**Item 1.01 Entry into a Material Definitive Agreement.**

On January 27, 2011, Realogy Corporation (the "Company"), Domus Intermediate Holdings Corp. ("Intermediate"), the Company's parent, Domus Holdings Corp. ("Holdings"), the Company's indirect parent, and the subsidiary guarantors named therein entered into a Purchase Agreement (the "Purchase Agreement") with several initial purchasers named therein, relating to the sale by the Company of \$700 million aggregate principal amount of the Company's 7.875% Senior Secured Notes due 2019 at an issue price of 100% (the "Notes").

The Notes will be issued in a private offering that is exempt from the registration requirements of the Securities Act of 1933 (the "Securities Act") to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act. The Notes will be guaranteed on a senior secured basis by Intermediate and each domestic subsidiary of the Company that is a guarantor under its senior secured credit facility. The Notes will also be guaranteed by Holdings on an unsecured senior subordinated basis. The Notes will be secured by substantially the same collateral as the Company's existing first lien obligations under its senior secured credit facility, but the priority of the collateral liens securing the Notes will be (i) junior to the senior priority collateral liens including those securing the Company's first lien obligations under its senior secured credit facility and (ii) senior to the junior priority collateral liens including those securing the Company's second lien obligations under its senior secured credit facility. Subject to customary closing conditions, the sale of the Notes is expected to close on or about February 3, 2011.

The purchase agreement contains customary representations, warranties and agreements by the Company and the guarantors. In addition, the Company and the guarantors have agreed to indemnify the initial purchasers against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the initial purchasers may be required to make in respect of those liabilities. Furthermore, the Company and the guarantors have agreed with the initial purchasers not to offer or sell any similar debt securities for a period of 60 days after the closing date without the prior written consent of the representative of the initial purchasers.

The Company will use the net proceeds from the offering of the Notes, along with cash on hand, to prepay \$700 million of certain of its first lien term loans that were extended in connection with an amendment to its senior secured credit facility.

**Item 8.01 Other Events.**

On January 27, 2011, the Company issued a press release announcing the pricing of the Notes. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
