ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Agreement and Plan of Merger

On September 21, 2010, Penn Virginia GP Holdings, L.P. (the Partnership) announced that it had entered into an Agreement and Plan of Merger (the Merger Agreement) by and among the Partnership, Penn Virginia Resource Partners, L.P. (PVR), their respective general partners and PVR Radnor, LLC (Merger Sub), a wholly owned subsidiary of PVR, pursuant to which the Partnership and its general partner will be merged into Merger Sub, with Merger Sub as the surviving entity (the Merger). In the transaction, Partnership unitholders will receive consideration of 0.98 common units in PVR for each common unit in the Partnership representing aggregate consideration of approximately 38.3 million common units in PVR. Pursuant to the Merger Agreement and the Fourth Amended and Restated Agreement of Limited Partnership of PVR (substantially in the form attached as Annex A to the Merger Agreement), the incentive distribution rights held by the general partner of PVR will be extinguished, the 2.0% general partner interest in PVR held by PVR's general partner will be converted into a noneconomic interest and approximately 19.6 million common units in PVR owned by the Partnership will be cancelled.

The terms of the Merger Agreement were unanimously approved by the conflicts committee, comprised of independent directors, of the board of directors of the Partnership's general partner, by the board of directors of the Partnership's general partner, by the conflicts committee, comprised of independent directors, of the board of directors of PVR's general partner, and by the board of directors of PVR's general partner (in each case with the chief executive officer of each general partner recusing himself from the board of directors approvals).

Pursuant to the Merger Agreement, the Partnership agreed to support the merger by, among other things, voting its PVR common units in favor of the Merger and against any transaction that, among other things, would materially delay or prevent the consummation of the Merger. The agreement to support automatically terminates if the conflicts committee of the board of directors or the board of directors of the general partner of the Partnership changes its recommendation to the Partnership's unitholders with respect to the Merger or the conflicts committee of the board of directors or the board of directors of the general partner of PVR changes its recommendation to PVR's unitholders with respect to the Merger.

After the Merger, the board of directors of PVR's general partner is expected to consist of nine members, six of whom are expected to be the existing members of the board and three of whom are expected to be the three existing members of the conflicts committee of the board of directors of the Partnership's general partner.

The Merger Agreement provides that the Partnership is subject to a no-solicitation covenant, which restricts its ability to (i) knowingly initiate, solicit or encourage the submission of competing proposals or (ii) participate in any discussions or negotiations regarding, or furnish to any person, any non-public information, with respect to any competing proposal. The no-solicitation restriction does not prohibit discussions or negotiations with any party that submits an unsolicited written acquisition proposal that did not result from a knowing and intentional breach by the Partnership of the no-solicitation covenant if the conflicts committee of the board of directors or the board of directors of the general partner of the Partnership determines in good faith, after consultation with its outside legal counsel and financial advisors (i) that the acquisition proposal constitutes or is likely to result in a Superior Proposal as defined in the Merger Agreement and (ii) that failure to take such action would be inconsistent with its fiduciary duties under the partnership agreement of the Partnership and applicable law.

The Partnership may terminate the Merger Agreement prior to obtaining its unitholders' approval in the event that the conflicts committee of the board of directors or the board of directors of its general partner makes a change in recommendation to its unitholders and the Partnership has not breached the no-solicitation covenant, in which event the Partnership would be required to pay a termination fee of \$18 million to PVR. The Partnership may terminate the Merger Agreement if the conflicts committee of the board of directors or the board of directors of PVR's general partner changes its recommendation to PVR's unitholders, in which event PVR would be required to pay a termination fee of \$18 million to the Partnership. In addition, the Partnership may be required to pay a termination fee of \$18 million to PVR if it consummates a business combination transaction within 12 months after termination of the Merger Agreement and certain other conditions are met. The Partnership will not participate in any distribution from PVR on its PVR interests relating to any termination fee that PVR receives. PVR may

terminate the Merger Agreement if the conflicts committee of the board of directors or the board of directors of the general partner of the Partnership changes its recommendation to PVR's unitholders, in which event the Partnership would be required to pay a termination fee of \$18 million to PVR. PVR may terminate the Merger Agreement prior to obtaining its unitholders' approval in the event that the conflicts committee of the board of directors or the board of directors of its general partner makes a change in recommendation to its unitholders, in which event PVR would be required to pay a termination fee of \$18 million to the Partnership.

Subject to certain restrictions and conditions, either the Partnership or PVR may terminate the Merger Agreement, if (i) the Merger has not been consummated on or before March 31, 2011, (ii) the Partnership or PVR breaches certain representations, warranties, covenants or other agreements contained in the Merger Agreement, (iii) a regulatory authority has permanently restrained, enjoined or otherwise prohibited the consummation of the merger or made the merger illegal or (iv) the Partnership or PVR fails to obtain the necessary approval of the holders of the Partnership's common units or PVR's common units, respectively. Upon such termination (in the case of clauses (ii) and (iv) above), the Partnership or PVR may be obligated to pay up to \$6 million of the expenses of the other party. Subject to certain restrictions or conditions, the Partnership or PVR may terminate the Merger Agreement if, as a result of a change in U.S. tax law, the exchange of the Partnership's common units for PVR common units could materially increase the tax amount of U.S. federal income tax due from holders of the Partnership's or PVR's common units, respectively. In addition, the Merger Agreement may be terminated by the mutual consent of the Partnership and PVR.

The Merger Agreement is subject to customary closing conditions including, among other things, (i) approval by the affirmative vote of the holders of a majority of the Partnership's common units outstanding and entitled to vote at a meeting of the holders of the Partnership's common units, (ii) approval by the affirmative vote of the holders of a majority of PVR's common units outstanding and entitled to vote at a meeting of the holders of PVR's common units, (iii) receipt of applicable regulatory approvals, (iv) the effectiveness of a registration statement on Form S-4 with respect to the issuance of PVR's common units in connection with the Merger, (v) receipt of certain tax opinions, (vi) approval for listing PVR's common units to be issued in connection with the Merger on the New York Stock Exchange and (vii) the execution of PVR's Fourth Amended and Restated Agreement of Limited Partnership substantially in the form attached as Annex A to the Merger Agreement.
