Item 8.01. Other Events

In accordance with the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the company notes that certain statements set forth in this Current Report on Form 8-K provide other than historical information and are forward looking. The actual achievement of any forecasted results, or the unfolding of future economic or business developments in a way anticipated or projected by the company, involve numerous risks and uncertainties. Among those risks and uncertainties, many of which are beyond the control of the company, include, without limitation, fluctuations in oil and gas prices; fleet additions by competitors and vessel overcapacity; changes in capital spending by customers in the energy industry for exploration, development and production; changing customer demands for different vessel specifications which may make some of our vessels technologically obsolete for certain customer projects; acts of terrorism; unsettled political conditions, war, civil unrest and governmental actions, especially in higher risk countries of operations; foreign currency fluctuations; and environmental and labor laws. Readers should consider all of these risk factors as well as other information contained in this report.

On June 4, 2008, the Company issued a press release announcing Mr. Demarest's promotion to Principal Accounting Officer. The press release also announced the promotions of Joseph Bennett to Executive Vice President and Chief Investor Relations Officer; Gerard Kehoe to Senior Vice President; and Kevin Carr to Vice President, Taxation.
