**Item 1.01 Entry into a Material Definitive Agreement.**

On April 3, 2009, Seagate Technology ( Seagate or the Company ) and its subsidiary Seagate Technology HDD Holdings ( Seagate HDD ) entered into a Second Amended and Restated Credit Agreement (the Amended Credit Agreement ) by and among the Company and Seagate HDD, the lenders party thereto (the Lenders ), JPMorgan Chase Bank, N.A., as Administrative Agent, Morgan Stanley Bank N.A., as Syndication Agent, and BNP Paribas, Keybank National Association, Wachovia Bank, National Association and The Bank of Nova Scotia, as Co-Documentation Agents.

The purpose of the Amended Credit Agreement is to increase the Company s flexibility in meeting its obligations under its existing credit agreement, executed on September 19, 2006. The Amended Credit Agreement will increase the Company s maximum permitted net leverage ratio to 1.80x for the quarter ended July 3, 2009, 2.65x for the quarter ended October 2, 2009 and 1.80x for the quarter ended January 1, 2010. In addition, the Amended Credit Agreement will provide covenant relief for the quarters ended July 3, 2009, October 2, 2009 and January 1, 2010 under the net minimum liquidity requirement. The net minimum liquidity requirement in the form of cash, cash equivalents and short-term investments will be \$600 million, which includes any cash drawn under the revolving credit facility. After the quarter ended January 1, 2010, the maximum permitted net leverage and minimum liquidity requirements will return to their previous levels under the existing credit agreement.

The terms and conditions of the Amended Credit Agreement include a reduction in the facility size from \$500 million to \$350 million, which will remain available to the Company and Seagate HDD until September 19, 2011, with net cash proceeds from certain transactions reducing the facility size. The Amended Credit Agreement will increase the interest rate margin applicable on all funded loans under this agreement to a rate of LIBOR plus 350 basis points. Seagate HDD s obligations under the Amended Credit Agreement will continue to be guaranteed by the Company and will additionally be guaranteed by certain material subsidiaries. All obligations of Seagate HDD and the guarantors will be secured by a lien on substantially all of their tangible and intangible assets, subject to certain exceptions. In addition, there are further limitations on the amount of incremental debt, share repurchases and dividends that the Company can incur or make.

The effectiveness of the Amended Credit Agreement is subject to customary conditions precedent.

The description of the Amended Credit Agreement contained herein is qualified in its entirety by reference to the Amended Credit Agreement, a copy of which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.
