FORWARD-LOOKING STATEMENTS

All statements in this Current Report on Form 8-K other than statements of historical fact are forward-looking statements that are subject to risks and uncertainties that could cause such statements to differ materially from actual future events or results. Such forward-looking statements are generally, but not necessarily, accompanied by words such as plan, if, estimate, expect, believe, could, would, anticipate, may, or that convey uncertainty of future events or outcomes. These forward-looking statements and other statements made elsewhere in this release are made in reliance, in part, on the Private Securities Litigation Reform Act of 1995. Factors which could cause actual results to differ from anticipated results include results or events occurring as a result of additional actions and findings resulting from the continuing internal investigation by the Audit Committee of the Company s Board of Directors into the Company s stock option grant practices, the Company s ability to introduce new products, achieve design wins, maintain customer and strategic partner relationships, forecast customer demand and manage inventory levels, control and budget expenses, protect proprietary technology and intellectual property, and successfully prosecute and defend any future litigation. Any one of these factors may cause the Company s actual financial results to differ materially from its projected results. The forward-looking statements in this Current Report on Form 8-K speak only as of the date they are made. We undertake no obligation to revise or update publicly any forward-looking statement for any reason, including forward-looking statements made herein relating to the nature and scope of the Audit Committee s pending internal investigation, expectations as to the completion of the investigation and timing of the filing of the Company s Quarterly Report on Form 10-Q for the period ended June 30, 2006. Readers are referred to our Annual Report on Form 10-K, subsequent Quarterly Reports on Form 10-Q, recent Current Reports on Form 8-K, and other Securities and Exchange Commission filings which discuss the foregoing factors as well as other important risk factors that could affect our business, results of operations and financial condition.
