**ITEM 8.01. Other Events**

In our Form 10-K for the fiscal year ended April 30, 2006, filed on July 25, 2006, we disclosed that the purchaser of the Avure Business, Gores Technology Group, LLC (Purchaser), claimed that it was entitled to a working capital adjustment of \$1.4 million, which we disputed, and that we had agreed to resolve the claim in accordance with the procedure agreed on at the time of sale.

On August 16, 2006, we received notice from the arbitrator to whom the dispute had been referred regarding the resolution of our outstanding dispute with the Purchaser. Although we do not agree with all the findings of the arbitrator, the decision by the arbitrator constitutes a final resolution of all disputes between the Purchaser and us regarding the calculation of net working capital. The adjustment amounts to \$1,025,701 (including interest and arbitration fees), of which \$300,000 was previously accrued for as a liability. The net amount of \$725,701 will be recorded as a loss on sale from discontinued operations in the quarter ended July 31, 2006. We delivered payment to Purchaser on August 21, 2006.

We disclosed a summary of the material terms of the sale on Form 8-K filed November 4, 2005.
