Re: Micromet, Inc.  
Post-Effective Amendment No. 1 relating to Registration

Statement on Form S-3 (File No. 333-120302)

Application for Withdrawal

Ladies and Gentlemen:

Pursuant to Rule 477 promulgated under the Securities Act of 1933, as amended (the "Act"), Micromet, Inc. (the "Company") hereby respectfully requests that the Securities and Exchange Commission (the "Commission") consent to the withdrawal of a Post-Effective Amendment No. 1 filed on March 12, 2012 (the "Filing") that appears in the Company's filings on EDGAR under File No. 333-120302, with such request to be approved effective as of the date hereof or at the earliest practicable date hereafter. This file number relates to the Company's Registration Statement on Form S-3, as initially filed on November 8, 2004 and amended on December 9, 2004 (the "Registration Statement"). The Registration Statement has been withdrawn with the Commission's consent as of March 15, 2012.

The Company is seeking to withdraw the Filing because the Company's financial printer filed it under File No. 333-120302 in error. The Filing itself does not seek to amend or relate to the Registration Statement.

No securities have been sold or issued under either the Registration Statement or the Filing.
