\$5 million in cash payable on December 31, 2009; and

Contingent payments of \$30 million and \$25 million, payable at PVR's election in cash or common units of PVR, each of which payments will be triggered if, on or before June 30, 2013, PVR and its affiliates reach certain gas gathering and processing revenue targets in the geographic operating area where a portion of the acquired assets are located.

The PVG Common Units and the PVR Common Units were transferred to Lone Star in sales of securities that were not registered under the Securities Act of 1933, as amended (the Securities Act), in accordance with the exemptions provided by Section 4(2) under the Securities Act.
