executives) is set forth in the Summary Compensation Table.

Long-Term Incentives. TiVo's long-term incentive program for executives and employees generally consists of awards of stock options and restricted stock bonus awards under the Amended & Restated 1997 and 1999 Equity Incentive Plans. The equity incentive program utilizes vesting periods (generally four years for stock option grants and one to two years for restricted stock bonus awards) to encourage key employees to continue in its employ. Awards of both stock options and restricted stock bonus awards were made to executives and employees during fiscal year 2006. The amount and size of grants is determined based on practices at leading comparable companies in the technology industry and TiVo's philosophy of significantly linking executive compensation with stockholder interests as well as the individual's personal performance in recent periods, and his or her potential for future responsibility and promotion over the term of the grant. The Committee believes this approach creates an appropriate focus on longer-term objectives and promotes executive and employee retention. Through equity grants of stock options, executives and employees receive significant equity incentives to build long-term stockholder value. Grants of stock options are made with per share exercise prices that are not less than 100% of fair market value on the date of grant. Employees receive value from these grants only if the common stock appreciates over the long-term.

TiVo may also issue restricted stock bonus awards to executives and key employees under the Amended & Restated 1999 Equity Incentive Plan. For fiscal year 2006, restricted stock bonus awards were made to executives who were Vice Presidents or above pursuant to the terms of TiVo's annual executive bonus plan described above. These restricted stock bonus awards were issued in March 2006 and will vest 100% on the first anniversary of their grant. Additionally, during fiscal year 2006, TiVo made selected grants of restricted stock bonus awards to key members of TiVo's executive management team to reward performance and encourage future performance. These restricted stock bonus awards also will vest 100% on the first anniversary of their grant.

The equity awards made to each of the Named Executive Officers for fiscal year 2006 is set forth in the Summary Compensation Table.

Other Compensation. TiVo's executive's are also eligible to participate in compensation and benefit programs generally available to other employees, including TiVo's Employee Stock Purchase Plan. In addition, from time to time, executive's have received sign-on bonuses or other bonuses based on extraordinary effort.

Severance Plan For Select Senior Executives. For a limited period of time, the Committee also established a severance plan for the Company's senior leadership to provide continuity, stability, and retention during the Company's transition between Chief Executive Officers. The plan remains in effect only until twelve (12) months after the date Mr. Rogers was hired by the Company as its new Chief Executive Officer. Pursuant to the plan, only the Company's Executive Vice Presidents and Senior Vice Presidents prior to the hiring of Mr. Rogers, which currently only includes Mr. Barton and Mr. Roberts, are eligible to receive certain specified benefits and salary under limited circumstances, such as their involuntarily termination without cause.

Corporate Performance and Chief Executive Officer Compensation

Compensation of Thomas Rogers. Mr. Rogers became President and Chief Executive Officer of TiVo on July 1, 2005 and previously served as TiVo's Vice Chairman of the Board and continues to serve as a member of TiVo's Board of Directors. Mr. Rogers' compensation was set by the terms of his employment agreement with TiVo and are described in the section of the proxy statement entitled "Executive Compensation and Other Information" Employment Contracts, Termination of Employment and Change in Control Arrangements. Mr. Rogers' base salary during fiscal year 2006 as Chief Executive Officer was \$750,000, pursuant to his employment contract and is subject to annual review at the discretion of the Compensation Committee. This amount, in addition to annual incentives consisting of a fiscal 2006 cash bonus of \$294,521 and grants of restricted stock, stock option and stock appreciation rights upon his employment, was estimated by the Committee to provide an annual cash compensation level comparable to the average of the above mentioned selected peer group of companies and appropriately encourage and reward Mr. Rogers' for future performance. In setting this amount, the Committee took into account (i) its belief that Mr. Rogers is a Chief Executive Officer of a leading technology company who has significant and broad-based experience in the television, cable, media and advertising related industries, (ii) the scope of Mr. Rogers' responsibilities, and (iii) his ability to assist with the Company's strategic and operational initiatives.

Compensation of Mike Ramsay. During fiscal year 2006, Mr. Ramsay served as Chairman of the Board, President and Chief Executive Officer of TiVo until his resignation effective July 1, 2005. On July 29, 2005, we entered into an employment transition and separation agreement with Mr. Ramsay more fully described in detail in the section of the proxy statement entitled "Executive Compensation and Other Information" Employment Contracts, Termination of Employment and Change in Control Arrangements. Mr. Ramsay remains a member of TiVo's Board of Directors and currently remains an employee of TiVo. Pursuant to Mr. Ramsay's employment transition and separation agreement, he continued to receive his annual base salary of \$380,000 until September 9, 2005, after which Mr. Ramsay is being compensated at annual salary of \$100,000. Pursuant to Mr. Ramsay's employment agreement, he is also being compensated as a non-employee member of the Board of Directors for his attendance at committee meetings and eligibility for annual retainer fee and stock option grants made to other non-employee members of TiVo's Board of Directors. His current employment agreement is set to expire on August 8, 2006, unless renewed or amended.

Policy on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code limits the tax deductibility by a corporation of compensation in excess of \$1 million paid to its chief executive officer and any other of its four most highly compensated executive officers. However, compensation which qualifies as performance-based is excluded from the \$1 million limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the corporation's stockholders.

While the Committee will consider deductibility under Section 162(m) with respect to future compensation arrangements with executives, deductibility has not been and will not be the sole factor used in ascertaining appropriate levels or modes of compensation. Since corporate objectives may not always be consistent with the requirement for full deductibility, certain compensation paid by TiVo may not be fully deductible under Section 162(m). Stock options, restricted stock bonus awards and cash bonuses granted or paid to executive officers based on the evaluation of performance in fiscal year 2006 will not constitute performance-based compensation under Section 162(m).

Conclusion

Through the plans described above, a significant portion of TiVo's compensation program and Mr. Rogers' compensation are contingent on TiVo's performance, and realization of benefits is closely linked to increases in long-term stockholder value. TiVo remains committed to this philosophy of pay for performance, recognizing that the competitive market for talented executives and the volatility of TiVo's business may result in highly variable compensation for a particular time period.

OTHER INFORMATION**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange requires TiVo's directors and executive officers and persons who own more than ten percent of a registered class of TiVo's equity securities (collectively, Reporting Persons) to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of TiVo. Reporting Persons are required by SEC regulation to furnish TiVo with copies of all Section 16(a) forms they file.

To TiVo's knowledge, based solely on a review of the copies of such reports furnished to TiVo and written representations from certain Reporting Persons that no other reports were required, TiVo believes that during fiscal 2006 all Reporting Persons complied with all applicable filing requirements.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The firm of independent public accountants appointed by the the Audit Committee for the fiscal year ending January 31, 2007 is KPMG LLP. The Audit Committee reviews and pre-approves audit and permissible non-audit services performed by KPMG LLP, as well as the fees paid to KPMG LLP for such services. Before recommending KPMG LLP as our independent auditors for fiscal 2007, the Audit Committee carefully considered the firm's qualifications as independent auditors for TiVo.

The Board expects that the representatives of KPMG LLP will be present at the meeting, will be given an opportunity to make a statement at such meeting if they desire to do so, and will be available to respond to appropriate questions.

The deadline for submitting a stockholder proposal for inclusion in our proxy statement and form of proxy for TiVo's 2007 Annual Meeting of Stockholders pursuant to Rule 14a-8 under the Exchange Act is February 24, 2007. Stockholders wishing to submit proposals or director nominations that are not to be included in such proxy statement and proxy must give timely notice thereof in writing to our Corporate Secretary. To be timely, a stockholder's proposal or nomination must be delivered to or mailed and received at the principal executive offices of the Company no later than the close of business on May 3, 2007 nor earlier than the close of business on April 3, 2007, and must otherwise satisfy the requirements of TiVo's Amended & Restated Bylaws. If the date of the 2007 Annual Meeting changes by more than thirty (30) days from the date of the 2006 Annual Meeting, a stockholder's proposal or nomination must be delivered to or mailed and received at our principal executive offices no later than ten (10) calendar days following the first public announcement of the revised date of the 2007 Annual Meeting. Notwithstanding anything in TiVo's Amended & Restated Bylaws to the contrary, no business shall be conducted at any annual meeting except in accordance with the procedures set forth in TiVo's Amended & Restated Bylaws.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Investor Relations, TiVo Inc., 2160 Gold Street, P.O. Box 2160, Alviso, CA 95002, or contact Investor Relations by telephone at (408) 519-9345. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

The Board of Directors knows of no other matters that will be presented for consideration at the 2006 Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote on such matters in accordance with the recommendation of the Board, if no recommendation is given, in their own discretion.
