A MERGER PROPOSAL YOUR VOTE IS IMPORTANT

Viisage Technology, Inc. and Identix Incorporated have agreed to a merger whereby Identix will merge with a subsidiary of Viisage, and Identix will become a wholly owned subsidiary of Viisage. At the closing of the merger, Viisage will change its name to L-1 Identity Solutions, Inc. We are proposing this merger to our respective stockholders because we believe the combined strengths of our two companies will enable us to create a global leader in the identity and security industry.

When the merger is completed, stockholders of Identix will be entitled to receive for each share of Identix common stock 0.473 of a share of Viisage common stock. Approximately 42.5 million shares of Viisage common stock will be issued in connection with the merger. In addition, approximately 3.1 million shares will be issuable on exercise of Identix options and approximately 418,000 shares issuable on exercise of Identix warrants to be assumed by Viisage. Viisage's common stock is listed on the Nasdaq National Market under the trading symbol **VIISG** and Identix's common stock is listed on the Nasdaq National Market under the trading symbol **IDNX**. On July 24, 2006, the closing price of Viisage common stock was \$16.43 and the closing price of Identix common stock was \$7.51 per share, each as reported on the Nasdaq National Market.

After careful consideration, the Viisage board of directors recommends that Viisage stockholders vote FOR the proposal to approve the issuance of shares of Viisage common stock in connection with the merger, FOR the proposals to amend Viisage's certificate of incorporation as described in this joint proxy statement/prospectus, FOR the proposal to elect four Class I directors for three year terms, FOR the adoption of Viisage's 2006 Employee Stock Purchase Plan and FOR the ratification of Deloitte & Touche as Viisage's independent registered public accounting firm.

After careful consideration, the Identix board of directors recommends that Identix stockholders vote FOR the proposal to adopt the merger agreement that has been entered into between the parties.

This joint proxy statement/prospectus provides detailed information concerning Viisage, Identix, the merger and proposals related to the merger, the election of four Class I directors to the Viisage board of directors to serve until the annual meeting of stockholders in 2009, the adoption of Viisage's 2006 Employee Stock Purchase Plan and the ratification of Deloitte & Touche as Viisage's independent registered public accounting firm. **We encourage you to read this joint proxy/prospectus, including the section entitled Risk Factors that begins on page 11.**

Your vote is very important, regardless of the number of shares you own. Whether or not you plan to attend the special meeting of stockholders of your company, please submit a proxy as soon as possible to make sure your shares are represented at your company's special meeting. Please take the time to submit your proxy by following the instructions presented by your company in this joint proxy/prospectus.

**QUESTIONS AND ANSWERS ABOUT THE MERGER
AND SPECIAL MEETINGS OF STOCKHOLDERS**

The following questions and answers are intended to address briefly some commonly asked questions regarding the Viisage and Identix special meetings and the merger. These questions and answers may not address all of the information that may be important to you. Please refer to the more detailed information contained elsewhere in this joint proxy statement/prospectus, the annexes to this joint proxy statement/prospectus and in the documents referred to or incorporated by reference in this joint proxy statement/prospectus.

Q: What is the merger?

A: Viisage and Identix have entered into an Agreement and Plan of Reorganization, dated as of January 11, 2006, as amended on July 7, 2006, (referred to in this joint proxy statement/prospectus as the merger agreement and the amendment is referred to as the merger agreement amendment), that contains the terms and conditions of the proposed business combination of Viisage and Identix. Under the merger agreement, Identix and VIDS Acquisition Corp., a wholly owned subsidiary of Viisage, will merge, with Identix surviving as a wholly owned subsidiary of Viisage (referred to as the merger). The shares of Viisage common stock issued to Identix stockholders in connection with the merger are expected to represent approximately 59% of the outstanding shares of Viisage common stock immediately following the closing of the merger, based on the number of shares of Viisage and Identix common stock outstanding on the Identix record date. Although Viisage will change its name to L-1 Identity Solutions, Inc. at the closing of the merger, L-1 Identity Solutions, Inc. is referred to as Viisage or the combined company in this joint proxy statement/prospectus.

For a more complete description of the merger, see the section entitled The Merger on page 58.

Q: Why are Viisage and Identix merging?

A: Both Viisage and Identix believe that combining the two companies will expand and better serve the addressable market and result in greater long-term growth opportunities than either company has operating alone. The combined company will be able to address its customers' needs for end-to-end identity protection solutions and unlock the potential of both organizations' strengths in biometrics, credentialing and imaging solutions. Viisage and Identix expect completion of the merger will enable the combined company to:

blend complementary assets, skills and strengths that will result in a balanced end-to-end product, services and integration provider;

support the growing market for multiple identity programs and meet rigorous government mandates;

better serve the needs of customers by providing a comprehensive portfolio of product and service offerings;

utilize an extensive network and product suite and continue development and deployment of new and improved technologies and equipment;

take advantage of financial synergies;

Edgar Filing: VIISAGE TECHNOLOGY INC - Form 424B4

have the scale, size and flexibility to better compete in the marketplace; and

be led by an experienced management team.

With its broader product offering and increased scale, the combined company will be strongly positioned to deliver comprehensive solutions for protecting and securing personal identities on a global scale.

Q: Why am I receiving this joint proxy statement/prospectus?

- A. You are receiving this joint proxy statement/prospectus because you have been identified as a stockholder of either Viisage or Identix, and thus you may be entitled to vote at such company's special meeting. This document serves as both a joint proxy statement of Viisage and Identix, used to solicit proxies for the special meetings, and as a prospectus of Viisage, used to offer shares of Viisage common stock in exchange for shares of Identix common stock pursuant to the terms of the merger agreement. This document contains important information about the merger and the special meetings of Viisage and Identix, and you should read it carefully.

Q: What is required to complete the merger?

- A. To complete the merger, Viisage stockholders must approve the issuance and reservation for issuance of shares of Viisage common stock in connection with the merger and approve amendments to Viisage's certificate of incorporation to increase the authorized number of shares of common stock; change Viisage's name; grant the full and exclusive power and authority otherwise conferred to the board of directors to the nominating and governance committee to evaluate and nominate candidates for the board, or to fill vacancies on the board or newly created directorships, subject to the right of certain directors to appoint one additional director as set forth in the merger agreement amendment; require approval of two-thirds of the entire board of directors and independent directors to change the size of the board of directors, subject to the right of certain directors to appoint one additional director as set forth in the merger agreement amendment; provide for the approval of two-thirds of the entire board of directors and independent directors to further amend the sections of Viisage's certificate of incorporation relating to the preceding two proposals. The merger agreement provides that the merger (Proposal 1), as well as all of the amendments to Viisage's certificate of incorporation (Proposals 2B through 2E), must be approved as a condition to the merger. Although Viisage and Identix can waive this condition in the event any of Proposals 2B-2E are not approved, Proposals 1 and 2A must be approved in order for the merger to be consummated. Proposals 2B-2E are conditions to the merger because they are designed to reflect board representation between the two companies, subject to the right of stockholders to nominate, elect and remove directors. In addition, Identix stockholders must adopt the merger agreement. In addition to obtaining stockholder approval, Viisage and Identix must satisfy or waive all other closing conditions set forth in the merger agreement. Those conditions include, for example, that Viisage and L-1 Investment Partners, LLC (referred to as L-1) shall have entered into a termination and noncompete agreement in a form satisfactory to Identix. For a more complete discussion of the conditions to the closing, see the section entitled "The Merger Agreement Conditions to Completion of the Merger" on page 110, and for more information relating to the termination and noncompete agreement, see "Certain Relationships and Related Transactions Relationship with L-1 Investment Partners, LLC" on page 217.

Q: What will Identix stockholders be entitled to receive pursuant to the merger?

- A. If the merger is completed, Identix common stockholders will be entitled to receive 0.473 shares of Viisage common stock for each outstanding share of Identix common stock they hold at the time of the closing of the merger and cash in lieu of any fractional shares of Viisage common stock otherwise issuable in connection with such conversion.

Based on the exchange ratio and the number of shares of Identix common stock outstanding as of the Identix record date, a total of approximately 42.5 million shares of Viisage common stock will be issued in connection with the merger to holders of Identix common stock.

For a more complete description of what Identix stockholders will receive in the merger, see the section entitled "The Merger Agreement Consideration to be Received in Connection with the Merger; Treatment of Stock Options" on page 101.

Q: Why does Viisage need to amend its certificate of incorporation?

- A.

Edgar Filing: VIISAGE TECHNOLOGY INC - Form 424B4

The amendment to Viisage's certificate of incorporation authorizing additional shares of common stock is required by the merger agreement and is necessary for Viisage to have enough authorized common stock to

close the merger and have the flexibility to meet business needs and take advantage of opportunities as they arise. The additional shares would also be available for other corporate purposes, such as acquisitions of businesses and for Viisage's employee benefit plans. In addition, as required by the merger agreement, Viisage is also proposing to amend its certificate of incorporation to change Viisage's name; to grant the full and exclusive power and authority otherwise conferred to the board of directors to the nominating and governance committee to evaluate and nominate candidates for the board, or to fill vacancies on the board or newly created directorships, subject to the right of certain directors to appoint one additional director as set forth in the merger agreement amendment; require approval of two thirds of the entire board of directors and independent directors to change the size of the board of directors, subject to the right of certain directors to appoint one additional director as set forth in the merger agreement amendment; and provide for the approval of two thirds of the entire board of directors and independent directors to further amend the sections of Viisage's certificate of incorporation relating to the preceding two proposals.

Q: How does Viisage's board of directors recommend that I vote?

- A. After careful consideration, Viisage's board of directors recommends that Viisage stockholders vote FOR Proposal No. 1 to approve the issuance and reservation for issuance of shares of Viisage common stock in connection with the merger, FOR Proposals No. 2A-2E to approve amendments to Viisage's certificate of incorporation to increase the authorized number of shares of common stock of Viisage from 75,000,000 shares to 125,000,000 shares, and correspondingly change Viisage's total number of authorized shares of capital stock from 77,000,000 shares to 127,000,000 shares; change Viisage's name; to grant the full and exclusive power and authority otherwise conferred to the board of directors to the nominating and governance committee to evaluate and nominate candidates for the board (including potential candidates proposed by the chairman, other members of the board and stockholders for evaluation and potential nomination by the nominating and governance committee), or to fill vacancies on the board or newly created directorships, subject to the right of certain directors to appoint one additional director as set forth in the merger agreement amendment; require approval of two thirds of the entire board of directors and independent directors to change the size of the board of directors, subject to the right of certain directors to appoint one additional director as set forth in the merger agreement amendment; and provide for the approval of two thirds of the entire board of directors and independent directors to further amend the sections of Viisage's certificate of incorporation relating to the preceding two proposals; FOR Proposal No. 3 to adjourn the special meeting, if necessary, to solicit additional proxies if there are not sufficient votes in favor of the foregoing proposals; FOR Denis K. Berube, B.G. Beck, Charles E. Levine and George J. Tenet, the proposed nominees for election to Class I of the Viisage board of directors; FOR Proposal No. 5 to approve the adoption of Viisage's 2006 Employee Stock Purchase Plan; and FOR Proposal No. 6 to ratify the selection of Deloitte & Touche LLP as Viisage's independent registered public accounting firm for the year ending December 31, 2006. While Proposal No. 1 and Proposals No. 2A-2E are being voted upon separately, each of these six proposals relates to the merger and must be approved in order for any of them to be implemented.

Q: Do the directors, executive officers, principal stockholders and affiliates of Viisage have interests in the merger that are different from mine?

In considering the Viisage board of directors' recommendation that you vote to approve Proposals 1, 2A-2E and 3, you should be aware that some Viisage officers, directors, principal stockholders and affiliates may have interests in the merger that are different from, or in addition to, your interests. Among other things, these interests include:

the vesting of options and restricted shares held by directors and officers of Viisage that will be accelerated upon completion of the merger in accordance with the terms of the option agreements, restricted stock agreements and the applicable stock based compensation plan;

Viisage will continue certain indemnification arrangements for persons serving as directors and officers prior to the time of the merger;

each current independent Viisage board member will receive ordinary course 2006 compensation for board service, which has been prorated for the period beginning January 1, 2006 through the anticipated effective date of the merger, as follows: \$37,500 for board service (plus \$3,125 for the audit committee chair and \$2,187.50 for the other two committee chairs), of which up to 50% may be paid in cash and the balance paid in Viisage common stock; and options to purchase 2,500 shares of Viisage common stock;

Reilly, Levine and Gelbard and Ms. Mouchly-Weiss will each receive 12,500 options; and Messrs. Berube, Beck, Principato and Tenet will each receive 2,500 options;

Viisage board members who do not continue as directors of Viisage will retire from the Viisage board at the closing of the merger and will (i) be given two years to exercise vested options and (ii) receive a one-time cash payment of \$100,000 at the closing of the merger;

the combined company's board of directors will initially consist of thirteen directors, nine of whom will be designated by Viisage, which will include Messrs. LaPenta, Nessen, Gelbard, Berube, Beck, Loy, Freeh and Tenet and Ms. Mouchly-Weiss, current Viisage directors;

each member of the Viisage board of directors, each of the executive officers and certain principal stockholders (Lau, Aston and L-1, which are affiliates of certain board members) of Viisage, who together beneficially hold approximately 45.8% of the Viisage common stock outstanding, have entered into voting agreements with Identix, in which they have agreed, in their capacities as stockholders of

Viisage, to vote in favor of Proposals 1 and 2A-2E described in this joint proxy statement/prospectus and have granted Identix an irrevocable proxy with respect to such matters. However, in the event the Viisage board of directors changes its recommendation to the stockholders to approve the issuance of Viisage common stock pursuant to the merger and the charter amendments, such obligation to vote shall relate to 50% of the shares subject to the Viisage voting agreements.

In addition, Aston, which beneficially owns approximately 28.5% of our common stock as of June 30, 2006 (or 29.1% when considered with its affiliate, L-1), and certain affiliates of L-1 and Aston, may have interests in the merger that are different from, or in addition to, your interests. These potential conflicts of interest include:

Robert V. LaPenta, current Chairman of Viisage and an affiliate of L-1 and Aston Capital Partners, L.P., which together beneficially hold as of June 30, 2006 approximately 29.3% of Viisage's outstanding capital stock, will serve as the Chairman of the Board and President and Chief Executive Officer;

James DePalma, Joseph Paresi and Doni Fordyce, who are affiliates of L-1 and Aston Capital Partners, L.P., will serve as the Chief Financial Officer and Treasurer, Chief Sales and Marketing Officer and Executive Vice President, respectively, of the combined company. Subject to the consummation of the merger, Messrs. LaPenta, DePalma and Paresi and Ms. Fordyce will receive initial annual base salaries of \$550,000, \$325,000, \$225,000 and \$200,000, respectively, plus certain bonuses, options to purchase an aggregate 720,000 shares of Viisage common stock and other benefits, pursuant to employment agreements to be entered into with Viisage, each commencing at the effective time of the merger and continuing for three years;

in accordance with the terms of an investment agreement between Viisage and Aston, Viisage issued warrants to Aston to purchase an aggregate of 1,600,000 shares of Viisage common stock at an exercise price of \$13.75 per share of which 1,280,000 vest on a pro rata basis when and if acquisitions involving the payment of an aggregate consideration of \$125 million are consummated by Viisage or upon a change of control of Viisage. Upon closing of the merger, 358,400 previously unvested acquisition-related warrants will vest;

pursuant to a consulting agreement to be entered into between L-1 and Viisage, L-1 will receive a one-time fee of \$2.5 million simultaneously with the closing of the merger as consideration for professional services provided by L-1 in connection with the acquisition of SecuriMetrics and in connection with the merger, of which \$2.0 million will be allocated to the merger and \$0.5 million will be allocated to the acquisition of SecuriMetrics. This one-time fee compensates L-1 for services provided by L-1, including, assisting Viisage in (1) analyzing the operations and historical performance of target companies (which include SecuriMetrics, Identix and other potential transactions that have not been consummated); (2) analyzing and evaluating the transactions with such target companies; (3) financial, business and operational due diligence; and (4) evaluating related structuring and other acquisition-related matters. L-1 is not entitled to any other fees;

Aston and Viisage have reached an agreement in principle whereby Aston has agreed to sell AFIX Technologies, Inc., a portfolio company of Aston which provides fingerprint and palmprint identification software to local law enforcement agencies, to the combined entity at fair market value, which will be determined by an independent appraiser. At the time of this joint proxy statement/prospectus, no other terms of this potential sale have been agreed to and it is subject to the negotiation, execution and delivery of a definitive acquisition agreement mutually acceptable to the parties;

in connection with the relocation of the corporate headquarters of Viisage to the present offices of L-1 in Stamford, Connecticut, Viisage will enter into a sublease with L-1, pursuant to which the combined company will pay the rent and other costs payable by L-1 from the effective time of the merger until the earlier of (i) the expiration or termination of the lease or (ii) unless otherwise mutually agreed to by Viisage and L-1, as promptly as practicable but in no event later than 60 days following the date upon which Mr. LaPenta ceases to be Chief Executive Officer of the combined company for any reason. Although the respective parties have agreed on the material terms of the employment agreements for Messrs. LaPenta, DePalma, Paresi and Lazzouni and Ms. Fordyce and the separation agreements for Messrs. Bailey and Miller, each as discussed above, these agreements have not been finalized as of the date of this joint proxy statement/prospectus. Viisage expects to finalize these agreements, as well as the consulting agreement and sublease with L-1, prior to the closing of the merger. Q: What is the interrelationship among Robert LaPenta, James DePalma, Joseph Paresi, Doni Fordyce, L-1 Investment Partners LLC (L-1), Aston Capital Partners L.P. (Aston), the Integrated Biometric Technology, Inc. (IBT) acquisition and the merger?

A: L-1 is an entity formed on March 31, 2005 by Robert V. LaPenta, James DePalma, Joseph Paresi and Doni Fordyce for the purpose of evaluating investments in the biometrics and identity solutions sector and to act as investment manager for Aston. Aston is a private investment partnership that was formed on October 12, 2005 and its purpose is to make investments primarily in companies that focus on utilizing biometric enabling technologies to provide identification/authentication security solutions as well as related law enforcement security technologies and related industries. Pursuant to the terms of an investment advisory agreement between Aston and L-1, Aston's investments are managed by L-1. In anticipation of the formation of Aston, L-1 entered into an investment agreement with Viisage on October 5, 2005 which was assigned to Aston following its formation on October 12, 2005. Aston consummated its investment in Viisage in December 2005, and as a result, Aston beneficially owns approximately 28.5% of Viisage's outstanding capital stock (or 29.1% when considered with its affiliate, L-1). See the section entitled *Recent Developments Aston Investment and IBT Acquisition; Reverse Stock Split* on page 8 for more information relating to the investment transaction.

Aston acquired its interest in Viisage to build it into an industry leader through collaborative development and execution of growth strategies through acquisitions. As part of its investment in Viisage, Aston was granted warrants to purchase up to 1,280,000 shares of Viisage common stock which would vest on a pro rata basis when and if acquisitions involving payment of an aggregate consideration of \$125 million were consummated by Viisage or upon a change in control of Viisage.

In anticipation of his role as Chairman of Viisage and in order to maximize the value of Aston's investment in Viisage, Robert V. LaPenta and the other principals of L-1 began to actively seek strategic investments for Viisage immediately upon signing the investment agreement in October 2005, subject to review by and the approval of the Viisage Board of Directors. For example, during the pendency of Aston's investment in Viisage, on November 4, 2005, L-1, in its capacity as investment manager to Aston, entered into an agreement with IBT pursuant to which Aston purchased 60% of the outstanding capital stock of IBT, with the right to acquire the remaining 40%. At the time Aston's investment in Viisage was consummated, Aston transferred all of its IBT shares and rights to acquire IBT to Viisage. See the section entitled *Recent Developments Aston Investment and IBT Acquisition; Reverse Stock Split* for more details relating to the IBT transactions. In addition, on November 9, 2005, Mr. LaPenta had preliminary discussions with a representative of Identix to explore the possibility of a strategic relationship between Viisage and Identix. See the section entitled *Viisage Proposal No. 1 and Identix Proposal No. 1 The Merger Background of the Merger* on page 58.

Q: How will the merger benefit Robert LaPenta, James DePalma, Joseph Paresi and Doni Fordyce, all of whom are affiliates of L-1 and Aston?

A: Robert LaPenta, current Chairman of Viisage, will serve as the Chairman of the Board and President and Chief Executive Officer of the combined company. James DePalma, Joseph Paresi and Doni Fordyce, who are affiliates of L-1 and Aston Capital Partners, L.P., will serve as the Chief Financial Officer and Treasurer, Chief Sales and Marketing Officer and Executive Vice President, respectively, of the combined company. Subject to the consummation of the merger, Messrs. LaPenta, DePalma and Paresi and Ms. Fordyce will receive initial annual base salaries of \$550,000, \$325,000, \$225,000, and \$200,000, respectively, plus certain bonuses, options to purchase an aggregate 720,000 shares of common stock of Viisage and other benefits, pursuant to employment agreements to be entered into with Viisage, each commencing at the effective time of the merger and continuing for three years.

Messrs. LaPenta, DePalma and Paresi and Ms. Fordyce directly and indirectly hold all of the beneficial ownership in Aston's general partner and L-1. Accordingly, any benefits to Aston and L-1 will correspondingly benefit Messrs. LaPenta, DePalma and Paresi and Ms. Fordyce. In accordance with the terms of an investment agreement between Viisage and Aston, Viisage issued warrants to Aston to purchase an aggregate of 1,600,000 shares of Viisage common stock at an exercise price of \$13.75 per share of which 1,280,000 vest on a pro rata basis when and if acquisitions involving the payment of an aggregate of \$125 million are consummated by Viisage or upon a change of control of Viisage. As of the date hereof, 921,600 of the acquisition-related warrants are vested. The remaining 358,400 of the 1,280,000 acquisition-related warrants that have not yet vested will vest at the close of the merger.

Pursuant to a consulting agreement to be entered into between L-1 and Viisage, L-1 will receive a one-time fee of \$2.5 million simultaneously with the closing of the merger as consideration for professional services provided by L-1 in connection with the acquisition of SecuriMetrics and in connection with the merger, of which \$2.0 million will be allocated to the merger and \$0.5 million will be allocated to the acquisition of SecuriMetrics. This one-time fee compensates L-1 for services provided by L-1, including assisting Viisage in (1) analyzing the operations and historical performance of target companies (which include SecuriMetrics, Identix and other potential transactions that have not been consummated); (2) analyzing and evaluating the transactions with such target companies; (3) financial, business and operational due diligence; and (4) evaluating related structuring and other acquisition-related matters. L-1 is not entitled to any other fees.

Aston and Viisage have reached an agreement in principle whereby Aston has agreed to sell AFIX Technologies, Inc., a portfolio company of Aston which provides fingerprint and palmprint identification software to local law enforcement agencies, to the combined entity at fair market value, which will be determined by an independent appraiser. At the time of this joint proxy statement/prospectus, no other terms of this potential sale have been agreed to and it is subject to the negotiation, execution and delivery of a definitive acquisition agreement mutually acceptable to the parties.

In connection with the relocation of the corporate headquarters of Viisage to the present offices of L-1 in Stamford, Connecticut, Viisage will enter into a sublease with L-1, pursuant to which the combined company will pay the rent and other costs payable by L-1 from the effective time of the merger until the earlier of (i) the expiration or termination of the lease or (ii) unless otherwise mutually agreed to by Viisage and L-1, as promptly as practicable but in no event later than 60 days following the date upon which Mr. LaPenta ceases to be Chief Executive Officer of the combined company for any reason. Viisage estimates the costs related to the sublease to be approximately \$720,000 per year.

In connection with the merger, Viisage entered into an arms-length agreement with Bear Stearns pursuant to which Bear Stearns provided financial advisory services related to the merger. The spouse of Ms. Fordyce is a partner and senior investment banker at Bear Stearns involved with the Viisage engagement and certain employees of Bear Stearns have substantial personal investments in L-1. Pursuant to the letter agreement, Bear Stearns is entitled to a fee of \$2.5 million upon the closing of the merger, plus expense reimbursement, as well as exclusive rights to act as underwriter, placement agent and/or financial advisor to Viisage with respect to certain financings and other corporate transactions in the future. Viisage waived any claims it may

have against Bear Stearns with respect to any actual or potential conflicts of interest that may arise with respect to these relationships in the context of the Bear Stearns engagement.

Although the respective parties have agreed on the material terms of the employment agreements for Messrs. LaPenta, DePalma and Paresi and Ms. Fordyce, these agreements have not been finalized as of the date of this joint proxy statement/prospectus. Viisage expects to finalize these agreements, as well as the consulting agreement and sublease with L-1, prior to the closing of the merger. For information about the material terms of the compensation arrangements and severance payments, see **Employment and Change in Control Arrangements** on page 88 of this joint proxy statement/prospectus. For more information about the consulting agreement and sublease to be entered into with L-1, see **Certain Relationships and Related Transactions** beginning on page 217 of this joint proxy statement/prospectus.
