**Item 1.01 Entry into a Material Definitive Agreement**

On August 29, 2006, the Compensation and Corporate Governance Committee of the Board of Directors of STERIS Corporation (the Company) approved the STERIS Corporation Deferred Compensation Plan (the Plan). The Plan is effective September 1, 2006. Pursuant to the Plan, the Company will provide eligible employees (collectively, the Participants), including the Company's executive officers, the opportunity to defer a specified percentage of their cash compensation. The obligations of the Company under the Plan to pay the deferred compensation in the future in accordance with the terms of the Plan will be unsecured general obligations of the Company and will rank *pari passu* with other unsecured and unsubordinated indebtedness of the Company from time to time outstanding.

The Company reserves the right to amend or terminate the Plan at any time, except that no such amendment or termination shall adversely affect the right of the Participant to the balance of his or her deferred account as of the date of such amendment or termination. The Company will establish a trust to hold all income, contributions and moneys of any kind at any time received by the trustee in respect of the Plan and such amounts will be held for investment purposes as a commingled trust fund pursuant to the terms of the trust agreement governing the trust. Participants in the Plan have no rights to any assets held in the trust except as general creditors of the Company. Assets in any trust or fund will at all times be subject to the claims of the Company's general creditors.

The foregoing description of the Plan is qualified in its entirety by reference to the full text of the Plan document and a related adoption agreement, copies of which are filed as Exhibit 10.1 and Exhibit 10.2, respectively, to this Current Report on Form 8-K.
