Proposed Acquisition of D&E Communications, Inc.

On May 10, 2009, Windstream Corporation ( Windstream ), D&E Communications, Inc. ( D&E Communications ) and Delta Merger Sub, Inc., a wholly-owned subsidiary of Windstream ( Merger Sub ), entered into an agreement and plan of merger (the Merger Agreement ) pursuant to which Windstream has agreed to acquire all of the issued and outstanding shares of common stock of D&E Communications ( D&E Common Stock ). Pursuant to the terms of the Merger Agreement, which was unanimously approved by the Boards of Directors of both Windstream and D&E Communications, D&E Communications will merge with and into Merger Sub with Merger Sub continuing as the surviving entity (the Merger ).

Under the terms of the Merger Agreement, D&E Communications shareholders will receive 0.650 shares of common stock of Windstream ( Windstream Common Stock ) and \$5.00 in cash per each share of D&E Common Stock. Windstream expects to issue approximately 9.5 million shares of Windstream Common Stock valued at \$86 million, based on Windstream's closing stock price on May 8, 2009, and pay approximately \$73 million in cash as part of the transaction. Windstream also will assume estimated net debt of approximately \$171 million. Windstream intends to finance the acquisition with existing cash and current capacity on its revolving credit agreement.

Upon completion of the Merger, D&E Communications will become a wholly-owned subsidiary of Windstream. The Merger is expected to close in the second half of 2009 and is subject to certain conditions, including necessary approvals from federal and state regulators and D&E Communications shareholders.

On May 11, 2009, Windstream issued a press release announcing the Merger, as discussed above. A copy of the press release is filed as Exhibit 99.1 hereto and incorporated herein by reference.

Non-GAAP Financial Measure

The attached press release includes a non-GAAP measure titled operating income before depreciation and amortization, or OIBDA. Windstream's management considers OIBDA to be useful to investors because OIBDA provides information specific to a company's operating performance.
