PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On February 21, 2005, we filed a voluntary petition for reorganization under Chapter 11 of the federal bankruptcy laws in the United States Bankruptcy Court. On August 9, 2006, we filed the final proposed plan of reorganization and related disclosure statement. We are in the process of soliciting our creditors for approval of the plan.

In preparing our annual financial statements, we discovered that we had not utilized certain carrybacks in fiscal 2005 that are expected to result in aggregate tax benefits to us of approximately \$11.5 million. Additionally, we have reached a tentative settlement agreement with the IRS on the amounts assessed for the 2000 - 2002 tax years. We are working on appropriate adjustments to reflect the carrybacks and settlement adjustments in our financial statements. We are also completing the reclassification of discontinued operations within the Consolidated Statements of Operations due to the exit during fiscal 2006 of approximately 350 stores and four distribution centers as well as the pending sale of our ownership interest in Bahamas Supermarkets Limited in June 2006.

Due to the Chapter 11 filing and the additional and critical demands that the filing has placed on the time and attention of our senior management, the significant time and attention devoted to finalizing our plan and soliciting our creditors for approval and completing the two items described above, we have been unable to complete all work necessary to timely file the annual report on Form 10-K without unreasonable effort or expense. We expect to file our Form 10-K on or before September 26, 2006, the fifteenth calendar day following the prescribed due date.

The earnings are expected to include impairment charges of approximately \$15.6 million compared to \$158.4 million in the prior fiscal year and restructuring gains, net of \$7.7 million compared to restructuring charges, net of \$82.7 million in

the prior fiscal year. The net loss is expected to include a net gain from reorganization items of approximately \$251.6 million for fiscal 2006 compared to \$148.3 million for fiscal 2005, which includes primarily non-cash gains related to lease rejections.
