Cautionary Statement

Cautionary Note to US Investors The United States Securities and Exchange Commission permits US mining companies, in their filings with the SEC, to disclose only those mineral deposits that a company can economically and legally extract or produce. This press release uses certain terms, such as measured, indicated, and inferred resources, that the SEC guidelines strictly prohibit US registered companies from including in their filings with the SEC. US Investors are urged to consider closely the disclosure in Gammon gold's Annual Report on Form 40-F, which may be secured from Gammon gold, or from the SEC's website at <http://www.sec.gov/edgar.shtml>.

This communication contains statements that constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and comparable safe harbour provisions of applicable Canadian legislation. These statements are based on the current expectations and beliefs of the Company and are subject to a number of risks, uncertainties and assumptions that could cause actual results to differ materially from those described in the forward-looking statements. All statements other than statements of historical fact are statements that could be deemed forward-looking statements. The following factors, among others, could cause or contribute to such material differences: the ability to obtain the approval of the transaction by Capital Gold stockholders; the ability to realize the expected synergies resulting from the transaction in the amounts or in the timeframe anticipated; the ability to integrate Capital Gold's businesses into those of Gammon Gold Inc. in a timely and cost-efficient manner; the ability to obtain governmental approvals of the transaction or to satisfy other conditions to the transaction on the proposed terms and timeframe; and the outcome of pending litigation related to the proposed acquisition of Capital Gold Corporation. Additional factors that could cause Gammon Gold Inc. and Capital Gold's results to differ materially from those described in the forward-looking statements can be found in the 2009 Annual Report on Form 40-F, as amended by Amendment No. 1 to Annual Report on Form 40-F/A, for Gammon Gold Inc. and the Annual Report on Form 10-K, as amended by Form 10-K/A, of Capital Gold for the fiscal year ended July 31, 2010 filed with the SEC and available at the SEC's Internet site (<http://www.sec.gov>).
