**Section 1 Registrant's Business and Operations**

**Item 1.01. Entry into a Material Definitive Agreement**

The United Technologies Corporation 2005 Long Term Incentive Plan (the "2005 LTIP"), approved by shareholders in April 2005, provides for various forms of awards to directors, executive officers and employees of United Technologies Corporation (the "Company") based on the value of shares of Common Stock of the Company, including awards that vest solely on the basis of performance targets.

On October 11, 2006, the Committee on Compensation & Executive Development (the "Committee") of the Board of Directors of the Company approved performance targets for Performance Share Units to be awarded in 2007 under the 2005 LTIP. Performance Share Units awarded in 2007 will vest only if pre-established three year targets are achieved for the following performance measures: the compound annual growth rate in the Company's diluted earnings per share and the Company's total shareholder return compared to other companies included in the S&P 500. Actual award statements will specify the applicable performance targets, the minimum performance required for vesting, the range of vesting relative to measured performance and the relative weighting of each target.

The form of award agreement for Performance Share Units and Stock Appreciation Rights to be awarded in 2007 under the 2005 LTIP is attached hereto as Exhibit 10.1 and is hereby incorporated by reference.
