**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On August 17, 2010, the Board of Directors (the Board ) of Carpenter Technology Corporation (the Company ) and the Human Resources Committee of the Board (the Committee ), after reviewing Gregory A. Pratt's performance in his role as Non-Executive Chairman and Interim President and Chief Executive Officer of the Company and finding that Mr. Pratt's performance was equal to or above the Committee's stated objectives, took the following action:

(a) In recognition of the extraordinary effort and commitment demonstrated by Mr. Pratt during the months of July and August 2010 to facilitate a smooth transition of Chief Executive Officer responsibilities to Mr. William A. Wulfsohn, the Board and the Committee resolved to count Mr. Pratt's service during these two months as Interim Service for purposes of the vesting of two non-qualified stock options awarded to Mr. Pratt on October 29, 2009 with respect to his service as Interim President and Chief Executive Officer. The original terms and conditions of these options, to which 33,860 shares and 85,288 shares of the Company's common stock are respectively subject, are disclosed on page 4 of our Current Report Form 8-K filed with the Securities and Exchange Commission on October 26, 2009;

(b) The Committee determined that, based on the Company's achievement during fiscal year 2010 of previously established business goals and the Committee's evaluation of Mr. Pratt's performance as Interim President and Chief Executive Officer, Mr. Pratt had earned the maximum number of stock units available (53,910) under the performance-based restricted stock unit arrangement described on page 3 of our Current Report Form 8-K filed with the Securities and Exchange Commission on October 26, 2009. The arrangement provides that each earned unit will vest, and shares of Company common stock will be distributed in respect thereof, upon completion by Mr. Pratt of an additional period of service. The Board and the Committee approved an amendment to this arrangement to reduce, by one month, the period of additional service required to fulfill this time-based vesting requirement.
