**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On June 1, 2006, certain subsidiaries ( Borrowers ) of Crown Castle International Corp. ( Company ), including Crown Castle Operating Company ( CCOC ), entered into a credit agreement with a syndicate of lenders ( Credit Facility ), pursuant to which such lenders agreed to provide the Borrowers with a \$1.25 billion credit facility, consisting of a \$1.0 billion senior secured term loan maturing on June 1, 2014 ( Term Loan ) and a \$250 million senior secured revolving credit facility maturing May 31, 2007 ( Revolver ).

The Credit Facility is secured by a pledge of certain equity interests of certain subsidiaries of the Company, as well as a security interest in CCOC s deposit accounts and securities accounts. The Credit Facility is guaranteed by the Company and certain of its existing and future subsidiaries.

A portion of the proceeds of the Term Loan were used to repay CCOC s previously existing revolving credit facility, under which \$295 million was outstanding at the time of repayment. The remaining proceeds of the Credit Facility are expected to be used to fund the previously announced planned acquisition of Mountain Union Telecom for approximately \$309 million and for general corporate purposes, which may include the financing of capital expenditures, acquisitions and purchases of the Company s securities. Availability under the Revolver at any time will be determined by certain financial ratios.

Borrowings under the Term Loan bear interest at a rate per annum, at the Borrowers election, equal to the prime rate of The Royal Bank of Scotland plc plus 1.25% or LIBOR plus 2.25%. Borrowings under the Revolver bear interest at a rate per annum, at the Borrowers election, equal to the prime rate of The Royal Bank of Scotland plc plus 1.00% or LIBOR plus 2.0%. For both the Revolver and the Term Loan, interest on prime rate loans is due monthly, while interest on LIBOR loans is due at the end of the interest period (one, two, three or six months) for which such LIBOR rate is in effect.

The Credit Facility requires the Company and the Borrowers to maintain compliance with certain financial covenants and places certain restrictions on the ability of the Company and/or certain of its subsidiaries to, among other things, incur debt and liens, purchase Company securities, make capital expenditures, dispose of assets, undertake transactions with affiliates, make other investments and pay dividends.

The Credit Facility contains customary events of default, including payment defaults, breaches of representations and warranties, covenant defaults, cross-defaults to other indebtedness (including defaults under the Indenture between Crown Castle Towers LLC, Crown Castle South LLC, Crown Communication Inc., Crown Castle PT Inc., Crown Communication New York, Inc. and Crown Castle International Corp. de Puerto Rico, as Issuers, and JPMorgan Chase Bank, N.A., as Indenture Trustee, dated as of June 1, 2005), and certain events of bankruptcy and insolvency.

The above summary of the Credit Facility is qualified in its entirety by reference to the complete terms and provisions of the Credit Facility filed herewith as Exhibit 10.1.
