**Item 8.01 Other Events.**

On February 23, 2007, the Board of Directors of Ottawa Savings Bancorp, Inc. (the Company) approved the freezing of the Company's defined benefit pension plan (the Plan), effective April 1, 2007. The plan provides benefits to eligible employees based on a participant's years of benefit service and a participant's highest five consecutive years of compensation.

Effective with the freeze, each active participant's pension benefit will be determined based on a participant's compensation and period of employment as of March 31, 2007. Compensation and employment after that date will not be taken into account.

In conjunction with the freeze, the Company plans on increasing its match of employee contributions in the current 401(k) defined contribution plan (401(k) plan) to up to 6% of an employee's salary, up from 2.5%. Additionally, the Company plans on increasing the maximum amount of voluntary deferrals under the 401(k) plan from 15% to 75% of an employee's salary.

As a result of the freeze, the Company expects to reduce its annual compensation expense by approximately \$250,000.
