Proxy Statement;

4 2012 Proxy Statement and Notice of Annual Meeting of Shareholders

Table of Contents

Proxy Card;

Annual Report to Shareholders; and

Directions to attend the annual meeting, where you may vote in person.

Who is Entitled to Vote?

We have fixed the close of business on March 5, 2012, as the record date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of Heritage's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Heritage common stock you own. On March 5, 2012, there were 15,466,323 shares of Heritage common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a shareholder of record if your shares of Heritage common stock are held in your name. If you are a beneficial owner of Heritage common stock held by a broker, bank or other nominee (i.e., in street name), please see the instructions in the following question.

Shares of Heritage common stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included on your proxy card. Shares of Heritage common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to us with no specific instruction as to how to vote at the annual meeting, the persons named in the proxy will vote the shares FOR the election of each of our director nominees, FOR advisory approval of the compensation of our named executive officers as disclosed in this Proxy Statement and FOR ratification of the appointment of Crowe Horwath as our independent registered public accounting firm for the year ending December 31, 2012. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name by a Broker?

If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, the shares not voted will be treated as broker non-votes. The proposal to elect directors and the advisory vote on executive compensation are considered non-discretionary items; therefore, you must provide instructions to your broker in order to have your shares voted on these proposals.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of

Table of Contents

ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Will My Shares of Common Stock Held in the 401(k) Employee Stock Ownership Plan Be Voted?

We maintain a 401(k) employee stock ownership plan (KSOP) which owned 391,504 shares or 2.53% of Heritage s common stock as of the record date. Our employees participate in the KSOP. Each KSOP participant may instruct the trustee of the plan how to vote the shares of Heritage common stock allocated to his or her account under the KSOP by completing a vote authorization form. If a KSOP participant properly executes a vote authorization form, the KSOP trustee will vote the participant s shares in accordance with the participant s instructions. Unallocated shares of Heritage common stock held by the KSOP will be voted by the trustee. Allocated shares for which proper voting instructions are not received will not be voted. In order to give the trustee sufficient time to vote, all vote authorization forms, which are in the form of a proxy card, from KSOP participants must be received by the transfer agent on or before April 27, 2012.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Heritage common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless a new record date for the meeting is set. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of Heritage common stock. Accordingly, the four nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election because the four nominees receiving the greatest number of votes will be elected. **Our Board of Directors unanimously recommends that you vote FOR the election of each of its director nominees.**

Vote Required to Approve Proposal 2: Advisory Vote on Executive Compensation

Approval of the advisory (non-binding) vote on executive compensation requires the affirmative vote of the majority of the votes cast, in person or by proxy, at the annual meeting by holders of Heritage common stock. Abstentions are not affirmative votes and, therefore, will have the same effect as a vote against the proposal. Broker non-votes do not constitute votes cast and therefore will have no effect on the approval of the proposal. **Our Board of Directors unanimously recommends that you vote FOR the adoption of an advisory resolution to approve our executive compensation as disclosed in this Proxy Statement.**

Table of Contents

Vote Required to Approve Proposal 3: Ratification of the Appointment of Our Independent Registered Public Accounting Firm

Ratification of the Audit and Finance Committee's appointment of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2012, requires the affirmative vote of the majority of the votes cast, in person or by proxy, at the annual meeting by holders of Heritage common stock. Abstentions are not affirmative votes and, therefore, will have the same effect as a vote against the proposal. **Our Board of Directors unanimously recommends that you vote FOR the proposal to ratify the selection of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2012.**

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

submitting a new proxy with a later date;

notifying the Secretary of Heritage in writing before the annual meeting that you have revoked your proxy; or

voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in street name, you must bring a validly executed proxy from the nominee indicating that you have the right to vote the shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of March 5, 2012, information regarding share ownership of:

those persons or entities (or groups of affiliated persons or entities) known by management to beneficially own more than five percent of Heritage's common stock other than directors and executive officers;

each director and director nominee of Heritage;

each executive officer of Heritage named in the Summary Compensation Table appearing under Executive Compensation below (known as named executive officers); and

all current directors and executive officers of Heritage as a group.

Persons and groups who beneficially own in excess of five percent of Heritage's common stock are required to file with the Securities and Exchange Commission (SEC), and provide a copy to Heritage, reports disclosing their ownership pursuant to the Securities Exchange Act of 1934. To our knowledge, no other person or entity, other than the ones set forth below, beneficially owned more than five percent of the outstanding shares of Heritage's common stock as of the close of business on the voting record date.

Table of Contents

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In accordance with Rule 13d-3 of the Securities Exchange Act, a person is deemed to be the beneficial owner of any shares of common stock if he or she has voting and/or investment power with respect to those shares. Therefore, the table below includes shares owned by spouses, other immediate family members in trust, shares held in retirement accounts or funds for the benefit of the named individuals, and other forms of ownership, over which shares the persons named in the table may possess voting and/or investment power. In addition, in computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after the voting record date are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person. On March 5, 2012, there were 15,466,323 shares of Heritage common stock outstanding and entitled to vote at the annual meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Board of Directors currently consists of ten members and historically has been divided into three classes, with directors elected for three-year terms. At last year's annual meeting of shareholders, shareholders approved an amendment to our Articles of Incorporation which eliminated our classified board prospectively. The terms of the current members: Gary B. Christensen, John A. Clees, Kimberly T. Ellwanger and Philip S. Weigand, expire at the 2012 annual meeting. Upon recommendation of the Governance and Nominating Committee, each of these incumbent directors has been nominated by the Board to serve an additional one-year term ending at the 2013 annual meeting, or when their respective successors have been duly elected and qualified. Directors Charneski, Fluetsch and Vance are serving terms that expire in 2013 and directors Jensen, Lyon and Rhodes are serving terms that expire in 2014. Directors who are nominated to replace directors with terms expiring in 2013 or 2014 will be elected for one-year terms.

The table below sets forth information regarding each director of Heritage and each nominee for director, including his or her age, position and term of office. Each nominee has consented to being named in this Proxy Statement and has agreed to serve if elected. If a nominee is unable to stand for election, the Board of Directors

Table of Contents

may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. At this time, we are not aware of any reason why a nominee might be unable to serve if elected.

The Board of Directors recommends you vote FOR the election of Gary B. Christensen, John A. Clees, Kimberly T. Ellwanger and Philip S. Weigand.

Audit and Finance Committee

The Audit and Finance Committee is comprised of six members, each of whom is independent in accordance with the requirements for companies listed on The NASDAQ Stock Market and applicable SEC rules. Director Jensen has been designated by the Board of Directors as the audit committee financial expert, as defined by the SEC. The Committee meets quarterly and on an as-needed basis to evaluate the effectiveness of Heritage's internal controls for safeguarding its assets and ensuring the integrity of the financial reporting. The Committee also appoints the independent registered public accounting firm and reviews the audit report prepared by the independent registered public accounting firm.

Compensation Committee

The Compensation Committee is comprised of five members, each of whom is an independent director as defined by NASDAQ listing standards and applicable SEC and Internal Revenue Service rules. The Compensation Committee meets on an as-needed basis regarding the personnel, compensation and benefits related matters of Heritage. For more information on the responsibilities and activities of the Compensation Committee, including the Committee's processes for determining executive compensation, see the Compensation, Discussion and Analysis section below.

Table of Contents

Governance and Nominating Committee

The Governance and Nominating Committee is comprised of five members, each of whom is an independent director. The Governance and Nominating Committee and its Chair are appointed annually by the Board of Directors. The Committee meets annually and on an as-needed basis, and is responsible for selecting qualified individuals to fill expiring directors' terms and vacancies on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendations of the Committee. The Committee's role includes oversight of our corporate governance program. The Committee's duties include the development and administration of Heritage's corporate governance standards.

Risk Committee

The Risk Committee was formed in 2009 and is comprised of six members. The Committee reviews risks inherent in our business such as credit risk, market and liquidity risk, operational risk and the regulatory component of compliance risk.

Trust Committee

The Trust Committee, which is comprised of five members, was formed in 2010 upon the acquisition of certain assets and liabilities of Cowlitz Bank. The Committee is responsible for the oversight of the fiduciary duties of the Trust Department of Heritage Bank, including its policies and procedures, the investment and disposition of property held in a fiduciary capacity and the direction and review of the officers and employees.

CORPORATE GOVERNANCE

Heritage is committed to good corporate governance and acts in a manner that best serves the interests of the Company and its shareholders. The Board reviews the Company's policies and business strategies and advises executive management who manage and implement the Company's business model and operations. The Board has adopted Corporate Governance Guidelines, Committee Charters, Stock Ownership Guidelines and various Policies including the Code of Ethics Policy and Whistleblower Policy to provide a framework for effective governance practices. The full text of these documents can be found at www.hf-wa.com. Governance is a continuing focus at the Company and in this section we describe our key governance policies, guidelines and practices.

Corporate Governance Guidelines

The Corporate Governance Guidelines were approved by the Board in December 2011. These Guidelines outline the Company's governance framework by addressing such items as responsibilities of directors, adherence to conflict of interest rules; the selection process for director candidates, required meeting attendance, stock ownership guidelines, the annual completion of board performance assessments, director compensation, the retirement age of directors, director education, succession planning and other important governance matters.

Process for Selecting Directors

In its deliberations for selecting candidates for nominees as director, the Governance and Nominating Committee Charter requires the Committee to consider: each candidate's business and occupational background and experience; integrity and reputation; education; knowledge of and contacts in our market area and ties to the community; ability to commit adequate time and attention to serve as a director in light of other commitments; ability to work effectively in a group; independence and potential conflicts of interest; tenure on the Board; specialized knowledge or skills; and any other factors that the Committee deems appropriate. In selecting nominees, the Committee must consider these criteria, and any other criteria established by the Board, in the context of an assessment of the operation and needs of the Board as a whole and the Board's goal of maintaining a diversity of backgrounds among its members. In searching for qualified director candidates to fill vacancies on

Table of Contents

the Board, the Committee solicits its current Board for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board pursue their own business contacts for the names of potentially qualified candidates, or the Committee may use the services of a search firm. The Committee would then consider the potential pool of director candidates, select the top candidate based on the candidates' qualifications and the Board's needs, and conduct an investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of Heritage. The Committee will consider director candidates recommended by Heritage's shareholders. If a shareholder has submitted a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of the Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for a shareholder to submit a nomination, see Shareholder Proposals in this Proxy Statement.

Board Leadership

The Board annually elects the Chairman of the Board. The Chairman leads the Board and presides at all Board meetings, and is responsible for delivery of information to enable the Board to make informed decisions. The positions of Board Chairman and of President and Chief Executive Officer have been separately held since 2006. The Board believes this structure is appropriate for Heritage because it provides segregation of duties between managing Heritage and leadership of the Board. Mr. Clees acts as lead independent director. In Mr. Clees' role as lead independent director, he communicates to the Chairman of the Board and the Chief Executive Officer, as appropriate, to let them know about any follow up actions that are needed as a result of the discussions held during the independent director sessions of the monthly board meetings.

Board Risk Oversight

The Board has the ultimate responsibility and authority for overseeing risk management at Heritage. The Board assesses risks facing Heritage and the subsidiary banks. On a regular basis, the Board reviews operational and regulatory reports provided by management to assess credit risk, liquidity risk, and operational risk.

The Board also delegates the oversight of risk to various committees. The Audit and Finance Committee oversees the financial, accounting and internal control risk management. The Compensation Committee oversees the management of risks that may be posed by our compensation practices and programs. The Compensation Committee is responsible for reviewing policies and practices for all employees to ensure that they do not create or encourage risks that are reasonably likely to have a material adverse effect on Heritage. The Risk Committee oversees the risks inherent in our businesses in the following categories: credit risk, market and liquidity risk, operational risk and the regulatory component of compliance risk. The Audit and Finance Committee and Risk Committee hold a joint meeting annually to review the annual audit plan and risk assessment. In 2012, the Compensation Committee Chair also attended the joint meeting to ensure that compensation risks were also reviewed as part of the annual risk assessment process. The Senior Risk Officer reports directly to the Risk Committee Chair and Audit and Finance Committee Chair.

Director Independence

Our common stock is listed on the NASDAQ Global Select Market. In accordance with NASDAQ requirements, at least a majority of our directors must be independent. The Board of Directors has determined that eight of our ten directors are independent. Directors Charneski, Christensen, Clees, Ellwanger, Fluetsch, Jensen, Lyon and Weigand are all independent. Only Brian L. Vance, who serves as President and Chief Executive Officer of Heritage Financial Corporation and Heritage Bank, and Donald V. Rhodes, the Chairman of Heritage and its financial institution subsidiaries and the former President and Chief Executive Officer of Heritage Financial Corporation and Heritage Bank, are not independent.

Code of Ethics

The Board of Directors has adopted a written Code of Ethics Policy that applies to our directors, officers and employees.

Stock Ownership Guidelines

Heritage has adopted Stock Ownership Guidelines for directors and the Chief Executive Officer. The guidelines were established to promote a long-term perspective in managing the Company, and to help align the interests of our shareholders, directors and top executive. The stock ownership goal for each person is determined on an individual basis, first in dollars as a multiple three times the directors annual retainer and 2.5 times the Chief Executive Officer's base salary, and then by converting such amount to a fixed number of shares. The Guidelines became effective on March 24, 2011 and gave directors three years to comply and the Chief Executive Officer five years to comply. As of December 31, 2011 all directors and the Chief Executive Officer are in compliance with the Stock Ownership Guidelines.

Shareholder Communication with the Board of Directors

The Board of Directors maintains a process for shareholders to communicate with the Board of Directors. Shareholders wishing to communicate with the Board of Directors should send any communication to Kaylene M. Lahn, Corporate Secretary, Heritage Financial Corporation, 201 Fifth Avenue S.W., Olympia, Washington 98501. Any such communication should state the number of shares beneficially owned by the shareholder making the communication.

Annual Meeting Attendance by Directors

It is Heritage's policy that its directors attend the annual meeting of shareholders. Eight directors attended the 2011 annual shareholders' meeting with excused absences for the remaining two directors.

Related Party Transactions

We have followed a policy of granting loans to our executive officers and directors, which fully comply with all applicable federal regulations, including those governing loans and other transactions with affiliated persons of Heritage. Loans to our directors and executive officers are made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with all customers, and do not involve more than the normal risk of collectability or present other unfavorable features.

All loans and aggregate loans to individual directors and executive officers, without regard to loan amount, are completely documented and underwritten using the same underwriting policies, procedures, guidelines and documentation requirements as are used for non-director and non-employee customers of Heritage. Following the normal underwriting approvals by underwriting personnel, all such loans are then presented for review and approval by the Board of Directors of Heritage Bank or Central Valley Bank, as the case may be, pursuant to Regulation O of the Federal Reserve Board, and the requirements of the Federal Deposit Insurance Corporation and the Washington State Department of Financial Institutions, Division of Banks. There are no exceptions to these procedures and all approvals are documented in the Board meeting minutes. There were \$8.3 million in loan balances outstanding to directors and executive officers at December 31, 2011.

Executive Summary

Our Business

Heritage is a parent company of two wholly owned subsidiary banks – Heritage Bank located in Olympia, Washington and Central Valley Bank located in Yakima, Washington. Heritage's total assets as of December 31, 2011 were approximately \$1.4 billion. Heritage Bank has 27 branches located from Portland, Oregon to Seattle, Washington and Central Valley Bank has 6 branches located in the Yakima and Kittitas Valleys of Washington. Heritage's vision is to be an innovative team providing financial services where our client's success is our vision. We are committed to continuously improving customer satisfaction, employee empowerment and shareholder value.

2011 Business Highlights

While the past 12 months marked another year of volatile global economic conditions, throughout this period we were able to continue steady improvement in key performance metrics as a result of our disciplined leadership. Our performance in 2011 reflected our prudent capital management strategies, continued efforts to effectively integrate the two 2010 acquisitions and seek more growth opportunities while maintaining our core business operations. During 2011, we had the following significant accomplishments:

Capital Management Strategies we implemented a stock repurchase program with approximately 201,000 shares repurchased when our stock price was below tangible book value. We reinstated our cash dividend and paid out a total of \$0.38 per share for 2011 as well as a first quarter 2012 cash dividend of \$0.06 per share, which provided value to our shareholders. Tangible common equity to tangible assets was 13.9% at year-end and the Company continued to maintain capital levels significantly in excess of the regulatory requirements.

Growth Opportunities we pursued several acquisition opportunities with a disciplined approach and although we did not have any additional acquisitions, we opened two new branches and continued to integrate the two bank acquisitions from 2010.

Edgar Filing: HERITAGE FINANCIAL CORP /WA/ - Form DEF 14A

Solid Balance Sheet we increased total originated loans by approximately \$35 million during the year and improved our deposit mix with non-interest demand deposits at 20.4% of total deposits at December 31, 2011, compared to 17.1% at December 31, 2010.

Credit Quality nonperforming originated assets to total originated assets improved from the prior year by 24 basis points with potential problem loans decreasing by 41.3% while the allowance for loan losses to total originated loans remains solid at 2.66%.

Net Interest Margin at December 31, 2011 the net interest margin remained very strong at 5.41%, which was a 63 basis point increase from the prior year's net interest margin of 4.78%.

2011 Executive Compensation Highlights

Executives received base salary increases in 2011 ranging from 2-4%, in accordance with the Company's objective of controlled merit increases and the Committee's ongoing focus to align the executive team at market competitive levels. Non-equity incentives were awarded based on the Company's 2011 performance and equity incentives were awarded as a result of the strong 2010 financial performance. All compensation components are dependent upon the individual's successful personal performance as well.

2011 Compensation Program Highlights

During 2011, the Committee acted in accordance with the compensation philosophy and provided executives compensation commensurate with market comparisons, Heritage's financial performance and the executive's individual performance. The Committee approved Stock Ownership Guidelines, which encouraged further corporate ownership by Board members and the Chief Executive Officer. The Company successfully received 91% of votes cast in support of executive compensation during the 2011 annual shareholder's meeting as well as requested an annual vote on executive compensation, which the shareholders supported with 86% of the votes cast. The Committee continually strives to provide shareholder value while retaining key executives. The Committee continued to adhere to and research the enhanced requirements within the Dodd-Frank Wall Street Reform and Consumer Protection Act impacting Corporation's compensation programs, which focus on deferred incentives, clawback policies and performance based compensation.

Philosophy and Objectives of Our Executive Compensation Program

Heritage's compensation philosophy provides overarching guidelines for establishing and managing all elements of compensation. The philosophy targets total executive compensation at market competitive levels, which are defined as between the 50th and 75th percentile of peer banks in order to be market competitive, manage base salary levels, allow for performance-based compensation, recruit and retain key talent. The formal compensation philosophy takes into account factors such as internal consistency, experience, tenure, and scope of responsibility. The Committee seeks to target overall compensation at levels that it believes to be consistent with other comparable peers within the banking industry. Officer compensation is weighted toward Heritage's achievement of stated annual and long-term performance objectives.

Our compensation programs are designed to link compensation with performance, taking into account competitive compensation levels at similar financial institutions and in the markets where we compete for talent. The policies and underlying philosophy governing our compensation programs include the following:

Employer of Choice we view compensation as a key means of being an employer of choice in our markets and which allows us to attract and retain key employees critical to our long-term success. We provide competitive compensation packages in order to attract above-average employees.

Pay for Performance provide incentive opportunities that reward outstanding individual and Company performance and involve appropriate levels of risk.

Flexibility we recognize that the market for talent requires flexibility in compensation in order to attract qualified individuals. Salary ranges and individual compensation decisions take into account local competitive pressures and changing conditions, as well as regulatory restrictions.

This compensation philosophy is reviewed periodically by the Committee and is modified, as appropriate, to reflect market trends and industry best practices.

Table of Contents

Role of the Compensation Committee

The Committee, composed entirely of independent directors, establishes and monitors compensation programs for employees of Heritage and its subsidiaries. The Committee's responsibilities are to:

review the goals, policies and objectives of the compensation plans of Heritage, Heritage Bank and Central Valley Bank;

review and administer our compensation plans in light of the goals and objectives of these plans, and adopt and recommend new compensation plans or amendments to existing plans;

review and approve actions affecting salaries, annual cash incentives, benefits, equity compensation grants and other compensation arrangements for the Chief Executive Officer and other named executive officers;

review and approve the corporate goals and objectives for the Chief Executive Officer annually;

review and recommend to the full Board for approval of director compensation and fees, benefits and equity compensation grants;

review and discuss the Compensation Discussion and Analysis with management; and

review our policies regarding the tax deductibility of compensation paid to executive officers for purposes of Section 162(m) of the Internal Revenue Code.

The Committee has the sole discretion: (a) to determine whether and to what extent any named executive officer compensation plans covering the executives encourage taking unnecessary and excessive risks that threaten Heritage's value; (b) to determine whether and to what extent any other employee compensation plans covering the executives pose risks to Heritage that should be limited; (c) to determine whether and to what extent any compensation plans covering the executives encourage the manipulation of reported earnings; and (d) to limit or eliminate any compensation or compensation plan based on these determinations.

Role of Executives in Compensation Committee Deliberations

The Committee frequently requests the Chief Executive Officer and other executives to be present at Committee meetings to discuss executive compensation. Executive officers in attendance may provide their insights and suggestions, but only Compensation Committee members may vote on decisions regarding executive compensation. The Compensation Committee discusses the Chief Executive Officer's compensation with him, but final deliberations and all votes regarding his compensation are made in executive session with independent directors and without the Chief Executive Officer present. The Committee also reviews the Chief Executive Officer's recommendations and input from the independent compensation consultant regarding the other named executive officers' compensation.

Compensation Consultant

The Committee has retained McLagan (formerly Amalfi Consulting) as its compensation consultant. The Committee engages McLagan for ongoing projects and services and acts as counsel to the Committee upon their request. McLagan reports directly to the Committee and the Committee reviews and approves all consulting projects performed by McLagan. The Committee may replace McLagan or hire additional consultants at any time. As an independent consulting firm, McLagan does not provide other non-executive services such as retirement or welfare plan administration.

During 2011, McLagan served as an independent consultant to the Committee and attended Committee meetings upon their request. McLagan provided data to the Committee related to director compensation during

the year as well. In December 2011, the Committee engaged McLagan to explore certain changes to our executive compensation structure in the areas of incentive awards and retirement plans. The report to the Committee regarding incentive awards presented features to encourage employees to focus on long-term results, including deferrals and equity performance vesting. The deferral feature means that incentive awards would potentially be deferred for a period and paid out only upon meeting a minimum performance condition. Similarly, performance vesting could be added to stock option and restricted stock awards. With respect to retirement plans, the McLagan report provided an overview of deferred compensation and supplemental executive retirement plans. Heritage does not currently have any retirement plan specifically for its executive officers and these plans are effective tools for rewarding and retaining key executives. The report also provided peer group data relative to the use of executive nonqualified retirement plans. As the Committee just received McLagan's report in mid-February, it has not made any decisions as to how, or whether, to proceed with any changes to Heritage's executive compensation structure.

Use of Competitive Data

During 2010, the Committee engaged McLagan to compile a peer compensation study. During that process, the Company compiled a custom peer group established generally on the following criteria:

publicly-traded financial institutions;

locations in the states of Alaska, Idaho, Montana, Oregon, Utah, Washington and Northern and Central California;

asset size of \$700 million to \$2 billion; and

comparable business model and performance results.

The 18 comparable commercial bank holding companies that comprised our peer group in the study consisted of the following:

Columbia Banking System, Inc.	Heritage Commerce Corp.	Washington Banking Company
West Coast Bancorp	Sierra Bancorp	Northrim Bancorp, Inc.
Farmers & Merchants Bancorp	Pacific Continental Corporation	Heritage Oaks Bancorp
Cascade Financial Corporation	Bank of Marin Bancorp	Riverview Bancorp, Inc.
PremierWest Bancorp	Intermountain Community Bancorp	North Valley Bancorp

In addition, the study included executive compensation information from published banking industry surveys including the Milliman and Roberts 2010 Northwest Financial Industry Survey, and surveys published by McLagan, The Delves Group, American Bankers Association, and Towers Watson.

The Committee engaged McLagan to assist with the 2010 review of executive pay. This review included data on salary, cash compensation (salary and annual cash incentives), direct compensation (cash compensation and all forms of equity compensation) and total compensation (direct compensation and all other forms of compensation). According to the consultant's report provided in July 2010, salaries, cash compensation, direct compensation and total compensation amounts for the named executive officers generally fell below the market 50th percentile. The primary data source used in evaluating competitive market levels for the named executive officers was the peer group of the financial institutions above. This information was supplemented with banking industry survey data. The Committee took action during 2010 to more closely align the compensation of our named executive officers with our overall compensation philosophy statement and our peer group.

During 2011, the Committee did not conduct a full compensation study with the compensation consultant because a full study was completed during 2010 and executive compensation was adjusted to more closely align with the 50th percentile of the peer group. The Committee determined that a full compensation study is not necessary every year and will consider another study in 2012.

Table of Contents**Components of Compensation**

The following table lists some of the major components of compensation that we may use as part of the compensation program.

Component	Key Characteristics	Purpose	Principal 2011 Actions
Base salary	Fixed compensation component. Reviewed annually and adjusted, if and when appropriate.	Intended to compensate an executive officer fairly for the responsibility level of the position held as well as be competitive within the banking industry.	Base salary increases ranged from 2-4% for the named executive officers.
Annual Incentives	Variable compensation component.	Intended to motivate and reward executive officers for achieving annual goals. The annual incentives are performance-based and reflect the actual performance results compared to established goals.	The named executive officers received annual incentive awards ranging from approximately \$46,000 to \$109,000.
Long-term Incentives	Variable compensation component. Performance-based award opportunity, generally granted annually. The awards have more recently been in the form of restricted stock awards but historically incentive stock options have also been granted.	Intended to motivate executive officers to achieve our business objectives by tying incentives to long-term performance. The increased stock ownership aligns employee and shareholder interests and serves as a retention tool.	The named executive officers received long-term incentives in the form of restricted stock awards ranging in value from \$47,807 to \$100,581.
Post-Employment Compensation	Fixed compensation component.	Intended to provide temporary income following an executive officer's involuntary termination of employment and to retain senior executives in a competitive marketplace.	No changes to programs in 2011 that affected the named executive officers.

Base Salary

Salary levels of executive officers are designed to be competitive within the banking industry and are based on the experience and responsibility assigned to the officer. We utilize various compensation surveys and a peer group to obtain a general understanding of current base salary, salary range and total cash compensation trends of competitors to ensure that executive compensation is not significantly out of line with competitors of a similar size or within our market areas. The Compensation Committee may engage a compensation consultant to perform a more customized review, as it did in 2010. To set competitive salary ranges, the Compensation Committee evaluates current salary levels of other financial institutions with size, lines of business, geographic dispersion and market place position similar to ours. Base salaries for our executive officers other than the Chief Executive Officer are based upon recommendations by the Chief Executive Officer, taking into account the

Table of Contents

subjective and objective factors described above. The Committee reviews and approves or disapproves those recommendations. The base salary for the Chief Executive Officer is recommended to the Board of Directors by the Compensation Committee. The Chief Executive Officer is not present during discussions regarding his compensation.

The Compensation Committee generally meets in February of each year in order to approve the base salaries of the officers of Heritage and its subsidiaries effective April 1 of that year. This timing coincides with the review of the performance of the individual officer as well as the prior year performance of Heritage and its subsidiaries.

Salary Adjustments Made in Year 2011

The comprehensive review of executive compensation during 2010 reflected that generally base salary compensation lagged that of the median levels of our peer group. As a result, merit increases were provided to all of the named executive officers during 2010 to become more closely aligned with the median range of the peer group. During 2011, merit increases ranged from 2% to 4% for the named executive officers. The merit increases were based on the review of each individual's performance throughout the year.

Annual Cash Incentives

We use annual cash incentives to focus attention on current strategic priorities and encourage achievement of corporate objectives. These incentives are made under our Management Incentive Plan. The objectives of the Plan are to reward and retain high performers, to drive Heritage's long-term financial success, to encourage teamwork and to create an environment where executives are rewarded if Heritage achieves or exceeds pre-determined annual performance criteria. The Plan design incorporates a tiered approach with annual incentive awards that are linked to the achievement of pre-defined performance goals. The incentive ranges (as a percentage of salary) are designed to provide market competitive payouts for the achievement of minimum, target and maximum levels of performance. The annual awards are determined by previously approved goals, calculated based on financial and individual performance and then recommended by the Chief Executive Officer to the Committee. The Committee then reviews and approves or disapproves the annual cash incentive recommendations. Each of the named executive officers participates in the Management Incentive Plan.

The Committee approves the funding level for the Management Incentive Plan based on meeting or exceeding Company goals. Each performance goal has an established threshold (minimum), target and maximum expectation level; however no payment will be made for a goal if performance falls below the threshold level. Performance ratings for each specific corporate and individual goal between threshold and target or between target and maximum will result in the annual cash incentive payout being reduced or increased from target on a prorated basis. Each named executive officer has a scorecard with performance results and the Committee approves the final incentives paid. The Compensation Committee reserves the right, in its sole discretion, to not award any incentive payouts when extraordinary circumstances occur that may negatively impact Heritage.

2011 Annual Cash Incentive Award Determinations

In 2011, each of our named executive officers was eligible to participate in the Management Incentive Plan. Messrs. Vance, Deuel, Patjens, Hinson and Broadhead had an annual cash incentive opportunity based on corporate goals and performance. To be eligible to receive an award, corporate performance had to exceed a threshold level, the executive had to achieve a satisfactory individual performance evaluation and the overall Company incentives paid out could not exceed 15% of the Company's net income.

Table of Contents

The opportunities for cash incentive awards for our named executive officers are detailed in the table below.

Executive	Target Opportunity	Maximum Opportunity	Annual Cash Incentive Received
	as % of Salary	as % of Salary	as % of Salary
Brian L. Vance	40%	60%	36%
Jeffrey J. Deuel	30%	45%	27%
Gregory D. Patjens	30%	45%	27%
Donald J. Hinson	30%	45%	27%
D. Michael Broadhead	30%	45%	27%

Performance Goals

In February 2011, the Committee approved all goals for the named executive officers which were related to Heritage's performance. These goals are set forth in the table below.

Corporate Goal	Weighting	Threshold	Target	Maximum	Actual Performance
Nonperforming Originated Assets to Total Originated Assets	25%	3.00%	2.70%	2.40%	2.14%
Efficiency Ratio	25%	74.00%	70.00%	66.00%	68.82%
Net Interest Margin ⁽¹⁾	25%	4.50%	4.85%	5.10%	5.41%
Net Income	25%	\$6.5 million	\$9.0 million	\$12.0 million	\$6.52 million

(1) Noninterest expense divided by the sum of net interest income and noninterest income.

Each named executive is required to have a satisfactory rating on their individual performance evaluation and the aggregate of all cash incentives paid for the Company could not exceed 15% of the Company's net income. Due to the 15% cash incentive pool limitation, the earned cash incentives were pro-rated and therefore each of the named executive officers' annual cash incentives was reduced by approximately 12%. The following table reflects the originally calculated, or earned annual cash incentive and the actual pro-rata annual cash incentive paid to the named executive officers for the 2011 performance:

Name	Earned Annual Cash Incentive (\$)	Pro-Rata Annual Cash Incentive (\$)
Brian L. Vance	123,818	109,175
Jeffrey J. Deuel	65,441	57,705
Gregory D. Patjens	52,976	46,711
Donald J. Hinson	54,845	48,359
D. Michael Broadhead	54,535	48,085

Equity-based Compensation

Equity-based compensation is intended to more closely align the financial interests of our executives with long-term shareholder value, and to assist in the retention of key executives. Historically, we have granted equity-based compensation to officers in the form of incentive stock options and restricted stock awards. During 2010 we adopted, and our shareholders approved, the 2010 Omnibus Equity Plan, which allowed us to grant stock options, stock appreciation rights, restricted stock, restricted performance stock, unrestricted stock or performance unit awards to directors, officers and other employees of Heritage and its subsidiaries.

Stock options and restricted stock awards are awarded based on the closing price of Heritage's stock on the date of grant. The date of grant is the date that the options or awards are approved by the Committee, or by the shareholders at the annual shareholders meeting if the level of grants requires a new option or award plan.

Table of Contents

Generally, stock options and restricted stock awards are granted to officers annually during the February Committee meeting. One-time grants of options and/or restricted stock awards to individuals occur occasionally at the discretion of the Committee.

Stock options granted prior to 2010 vest ratably over three years and expire five years after they become exercisable. Stock options granted under the 2010 Omnibus Equity Plan generally vest ratably over four years and expire ten years after they are granted. Restricted stock awards granted prior to 2010 generally have a five-year cliff vesting schedule. The majority of the restricted stock awards granted to date under the 2010 Omnibus Equity Plan vest ratably over four years while some grants awarded have a three-year cliff vesting schedule. Future awards may be granted with different vesting schedules.

Equity Grant Award Determination

The Chief Executive Officer makes recommendations to the Compensation Committee regarding the amount and terms of equity awards for the other named executive officers. Using the recommendations of the Chief Executive Officer, the Compensation Committee determines which executives will receive awards and determines the number of shares subject to each award. The Chair of the Compensation Committee, working with the independent compensation consultant, recommends to the Committee the amount and terms of equity awards for the Chief Executive Officer.

2011 Equity Award Determinations

In February 2011, the named executive officers received grants of restricted stock awards. Heritage applied a tiered structure with target award opportunities expressed as a percentage of salary during 2011, as described in the table below. Subjective factors were used to differentiate individual performance. Executive officers are assigned to one of five different tier levels based upon factors such as title, position and/or responsibilities. The tier level is the primary factor used to determine the equity award each executive officer may earn. The target opportunity is based upon a percentage of salary and placement within the tiered structure. If an officer did not meet his or her goals under the Management Incentive Plan for the prior year, the officer may not receive an award, or the award may be reduced. The Committee may make discretionary grants of stock options or restricted stock, based on factors relating primarily to the responsibilities of individual executives, their expected future contributions to Heritage and the recruitment of new officers.

The table below contains the tier level for each of the named executive officers, as well as their potential and actual 2011 awards, expressed as a percentage of base salary.

Executive	Tier	Target Opportunity as % of Salary	Maximum Opportunity as % of Salary	2011 Actual Award as % of Salary ⁽¹⁾
Brian L. Vance	I	30%	45%	33%
Jeffrey J. Deuel	II	25%	37.5%	27%
Gregory D. Patjens	II	25%	37.5%	28%
Donald J. Hinson	II	25%	37.5%	28%
D. Michael Broadhead	II	25%	37.5%	27%

(1) Calculated using grant date fair value of equity awards as a percentage of 2011 base salary.

To determine the 2011 equity awards, Heritage took into consideration whether the named executive officers met their individual performance goals under the Management Incentive Plan for 2010. The 2011 actual awards as a percentage of salary were higher than the target level because the awards are determined on the prior year performance goals. The 2010 performance results were 113% of target, thus the 2011 awards were higher as a percentage of salary.

Table of Contents

Retirement Plan

We maintain a 401(k) Employee Stock Ownership Plan as a retirement plan. The KSOP is a defined contribution plan and is designed to provide employees with savings opportunities and financial security during retirement. Heritage makes three different contributions to the plan:

A contribution matching 50% of an employee's salary deferral contributions up to 6% of an employee's eligible compensation;

A profit-sharing contribution which includes a fixed contribution of 2% of an employee's eligible compensation and a discretionary contribution based on a percentage of an employee's eligible compensation based on Heritage's financial performance and management's recommendation and as approved by the Board. For 2011, the discretionary contribution was equal to 1% of employees' eligible compensation; and

A stock contribution as a result of the employee stock ownership plan determined based on the current employee stock ownership plan's loan principal and interest repayments, which is allocated as a percentage of eligible compensation.

Perquisites and Other Benefits

The President and Chief Executive Officer of Heritage or its subsidiaries receives perquisites in the form of golf club memberships and use of automobiles. These perquisites are considered a priority for these individuals because of their community involvement and business development activities. Executive officers participate in Heritage's other benefit plans on the same terms as other employees. These plans include medical, dental and vision insurance, life insurance, long-term disability and flexible spending accounts.

Tax and Accounting Considerations

Heritage takes into account tax and accounting implications in the design of its compensation programs. For example, in the selection of long-term incentive instruments, the Compensation Committee reviews the projected expense amounts and expense timing associated with alternative types of awards. In selecting appropriate incentive devices, the Compensation Committee reviews extensive modeling analyses and considers the related tax and accounting issues.

Section 162(m) of the Internal Revenue Code places a limit on the tax deduction for compensation in excess of \$1 million paid to the Chief Executive Officer and four most highly compensated executive officers of a corporation in a taxable year. All of the compensation Heritage paid in 2011 to the named executive officers is expected to be deductible under Section 162(m) of the Code. The Compensation Committee retains the discretion, however, to pay non-deductible compensation if it believes doing so is in our best interests.

Employment Agreements and Severance/Change in Control Benefits

The rationale for having employment and severance/change in control agreements in place is to retain the employment of the named executive officers, and the talent, skills, experience and expertise that they provide to Heritage. Retention of the current leadership team is a critical goal of the Board as it protects Heritage and the shareholders, provides stability and the type of skilled leadership needed in the current environment.

Mr. Vance's agreement provides for an annual base salary of at least \$298,008 and Mr. Broadhead's agreement provides for an annual base salary of at least \$175,008. During the term of the agreements, Messrs. Vance and Broadhead may participate in an equitable manner with all other executive officers of Heritage and Heritage Bank (in the case of Mr. Vance) and Central Valley Bank (in the case of Mr. Broadhead) in such performance-based and discretionary bonuses for executive officers declared by the Board of Directors or a Board committee. In addition, the agreements provide for Messrs. Vance and Broadhead's participation in benefit programs generally maintained for executive officers of Heritage relating to pension, retirement, thrift, profit-sharing, savings, group or other life insurance, hospitalization, medical and dental coverage, travel and accident insurance, education, cash bonuses, and stock and stock option-related plans. Messrs. Vance and Broadhead are also eligible to participate in, and receive benefits under, any other fringe benefit plans or perquisites which are or may become generally available to our executive officers. They are also provided with automobiles for business use.

Severance Benefits. The employment agreements of Messrs. Vance and Broadhead provide for severance benefits if the executive experiences an involuntary termination; that is, the executive's employment is terminated (other than for cause or in connection with a change in control) or the executive terminates his own employment due to a material diminution of or interference with his duties, responsibilities or benefits. Under Mr. Vance's employment agreement, Heritage and Heritage Bank would be required to pay to him over the remaining term of his agreement (which currently expires on March 31, 2012) an amount equal to two times his salary. Under Mr. Broadhead's agreement, Heritage and Central Valley Bank would be required to pay to him his salary over a one-year period, beginning with the date of termination. Messrs. Vance and Broadhead would also receive (1) any bonus or other incentive compensation due to him and (2) substantially the same group life insurance, hospitalization, medical, dental, prescription drug and other health benefits, and long-term disability insurance as if he had not suffered involuntary termination (to continue over the period during which his salary is being paid). In addition, any equity awards granted to Mr. Vance or Mr. Broadhead by Heritage that are subject to vesting, performance or target requirements will be treated as having satisfied the applicable requirement.

Change in Control Benefits. Change in control benefits are included in the employment agreements of Messrs. Vance and Broadhead. The employment agreements of Messrs. Vance and Broadhead provide for change in control benefits if, within 12 months following a change in control, the executive experiences an involuntary termination. Under Mr. Vance's employment agreement, Heritage and Heritage Bank would be required to pay to him over the remaining term of his agreement (which currently expires on March 31, 2012) an amount equal to 2.99 times his base amount (as defined in Internal Revenue Code Section 280G). Under Mr. Broadhead's agreement, Heritage and Central Valley Bank would be required to pay to him two times his salary over a one-year period, beginning with the date of termination. Both executives would also be entitled to continuation of benefits and accelerated vesting of awards, as described in the paragraph above regarding severance benefits.

Equity Plans

Our Restricted Stock Plan of 2002 and Restricted Stock Plan of 2006 and 2010 Omnibus Equity Plan provide for accelerated vesting of awards upon disability, death or retirement (at or after age 65). The 2010 Omnibus Equity Plan provides for accelerated vesting of awards upon disability, death or retirement (at or after age 65 and 10 years of service). The 2010 Omnibus Equity Plan further provides that in the event of a change in control, if Heritage is not the surviving corporation and the acquirer does not assume outstanding awards or substitute equivalent awards, or if the award recipient is terminated without cause or if the award recipient

terminates his or her own employment for good reason within 24 months following a change in control, then all outstanding awards will become immediately exercisable or vested. Our 1998 Stock Option and Restricted Stock Award Plan, Restricted Stock Plan of 2002, Restricted Stock Plan of 2006 and Incentive Stock Option Plan of 2006 provide for immediate vesting of all outstanding awards in connection with a change in control.

The members of the Compensation Committee as of the mailing date of this proxy statement were Directors Ellwanger, Christensen, Fluetsch, Lyon and Weigand. PROPOSAL 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), we are required to include in this Proxy Statement and present at the meeting a non-binding shareholder vote to approve the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a say-on-pay proposal, gives shareholders the opportunity to endorse or not endorse the compensation of Heritage s executives as disclosed in this Proxy Statement. The proposal will be presented at the annual meeting in the form of the following resolution:

RESOLVED, that the shareholders approve the compensation of Heritage Financial Corporation s named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and related material in Heritage s Proxy Statement for the 2012 annual meeting of shareholders.

This vote will not be binding on our Board of Directors or Compensation Committee and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. It will also not affect any compensation paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The purpose of our compensation policies and procedures is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of shareholder value. We believe that our compensation policies and procedures are strongly aligned with the long-term interests of our shareholders. As discussed in the Compensation Discussion and Analysis, the Compensation Committee of the Board of Directors believes that the executive compensation for 2011 is reasonable and appropriate, is justified by Heritage s performance in an extremely difficult environment and is the result of a carefully considered approach. In considering how to vote on this proposal, the Board requests that you consider the following factors:

Heritage s capital management strategies, which included the implementation of a stock repurchase program and the reinstatement of the cash dividend while maintaining solid capital levels in excess of regulatory requirements.

Heritage s performance when measured by credit quality reflects relatively low nonperforming originated assets to total originated assets ratio compared to its peer group.

Executive compensation has seen minimal increases over the last several years until 2010 when we aligned our executives with our compensation philosophy to attain the 50th percentile of their peer group.

Heritage s leadership team strives to fairly compensate and retain quality management while managing and balancing risks and rewards. **The Board of Directors recommends that you vote FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement.**

**PROPOSAL 3 RATIFICATION OF THE APPOINTMENT
OF REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Independent Registered Public Accounting Firm

The Audit and Finance Committee of the Board of Directors has appointed Crowe Horwath LLP as its independent registered public accounting firm for the year ending December 31, 2012. KPMG LLP served as Heritage's independent auditor for the fiscal year ended December 31, 2011. Heritage terminated its engagement of KPMG LLP as its independent registered public accounting firm upon the completion of the audit for fiscal year ended December 31, 2011. In connection with the audit as of and for the years ended December 31, 2011 and 2010, and the subsequent interim period through March 2, 2012, (1) there were no disagreements with KPMG LLP on any matter of accounting principle or practice, financial statement disclosure, auditing scope or procedure, whereby such disagreements, if not resolved to the satisfaction of KPMG LLP, would have caused them to make reference thereto in their report on the financial statements for such years; and (2) there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K). You are asked to ratify the appointment of Crowe Horwath LLP at the annual meeting. Although shareholder ratification of the appointment of Crowe Horwath LLP is not required by our bylaws or otherwise, our Board of Directors is submitting this appointment to shareholders for their ratification at the annual meeting as a matter of good corporate practice. If the appointment of Crowe Horwath LLP is not ratified by our shareholders, the Audit and Finance Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of Crowe Horwath LLP. Even if the appointment of Crowe Horwath is ratified by the shareholders at the annual meeting, the Audit and Finance Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year.

The Audit and Finance Committee operates under a written charter adopted by the Board of Directors. In fulfilling its oversight responsibility of reviewing the services performed by Heritage's independent registered public accounting firm, the Committee carefully reviews the policies and procedures for the engagement of the independent registered public accounting firm. The Audit and Finance Committee discussed with KPMG LLP the overall scope and plans for the audit, and the results of the audit for the year ended December 31, 2011. The Committee also reviewed and discussed with KPMG LLP the fees paid, as described below, and determined the fees billed for services was compatible with KPMG LLP maintaining its independence.

A representative of Crowe Horwath LLP is expected to attend the meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires. Representatives of KPMG LLP will not be attending the meeting.

The Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of Crowe Horwath LLP as the independent registered public accounting firm for Heritage for the year ending December 31, 2012.

Table of Contents**Audit Fees**

The following table sets forth the aggregate fees billed or expected to be billed to Heritage by KPMG LLP for professional services rendered for the years ended December 31, 2011 and 2010.

Includes costs of \$110,139 associated with the secondary offering during the year ended December 31, 2010.

(2) Includes costs incurred in relation to the audit of the employee benefit plan.

Pre-approval Policy

It is the policy of the Audit and Finance Committee to pre-approve all audit and permissible non-audit services to be provided by the registered public accounting firm and the estimated fees for these services. Pre-approval is typically granted by the full Audit and Finance Committee. In considering non-audit services, the Audit and Finance Committee will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent registered public accounting firm and whether the service could compromise the independence of the independent registered public accounting firm. For the year ended December 31, 2011, the Audit and Finance Committee approved all, or 100%, of the services provided by KPMG LLP that were designated as audit fees, audit-related fees, tax fees and all other fees as set forth in the table above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our directors and executive officers, and persons who own more than 10% of Heritage's common stock to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC. Specific due dates for these reports have been established by the SEC and we are required to disclose in this Proxy Statement any late filings or failures to file. Based solely on our review of the copies of such forms we have received and written representations provided to us by the above referenced persons, we believe that, during the year ended December 31, 2011, all filing requirements applicable to our reporting officers, directors and greater than 10% shareholders were properly and timely complied with.
