LETTER FROM THE PRESIDENT AND CHIEF EXECUTIVE OFFICER OF VISA EUROPE

To Members

Dear Member

Proposed Adoption of New Articles of Association and Alteration of the Memorandum of Association

1 Introduction

As you may be aware, on 11 October 2006 Visa International announced that it intended to restructure its organisation in order to create a new public global corporation called Visa Inc.

Under the proposed restructuring, Visa Inc. will be created through a series of mergers involving Visa Canada, Visa USA and Visa International, which includes the operating regions of Asia Pacific; Latin America and the Caribbean; and Central and Eastern Europe, Middle East and Africa. The reorganisation will result in a new global corporation, Visa Inc., which will initially be owned by Visa members. After the mergers are complete, Visa Inc. intends to commence planning for an initial public offering (**IPO**) of Visa Inc. on a major stock exchange.

Visa Europe will remain a distinct entity, which is owned and governed by its members and will operate as a licensee of Visa Inc. under an exclusive, perpetual and irrevocable licence (the **Licence**).

We believe at this critical stage of its development, Europe needs a collaborative approach. By understanding and aligning the needs of our members we can create the conditions for growth at the collective, market level. By offering a highly responsive, commercially-minded service, we can also serve the business needs of individual banks partnering with you to deliver value creating payment solutions.

In effect, we can be regarded, by banks and regulators alike, as **the** European payments system which:

is owned and governed by European institutions;

is fully committed to the creation of the Single Euro Payments Area or **SEPA** ;

is focused on the delivery of innovative, value-creating payment solutions;

Table of Contents

is free to develop products (such as V PAY) which leverage European investments; and

owns and operates its own processing capability.

Our commitment to making SEPA a reality. Since 1 January 2007, one year ahead of the deadline, we have been fully compliant with the SEPA requirements for cards. Furthermore, Visa Europe has developed V PAY, a debit card specifically designed for Europe. V PAY allows banks that issue domestic-only debit cards to converge easily to SEPA-compliant products that can be used across Europe. Our focus is now to help our member banks and make SEPA a reality for all European consumers and businesses. We are in a strong position to do this as our unique structure makes Visa Europe the only truly pan-European payment systems organisation.

We believe that this new structure will make us a stronger, more responsive and more flexible organisation, which is uniquely positioned competitively, organisationally and legally to meet the future needs of your business, whilst at the same time ensuring global interoperability.

The Board unanimously approved the recommendation for the restructuring. As a member of Visa Europe, you are not required to approve the restructuring and you will not be asked to do so.

2 Background to and reasons for the adoption of new Articles of Association

In order to implement, and as a consequence of, the restructuring, a number of amendments are required to be made to the existing Articles and, for the sake of simplicity, it is proposed that new Articles be adopted in their entirety. In addition, certain other amendments are also being proposed for practical reasons and as a result of the enactment of the Companies Act 2006 and other recent UK legislation.

An explanation of the various amendments being proposed is set out below.

2.1 Enforcement of the Option Agreement

As mentioned above, as part of the restructuring, Visa Europe will remain an independent European owned association. The European business currently constitutes approximately 30 per cent. of the global Visa business on a card sales volume basis. Visa International is only prepared to agree that the Licence be exclusive, perpetual and irrevocable if Visa Inc. is granted an option to buy back the European business in the event of a catastrophic decline in POS and ATM acceptance in the Visa Europe Territory.

Accordingly, the Board agreed to a call option over the shares in Visa Europe in favour of Visa Inc., which will be exercisable in the event of an unremedied degradation in the European business in excess of certain thresholds which are specified in the Option Agreement (the **Call Option**). The Board also negotiated a put option in favour of Visa Europe, pursuant to which the members of Visa Europe would be required to sell their Shares to Visa Inc., were the Board to determine at any point in the future following the IPO of Visa Inc. that it was in the best interests of the members of Visa Europe to join the global corporation (the **Put Option**).

The Call Option may be exercised by Visa Inc., subject to certain conditions, at any time following the later to occur of an IPO of Visa Inc. s class A common stock or the date of certain triggering events that result in an unremedied and catastrophic degradation in the European business.

Table of Contents

The triggering events referred to above will occur if, at any time:

- (a) there is a decline of 25 per cent. or greater in the number of merchants (measured on merchant name and not a number of outlets basis) in the Visa Europe Territory that accept Visa-branded products for the processing of payment transactions (expressed as a percentage of the total number of merchants within the Visa Europe Territory that accept general purpose payment cards for the processing of payment transactions) and such rate of decline (which shall not have been primarily and directly the result of actions, policies, prices, directives or rules of Visa Inc. or any of its subsidiaries) is at least twice as much as both:
 - (i) the average rate of any decline in the number of merchants (measured on merchant name and not a number of outlets basis) in the Visa Europe Territory that accept general purpose payment cards for the processing of payment transactions, and
 - (ii) if, but only if, the average rate of merchant acceptance of Visa-branded general purpose payment cards has declined, in the aggregate, outside of the Visa Europe Territory, the average rate of any decline in the number of merchants (measured on merchant name and not a number of outlets) outside the Visa Europe Territory that accept Visa-branded general purpose payment cards for the processing of payment transactions; and
- (b) there is a decline of 45 per cent. or more in the number of automatic teller machines, or ATMs, (measured on a number of outlets basis) within the Visa Europe Territory that accept Visa-branded general purpose payment product cards for the processing of credit and debit transactions, (expressed as a percentage of the total number of ATMs within the Visa Europe Territory) which Visa Inc. refers to as the ATM acceptance rate, where such decline in the ATM acceptance rate (which shall not have been primarily and directly the result of actions, policies, prices, directives or rules of Visa Inc. or any of its subsidiaries) is equal to or greater than twice:
 - (i) the average rate of any decline in the number of ATMs (measured on a number of outlets basis) within the Visa Europe Territory that accept general purpose payment cards for the processing of credit and debit transactions; and
 - (ii) if, but only if, the average rate of ATM acceptance of Visa-branded general purpose payment cards is declining, in the aggregate, outside of the Visa Europe Territory, the average rate of decline in the number of ATMs (measured on a number of outlets basis) outside of the Visa Europe Territory that accept Visa-branded general purpose payment product cards for the processing of credit and debit transactions; and
- (c) either (i) Visa Europe has failed to deliver and implement a remediation plan within six months after the later to occur of any of the circumstances described above, or (ii) Visa Europe has implemented a remediation plan but the decline in the merchant acceptance rate and ATM acceptance rate has not been stopped prior to the date that is twelve months after the implementation of the remediation plan.

Table of Contents

The Put Option and the Call Option have been included in a single document, the **Option Agreement**, a copy of which is attached as Appendix 2.

In order to be effective, the Option Agreement has to be binding on every member of Visa Europe, i.e. all of the shares in Visa Europe have to be transferred to Visa Inc. on any exercise of either the Call Option or the Put Option.

A number of alternatives were considered, ranging from the implementation of a scheme of arrangement to the granting of an option over the assets of Visa Europe Services Inc. to requiring each individual member of Visa Europe to sign the Option Agreement or to grant a power attorney for another person to sign the Option Agreement on its behalf.

However, all of these options had significant tax disadvantages for the Visa Europe members or would have been logistically difficult to achieve.

Having carefully considered all the options, the Board determined that Visa Europe should enter into the Option Agreement with Visa Inc. and that the current Articles should be amended to:

- (a) include a provision whereby the members, *inter alia*: (i) authorise the entry by Visa Europe, or any Director from time to time authorised by Visa Europe, on their behalf into the Option Agreement; (ii) approve any future amendment of the Option Agreement by Visa Europe, or any Director from time to time authorised by Visa Europe; (iii) approve the Board's right to exercise the Put Option or to respond to Visa Inc.'s exercise of the Call Option on their behalf for the purposes of transferring to Visa Inc. all of the Shares held by the Visa Europe members; and (iv) approve the transfer of the Shares by the Board as attorney or agent on behalf of the members see new Article 30.1;
- (b) include an obligation on each member, following any exercise of the Put Option or the Call Option to execute: (i) a transfer form in relation to its Share; (ii) a deed of warranty stating that the member holds its Share absolutely and that its Share is transferred free from all liens and with full title guarantee; (iii) a deed of indemnity where it has lost its share certificate; and (iv) where the Option Exercise Price (as defined in the new Articles) may comprise publicly tradable stock of Visa Inc., a lock-up agreement in respect of any such publicly tradable stock of Visa Inc. received as consideration for its Share see new Article 30.3;
- (c) give the Directors authority, by way of a power of attorney or agency arrangement, to transfer its Share following any exercise of the Put Option or the Call Option, including the power to sign all such documents and take all such other action on behalf of that member as may be required to transfer its Share, to give effect to the terms of the Option Agreement and to cause Visa Inc. to be registered as holder of its Share see new Article 30.4;
- (d) enable the Option Exercise Price to be received by such person or persons as the Board may determine on trust or as nominee for the members, if necessary, and to provide for the Option Exercise Price to be distributed among the members in accordance with the terms of the Membership Regulations and the Articles see new Articles 12.4 and 30.5; and
- (e) include an indemnity from each member in favour of the Directors for any claims, demands, costs, damages and expenses howsoever arising consequent

Table of Contents

upon the proper exercise of the Directors powers pursuant to Article 30 see new Article 30.6.

The Membership Regulations will be amended to include a new provision (Part F) allowing the Board to distribute the Option Exercise Price to the Visa Europe members in accordance with such formula as shall have been determined by the Board prior to the time of any exercise of either the Put Option or the Call Option.

Any exercise of the Put Option must be approved by at least four-fifths of the total membership of the Board.

A copy of the Option Agreement is attached as Appendix 2. A copy of Part F of the draft Membership Regulations is attached as Appendix 3.

2.2 Other consequential changes as a result of the restructuring and for practical reasons

As a result of the restructuring, Visa Europe will remain independent from Visa Inc. Following the change in the corporate structure of the Visa organisation, many of the provisions of the existing Articles will be outdated and will need to be removed or amended. For example, Article 69 currently provides that Visa International has a right to appoint a director of Visa Europe and Article 88 currently provides for the operation and development of Visa International's programmes within the EU Region. These will no longer be applicable following the restructuring and, as such, these references have been deleted.

Members are currently obliged to comply with the Visa International Operating Regulations, the Visa Europe Regional Operating Regulations and the Visa International By-Laws. As a result of the restructuring, a new set of rules and regulations will have to be drawn up for Visa Europe with which members will have to comply. Therefore, references in the existing Articles to compliance with the aforementioned documents will be replaced by reference to the Visa Europe Operating Regulations and the Global Rules.

The Visa Europe Operating Regulations and the Global Rules have yet to be finalised. The purpose of the Global Rules is to preserve the interoperability and integrity of the Visa System and Licensed Marks worldwide (as such terms are defined in the new Articles), and the scope of the Global Rules is limited to rules designed for this purpose. Visa Inc. will be responsible for any changes to the Global Rules, but it will not be able to require Visa Europe or its members to adopt a new rule or rule change that does not have a positive financial return for Visa Europe and its members, unless Visa Inc. pays the implementation costs and expenses associated with such rule change. It is expected that the Visa Europe Operating Regulations will incorporate many of the existing provisions of the existing Visa International Operating Regulations and the Visa Europe Regional Operating Regulations.

Under the current Articles, where a vacancy arises amongst the elected directors, the Board must, within 60 days of the vacancy arising, arrange for the holding of a special election to fill the vacancy. This means that, should a vacancy arise 70 days before the biennial election of directors, the Company would be required to hold an election 10 days prior to the biennial election and another election just 10 days later. The current Articles have therefore been amended to provide that where such a vacancy arises within 150 days of a biennial election, no election need be arranged by the Board unless one is

Table of Contents

specifically requested by a member entitled to vote in such special election, more than 60 days prior to the relevant biennial election.

The definition of "Service Fees" has been amended in order to explicitly state that acquiring and ATM volumes are included. This has always been the case and the amendment is therefore clarifying what has always been done in practice.

2.3 Changes as a result of the Companies Act 2006

The Articles of Visa Europe were originally drafted to take advantage of the Electronic Communications Act 2000, which allowed companies to communicate with their members by electronic means. The electronic communication regime has been enhanced and revised through Schedule 5 of the Companies Act 2006 and the Articles have been amended to reflect these changes.

2.4 Changes as a result of the Companies (Audit, Investigations and Community Enterprise) Act 2004

In April 2005, the Companies (Audit, Investigations and Community Enterprise) Act 2004 came into force. This Act, among other things, widened the scope of the indemnity which companies are permitted to give to their directors and officers. The Act allows a company to indemnify its directors and officers against any liability incurred by them to any person (other than the company and its associated companies) in connection with any negligence, default, breach of duty or breach of trust in relation to that company. The Act also allows a company to provide its directors and officers with funds to cover the costs incurred by them in defending legal proceedings against them (provided such funds are repaid in the event the defence proceedings are unsuccessful).

The Board feels that the provision of appropriate indemnities and the funding of directors' and officers' defence costs as they are incurred or to be incurred, as permitted by this law, is fair and reasonable protection for the Directors and officers.

See new Article 124 for the text of this indemnity.

3 Background to and reasons for the Amendment of the Memorandum of Association

The current Memorandum refers to one of the objects of Visa Europe as being to, *inter alia*, administer Visa International's programs throughout the EU Region. This is no longer one of the purposes of Visa Europe and thus the Memorandum is to be amended.

4 Terms of the Option Agreement

A copy of the Option Agreement is set out as Appendix 2 to this document. The principle amendment being proposed to the existing Articles relates to this agreement and you are recommended to read it. It is a relatively short document and contains important provisions such as the trigger events for the Call Option, when the Put Option may be exercised and the price to be paid by Visa Inc. for the Shares on any exercise of the Put Option or the Call Option.

There follows a summary of the main terms of the Option Agreement. This summary does not purport to be comprehensive and may not address issues that may be of importance to you. Your attention is therefore drawn to the full text of the Option Agreement contained in Appendix 2.

Table of Contents

4.1 Exercise of the Call Option

See paragraph 2.1 above.

4.2 Exercise of the Put Option

The Put Option may be exercised by Visa Europe at any time after the earlier of: (i) 365 days after the date of the consummation of an IPO of Visa Inc. or (ii) 605 days after the closing date of Visa Inc.'s restructuring.

4.3 Option Exercise Price

The price at which both the Call Option and the Put Option are exercisable is tied to a formula based on Visa Europe's financial performance and the value of Visa Inc.'s common stock. If the Call Option or the Put Option is exercised prior to the date that is three years after the consummation of the IPO of Visa Inc., Visa Inc. will have the option to deliver the Option Exercise Price entirely in cash or a portion in cash and a portion (as determined by reference to a formula contained in the Option Agreement) in Visa Inc.'s publicly traded common stock. Where a portion of the Option Exercise Price is delivered in Visa Inc.'s publicly traded common stock, the stock will not be transferable for an average of 2-3 years.

If the Call Option or the Put Option is exercised after the date that is three years after the consummation of the IPO of Visa Inc., Visa Inc. must deliver the Option Exercise Price entirely in cash.

4.4 Exclusion of certain assets

Visa Europe in its sole discretion may determine whether or not to transfer to Visa Inc. some or all of its non-core Visa assets on any exercise of the Put Option or the Call Option, as the case may be.

4.5 No IPO of Visa Europe

Visa Europe has agreed that Visa Europe will not, prior to the Put Option or the Call Option being exercised, conduct an IPO of any capital stock of Visa Europe unless the Visa Europe business of authorising, clearing and settling payments transactions branded under the Visa marks and those rights, assets, operations and properties that are solely used in or solely related to conducting the foregoing business would be transferred back to Visa Europe or a subsidiary thereof prior to any consummation of the Put Option or the Call Option, as the case may be.

5 Extraordinary General Meeting

Adoption of the new Articles and amendment of the Memorandum is conditional upon member approval being obtained at the Extraordinary General Meeting. Accordingly, you will find set out at the end of this document a notice convening an Extraordinary General Meeting to be held at the Stanhope Hotel, 9 Rue du Commerce, B-1000 Brussels at 10:00 a.m. on 21 September 2007 at which the Resolutions (which are special resolutions) will be proposed to approve the adoption of the new Articles and to amend the Memorandum of Association.

6 Action to be taken

A Form of Proxy for use at the Extraordinary General Meeting accompanies this document. Whether or not you intend to be present at the Extraordinary General Meeting, you are requested to complete the Form of Proxy in accordance with the instructions printed on it and return it as

Provided the Directors act in good faith they shall not incur any liability to the holders of any shares for any loss they may suffer by the lawful payment, on any other class of shares having rights ranking after or *pari passu* with those shares.

Common Stock are listed plus (iii) the aggregate amount of any surplus capital of Visa Europe, plus (iv) the aggregate amount actually received by Visa Europe in respect of the exercise price payable by the holders of any VE Equity Securities upon the conversion or exchange thereof for or into ordinary shares in the capital of Visa Europe, minus (v) the estimated amount of one-time costs associated with achieving the cost synergies reflected in the Synergies Amount multiplied by the Synergies Ratio, minus (vi) the aggregate amount of any indebtedness of Visa Europe to the extent incurred to generate surplus capital, dividends or other distributions to shareholders of Visa Europe, and minus (vii) without duplication, the aggregate amount of any contingent liabilities with respect to Visa Europe or the Core Visa EU

Table of Contents

Business and Assets. For this purpose any contingent liabilities (e.g., litigation or regulatory fines) will be included at the amount that an unaffiliated purchaser of the Transferred Business under no compulsion to act would reduce the purchase price for such Transferred Business in an arm's length sale of the Transferred Business.

Outside Closing Date shall mean the date that is two hundred eighty-five (285) days after the delivery of a Call Option Exercise Notice or a Put Option Exercise Notice, as applicable.

Publicly Tradable Stock means common stock of Visa Inc. that is regularly traded on either the New York Stock Exchange or the Nasdaq National Market (or any successor exchange) or any security which is immediately convertible into such common stock, either upon sale or otherwise, and that may legally be disposed of immediately without further registration or similar requirements and without any governmental penalty or fine at any time on such exchange and in respect of which counsel for Visa Inc. that is reasonably acceptable to Visa Europe shall have provided to Visa Europe an opinion to the effect that such common stock shall have been duly registered under the Securities Act and may be resold without further restriction (subject to any applicable Contractual lock-up period (including any lock-up period set forth in the Restated Visa Inc. Certificate of Incorporation)). For purposes of this Agreement, the aggregate fair market value of Publicly Traded Stock transferred by Visa Inc. pursuant to the exercise of the Put Option or the Call Option shall be determined based on an assumption that such stock was disposed of in a single block trade at a price equal to the average closing price per share of Visa Inc. common stock on the primary securities exchange on which shares of Visa Inc. common stock are listed (e.g., the New York Stock Exchange) for the thirty (30) trading days preceding the delivery of a Call Option Exercise Notice or a Put Option Exercise Notice, as the case may be, less (i) such discounts (including block discount), commissions and fees as would be applicable to a block trade of Visa Inc. stock made in this manner and on the date of the delivery of the Call Option Exercise Notice or the Put Option Exercise Notice, as the case may be, and (ii) any taxes under all United States federal, state and local tax laws that would not have been incurred if the Option Exercise Price were payable solely in cash. For the avoidance of doubt, the fact that any security is subject to the transfer restrictions contained in the Amended and Restated Certificate of Incorporation of Visa Inc., in the form attached to the Global Restructuring Agreement shall not disqualify such security from classification as Publicly Tradable Stock.

Put Exercise Date shall mean that date which is the earlier to occur of (x) the date that is 365 days after the date of the consummation of the IPO and (y) the date that is 605 days after the Restructuring Closing Date.

Retained Business shall mean all of the business and assets of Visa Europe and its subsidiaries, other than the Transferred Business.

Synergies Amount shall mean the estimated fully phased in cost synergies which would solely be achievable through the contribution of the operations of Visa Europe to the net operating income of Visa Inc. (determined in accordance with GAAP), on a pro forma basis, during a twelve month period pursuant to an exercise of the Call Option or the Put Option, as applicable. For the avoidance of doubt, the Synergies Amount will include items such as the rationalization of multiple data centers.

Territory shall have the meaning set forth in the Framework Agreement.

Visa Europe Adjusted Net Income shall mean the projected sustainable net operating income of Visa Europe and its Affiliates (including Visa Europe Services, Inc.), including for the avoidance of doubt income derived under the Replacement Arrangements, determined in accordance with GAAP, as reported by the International Accounting Standards Board for the twelve (12) months starting on the next calendar quarter immediately after delivery of a Call Option Exercise Notice or Put Option Exercise Notice, as applicable; *provided, however*, that there shall be excluded from Visa Europe Adjusted Net Income (i) any income to the extent derived from any Non-Core Business of Visa Europe or its Affiliates that will not be directly or indirectly transferred to Visa Inc. upon an exercise of the Put Option or the Call Option, as applicable and (ii) without duplication, any costs or expenses attributable to the items described in clause (v) and clause (vii) of the definition of Option Exercise Price; *provided, further*, that there shall be included in Visa Europe Adjusted Net Income any income to the extent derived from any Non-Core Business of Visa Europe or its Affiliates that will be indirectly transferred to Visa Inc. upon an exercise of the Put Option or the Call Option, as applicable. If for example, the Notice were delivered on April 25th, the relevant twelve month period would be from July 1st after receipt of the Notice until June 30th of the following calendar year. The projected sustainable net income shall be calculated for Visa Europe and its Affiliates as if they were operating fully (on a non-transitional basis), using fair market value rates, under 100% ownership of Visa Inc., similar to the other regions of the Visa, but without taking into account any Synergies Amount. The projected sustainable net income for the period of determination shall (a) not be increased to give effect to the fact that the Base Amount (as defined in the Framework Agreement) will no longer be payable by Visa Europe to Visa Inc., (b) be calculated before deduction for any VAT and (c) be increased (on a pre-tax basis) by \$5,000,000.

Visa Inc. Forward PE Multiple shall mean a fraction, the numerator of which is the average Visa Inc. price per share traded on the primary securities exchange on which shares of Visa Inc. Common Stock are listed (*e.g.*, the New York Stock Exchange) (determined as of the close of each trading day on such securities exchange) for the thirty (30) trading days preceding delivery of a Call Option Exercise Notice or Put Option Exercise Notice, as applicable (or, if a Call Option Exercise Notice or Put Option Exercise Notice is delivered within the first thirty (30) trading days after the IPO Date, during the period from the IPO Date until the date on which the Call Option Exercise Notice or Put Option Exercise Notice is delivered) and the denominator of which is the median IBES estimate on the date prior to receipt of the Call Option Exercise Notice or Put Option Exercise Notice, as applicable, for the net income per share of Visa Inc. Common Stock for the twelve (12) months starting on the next calendar quarter immediately after delivery of a Call Option Exercise Notice or Put Option Exercise Notice, as applicable. If the relevant twelve (12) month period does not represent the fiscal year reported by Visa Inc. for which brokers make their respective annual estimates, then the estimated net income per share shall represent the proportional share of the respective median annual estimates. For example, if Visa Inc. maintains a fiscal year ended September 30th and the Put Option Exercise Notice or Call Option Exercise Notice is received on April 25th, then the net income per share would represent 25% of the median annual IBES estimate per share for the current fiscal year and 75% of the median annual IBES estimate for the next projected fiscal year. For the avoidance of doubt, the intent of the foregoing provision is to align the fiscal measurement period for the Visa Inc. Forward PE Multiple with the period used for purposes of the definition of *Visa Europe Adjusted Net Income*.

2. *Put and Call Options.* (a) Visa Europe, on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe, under its articles of association, hereby irrevocably grants to Visa Inc. an option (the *Call Option*), exercisable at any time following the later to occur of the IPO Date and the date of any Call Option Triggering Event, to require Visa Europe, on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe, under its articles of association, to procure the conveyance and delivery to Visa Inc. of all (but not less than all) of the shares in the capital of Visa Europe (including, without limitation, any options, warrants, preference shares or other securities that are convertible into or exchangeable for shares in the capital of Visa Europe) (collectively, the *VE Equity Securities*) issued as of the time the Call Option is exercised, for a purchase price equal to the Option Exercise Price. Visa Inc. may exercise the Call Option by delivery of a written notice to Visa Europe (such notice, a *Call Option Exercise Notice*) at any time following the later to occur of the IPO Date and the date of any Call Option Triggering

Table of Contents

Event and, upon delivery of a Call Option Exercise Notice, Visa Inc. shall be irrevocably and (subject to the satisfaction or waiver in writing of each of the Option Exercise Conditions) unconditionally obligated to purchase from the Visa Europe Shareholders, and Visa Europe (on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe, under its articles of association) shall be irrevocably and (subject to the satisfaction or waiver in writing of each of the Option Exercise Conditions) unconditionally obligated to procure the sale, conveyance and delivery to Visa Inc., not later than the Outside Closing Date, all but not less than all of the VE Equity Securities then issued, for a purchase price equal to the Option Exercise Price, payable at the time of the closing of such sale in accordance with Section 2(i) of this Agreement.

(b) Visa Inc. hereby irrevocably grants to Visa Europe (on behalf of the Visa Europe Shareholders) an option (the *Put Option*), exercisable at any time after the Put Exercise Date, to require Visa Inc. to purchase from the Visa Europe Shareholders at the date of the sale all (but not less than all) of the VE Equity Securities issued as of the time the Put Option is exercised, for a purchase price equal to the Option Exercise Price. Visa Europe may exercise the Put Option (on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe, under its articles of association) by delivery of a written notice to Visa Inc. (such notice, a *Put Option Exercise Notice*) at any time during the period in which the Put Option is exercisable and, upon delivery of a Put Option Exercise Notice, Visa Inc. shall be irrevocably and (subject to the satisfaction or waiver in writing of each of the Option Exercise Conditions) unconditionally obligated to purchase from the Visa Europe Shareholders, and Visa Europe (on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe, under its articles of association) shall be irrevocably and (subject to the satisfaction or waiver in writing of each of the Option Exercise Conditions) unconditionally obligated to procure the sale, conveyance and delivery to Visa Inc., not later than the Outside Closing Date, all but not less than all of the VE Equity Securities then issued, for a purchase price equal to the Option Exercise Price, payable at the time of the closing of such sale in accordance with Section 2(i) of this Agreement.

(c) If the Call Option is exercised, the initial calculation of the Option Exercise Price (including, if applicable, the value of any Publicly Tradable Stock) shall be made by Visa Inc. and shall be set forth in the Call Option Exercise Notice. Visa Europe shall deliver to Visa Inc., within fifteen (15) days after receipt of a Call Option Exercise Notice, a written statement setting forth (i) a description in reasonable detail of any and all rights, assets, operations, functions, properties, Contracts, interests and entitlements of Visa Europe constituting Non-Core Business that Visa Europe will directly or indirectly transfer to Visa Inc. in connection with the exercise of the Call Option pursuant to Section 2(g) hereof (it being agreed that Visa Europe, at its election, may include any such Non-Core Business as part of the Transferred Business), (ii) a calculation of the Option Exercise Price (including, if applicable, the value of any Publicly Tradable Stock) after giving effect to the exclusion of the Retained Business and (iii) the name of the Visa Europe Stockholder Representative appointed pursuant to Section 2(o) hereof. If the Put Option is exercised, the initial calculation of the Option Exercise Price shall be made by Visa Europe and shall be set forth in the Put Option Exercise Notice, which shall also include (i) a description in reasonable detail of any and all rights, assets, operations, functions, properties, Contracts, interests and entitlements of Visa Europe constituting Non-Core Business which Visa Europe will include directly or indirectly in the Transferred Business in the Put Option pursuant to Section 2(g) hereof (it being agreed that Visa Europe, at its election, may include any such Non-Core Business in the Transferred Business) and (ii) the name of the Visa Europe Stockholder Representative appointed pursuant to Section 2(o) hereof.

Upon receipt of a Call Option Exercise Notice or Put Option Exercise Notice, as applicable, the parties shall, and shall cause their respective representatives to, cooperate in good faith to reach a mutually agreed determination of the rights, assets, operations, functions, properties, Contracts, interests and entitlements of Visa Europe to be included in the Transferred Business, to resolve any and all disputes with respect to whether any such rights, assets, operations, functions, properties, Contracts, interests and entitlements

Table of Contents

constitute Core Visa EU Business and Assets or Non-Core Business, and to determine the applicable Option Exercise Price (including the amount of the Synergies Amount and the Visa Europe Adjusted Net Income) in respect thereof as promptly as practicable, including by providing the other party with reasonably requested information with respect thereto (subject to customary confidentiality agreements), responding to reasonable requests and queries of the other party and its representatives with respect to any components thereof, and negotiating in good faith to resolve any disputes with respect thereto.

Unless the party receiving a Call Option Exercise Notice or Put Option Exercise Notice, as applicable, shall have delivered to the other party, within fifty (50) days after receipt of the Call Option Exercise Notice or Put Option Exercise Notice, a written notice (a *Notice of Objection*) objecting to the characterization of any rights, assets, operations, functions, properties, Contracts, interests and entitlements, or to the calculation of the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein) set forth in the Call Option Exercise Notice or Put Option Exercise Notice, as applicable, the information set forth in the Call Option Exercise Notice or Put Option Exercise Notice, as applicable, including the Option Exercise Price, as modified by any subsequent agreement in writing between the parties, if any, shall be conclusive and binding on the parties. Upon delivery of a Notice of Objection, the respective Chief Financial Officers of Visa Inc. and Visa Europe shall consult and cooperate in good faith in order to resolve any matters set forth in the Notice of Objection and to determine a mutually agreed calculation of the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein). In the event that such Chief Financial Officers are unable to resolve all such matters and agree upon a calculation of the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein) within twenty (20) Business Days after the delivery of a Notice of Objection, then each of Visa Inc. and Visa Europe shall, within a further ten (10) Business Days, engage an investment banking firm or other third party financial advisor of international standing (each a *Party Advisor*) and shall use their respective commercially reasonable efforts to cause their respective Party Advisors to resolve any matters remaining in dispute and render a calculation of the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein) in accordance with the terms of this Agreement within fifteen (15) days after the engagement of such Party Advisors.

If the calculation of the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein) as determined by the first Party Advisor is not greater than one hundred five percent (105%) nor less than ninety-five percent (95%) of the calculation thereof as determined by the second Party Advisor, then the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein) for purposes hereof shall be the average of such two calculations, which amount shall be conclusive and binding on the parties hereto. If the calculation of the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein) as determined by the first Party Advisor is greater than one hundred five percent (105%) or less than ninety-five percent (95%) of the calculation thereof as determined by the second Party Advisor, then the two Party Advisors shall, within a further ten (10) Business Days, acting reasonably, mutually select an investment banking firm or other third party financial advisor of international standing (and having no substantial current or past business relationship with either Visa Inc. or Visa Europe) (the *Neutral Advisor*). The parties hereto shall jointly engage the Neutral Advisor and shall use their commercially reasonable efforts to cause the Neutral Advisor to, if applicable, resolve any disputes with respect to the characterization of any rights, assets, operations, functions, properties, Contracts, interests and entitlements constitute Core Visa EU Business and Assets or Non-Core Business and to render a calculation of the Option Exercise Price in accordance with the terms of this Agreement within twenty (20) days after its engagement. Upon the determination of the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein) by the Neutral Advisor, the Option Exercise Price for purposes of this Agreement shall be the average of the two calculations of the Option Exercise Price (and/or, if applicable, the fair market value of any Publicly Tradable Stock included therein) (whether by the Neutral Advisor and either Party Advisor or by both Party Advisors) that are nearest in amount to each other, which average amount shall be conclusive and binding on the parties hereto, and the calculation thereof that is

Table of Contents

furthest from the other two shall be disregarded. Each party shall pay the fees and expenses of its Party Advisor and one-half of the fees and expenses of the Neutral Advisor.

If the Option Exercise Price in connection with any exercise of the Put Option by Visa Europe reflects a deduction for any contingent liability the amount of which such deduction is unacceptable to Visa Europe in its sole discretion, Visa Europe shall be entitled, by delivering a written notice to such effect to Visa Inc., to withdraw the related Put Option Exercise Notice and, as a consequence thereof, the Put Option shall be deemed not to have been exercised; provided that, notwithstanding anything to the contrary set forth herein, neither Visa Europe nor any of its successors or assigns shall be entitled to deliver another Put Option Exercise notice or otherwise exercise the Put Option for a period of two years after the date on which such Put Option Exercise Notice was withdrawn in writing. From and after the expiration of such two year period the Put Option Exercise shall again become exercisable in accordance with the terms hereof. For the avoidance of doubt, Visa Inc. shall not be required to specify in a Call Option Exercise Notice or in response to a Put Option Exercise Notice the ratio of cash to Publicly Tradable Stock to be used to pay the Option Exercise Price, and nothing contained in this Section 2(c) shall be construed as a limitation of Visa Inc.'s rights pursuant to the penultimate sentence contained in Section 2(i) hereof, subject to the limitations contained in Section 2(i).

(d) In the event that the Put Option or the Call Option is exercised at any time when the common stock of Visa Inc. is not traded on a public securities exchange, then the Put Option Exercise Notice or the Call Option Exercise Notice shall set forth a calculation of the Option Exercise Price which substitutes, in lieu of the Visa Inc. Forward PE Multiple component of the definition of Option Exercise Price, a multiple initially determined in good faith by the Board of Directors of the party delivering the Put Option Exercise Notice or Call Option Exercise Notice, as applicable, to be a fair and reasonable multiple to be applied for purposes of such definition. Any dispute with respect to the Option Exercise Price as so determined shall be resolved, in the manner provided in Section 2(c) hereof; *provided, however*, that, each of Visa Inc. and Visa Europe hereby expressly acknowledge and agree that each Party Advisor and, if engaged, the Neutral Advisor, shall be expressly instructed to determine a multiple, in substitution for the Visa Inc. Forward PE Multiple component of the definition of Option Exercise Price, that, in the professional judgment of such advisor as a financial advisor of international standing, based on all facts and circumstances it believes to be relevant, but, for the avoidance of doubt, excluding any liquidity or similar premium, to be a fair and reasonable multiple in the context of such definition.

(e) Prior to or contemporaneously with the consummation of Visa Inc.'s acquisition of Visa Europe following an exercise of the Put Option or the Call Option, as applicable, Visa Inc. shall grant a license or other arrangement (at prevailing market rates) to then existing Visa Europe Shareholders or other customers of Visa Europe which shall enable them to continue to participate in the Visa payments system (including, without limitation, allowing them to continue to run their Visa-branded card payment businesses) with the same non-financial rights to participate in the Visa payments system as prior to the consummation of the Put Option or Call Option, as applicable (the *Replacement Arrangements*), *provided, however*, that the foregoing shall not be construed to prohibit or restrict Visa Inc. from subsequently terminating any member or customer of Visa Europe in accordance with, or otherwise exercising any of its rights under, any applicable Contract, Law, operating regulations or other applicable policies of Visa Inc. in effect from time to time.

(f) Notwithstanding anything to the contrary contained herein, the parties hereby acknowledge and agree that it is their mutual intent and agreement that, upon Visa Inc.'s acquisition of the VE Equity Securities following an exercise of the Put Option or the Call Option, as applicable, Visa Inc. shall acquire (x) the corporate entity of Visa Europe and (y) the Core Visa EU Business and Assets and such Non-Core Business as Visa Europe determines, in its discretion, to be transferred. Accordingly, Visa Europe covenants and agrees that upon such time as the Put Option or Call Option is exercised, Visa Europe shall cause the Core Visa EU Business and Assets to be owned by Visa Europe (either directly or through a subsidiary that is to be indirectly transferred to Visa Inc. as an asset of Visa Europe), such

that Visa Inc. shall acquire the VE Equity Securities and all of the Core Visa EU Business and Assets upon the acquisition of the VE Equity Securities. It is expressly acknowledged and agreed that Visa Europe and its Affiliates shall have the right to restructure their respective assets, businesses and corporate structure, and to make distributions or other transfers to or for the benefit of its shareholders/members of any of its assets or business that consist solely of the Non-Core Business and/or assets that do not constitute Core Visa EU Business and Assets. Visa Europe shall have the right to distribute to the Visa Europe Shareholders (or to Transfer from Visa Europe to an entity that is wholly-owned by the Visa Europe Shareholders) any Non-Core Business, and shall have the right to dividend any surplus capital to the Visa Europe Shareholders, if applicable, following an exercise of the Put Option or the Call Option, and shall be permitted to transfer any assets or personnel to entities other than Visa Europe, such that only the Core Visa EU Business and Assets, plus any Visa Inc shares and any surplus capital (other than surplus capital that has been generated by indebtedness incurred by Visa Europe) to the extent not so transferred are owned by Visa Europe and its Subsidiaries at the time of the consummation of the Put Option or the Call Option (it being understood that Visa Europe may determine in its discretion to include some or all of any Non-Core Business in the Transferred Business). Notwithstanding the foregoing, upon the exercise to the Put Option or the Call Option, (i) Visa Europe shall use commercially reasonable efforts to ensure that Visa Europe and any of its subsidiaries to be transferred have such personnel as are reasonably necessary to operate the Transferred Business, and (ii) recognizing the need for each of Visa Inc. and Visa Europe to have adequate personnel to operate their respective businesses after the closing of the Put Option or the Call Option, as the case may be, Visa Europe and Visa Inc. shall cooperate with each other with the objective of ensuring that each of their respective businesses has adequate personnel resources immediately after the exercise of the Put Option or the Call Option, as the case may be. For the avoidance of doubt, any income derived from assets or operations that are not part of the Transferred Business shall be excluded from the definition of Visa Europe Adjusted Net Income for purposes hereof (other than the Replacement Arrangements, which shall be included in such calculation).

(g) At the consummation of the Put Option or Call Option, (i) Visa Inc. shall grant to the successor entity owned by the Visa Europe Shareholders and containing the Retained Business a license of the Licensor Intellectual Property (as defined in the Framework Agreement), Licensor Derivative Works (as defined in the Framework Agreement) and New Intellectual Property (as defined in the Framework Agreement) on the same terms as such rights are licensed by Visa Inc. to Visa Europe immediately prior to the exercise of the Put Option or Call Option, as applicable, pursuant to the terms of the Framework Agreement for a duration of thirty (30) months following the date of the consummation of Put Option or Call Option, as applicable or such longer term as may be agreed (the *Transitional Period*), on commercially reasonable terms; provided that Visa Inc. shall be entitled to provide that the scope of use of such license shall be limited to uses or lines of business in existence on the date on which the Put Option or the Call Option, as the case may be, is consummated, (ii) Visa Inc. shall provide to the successor entity owned by the Visa Europe Shareholders and containing the Retained Business a transitional arrangement on commercially reasonable terms covering the Transitional Period, or such other period of time as may be mutually agreed, which such arrangements will (x) provide such services as are within the control of Visa Inc. and (y) allow such successor entity to continue to use such assets included in the Transferred Business, in each case which are necessary or useful for such successor entity to continue to operate the Retained Business in a manner substantially similar to the manner in which the Retained Business was operated prior to the consummation of the Put Option or the Call Option, as the case may be, and (iii) the successor entity owned by the Visa Europe Shareholders and containing the Retained Business, shall provide to Visa Inc. a transitional arrangement on commercially reasonable terms covering the Transitional Period, or such other period of time as may be mutually agreed, which such arrangements will (x) allow Visa Inc. to continue to use such assets of the Retained Business as are reasonably needed to allow Visa Inc. to continue to conduct the businesses transferred to Visa Inc. and (y) provide such services as are within the control of such successor entity and which may be necessary or useful to operate the Retained Business in a manner

Table of Contents

substantially similar to the manner in which it was operated prior to such transfer. For the avoidance of doubt, such transitional arrangements shall include provisions to be agreed upon in good faith designed to ensure that the activities by any party to such arrangements do not impair or otherwise reduce during such transitional period any component of the Visa Europe Adjusted Net Income or Applicable Synergies Amount that were used on calculating the Option Exercise Price. Any dispute between the parties with respect to the terms of any such transitional arrangements shall be governed by the provisions contained in Section 5(i) of this Agreement. Notwithstanding anything to the contrary contained in this Section 2(g), if, during the Transition Period, the Retained Business is directly or indirectly acquired by a Person that is a Competitor, the Non Core Business shall not be permitted to provide any Licensor Intellectual Property, any Licensor Derivative Works, any New Intellectual Property or any other Intellectual Property of Visa Inc. or any of its Affiliates, or any rights in respect thereof, to any Competitor at any time; *provided*, however, that the Retained Business, to the extent that it remains a segregable division or business unit may, notwithstanding the foregoing, continue its pre-existing use of Licensor Intellectual Property, any Licensor Derivative Works, any New Intellectual Property or any other Intellectual Property of Visa Inc. for the remainder of the Transition Period; *provided, further*, that neither the Retained Business nor its owners shall have any access to any source code, nor any rights to modify, maintain or sublicense, such Licensor Intellectual Property, Licensor Derivative Works, New Intellectual Property or other Intellectual Property of Visa Inc.

(h) Upon the delivery of a Put Option Exercise Notice or a Call Option Exercise Notice, as applicable, each of Visa Inc. and Visa Europe shall, subject to the parties having entered into customary and mutual non-disclosure, confidentiality and, if applicable, joint defense agreements, afford to the other party and its Representatives reasonable access, during normal business hours, to all of the properties, books, records, contracts, tax returns, officers and employees of Visa Inc. and Visa Europe, as applicable, and shall furnish to the other party, its financing sources (if applicable) and their respective Representatives, such information concerning Visa Inc., Visa Europe, and their respective Affiliates, as applicable, as such other party may reasonably request in order to complete, within sixty (60) days after delivery of the Put Option Exercise Notice or the Call Option Exercise Notice, as applicable, a due diligence investigation of the other party in connection with the exercise of the Put Option or the Call Option, as applicable.

(i) Settlement of the Call Option or the Put Option shall be made not later than the Outside Closing Date, at 10:00 A.M., prevailing New York time in the offices of Visa Inc. or at such other time and place as may be agreed among the parties. If settlement of the Call Option or the Put Option occurs prior to the date which is three years after the consummation of the IPO (the *Cash-Only Settlement Date*), then Visa Inc. shall have the option to deliver the Option Exercise Price in the form of cash (denominated in the lawful currency of the United States) or in Publicly Tradable Stock; *provided* that that portion of the Option Exercise Price which is deliverable in Publicly Tradable Stock shall be not more than a percentage of the Option Exercise Price equal to the Lock-up Percentage. If settlement of the Call Option or the Put Option occurs after the Cash-Only Settlement Date, then Visa Inc. shall deliver the Option Exercise Price in the form of cash (denominated in the lawful currency of the United States). Visa Inc. shall have the ability to determine, in its sole discretion, the method by which it finances the Option Exercise Price, including, without limitation, the ratio of cash to Publicly Tradable Stock (subject to the limits set forth herein) and the method or methods by which it obtains any necessary cash component of the Option Exercise Price. In the event of any dispute between the parties with respect to the fair market value of any Publicly Tradable Stock proposed by Visa Inc. to be issued in payment of any portion of the Option Exercise Price (to the extent permitted by this Section 2(i)) such dispute shall be subject to resolution pursuant to the provisions of Section 2(c) hereof.

(j) Each of Visa Inc. and Visa Europe agrees to furnish to the other, promptly upon request (provided that neither party shall be entitled to make such a request more than one time per annum, and subject to the requesting party entering into customary confidentiality and non-disclosure arrangements with respect to the information to be provided) such party's Merchant Acceptance Rates and ATM

Table of Contents

Acceptance Rates. Each party shall have the right to retain an expert of its choice (an *Evaluator*) to audit the Merchant Acceptance Rate and ATM Acceptance Rate data provided by the other party hereto, provided that such Evaluator shall enter into a customary confidentiality agreement. Upon request, which shall not be made more than once per annum by a party, the party subject to audit shall provide the Evaluator engaged by the auditing party with all information reasonably within the possession or control of such party and reasonably necessary to enable the Evaluator to independently verify whether any of the events specified in the definition of Call Option Triggering Event shall have occurred, including information with respect to any applicable Merchant Acceptance Rates and ATM Acceptance Rates.

(k) Visa Europe will provide Visa Inc. with such information regarding Visa Europe (and only such information) and upon such frequency as is required under applicable tax, GAAP and regulatory requirements for the preparation for Visa Inc.'s financial statements. Visa Inc. shall maintain all such information strictly confidential and not disclose it other than (a) to those employees and directors of Visa Inc. who have a need to know such information for the foregoing purposes (and Visa Inc. shall use its commercially reasonable efforts to minimize the number of such employees and directors needing access to such information), (b) as required by Law or requested of Visa Inc. by a Government Authority (provided that Visa Inc. shall use its best reasonable efforts to minimize the extent of such disclosure), (c) to Visa Inc.'s external accounting and legal advisors, under a duty of confidence or (d) as is required to be included in Visa Inc.'s financial statements. Without limiting the generality of the foregoing, prior to the end of Visa Inc.'s first fiscal quarter after the date hereof (and from time-to-time thereafter, to the extent that such requirements change), Visa Inc. will cooperate with Visa Europe to (a) provide clarity regarding the specific data that is necessary, and (b) agree upon a delivery mechanism for such information, which may include direct or indirect delivery, and which in any case must permit Visa Inc. to comply with applicable tax, GAAP and regulatory requirements.

(l) Promptly following written notice by Visa Inc. to Visa Europe, and in any event within six (6) months, after the occurrence of both of the circumstances described in paragraphs (a) and (b) of the definition of Call Option Triggering Event contained herein, Visa Europe shall formulate and deliver to Visa Inc., and shall have commenced to implement, a written plan (a *Remediation Plan*) setting forth in reasonable detail comprehensive measures designed to remediate, within twelve (12) months after the later to occur of such circumstances, the decline in Merchant Acceptance Rate and/or ATM Acceptance Rate, as applicable.

(m) Visa Europe hereby covenants and agrees for the benefit of Visa Inc. that Visa Europe shall not, prior to an exercise of the Put Option or the Call Option, conduct an initial public offering of any capital stock of Visa Europe nor shall it conduct an initial public offering of any Affiliate thereof unless the Core Visa EU Business or Assets owned by such Affiliate would be transferred back to Visa Europe or a subsidiary thereof prior to the consummation of the Put Option or Call Option, as the case may be.

(n) Each of the parties hereto hereby acknowledges and agrees that, because of uncertainties regarding the timing of any exercise of the Put Option or the Call Option, and the nature and identity of the assets, properties, business and operations subject thereto, the amount of the Option Exercise Price at any given time during the term of this Agreement, is inherently uncertain and cannot be predicted or quantified as of the date hereof.

(o) Upon exercise of the Call Option or the Put Option, Visa Europe (on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe, under its articles of association) shall designate one legal entity (the *Visa Europe Stockholder Representative*) (which shall be a financial institution with capital in excess of \$1,000,000,000, but which need not be a member or shareholder of Visa Europe) to receive and hold the Option Exercise Price on bare trust or as nominee for the Visa Europe Shareholders and to hold the same in bare trust or as nominee for the Visa Europe Shareholders to distribute it to the Visa Europe Shareholders in accordance with their absolute entitlements. The

Table of Contents

obligations of Visa Inc. to pay the Option Exercise Price under this agreement shall be satisfied in full by the delivery of the Option Exercise Price to the Visa Europe Stockholder Representative and Visa Inc. shall, under no circumstances have any liability whatsoever, for the actions of the Visa Europe Stockholder Representative.

3. *Alternative Transaction.* (a) Each of Visa Europe and Visa Inc. shall cooperate with each other and use (and cause their respective Subsidiaries to use) their respective commercially reasonable efforts to take or cause to be taken all actions, and do or cause to be done all things reasonably necessary on its part under this Agreement to cause the consummation of the Put Option or Call Option, as the case may be, in accordance with the terms of this Agreement prior to the Outside Date, including (x) taking such actions as are necessary to cause each of the Option Exercise Conditions to be satisfied as promptly as practicable after an exercise of the Put Option or the Call Option, as applicable, and in any event prior to the Outside Closing Date and (y) notifying the other party reasonably promptly upon becoming aware that there is a reasonable likelihood that an Option Exercise Condition is not capable of being satisfied.

(b) If the Option Exercise Conditions are not satisfied by the Outside Date or any such Option Exercise Condition becomes incapable of being satisfied at anytime prior to or on the Outside Date (the earlier to occur of such events being the *Failure Date*) and such failure of the Option Exercise Conditions to be satisfied or be capable of being satisfied does not result from a breach by Visa Europe of the representations and warranties set forth in Section 4(b) this Agreement, Visa Inc. may submit to Visa Europe a written proposal of Visa Inc. (a *Visa Inc. Proposal*) or Visa Europe may (on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe under its articles of association) submit to Visa Inc. a written proposal of Visa Europe (a *Visa Europe Proposal*) to enter into an amendment to this Agreement (or an alternative Contract) that is designed to enable the parties hereto to consummate, as promptly as practicable, a transaction that puts the parties and their shareholders and affiliates in the same position in all respects (other than de minimis respects), taking into account all economic (including receipt of payment), tax, accounting, regulatory, liability and legal consequences and including any such consequence in respect of the Non-Core Business, as if the Put Option or Call Option, as applicable, had been consummated in accordance with the terms hereof without any adverse impact (other than de minimis adverse impacts) in relation thereto (a Visa Inc. Proposal or Visa Europe Proposal meeting such terms being a *Substitute Proposal*).

(c) If a Substitute Proposal shall not have been made and accepted in writing by Visa Inc and Visa Europe (on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe under its articles of association), each acting in good faith (and without rejecting any proposal meeting the terms of Section 3(b) as a Substitute Proposal), prior to the 5:00 p.m. (New York) time on the date that is one hundred twenty (120) days after the Failure Date (such date, the *Proposal Deadline*) then (i) any previously submitted Call Option Exercise Notice or Put Option Exercise Notice, as applicable, shall automatically be deemed withdrawn and without force and effect as of the Proposal Deadline and (ii) if a Put Option Exercise Notice was previously submitted and provided that the Failure Date has not occurred as a result of Visa Europe's breach of the representations and warranties set forth in Section 4(b) this Agreement, notwithstanding anything to the contrary contained in this Agreement, then Visa Europe shall have the right, during the period from the Proposal Deadline until the date that is 405 days after the Proposal Deadline, to Transfer any or all of the assets of Visa Europe or any of its Subsidiaries (including the entire Core Visa EU Business and Assets and including, for the avoidance of doubt, the Framework Agreement and any Contract contemplated thereby and all (but not less than all) of Visa Europe's rights thereunder), whether by means of a Transfer of assets, issuance of equity securities, public offering, merger, consolidation or other similar transaction) to any Person (any such transaction, an *Alternative Transaction*), in each case provided that (x) none of the Core Visa EU Business and Assets are acquired in such Alternative Transaction by any Person that is a Competitor (other than a Competitor owning less than 5% of the equity interests in the Person that owns or will own the Core Visa EU Business and Assets) and (y) each Person that will acquire any Core Visa EU Business and Assets and any Retained Business shall, prior to entering into any Alternative

Table of Contents

Transaction, enter into a written agreement with Visa Inc. pursuant to which such Person and Visa Inc. shall acknowledge and agree (A) that any Core Visa EU Business and Assets and any Retained Business acquired by such Person in an Alternative Transaction, shall continue to be subject in all respects to the Call Option in favor of Visa Inc. as provided in this Agreement, (B) to be, and to cause the Core Visa EU Business and Assets and any Retained Business to continue to be, bound by all of the provisions of the Framework Agreement and any Contract contemplated thereby, including this Agreement provided, that the transferor shall not remain liable for the performance and obligations of the transferee thereunder, and (C) that the Core Visa EU Business and Assets and any Retained Business shall continue to be entitled to the full benefit of such Framework Agreement and other Contracts without prior written or other consent of Visa Inc. and (z) Visa Europe and any successor in interest in any Retained Business shall be entitled to the benefits and burdens of Section 2(g) of this Agreement as if the Put Option or Call Option had been consummated to the extent applicable to any Retained Business owned by it not acquired by any such Person.

(d) If an Alternative Transaction shall not have been consummated prior to the expiration of such 405 day period, then for a 30 day period from the expiration of such 405 day period, Visa Inc. and Visa Europe may again provide to the other a Visa Inc. Proposal or a Visa Europe Proposal, as applicable. If no Substitute Proposal is made and accepted pursuant to Section 3(c) hereof (but applied without the 120 day period provided therein) within such 30 day period, Visa Europe shall thereafter be entitled to consummate an Alternative Transaction at any time within the 405 days immediately succeeding the expiration of such 30 period; and the process in paragraph (d) of this Section 3 shall be repeated as necessary.

4. *Representations and Warranties of the Parties.* (a) Each party hereto hereby represents and warrants to the other party as follows:

(i) *Due Organization, Good Standing and Corporate Power.* Such party is a corporation or other entity duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization (to the extent the concept of good standing is recognized in such jurisdiction) and such party has all requisite corporate power and authority to own, lease and operate its properties and to carry on its business as presently being conducted. Such party is duly qualified or licensed to do business and is in good standing in each jurisdiction in which the property owned, leased or operated by it, or the nature of its business makes such qualification necessary, except in such jurisdictions where the failure to be so qualified or licensed and in good standing would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on its ability to perform its obligations hereunder.

(ii) *Authorization and Validity of this Agreement.* Such party has the requisite corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution, delivery and performance by such party of this Agreement, and the consummation by it of the transactions contemplated hereby, have been duly authorized and approved by the Board of Directors or other applicable governing body of such party, and no other corporate action on the part of such party is necessary to authorize the execution, delivery and performance by such party of this Agreement and the consummation of the transactions contemplated hereby. This Agreement has been duly executed and delivered by such party and, assuming that this Agreement constitutes a valid and binding obligation of the other party hereto, this Agreement constitutes a valid and binding obligation of such party, enforceable against it in accordance with its terms, except to the extent that such enforceability may be subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles.

(iii) *Consents and Approvals; No Violations.* Except as set forth on *Schedule 4(a)(iii)* and except to the extent resulting from any change in Law or licensure occurring after the date hereof, the execution and delivery by such party of this Agreement, and the consummation by such party

(iv) *Broker's or Finder's Fee.* No agent, broker, investment banker, financial adviser, firm or other Person acting on behalf of such party or its Affiliates is, or shall be, entitled to any fee, commission or broker's or finder's fees in connection with this Agreement or any of the transactions contemplated hereby from the other party.

(b) *Representations and Warranties of Visa Europe.* Visa Europe hereby represents and warrants, solely on its own behalf and not on behalf of any Visa Europe Shareholders, to Visa Inc. as follows:

(i) Visa Europe has amended its articles of association in order to obtain from each Visa Europe Shareholder the authority to transfer its shares in Visa Europe to Visa Inc. on the exercise of the Put Option and the Call Option; and

(ii) Such amendments are legally binding and enforceable and are sufficient to vest in Visa Europe full power and authority as of the date hereof, and as of the date of the closing of such transactions, to (A) transfer (on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe under its articles of association) to Visa Inc. 100% of the issued VE Equity Securities upon an exercise of the Call Option or the Put Option, (B) execute and deliver (on behalf of the Visa Europe Shareholders pursuant to the authority granted to Visa Europe under its articles of association) such letters of transmittal, stock powers and/or other instruments of Transfer and conveyance as may be necessary or desirable in connection with such Transfer of the VE Equity Securities to Visa Inc., and (C) enter into this Agreement and make the representations and warranties contained herein.

(c) *Exclusivity of Representations.* EACH PARTY HEREBY ACKNOWLEDGES AND AGREES THAT THE REPRESENTATIONS AND WARRANTIES MADE BY THE OTHER PARTY HEREIN ARE THE SOLE REPRESENTATIONS AND WARRANTIES MADE BY SUCH PARTY WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT; AND SUCH PARTY HAS NOT RELIED AND IS NOT RELYING ON ANY OTHER REPRESENTATIONS AND WARRANTIES OF ANY OTHER PARTY OR PERSON IN ENTERING INTO THIS AGREEMENT. EACH PARTY HEREBY DISCLAIMS ANY OTHER EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES WITH RESPECT TO SUCH PARTY OR THE TRANSACTIONS CONTEMPLATED HEREBY.

5. Miscellaneous.

(a) *Expenses.* Unless otherwise provided herein, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses.

(b) *Notices.* All notices, claims, demands and other communications hereunder shall be made to the parties hereto in the manner provided in Section 7.2 of the Global Restructuring Agreement.

(c) *Entire Understanding; No Third-Party Beneficiaries.* This Agreement constitutes the entire agreement among the parties with respect to the transactions contemplated hereby and supersedes all prior agreements, written or oral, among the parties with respect to the subject matter hereof. No representation, warranty, inducement, promise, understanding or condition not set forth in this

Table of Contents

Agreement has been made or relied on by any party in entering into this Agreement. Nothing in this Agreement, expressed or implied, is intended to confer on any Person, other than the parties hereto or their respective successors, any rights or remedies hereunder; provided, however, that notwithstanding the foregoing, the Visa Europe Shareholders are expressly designated as third party beneficiaries of the provisions of Section 2(e) hereof, but solely with respect to any Replacement Arrangements to which any such Visa Europe Shareholder is a party.

(d) *Assignment.* Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by either of the parties hereto (whether by operation of Law or otherwise) without the prior written consent of the other party and any purported assignment in violation of this paragraph 5(d) shall be null and void; provided, however, that notwithstanding the foregoing, Visa Europe may assign its rights, interests and obligations hereunder to any entity that continues to conduct the Retained Business following consummation of the Put Option or Call Option, as applicable. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns, including any successor by merger, consolidation, recapitalization, sale of assets or other similar transaction.

(e) *Severability.* If any term, provision, agreement, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, agreements, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to either party hereto. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby may be consummated as originally contemplated to the fullest extent possible.

(f) *Governing Law.* This Agreement shall be governed by and construed in accordance with the Laws of the State of New York applicable to contracts entered into and to be entirely performed within such State.

(g) *Submission to Jurisdiction.* EACH PARTY HEREBY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND OF ANY NEW YORK STATE COURT SITTING IN THE COUNTY OF NEW YORK, NEW YORK FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH COURTS AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. IN ANY ACTION WHICH MAY BE INSTITUTED AGAINST A PARTY ARISING OUT OF OR RELATING TO THIS AGREEMENT, SUCH PARTY HEREBY CONSENTS TO THE SERVICE OF PROCESS IN CONNECTION WITH ANY ACTION BY THE MAILING THEREOF BY REGISTERED OR CERTIFIED MAIL TO SUCH PARTY'S ADDRESS SET FORTH IN SECTION 7.2 OF THE GLOBAL RESTRUCTURING AGREEMENT.

(h) *Specific Performance.* Notwithstanding anything in this Agreement to the contrary, money damages would not be an adequate remedy at law if a party fails to perform in any material respect any of its obligations hereunder and accordingly each party agrees that in addition to any other remedy to which it may be entitled at law or in equity each party shall be entitled to seek to compel specific performance of the obligations of the other party, as applicable, under this Agreement, without the posting of any bond or proof of any actual damages, in accordance with the terms and conditions of this Agreement, and if any action should be brought in equity to enforce any of the provisions of this Agreement, no party shall raise the defense that there is an adequate remedy at law.

Table of Contents*(i) Dispute Resolution.*

(i) In the event of any dispute with respect to the terms of any transitional arrangement to be entered into by the parties pursuant to Section 2(g) hereof (for the purposes of this section 5(i), a *Dispute*), either party may initiate the following dispute resolution processes by written notice to the other (a *Dispute Notice*). Such Disputes shall be first referred by both parties to their chief executive officers and chairpersons upon delivery by a party and receipt by the other party of a Dispute Notice in writing setting forth the nature of the Dispute and a concise statement of the issues to be resolved. The chief executive officers and chairpersons shall meet and endeavor in good faith to promptly settle the Dispute. In the event that such individuals are unwilling or unable to resolve the Dispute within ten (10) Business Days after such referral, the parties agree to resolve any unresolved Dispute pursuant to expedited arbitration as follows: The place of arbitration shall be New York. There shall be three (3) arbitrators. The arbitration shall be administered by the ICDR under its rules as in effect at the time of the arbitration, except as they may be modified herein by agreement of the parties. The language of the arbitration shall be English. The party commencing the arbitration shall file with the ICDR, and simultaneously serve on the other party, a notice of arbitration and statement of claim (the *Notice of Arbitration*), together with the nomination of its arbitrator and its nominee's acceptance of such nomination, within seven (7) additional Business Days after the Dispute has been referred to the CEO and chairpersons of the parties as set forth above. The responding party shall file its statement of defense and counterclaim (if any), together with the nomination of its arbitrator and its nominee's acceptance of such nomination, within seven (7) Business Days of receiving the Notice of Arbitration. Unless otherwise agreed by the parties, the ICDR shall endeavor to appoint the third arbitrator within a further seven (7) Business Days. The arbitrators shall conduct the arbitration such that they render a final award within sixty (60) Business Days after the tribunal has been constituted, except that the parties may agree to extend this time limit or the arbitral tribunal may do so in its discretion if it determines that the interest of justice so requires in exceptional circumstances.

(ii) A decision by the arbitrators pursuant to paragraph (i) of this Section 5(i) above shall be final and binding upon the parties and shall not be subject to any appeal, and judgment upon such award may be entered by any state or federal court sitting in the State and County of New York, or by any other court having jurisdiction thereof. The parties agree to submit to the non-exclusive personal jurisdiction of the federal and state courts sitting in the State and County of New York for the purpose of enforcing this agreement to arbitrate and any award. Each party hereby irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Each party hereby consents to the service of process in connection with any such action by the mailing thereof by registered or certified mail to such party's address set forth in Section 7.2 of the Global Restructuring Agreement. Each party hereby waives, to the fullest extent permitted by law, any right it may have to a trial by jury in respect to any such action.

(iii) Any arbitral tribunal constituted pursuant to paragraph (i) of this Section 5(i) shall have the authority to award costs, including attorneys fees, as part of its decision. Unless the parties expressly agree in writing to the contrary, the parties undertake as a general principle to keep confidential any arbitration and any awards therein, together with all materials in the proceedings and in any pre-arbitration proceedings created for the purpose of the arbitration and all other documents produced by the other party in the proceedings not otherwise in the public domain, save and to the extent that disclosure may be required of a party by legal duty, to protect or pursue a legal right, to enforce the arbitration agreement, or to enforce or challenge an award in bona fide legal proceedings before a court of competent jurisdiction.

(iv) For the avoidance of doubt, the delivery of a Dispute Notice, and the pendency of any good faith negotiations and/or arbitral procedures with respect thereto in accordance with the provisions of this Section 5(i) shall not affect the obligations of the parties pursuant to Section 2(g) hereof to enter into the commercially reasonable transitional arrangements described therein upon the consummation of the Put Option or the Call Option, as applicable. In the event of any Dispute, the parties agree to enter into transitional arrangements containing such terms and conditions as have been mutually agreed by the parties prior to the consummation of the Put Option or the Call Option, as applicable, and only the terms and conditions thereof that remain in Dispute shall be subject to the provisions of this Section 5(i). During the pendency of any negotiations by the parties or arbitral procures with respect to such Disputed items, the parties shall continue to perform their obligations under all such transitional arrangements and, with respect to any terms and conditions thereof that are subject to a Dispute, the party receiving the benefit of such transitional arrangements shall perform its obligations thereunder based upon the terms and conditions (including the price at which such transitional arrangements are provided) prescribed by the party performing the services or providing the benefits thereof, until the resolution of such Disputed items in accordance with the terms of this Section 5(i).

(j) *Counterparts.* This Agreement may be executed in two (2) or more counterparts, all of which when taken together shall constitute one (1) instrument and shall become effective when the counterparts have been signed by each of the parties and delivered to the other party, including delivery by facsimile, it being understood that both parties need not sign the same counterpart.

(k) *Term.* The term of this Agreement shall commence on the date hereof and shall end on the date that is ninety-nine (99) years after the date hereof; provided that this Agreement shall be automatically renewed for incremental terms of ninety-nine (99) years unless, not less than ten (10) years prior to the termination of the initial term of this Agreement or of any renewal term of this Agreement, as the case may be, either party hereto shall give written notice to the other party of its intent not to renew this Agreement.

(l) *Amendments and Waivers.* Any provision of this Agreement may be amended or waived, but only if such amendment or waiver is in writing and is signed, in the case of an amendment, by each party hereto, or in the case of a waiver, by the party against whom waiver is to be effective. Any agreement on the part of either party to any waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. Such waiver shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.
