PROXY STATEMENT

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors of Natural Alternatives International, Inc., a Delaware corporation (the Company or we, our, or us), for use at the annual meeting of stockholders to be held on Monday, November 30, 2009, at 11:00 a.m. Pacific time, at Natural Alternatives International, Inc., Manufacturing Facility, 1215 Park Center Drive, Vista, California 92081, and at any adjournment or postponement thereof (the Annual Meeting). We expect to mail this proxy statement and the enclosed proxy card on or about October 23, 2009 to all stockholders entitled to vote at the Annual Meeting.

VOTING INFORMATION

Who can vote?

You may vote if you were a stockholder of record as of the close of business on October 13, 2009. This date is known as the record date. You are entitled to one vote for each share of common stock you held on that date on each matter presented at the Annual Meeting. As of October 13, 2009, approximately 7,068,793 shares of our common stock, par value \$0.01 per share, were issued and outstanding, net of 180,941 treasury shares.

How many votes are needed to hold the Annual Meeting?

To take any action at the Annual Meeting, a majority of our outstanding shares of common stock entitled to vote as of October 13, 2009, must be represented, in person or by proxy, at the Annual Meeting. This is called a quorum.

What is a proxy?

A proxy allows someone else to vote your shares on your behalf. Our Board of Directors is asking you to allow the people named on the proxy card (Mark A. LeDoux and Kenneth E. Wolf) to vote your shares at the Annual Meeting.

How do I vote by proxy?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. To vote by proxy, please follow the instructions on the enclosed proxy card. You may vote by telephone, by internet or by mail. Shares held in street name may be voted by telephone or by internet only if your broker or nominee makes those methods available. Your broker or nominee will enclose instructions for voting shares held in street name by telephone or by internet with this proxy statement if your broker or nominee has chosen to make those methods available.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If you vote by mail and return a signed proxy card with no specific instructions, your shares will be voted as the Board of Directors recommends.

Can I change my vote after I submit my proxy?

Yes. You can change or revoke your proxy at any time before it is voted by submitting another proxy with a later date. You may also send a written notice of revocation to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California 92078, Attention: Mr. Kenneth Wolf, Secretary.

Can I vote in person at the Annual Meeting instead of voting by proxy?

Yes. However, we encourage you to vote your shares at your earliest convenience to ensure that your shares are represented and voted. If you vote your shares by proxy and later decide you would like to attend the meeting and vote your shares in person, you will need to provide a written notice of revocation to the secretary of the meeting before your proxy is voted.

How are votes counted?

Except as noted, all proxies received will be counted in determining whether a quorum exists and whether we have obtained the necessary number of votes on each proposal. An abstention from voting will be used for the purpose of establishing a quorum, and will be considered a vote against a proposal. A broker non-vote will also be used for the purpose of establishing a quorum, but will not otherwise be counted in the voting process. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the Annual Meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

How many votes are required to approve each of the proposals?

For the election of the Class I directors, a plurality of the votes is required. This means that the two candidates who receive the most votes will be elected to the available Class I positions on the Board of Directors. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve the other proposals. See, however, Proposal 3 Effect of Ratification.

As of October 13, 2009, our executive officers, including Messrs. Dullea and Weaver, each a former executive officer, and directors held of record or beneficially approximately 1,644,330 shares, or 23.26%, of our issued and outstanding common stock. Our current executive officers and directors have indicated their intention to vote for the election of each of the nominees for Class I director and for the other proposals described in this proxy statement.

Who pays for this proxy solicitation?

We will pay the cost of soliciting proxies for the Annual Meeting, including the costs of preparing, assembling and mailing the proxy materials. We will provide copies of proxy materials to fiduciaries, custodians and brokerage houses to forward to the beneficial owners of shares held in their name. We may reimburse such fiduciaries, custodians and brokers for their costs in forwarding the proxy materials.

In addition to the solicitation of proxies by mail, certain of our officers and other employees may also solicit proxies personally or by telephone, facsimile, or other means. No additional compensation will be paid to these individuals for any such services. If necessary, we also may retain BNY Mellon Shareowner Services to help us solicit proxies and pay a fee to BNY Mellon Shareowner Services for any such solicitation services provided.

Board Meetings

The Board of Directors held 10 meetings during the fiscal year ended June 30, 2009.

Independence

Nasdaq rules require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors has determined that four of our five directors are independent under the listing standards of the Nasdaq Stock Market. The members determined to be independent are Messrs. Davis, Dunn, Lane and Weldon.

Board Committees

The Board of Directors has an Audit Committee, a Human Resources Committee, which functions as a compensation committee, and a Nominating Committee. Membership on each committee is limited to independent directors as defined under the listing standards of the Nasdaq Stock Market. In addition, members of the Audit Committee must also meet the independence standards for audit committee members adopted by the Securities and Exchange Commission (SEC). The members of the committees of our Board of Directors are as follows:

Audit Committee	Human Resources Committee	Nominating Committee
Joe E. Davis (Chairman)*	Lee G. Weldon (Chairman)	Lee G. Weldon (Chairman)
Alan G. Dunn	Joe E. Davis	Joe E. Davis
Alan J. Lane*	Alan G. Dunn	Alan J. Lane

* The Board of Directors has determined that Messrs. Davis and Lane are each an audit committee financial expert as defined by applicable rules adopted by the SEC.

During the fiscal year ended June 30, 2009, the Audit Committee held seven meetings, the Human Resources Committee held four meetings, and the Nominating Committee held two meetings.

Audit Committee. The Audit Committee operates under a charter originally adopted by the Board of Directors in 2000, amended and restated in April 2004, and further amended in August 2007 and September 2009. While the Audit Committee charter is not currently available on our website, a copy of the charter, as recently amended, is included as Attachment A to this proxy statement. The general function of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of our financial statements. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accounting, reporting and financial practices of the Company, including the integrity of our financial statements and disclosures; the surveillance of administration and financial controls and our compliance with legal and regulatory requirements; the qualification, independence and performance of our independent registered public accounting firm; and the performance of our internal audit function and control procedures. The Audit Committee is responsible for reviewing and recommending matters to the Board of Directors, but has no authority to make final decisions except as set forth in the Audit Committee's charter. The Audit Committee has the sole authority to appoint, determine funding for, and oversee our independent registered public accounting firm.

Human Resources Committee. The Human Resources Committee operates under a charter adopted by the Board of Directors in January 2006, and amended in August 2007 and September 2009. While the Human Resources Committee charter is not currently available on our website, a copy of the charter, as recently amended, is included as Attachment B to this proxy statement. The primary purpose of the Human Resources Committee is to oversee the Company's overall compensation and incentive programs for the Company's executive officers and certain other key personnel. The Human Resources Committee is responsible for reviewing and recommending matters to the Board of Directors, which may be based on recommendations from the Company's management, but has no authority to make final decisions except with respect to the Company's incentive plans as described below or as otherwise set forth in the committee's charter. Among other things, the Human Resources Committee recommends to the Board of Directors the amount of compensation to be paid or awarded to our officers and certain other personnel including salary, bonuses, other cash or stock awards under our incentive compensation plans as in effect from time to time, retirement and other compensation, and is responsible for evaluating the performance of the Company's Chief Executive Officer and making recommendations to the Board of Directors concerning the compensation for such officer. In addition, the Board of Directors has delegated to the Chairman of the Human Resources Committee the authority to consider and act upon recommendations from the President and the Chief Financial Officer to grant stock options under the Company's incentive plans as in effect from time to time to employees of the Company and its subsidiaries, not including officers and directors of the Company,

within the limitations of any such plan, and only for grants not exceeding 5,000 shares, and with a term not exceeding five years, an exercise price equal to at least 110% of the last reported sale price of the Company's common stock on the Nasdaq Stock Market on the date of grant, and vesting over a period of not less than three years. The Human Resources Committee may engage the services of an independent compensation and benefits consulting company to conduct a survey and review of the Company's compensation programs as compared to other similarly situated companies taking into account, among others, industry, size and location when the committee deems appropriate.

Nominating Committee. The Nominating Committee operates under a charter adopted by the Board of Directors in August 2004, and amended in August 2007 and September 2009. While the Nominating Committee charter is not currently available on our website, a copy of the charter, as recently amended, is included as Attachment C to this proxy statement. The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become members of the Board of Directors and in determining the composition of the Board of Directors and its various committees. The Nominating Committee periodically reviews the qualifications and independence of directors, selects candidates as nominees for election as directors, recommends directors to serve on the various committees of the Board of Directors, reviews director compensation and benefits, and oversees the self-assessment process of each of the committees of the Board of Directors.

The Nominating Committee considers nominee recommendations from a variety of sources, including nominees recommended by stockholders. Persons recommended by stockholders are evaluated on the same basis as persons suggested by others. Stockholder recommendations may be made in accordance with our Stockholder Communications Policy. See *Stockholder Communications with Directors* below. The Nominating Committee has the authority to retain a search firm to assist in the process of identifying and evaluating candidates.

The Nominating Committee has not established any specific minimum requirements for potential members of our Board of Directors. Instead, the Nominating Committee's evaluation process includes many factors and considerations including, but not limited to, a determination of whether a candidate meets Nasdaq and/or SEC requirements relating to independence and/or financial expertise, as applicable, and whether the candidate meets the Company's desired qualifications in the context of the current make-up of the Board of Directors with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the deliberations of the Board of Directors respecting the Company's business strategies, financial and operational performance and corporate governance practices. The Nominating Committee will generally select those nominees whose attributes it believes would be most beneficial to the Company in light of all the circumstances.

Stockholder Communications with Directors

Our Board of Directors has adopted a Stockholder Communications Policy to provide a process by which our stockholders may communicate with the Board of Directors. Under the policy, stockholders may communicate with the Board of Directors as a whole, with the independent directors, with a committee of the Board, or with a particular director. Stockholders wishing to communicate directly with our Board of Directors may do so by mail addressed to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California, 92078, Attn: Corporate Secretary. The envelope must contain a clear notation indicating that the enclosed letter is a *Stockholder-Board Communication* or *Stockholder-Director Communication*. All such letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board of Directors, all independent directors, all members of a committee of the Board, or certain specified individual directors. The Corporate Secretary will review the communications received from stockholders at the above designated address on a regular basis and if they are relevant to the Company's operations and policies, they will be copied and forwarded to the appropriate director or directors as expeditiously as reasonably practicable. By way of example, communications that are unduly hostile, threatening, obscene, illegal or similarly inappropriate will not be forwarded to any director. Matters deemed to be trivial in the sole discretion

of the Corporate Secretary will be delivered to the appropriate director or directors at the next regularly scheduled meeting of the Board of Directors. The Corporate Secretary will periodically provide the Board of Directors with a summary of all communications received that were not forwarded and will make those communications available to any director upon request. The Board of Directors will determine whether any communications sent to the Board of Directors should be properly addressed by the entire Board or a committee thereof and whether a response to the communication is warranted.

Attendance at Annual Meetings

The members of the Board of Directors are encouraged, but not required, to attend each of the Company's annual meetings of stockholders. It may not be possible or practicable, in light of other business commitments of the directors, for all of the members of the Board of Directors to attend all of the Company's annual meetings of stockholders. At the Company's last annual meeting of stockholders held on December 5, 2008, each of the members of the Board of Directors was present.

PROPOSAL 1

ELECTION OF CLASS I DIRECTORS

Members of each class of our Board of Directors are elected to serve for a three-year term. The three-year terms of the members of each class are staggered, so that each year the members of a different class are due to be elected at the annual meeting. The Class I directors currently are serving a term that is due to expire at the Annual Meeting. The Class II directors currently are serving a term that is due to expire at our next annual meeting, and the Class III directors are serving a term that is due to expire at the next annual meeting thereafter.

Nominees

At the Annual Meeting two Class I directors are to be elected, to serve until the next annual meeting of stockholders held to elect Class I directors and until each such director's successor is elected and qualified or until each such director's death, resignation or removal. The Board of Directors proposes the election of the nominees named below, who each currently serves as a Class I member of our Board of Directors.

Unless authorization to do so is withheld, proxies received will be voted for the nominee named below. If any nominee should become unavailable for election before the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the present Board of Directors may propose. The person nominated for election has agreed to serve if elected, and the Board of Directors has no reason to believe that the nominee will be unable to serve.

Our Board of Directors proposes the election of each of the following nominees as a Class I member of the Board of Directors:

Joe E. Davis

Mark A. LeDoux

Our Board of Directors unanimously recommends that you vote FOR the election of each of the nominees as a Class I director of the Company.

PROPOSAL 2

APPROVAL OF OUR 2009 OMNIBUS INCENTIVE PLAN

We believe the availability of stock options and other equity and non-equity incentives is important to our ability to attract and retain qualified employees and to provide an incentive for them to exert their best efforts on behalf of the Company. Since 1999, the Company has had an omnibus equity incentive plan under which the Company has granted incentive and non-qualified stock options to its employees, including its officers, directors and consultants. As of October 13, 2009, there were incentive and non-qualified stock options to purchase 624,276 shares, in the aggregate, of the Company's common stock outstanding under the plan and 808,576 shares reserved for future option or other award grants under the plan.

The Board of Directors recently approved a review of our existing incentive plan to determine whether it would be advisable to replace the existing plan with a new plan in light of, among others, changes in the marketplace, compensation and employment standards and practices, regulatory changes, and the age of the existing plan, which could result in future options granted under the plan no longer being treated as incentive stock options. Based on the review of the existing plan, the Board of Directors approved terminating the existing plan and adopting a new incentive plan, subject to stockholder approval of the new plan.

If the proposed 2009 Omnibus Incentive Plan (the Plan) is approved by stockholders, 500,000 shares of our authorized and unissued common stock will be reserved initially for issuance under the Plan. In addition, our existing plan will be terminated, no further grants would be made under such plan, and the remaining 808,576 shares of our common stock currently reserved for issuance under the plan will no longer be reserved. Options outstanding under our existing plan, however, will remain in effect consistent with their terms.

Potential Benefits to be Received Under the Plan

If the Plan is approved by stockholders at the Annual Meeting, we may, but are not obligated to, grant awards under the Plan to our employees, officers and directors. As of October 15, 2009, we did not have any plans, proposals or arrangements to grant any awards that would be authorized under the Plan to any specific employee, officer or director. Rather, we are seeking approval for the Plan at this time to provide us with the flexibility to grant awards if necessary or advisable, in the determination of the Human Resources Committee, to acquire and/or retain qualified employees, to offer employees a competitive compensation structure, to provide an incentive to employees to achieve long-term corporate objectives and to enable stock-based and cash-based incentive awards to qualify as performance-based compensation for purposes of the tax deduction limitations under Section 162(m) of the Internal Revenue Code of 1986, as amended.

Principal Features of the Plan

The following is a summary of the principal features of the Plan. It is not a complete description of all of the Plan's provisions. A copy of the Plan, as proposed, is included as Attachment D to this proxy statement. We intend to file a Form S-8 with the SEC under the Securities Act of 1933, as amended, to register the shares authorized for issuance under the Plan as soon as practicable after receiving stockholder approval of the Plan.

Eligibility. All employees, non-employee directors and consultants of the Company and its subsidiaries are eligible to receive awards under the Plan. Only employees may be granted incentive stock options. We have four non-employee directors and as of June 30, 2009, from continuing operations we employed 180 full-time employees.

Administration. The Plan will be administered by the Human Resources Committee, which may approve the grant of awards under the Plan to eligible participants, at such times, under such terms and in such amounts as the Human Resources Committee may decide subject to compliance with the terms of the Plan.

Term of Plan. The Plan was initially approved by the Board of Directors effective on October 15, 2009, subject to stockholder approval. The Plan will remain in effect until the earlier of the tenth anniversary of its effective date or until terminated by the Board. The Board of Directors may at any time amend, alter, suspend or terminate the Plan for any reason, subject to applicable laws, rules or regulations requiring stockholder approval of certain amendments to the Plan.

Types of Awards. The Plan provides for the grant of incentive and non-qualified stock options, stock appreciation rights, restricted shares of common stock, restricted stock units, performance awards, other stock-based awards, and short-term cash incentive awards.

Shares Available for Awards. Under the Plan, 500,000 shares of our common stock initially will be available for issuance. In addition, on the first day of each calendar year during the term of the plan, beginning with January 1, 2011, an additional 100,000 shares of our common stock will become available for issuance under the Plan. The foregoing share limits are subject to adjustment for stock splits and other events as set forth in the Plan.

Terms of Awards. The Human Resources Committee will approve the individuals to whom awards will be granted and the terms of such awards, consistent with the Plan. Awards may be granted for varying terms established at the time of grant by the Human Resources Committee. Awards may be granted in combination with other awards under the Plan. No monetary consideration will be paid to the Company upon the grant of any awards under the Plan.

Tax Consequences Relating to Stock Options

A participant generally will recognize no income under the Internal Revenue Code upon the receipt of any option award. In the case of an incentive stock option, if a participant exercises the option during or within three months of employment and does not dispose of the shares within two years of the date of grant or one year after the transfer of the shares to the participant, the participant will be entitled for federal income tax purposes to treat any profit that may be recognized upon the disposition of the shares as a long-term capital gain. In contrast, a participant who receives an option under the Plan that is not an incentive stock option or who does not comply with the conditions noted above will generally recognize ordinary income at the time of exercise in the amount of the excess, if any, of the fair market value of the stock on the date of exercise over the option price. If the participant is an employee, such ordinary income generally is subject to withholding of income and employment taxes. The Company should be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income, if any, recognized by a participant who (a) exercises an option that is not an incentive stock option, or (b) disposes of stock that was acquired pursuant to the exercise of an incentive stock option prior to the end of the required holding period described above, except to the extent such deduction is limited by applicable provisions of the Internal Revenue Code. In the case of incentive stock options, any excess of the fair market value of the stock at the time of exercise over the option price would be an item of income for purposes of the participant's alternative minimum tax.

PROPOSAL 3

RATIFICATION OF SELECTION OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm for the fiscal year ended June 30, 2009 was Ernst & Young LLP. The Audit Committee of the Board of Directors has selected and approved Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2010. One or more representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions and to make a statement if they desire to do so.

Audit Fees

The aggregate fees billed to the Company by Ernst & Young LLP for professional services rendered for the audit of our annual financial statements, the reviews of the financial statements included in our Quarterly Reports on Form 10-Q and other services provided in connection with our statutory and regulatory filings during each of the last two fiscal years ended June 30, were:

2009	\$ 314,961
2008	\$ 310,784

Audit-Related Fees

There were no fees billed to the Company by Ernst & Young LLP for assurance and related services reasonably related to the performance of the audit or review of our financial statements and not included under Audit Fees above during the fiscal years ended June 30, 2009 and June 30, 2008.

Tax Fees

There were no fees billed to the Company by Ernst & Young LLP for professional services for tax compliance, tax advice, or tax planning provided during the fiscal years ended June 30, 2009 and June 30, 2008.

All Other Fees

There were no other fees billed to the Company by Ernst & Young LLP for products and services provided during the fiscal years ended June 30, 2009 and June 30, 2008.

Pre-Approval Policies and Procedures

On June 23, 2003, the Audit Committee approved certain policies and procedures under which all audit and non-audit services performed by our independent registered public accounting firm must be approved in advance by the Audit Committee. Under these policies and procedures, proposed services to be provided by our independent registered public accounting firm may either be pre-approved without consideration of specific case-by-case services by the Audit Committee (general pre-approval), or require the specific pre-approval of the Audit Committee (specific pre-approval). The Audit Committee may delegate either type of pre-approval authority to one or more of its members, who would then be required to report any pre-approval decisions to the Audit Committee at its next scheduled meeting. Unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by our independent registered public accounting firm. Any proposed services exceeding pre-approved cost levels or budgeted amounts also will require specific pre-approval by the Audit Committee. In granting both general and specific pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence, as well as whether our independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as familiarity with our business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance our ability to manage or control risk or improve audit quality. The term of any general pre-approval will be 12 months, unless the Audit Committee determines otherwise.

Audit Services. The annual audit services engagement terms and fees are subject to specific pre-approval by the Audit Committee. Audit services include the annual financial statement audit and quarterly reviews, subsidiary audits, and other services necessary for the auditors to form an opinion on the Company's consolidated financial statements. The Audit Committee monitors the audit services engagement no less frequently than quarterly and also approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other items. In addition, the Audit Committee may grant general pre-approval to other audit services, which include statutory or financial audits for subsidiaries of the Company and services associated with SEC registration statements, periodic reports and other documents filed with the SEC or issued in connection with securities offerings.

Audit-Related Services. The Audit Committee may grant general pre-approval of audit-related services, which are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. Audit-related services include due diligence services pertaining to any potential business acquisitions or dispositions, consultations related to accounting, financial reporting or disclosure matters not classified as audit services, assistance with the implementation of new accounting and financial reporting rules and guidance, financial audits of employee benefit plans, and assistance with internal control reporting requirements.

Tax Services. To the extent the Company retains its independent registered public accounting firm to provide tax services, the Audit Committee may grant general pre-approval for those tax services that historically have been provided by its independent registered public accounting firm and that the Audit Committee has reviewed and determined would not impair the independence of the auditor. Generally, tax services involving large and complex transactions must be specifically pre-approved by the Audit Committee.

Other Services. The Audit Committee may grant general pre-approval to those permissible non-audit services that it determines are routine and recurring services and that would not impair auditor independence. All other services not otherwise classified above must be specifically pre-approved by the Audit Committee.

Procedures. All services proposed to be provided by our independent registered public accounting firm that do not require specific pre-approval by the Audit Committee are submitted to the Company's Chief Financial Officer, who determines whether such services are included within those that have received general pre-approval by the Audit Committee. All services proposed to be provided by our independent registered public accounting firm that require specific pre-approval by the Audit Committee are submitted to the Audit Committee or its delegated member by both the independent registered public accounting firm and the Company's Chief Financial Officer. The Chief Financial Officer is responsible for monitoring the performance of the services provided by the independent registered public accounting firm, determining whether such services are in compliance with the Audit Committee's pre-approval policies, and reporting the results of his monitoring on a periodic basis to the Audit Committee.

Effect of Ratification

Ratification by stockholders of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by applicable law. However, as a matter of policy and sound corporate practice, we are submitting the selection to our stockholders for ratification at the Annual Meeting. If stockholders fail to ratify the selection of Ernst & Young LLP, the Board of Directors will reconsider the matter. Even if the selection is ratified by stockholders, the Board of Directors may select a different firm to serve as our independent registered public accounting firm at any time during the fiscal year if it believes a change would be in the best interests of the Company and its stockholders.

Our Board of Directors unanimously recommends that you vote FOR Proposal 3.

DIRECTOR COMPENSATION

Each of the non-employee directors (Messrs. Davis, Dunn, Lane and Weldon) receives an annual retention fee of \$10,000, and a fee of \$1,000 for each board and committee meeting such director attends. The \$1,000 paid for each board and committee meeting a director attends does not apply to and no payment is made for special meetings of a committee or the board held via teleconference unless otherwise expressly determined by the Board on a case by case basis. The annual retention fee is paid in advance at the beginning of each year of a director's term, which is determined to commence on the date of the annual meeting held to elect any class of directors and to continue until the next annual meeting of stockholders held to elect any class of directors. Directors appointed during a term year may receive a proportional amount of the annual retention fee for that

year. Options and other equity awards may be granted to directors on a discretionary basis. Mr. LeDoux receives no additional compensation for serving as a director. Directors are reimbursed for travel and other expenses incurred in connection with attending board and committee meetings. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and any person who owns more than 10% of our common stock, to file with the SEC initial reports of ownership of our common stock within 10 days of becoming a director, executive officer or greater than 10% stockholder, and reports of changes in ownership of our common stock before the end of the second business day following the day on which a transaction resulting in a change of ownership occurs. Directors, executive officers and greater than 10% stockholders are required by SEC regulations to provide us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on our review of the copies of such reports provided to us and written representations that no other reports were required, during the fiscal year ended June 30, 2009, all required Section 16(a) reports applicable to our directors, executive officers and greater than 10% stockholders were timely filed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to the Audit Committee's charter, the Audit Committee conducts a review of all related party transactions for potential conflict of interest situations on an ongoing basis. The Company may not enter into a related party transaction unless the transaction is approved by the Audit Committee. A transaction is considered a related party transaction if the transaction would be required to be disclosed herein pursuant to Item 404 of Regulation S-K. There have been no related party transactions since July 1, 2008, nor are any currently proposed.

AUDIT COMMITTEE REPORT

The Audit Committee reviewed and discussed the Company's audited financial statements for the fiscal year ended June 30, 2009 with the Company's management, and discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding independent accountant communications with audit committees concerning independence, and discussed with Ernst & Young LLP its independence. Based on the Audit Committee's above described review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 30, 2009, be included in the Company's Annual Report on Form 10-K for such fiscal year for filing with the SEC.

It is not the duty of the Audit Committee to plan or conduct audits, to determine that the Company's financial statements are presented fairly in all material respects in accordance with accounting principles generally accepted in the United States, to certify the Company's financial statements or to guarantee the report of the Company's independent registered public accounting firm. As the Audit Committee's primary function is oversight, the Audit Committee relies on the expertise, skills and knowledge of management and the Company's independent registered public accounting firm and the accuracy of information provided to the Audit Committee by such persons in carrying out its oversight responsibilities. In giving its recommendation to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K, the Audit Committee relied on (i) certain representations and reports of management concerning the preparation of the financial statements; and (ii) the reports of the Company's independent registered public accounting firm with respect to such financial statements.

No member of the Committee may accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any subsidiary of the Company, other than in his or her capacity as a member of the Committee, the Board or any other committee of the Board. For this purpose, indirect acceptance includes acceptance of such a fee by a spouse, minor child or stepchild or a child or stepchild sharing a home with the Committee member, or by an entity in which the Committee member is a partner, member, an officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory services to the Company or any of its subsidiaries.

The Committee shall be responsible for actively engaging in a dialogue with the Auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the Auditor, including whether the provision by the Auditor of permissible non-audit services is compatible with independence, and for taking, or recommending that the full Board take, appropriate action.

5.4. Quality Control.
