to be held at 9:00 a.m. on June 20, 2012

This Proxy Statement is furnished to the stockholders of the Company in connection with the solicitation of proxies by the Board of Directors of the Company for use at the annual meeting of stockholders of the Company to be held on Wednesday, June 20, 2012 at 9:00 a.m., local time (the Annual Meeting), at Locust Hill Country Club, 2000 Jefferson Road, Pittsford, New York 14534, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

This Proxy Statement and our Annual Report are available at www.manning-napier.com.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

When and where is the Annual Meeting?

The Annual Meeting will be held at Locust Hill Country Club, 2000 Jefferson Road, Pittsford, New York 14534 at 9:00 a.m., local time, on Wednesday, June 20, 2012.

Who is soliciting my proxy?

The solicitation of proxies is made by and on behalf of the Company's Board of Directors.

What matters will be voted upon at the Annual Meeting?

At the Annual Meeting you will be asked to consider and vote upon the following matters:

Election of five directors to our Board of Directors;

Ratification of the appointment of PricewaterhouseCoopers LLP (PwC) as our independent registered public accountants for our fiscal year ending December 31, 2012;

An advisory (non-binding) vote approving the compensation of our named executive officers;

An advisory (non-binding) vote on the frequency of the advisory vote approving compensation of our named executive officers; and

Transaction of such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

What constitutes a quorum?

The presence, either in person or by proxy, of the holders of at least a majority of the total voting power of our issued and outstanding shares of Class A common stock and Class B common stock is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes, which are described in more detail below, are counted as shares present at the Annual Meeting for purposes of determining whether a quorum exists.

Who is entitled to vote?

Only stockholders of record of our Class A common stock and Class B common stock at the close of business on Tuesday, May 1, 2012, which is the record date, are entitled to notice of, and to vote at, the Annual Meeting. Shares that may be voted include shares that are held (1) directly by the stockholder of record, and (2) beneficially through a broker, bank or other nominee. Each holder of our Class A common stock is entitled to one vote for each share of Class A common stock held at that time. The holder of our Class B common stock is entitled to a number of votes equal to the quotient derived by dividing 1,000 into a number equal to 101% of the aggregate number of votes entitled to be cast by the holders of shares of our Class A common stock and any other class of equity securities entitled to vote other than the Class B common stock, as calculated on the record date for the Annual Meeting.

As of the record date, there were approximately 13,583,873 shares of our Class A common stock and 1,000 shares of our Class B common stock issued and outstanding and entitled to be voted at the Annual Meeting. Also as of the record date, William Manning, our Chairman, beneficially owned 100% of our Class B common stock and approximately 50.2% of the voting power of our Class A common stock and Class B common stock, voting together as a single class. See Principal Stockholders. Accordingly, the affirmative vote of Mr. Manning alone is sufficient to adopt each of the proposals to be submitted to the stockholders at the Annual Meeting. We have been informed by Mr. Manning that he intends to vote FOR all of the proposals set forth in the notice attached to this Proxy Statement.

What is the difference between holding shares as a registered owner and as a beneficial owner ?

Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between registered shares and those owned beneficially:

Registered Owners If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are the stockholder of record. As the stockholder of record, you have the right to grant your proxy vote directly to the Company or to vote in person at the Annual Meeting.

Beneficial Owners If your shares are held in a brokerage account, bank or by another nominee, you are the beneficial owner of shares held in street name. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote or to vote in person at the Annual Meeting. However, since you are not a stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee (who is the stockholder of record), giving you the right to vote the shares.

What stockholder approval is necessary for approval of the proposals?

The election of directors requires the affirmative vote of a plurality of the total shares of our Class A common stock and Class B common stock cast at the Annual Meeting. With respect to the election of directors, votes may be cast FOR a director nominee or WITHHELD from a director nominee. A stockholder may also abstain from voting on the proposal. A withhold vote and a broker non-vote will not count as a vote for or against any of the nominees.

Although the Company's independent accountants may be selected by the Audit Committee of the Board of Directors without stockholder approval, the Audit Committee will consider the affirmative vote of a majority of the total shares of our Class A common stock and Class B common stock voting on the proposal to be a ratification by the stockholders of the selection of PwC as the Company's independent registered public accountants for the fiscal year ending December 31, 2012. With respect to the ratification of the appointment of PwC, votes may be cast FOR the proposal or AGAINST the proposal. A stockholder may also abstain from voting on the proposal. A broker non-vote will not count as a vote for or against this proposal. Abstentions will have the same effect as a vote against the proposal.

The advisory vote on executive compensation requires the affirmative vote of a majority of the total shares of our Class A common stock and Class B common stock cast at the Annual Meeting. With respect to the vote on executive compensation, votes may be cast FOR the proposal or AGAINST the proposal. A stockholder may also abstain from voting on the proposal. A broker non-vote will not count as a vote for or against this proposal. Abstentions will have the same effect as a vote against the proposal. While our Board of Directors intends to consider carefully the stockholder vote resulting from the proposal, the final vote will not be binding on us and is advisory in nature.

For purposes of the proposal on the frequency of executive compensation votes, which provides for whether to hold an advisory vote on compensation of our named executive officers once every one, two or three years, the option selected by the affirmative vote of a majority of the total shares of our Class A common stock and Class B common stock cast at the Annual Meeting will be considered the option approved by the stockholders. A stockholder may also abstain from voting on the proposal. A broker non-vote will not count as a vote for or against this proposal. Abstentions will have the same effect as a vote against the proposal. While our Board of Directors intends to carefully consider the stockholder vote resulting from the proposal, the final vote will not be binding on us and is advisory in nature.

May I vote my shares in person at the Annual Meeting?

If you are the registered owner of shares, you have the right to vote these shares in person at the Annual Meeting.

If you are the beneficial owner of shares, you may vote these shares in person at the Annual Meeting if you have requested and received a legal proxy from your broker, bank or other nominee (the stockholder of record) giving you the right to vote the shares at the Annual Meeting, completed such legal proxy and presented it to the Company at the Annual Meeting.

Even if you plan to attend the Annual Meeting, we recommend that you submit your proxy card or voting instructions so that your vote will be counted if you later decide not to attend the Annual Meeting.

How can I vote my shares without attending the Annual Meeting?

If you are the registered owner of shares, you may instruct the named proxy holders on how to vote your shares by completing, signing, dating and returning the enclosed proxy card in the postage pre-paid envelope provided with this Proxy Statement, or by using the Internet voting site or the toll-free telephone number listed on the proxy card. Specific instructions for using the Internet and telephone voting systems are on the proxy card. The Internet and telephone voting systems will be available until 11:59 p.m. Eastern Standard Time, on Tuesday, June 19, 2012 (the day before the Annual Meeting).

If you are the beneficial owner of shares held in street name, you may instruct your broker, bank or other nominee on how to vote your shares. Your nominee has enclosed with this Proxy Statement a voting instruction card for you to use in directing your nominee on how to vote your shares. The instructions from your nominee will indicate if Internet or telephone voting is available and, if so, will provide details regarding how to use those systems.

What is a broker non-vote?

Generally, a broker non-vote occurs when a broker, bank or other nominee that holds shares in street name for customers is precluded from exercising voting discretion on a particular proposal because (1) the beneficial owner has not instructed the nominee how to vote, and (2) the nominee lacks discretionary voting power to vote such shares. Under New York Stock Exchange (NYSE) rules, a nominee does not have discretionary voting power with respect to the approval of non-routine matters absent specific voting instructions from the beneficial owners of such shares.

All proposals other than the ratification of PwC as the Company's independent registered public accountants for fiscal year 2012 are non-routine matters and, therefore, shares of our Class A common stock held in street name will not be voted with respect to these proposals without voting instructions from the beneficial owners. You should follow the instructions provided by your nominee in directing your nominee on how to vote your shares.

How will my proxy be voted?

Shares represented by a properly executed proxy (in paper form, by Internet or by telephone) that is timely received, and not subsequently revoked, will be voted at the Annual Meeting or any adjournments or postponements thereof in the manner directed on the proxy form by the proxy (one of the individuals named in the proxy form). If you sign the proxy form but do not make specific choices, your proxy will vote your shares (1) **FOR** the election of the nominees listed in this Proxy Statement as directors of the Company, (2) **FOR** the ratification of PwC as the Company's independent registered public accounting firm for the 2012 fiscal year, (3) **FOR** the approval, on an advisory (non-binding) basis, of the compensation paid to our named executive officers, as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, and (4) **FOR** the approval,

on an advisory (non-binding) basis, of conducting future advisory votes on executive compensation every three years. If any other matter is presented at the Annual Meeting, your proxy will vote in accordance with his or her best judgment. As of the date of this Proxy Statement, the Company is not aware of other matters to be acted on at the Annual Meeting other than those matters described in this Proxy Statement. If, for any unforeseen reason, any of the director nominees are not available to serve as a director, the named proxy holders will vote your proxy for such other director candidate or candidates as may be nominated by the Board of Directors.

May I revoke my proxy and change my vote?

Yes. You may revoke your proxy and change your vote at any time prior to the vote at the Annual Meeting.

If you are the registered owner of shares, you may revoke your proxy and change your vote with respect to those shares by (1) submitting a later-dated proxy, a later-dated vote by telephone or later-dated vote via the Internet (which automatically revokes the earlier proxy), (2) giving notice of your changed vote to us in writing mailed to the attention of Sarah C. Anderson, at our executive offices, or (3) attending the Annual Meeting and giving oral notice of your intention to vote in person.

If you are the beneficial owner of shares held in street name, you may revoke your proxy and change your vote with respect to those shares (1) by submitting new voting instructions to your broker, bank or other nominee in accordance with their voting instructions or (2) if you have obtained a legal proxy from your nominee giving you the right to vote your shares, by attending the Annual Meeting, presenting the completed proxy to the Company and voting in person.

You should be aware that your presence at the Annual Meeting, without any further action on your part, will not revoke your previously granted proxy.

Who will count the votes?

Our proxy agent, Broadridge Investor Communication Solutions, Inc. (Broadridge), will tabulate and certify the votes. A representative of the proxy agent will serve as the inspector of election.

Who will pay the costs of soliciting proxies?

The costs of soliciting proxies pursuant to this Proxy Statement will be borne by the Company. Proxies will be solicited initially by mail. Further solicitation may be made in person or by telephone, electronic mail or facsimile. The Company will bear the expense of preparing, printing and mailing this Proxy Statement and accompanying materials to our stockholders. The Company may also reimburse brokers, banks or other nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual Meeting to the beneficial owners of our Class A common stock.

The Company has retained Broadridge, an independent proxy solicitation firm, to assist in soliciting proxies from stockholders. Broadridge will receive a fee of approximately \$14,500 as compensation for its services and will be reimbursed for its out-of-pocket expenses. The Company has agreed to indemnify Broadridge against certain liabilities arising under the federal securities laws.

Where Can I Find The Voting Results Of The Annual Meeting?

The Company will publish final voting results of the Annual Meeting in a Current Report on Form 8-K within four business days after the Annual Meeting.

What Should I Do If I Receive More Than One Set Of Voting Materials?

You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and/or multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account. If you are a registered owner and your shares are registered in more than one name, you will receive more than one proxy card. Please vote each proxy and voting instruction card that you receive.

YOUR VOTE IS IMPORTANT. IF YOU ARE A REGISTERED OWNER, YOU MAY VOTE BY TELEPHONE, INTERNET OR BY COMPLETING, SIGNING AND DATING THE ENCLOSED PROXY CARD AND RETURNING IT IN THE ACCOMPANYING ENVELOPE AS PROMPTLY AS POSSIBLE. IF YOU ARE A BENEFICIAL OWNER, PLEASE FOLLOW THE VOTING INSTRUCTIONS OF YOUR BROKER, BANK OR OTHER NOMINEE PROVIDED WITH THIS PROXY STATEMENT AS PROMPTLY AS POSSIBLE.

PROPOSALS TO BE VOTED ON AT THE ANNUAL MEETING

PROPOSAL 1 ELECTION OF DIRECTORS

At the Annual Meeting, five directors are to be elected to serve for a term of one year, until the 2013 Annual Meeting of Stockholders or until their successors are elected and qualified, or their earlier resignation or removal. The five nominees for director are:

William Manning

Patrick Cunningham

B. Reuben Auspitz

Richard M. Hurwitz

Edward J. Pettinella

Our Nominating and Corporate Governance Committee recommended Messrs. Manning, Cunningham, Auspitz, Hurwitz and Pettinella each as a nominee for director. All of these nominees are current members of our Board of Directors, and each nominee has agreed to be named in this Proxy Statement and to serve as a director of the Company if elected. Our Board of Directors believes these directors are well qualified and experienced to direct and manage the Company's operations and business affairs and will represent the interests of the stockholders as a whole.

If any director nominee becomes unavailable for election, which is not anticipated, our Board of Directors intends that proxies will be voted for the election of such other person or persons as designated by the Board of Directors as recommended by the Nominating and Corporate Governance Committee, unless the Board of Directors resolves to reduce the number of directors to serve on the Board of Directors and thereby reduce the number of directors to be elected at the Annual Meeting.

There is no cumulative voting for the election of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR EACH OF THE DIRECTOR NOMINEES LISTED HEREIN.

Number of Directors and Term of Directors and Executive Officers

Our Amended and Restated Bylaws provide that the number of directors will not be less than 3 nor more than 15 with the exact number to be fixed by our Board of Directors. The Board of Directors elects members to fill new membership positions and vacancies in unexpired terms on the Board of Directors. CORPORATE GOVERNANCE

Board Meetings

The directors hold regular meetings, attend special meetings as required and spend such time on the affairs of the Company as their duties require. Pursuant to the Company's Corporate Governance Guidelines, directors are encouraged to attend the Annual Meeting and are expected to attend all Board of Directors meetings and meetings of the committees of the Board of Directors on which they serve. As a result of the closing of the reorganization of our capital structure prior to our initial public offering (the reorganization transactions or the reorganization) and initial public offering in November 2011, none of the Board of Directors or its committees met during the fiscal year ended December 31, 2011.

Board Committees

Although we qualify for the controlled company exemption from certain of the corporate governance rules of the NYSE, our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each consisting solely of independent directors, and our Board of Directors has adopted charters for its committees that comply with the NYSE and SEC rules relating to corporate governance matters. Copies of these committee charters can be found under the Investor Relations Governance section of the Company's website at www.manning-napier.com and are available to any stockholder in writing upon request to the Company.

Audit Committee. Our Audit Committee oversees a broad range of issues surrounding our accounting and financial reporting processes and audits of our financial statements, including the following:

- monitor the integrity of our financial statements, our compliance with legal and regulatory requirements, our independent registered public accounting firm's qualifications and independence, and the performance of our internal audit function and independent registered public accounting firm;

- assume direct responsibility for the appointment, compensation, retention and oversight of the work of any independent registered public accounting firm engaged for the purpose of performing any audit, review or attest services and for dealing directly with any such accounting firm;

- provide a medium for consideration of matters relating to any audit issues; and

- prepare the audit committee report that the rules require be included in our filings with the SEC.

As of the date of this Proxy Statement, Messrs. Hurwitz and Pettinella serve on the Audit Committee and Mr. Pettinella serves as its chairman. Our Board of Directors has determined that Messrs. Hurwitz and Pettinella are financially literate and independent under the NYSE listing standards and under Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and that Mr. Pettinella is an audit committee financial expert within the meaning of the applicable rules of the SEC and the NYSE. From the consummation of our initial public offering through March 2012, Mr. Auspitz served on the Audit Committee.

Compensation Committee. Our Compensation Committee reviews and recommends policy relating to compensation and benefits of our officers, directors and employees, including reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer and other senior officers, evaluating the performance of these persons in light of those goals and objectives and setting compensation of these persons based on such evaluations. The Compensation Committee will review and evaluate, at least annually, the performance of the Compensation Committee and its members, including compliance of the Compensation Committee with its charter.

As of the date of this Proxy Statement, Messrs. Hurwitz and Pettinella serve on the Compensation Committee and Mr. Hurwitz serves as its chairman. From the consummation of our initial public offering through March 2012, Mr. Auspitz served on the Audit Committee.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee oversees and assists our Board of Directors in identifying, reviewing and recommending nominees for election as directors; evaluates our Board of Directors and our management; develops, reviews and recommends corporate governance guidelines and a corporate code of business conduct and ethics; and generally advises our Board of Directors on corporate governance and related matters.

As of the date of this Proxy Statement, Messrs. Hurwitz, Pettinella and Cunningham serve on the Nominating and Corporate Governance Committee and Mr. Hurwitz serves as its chairman.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of our Board of Directors or Compensation Committee, or other committee serving an equivalent function, of any entity that has one or more of its executive officers serving as a member of our Board of Directors or our Compensation Committee.

Director Independence

Our Board of Directors has determined that Messrs. Hurwitz and Pettinella are each considered to be independent directors within the meaning of the NYSE's listing standards and applicable law. The Company does not have separate criteria for determining independence different from the NYSE listing standards.

Our Board of Directors reviews periodically the relationships that each director or nominee has with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). Those directors or nominees whom the Board of Directors affirmatively determines have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) as specified in the listing standards of the NYSE will be considered independent.

Because William Manning holds a majority of the combined voting power of our capital stock through his ownership of 100% of our outstanding Class B common stock, we are considered a controlled company for the purposes of the NYSE listing requirements. As such, we are permitted to, and may, opt out of the NYSE listing requirements that would otherwise require our Board of Directors to be comprised of a majority of independent directors and require our Compensation Committee and Nominating and Corporate Governance Committee to be comprised entirely of independent directors. It is our current intention to have a majority of independent directors. Accordingly, you may not have the same protections afforded to stockholders of companies that are subject to all of the NYSE corporate governance requirements.

Board Leadership Structure and Factors Involved in Selecting Directors

Our Board of Directors and management believe that the choice of whether the Chairman of our Board of Directors should be an executive of the Company, or a non-executive or independent director, depends upon a number of factors, taking into account the candidates for the position and the best interests of the Company and its stockholders. Currently, Mr. Manning is our Chairman. Mr. Manning's operating and leadership experience as an officer and director of Manning & Napier Advisors, LLC since it was founded, including in his role as the primary architect of its research and investment process, make him a compelling choice for Chairman.

When seeking candidates for election and appointment to the Board of Directors, our Nominating and Corporate Governance Committee will consider candidates that possess the integrity, leadership skills and competency required to direct and oversee our management in the best interests of our stockholders, clients, employees, communities we serve and other affected parties, and consider the competency of the Board of Directors as a whole. With respect to the five director nominees, the Nominating and Corporate Governance Committee focused on the information described in each of the Board of Directors members' biographical information set forth above.

Stockholders may submit candidates for nomination to the Board of Directors based on the criteria set forth by the Nominating and Corporate Governance Committee and the Board of Directors in accordance with the procedures set forth in our Amended and Restated Bylaws. The Nominating and Corporate Governance Committee will evaluate candidates recommended by stockholders in the same manner as all other candidates.

To date, no stockholder nomination for directors have been made nor have any stockholder recommendations for directors been received by the Company.

Board's Role in Risk Management Oversight

The Board of Directors oversees the process of risk management which may, from time to time, be delegated to a committee. Members of management, who bear responsibility for the management and assessment of risk at the Company, regularly communicate with the Board of Directors regarding the Company's risk exposure and its efforts to monitor and mitigate such risks. Even when the oversight of a specific area of risk has been delegated to a committee, the full Board of Directors may maintain oversight over such risks through the receipt of reports from the committee to the full Board of Directors. In addition, if a particular risk is material, or where otherwise appropriate, the full Board of Directors may assume oversight over a particular risk, even if the risk was initially overseen by a committee. Our Board of Directors believes that its leadership structure described above facilitates its oversight of risk management because it allows the Board of Directors, working through its committees, to appropriately participate in the oversight of management's actions.

The Company's Audit Committee maintains initial oversight over risks related to the integrity of the Company's financial statements, internal controls over financial reporting and disclosure controls and procedures (including the performance of the Company's internal audit function) and the performance of the Company's independent auditor.

The Company's Compensation Committee maintains initial oversight of risks related to the Company's compensation practices, including practices related to equity programs, other executive or company-wide incentive programs and hiring and retention. The Compensation Committee also reviews the Company's compensation programs periodically for consistency and overall alignment with corporate goals and strategies.

Communications with the Board of Directors

Stockholders and all other interested parties may communicate with the Board of Directors, committees of the Board of Directors, the independent or non-management directors, each as a group, and individual directors by submitting their communications in writing to the attention of the Company's Secretary. All communications

must identify the recipient, author, state whether the author is a stockholder of the Company, and be forwarded to the following address:

Manning & Napier, Inc.
290 Woodcliff Drive
Fairport, New York 14450
Attn: Secretary

The directors of the Company, including the non-management directors, have directed the Secretary not to forward to the intended recipient any communications that are reasonably determined in good faith by the Secretary to relate to improper or irrelevant topics or are substantially incomplete.

Corporate Governance Guidelines

We believe that good corporate governance helps to ensure that the Company is managed for the long-term benefit of our stockholders, and we continually review and consider our corporate governance policies and practices, the SEC's corporate governance rules and regulations and the corporate governance listing standards of the NYSE, the stock exchange on which our Class A common stock is traded.

Our Board of Directors has adopted Corporate Governance Guidelines, which guide the Board of Directors in the performance of its responsibilities to serve the best interests of the Company and its stockholders, a copy of which is posted on the Company's website, www.manning-napier.com, under "Investor Relations" "Governance" and is available to any stockholder in writing upon request to the Company.

Code of Business Conduct and Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all of the Company's directors, officers and employees. The purpose and role of this code is to focus our directors, officers and employees on areas of ethical risk, provide guidance to help them recognize and deal with ethical issues, provide mechanisms to report unethical or unlawful conduct, and to help enhance and formalize our culture of integrity, honesty and accountability. Our Code of Business Conduct and Ethics is posted on the Company's website, www.manning-napier.com, under "Investor Relations" "Governance" and is available to any stockholder in writing upon request to the Company.

Compensation Discussion and Analysis

This section summarizes the principles underlying our compensation policies relating to our named executive officers William Manning, Patrick Cunningham, Charles H. Stamey, B. Reuben Auspitz, James Mikolaichik and Beth H. Galusha. It generally describes the manner and context in which compensation is earned by, and awarded and paid to, our named executive officers and provides perspective on the tables and narratives that follow in this section. Prior to our initial public offering, we were a group of privately held, affiliated companies. The compensation plans discussed below, other than the 2011 Equity Compensation Plan, were in place prior to the reorganization and the initial public offering and remain in effect as of the date of this Proxy. Our initial public offering resulted in two significant compensation related-changes: our newly constituted Board of Directors included an independent Compensation Committee with the responsibility for compensation matters, and shares of our Class A common stock began trading on the NYSE, which provided a new opportunity for us to include equity-based awards as a component of our executive officers' compensation and to encourage broader equity ownership at all levels of the Company. See 2011 Equity Compensation Plan.

Compensation Philosophy and Objectives

We believe that to create long-term value for our stockholders we need a strong and seasoned management team that is focused on our business objectives of achieving profitable and sustainable financial results, expanding our investment capabilities through disciplined growth, continuing to diversify sources of revenue and delivering superior client service. Our named executive officers have strategic importance in supporting our business model of generating superior investment performance in high value-added investment strategies. We depend on our management team to execute on the strategic direction of the firm, recruit and manage our investment professionals, determine which investment strategies and products we launch, manage our distribution channels and provide the operational infrastructure that allows our investment professionals to focus on achieving attractive investment returns for our clients.

Our compensation program for our named executive officers is designed to meet the following objectives:

support our business strategy;

attract, motivate and retain top-tier professionals within the investment management industry, by rewarding past performance and encouraging future contributions to achieve our strategic goals and enhance stockholder value;

link total compensation to individual, team and company performance on both a short-term and a long-term basis;

align our named executive officers' interests with those of our stockholders; and

be flexible enough so we can respond to changing economic conditions.

Our compensation and equity participation programs provide opportunities, predominantly contingent upon performance, which we believe have assisted our ability to attract and retain highly qualified professionals. We use, and expect to continue to use, cash compensation programs and equity participation in a combination that has been successful for us in the past and that we believe will continue to be successful for us as a public company.

We intend for overall compensation levels to remain commensurate with amounts paid to our named executive officers and other key employees in the past, including, subject to the discretion of our Compensation Committee, by recommending the issuance of equity in our company to our named executive officers, in addition to our regular cash compensation programs in circumstances we believe to be appropriate. We believe that the grant or sale of equity that is in addition to, rather than in lieu of, regular compensation to an employee in recognition of value produced provides incentives and alignment of interests that result in even greater value, benefiting not only the recipient of the award but all other stockholders. Our use of performance awards reflects that belief. We intend to focus our programs on rewarding the type of performance that increases long-term shareholder value, including growing revenues, retaining clients, developing new client relationships, developing new products, improving operational efficiency and managing risks. As we develop as a public company, we intend to periodically evaluate the success of our compensation and equity participation programs in achieving these objectives and we expect that some of our policies and practices may change in order to enable us to better achieve these objectives.

Determination of Compensation and Role of Directors and Executive Officers in Compensation Decisions

Our executive compensation and equity participation programs were developed and implemented while we were a group of privately-held, affiliated companies consisting of (1) MNA Advisors, Inc., (2) M&N Advisory Advantage Corporation, (3) M&N Alternative Opportunities, Inc., (4) Manning & Napier Capital Company, LLC ("MNCC"), (5) Manning & Napier Investor Services, Inc., (6) Manning & Napier Information Services, LLC, (7) EXA Advisors, Inc. and (8) Perspective Partners LLC (collectively, the "Manning & Napier Companies"). Historically, base salaries, annual bonuses and incentive compensation of our named executive officers and other professionals were reviewed by our management team and adjusted as deemed necessary after taking into account individual responsibilities, performance and expectations. We have not historically managed our firm to cause our aggregate compensation to be a particular percentage of revenues or another fixed measure, although we have sometimes used such measures as the basis for accruals of amounts pending subjective decision-making. Similarly, we have not historically identified a specific peer group of companies for comparative purposes and have not engaged in formal competitive benchmarking of compensation against specific peer companies. Following the consummation of our initial public offering in November 2011, our management team and our Compensation Committee started to take into account appropriate metrics, which may include measures of our compensation expense as a percentage of revenues or other metrics, as well as comparisons with peer benchmarks.

We believe that the use of relatively few, straightforward compensation components, without rigid annual incentive formulas or entitlements, promotes the effectiveness and transparency of our executive compensation program. We have not adopted any policies with respect to cash versus non-cash compensation (or among different forms of non-cash compensation), although we have determined that it is important to encourage or provide for a meaningful amount of equity ownership by our named executive officers and other professionals to help align their interests with those of stockholders, one of our compensation objectives. The allocation between cash and non-cash compensation has been based on a number of factors, including each named executive

officer's performance objectives and our retention objectives and may vary from year to year. We may decide in future years to pay some or all of short-term and long-term incentives in equity depending upon the facts and circumstances existing at that time. We have not adopted any policies with respect to current compensation versus long-term compensation, but feel that both elements are necessary for achieving our compensation objectives. Our 2011 Equity Compensation Plan (the "2011 Plan") gives us the flexibility to grant other types of equity-based compensation at the Manning & Napier Group level or the Manning & Napier, Inc. level. Base salary provides financial stability for certain of our named executive officers, although we expect base salaries to be a minority of total income over time. Annual cash bonuses provide a reward for short-term company and individual performance. Long-term equity compensation rewards achievement of strategic long-term objectives and contributes toward overall stockholder value.

Our Compensation Committee is comprised solely of independent directors and assists our Board of Directors in the discharge of its responsibilities relating to the compensation of our named executive officers. For a discussion of the Compensation Committee's role and responsibility, see "Corporate Governance - Board Committees - Compensation Committee" included elsewhere in this Proxy Statement. We also expect that, in the future, our chief executive officer will have discretion to determine the compensation of the named executive officers (other than himself), which he will determine in consultation with our Compensation Committee. Our Compensation Committee has overall responsibility for overseeing our executive compensation policies, and has ultimate responsibility for setting the compensation of our Chairman, William Manning, and our chief executive officer, Patrick Cunningham. Our Compensation Committee has overall responsibility for overseeing our compensation plans and programs, reviewing our achievements as a company and the achievements of our executive officers and providing input and guidance to our chief executive officer in the determination of the specific type and level of compensation of our other named executive officers.

We currently do not engage a compensation consultant to assist in the annual review of our compensation practices or the development of compensation or equity participation programs for our named executive officers.

Principal Components of Compensation

We have established compensation practices that directly link compensation with our performance, as described below. These practices apply to all of our professionals, including our named executive officers. Ultimately, ownership in our company has historically been the primary tool that we use to attract and retain professionals, including the named executive officers. As of the date of this Proxy Statement, our employees indirectly held approximately 86.2% of the ownership interests in Manning & Napier Group, the substantial majority of which is held by Mr. Manning.

In 2011, we provided the following elements of compensation to our named executive officers, the relative value of each of these components for individual employees varying based on job role and responsibility:

Base Salary. Base salaries are intended to provide Messrs. Auspitz and Mikolaichik and Ms. Galusha with a degree of financial certainty and stability that does not depend on our performance. We consider it a baseline compensation level that delivers some current cash income to these executives. Messrs. Cunningham and Stamey do not receive a base salary as their compensation structure has historically been derived from their original positions with our company as sales representatives where they received 100% commission-based bonus compensation based on individual sales production and no base salary. When Messrs. Cunningham and Stamey shifted from their respective sales representative roles into management we retained their original compensation structure but expanded it to include all our revenues instead of solely their individual sales production. See "Annual Bonus." Mr. Manning receives a base salary for services provided as a named executive officer based on historical amounts paid to him, and such base salary is not currently based on any formula or production levels. The base salaries paid to Messrs. Manning, Auspitz and Mikolaichik and Ms. Galusha for 2011 and 2010 are set forth below in the summary compensation table. See "Summary Compensation Table."

Annual Bonus. Cash compensation in addition to base salary is a key part of the overall annual compensation for Messrs. Cunningham, Stamey and Mikolaichik. Messrs. Cunningham and Stamey receive discretionary bonus compensation based on company-wide performance for that year, specifically overall percentages of net new revenue and net ongoing service revenue for various products across various channels. Mr. Mikolaichik receives a cash and equity-based bonus related to firm level business performance coupled with specific performance criteria related to finance, strategy, corporate development and investor relations responsibilities. We have historically not paid annual bonuses to Messrs. Manning and Auspitz and Ms. Galusha, as distributions to them from their ownership in the Manning & Napier Companies was at a level where additional bonus compensation was judged to not be in our best interests. See *Equity Based Compensation*. The annual cash incentive compensation awarded to our named executive officers for the fiscal year ended December 31, 2011 and 2010 is set forth below under *Summary Compensation Table*. We believe that our bonus programs have provided us both discipline and the flexibility we need to support our success and to respond to changing market conditions.

Equity Based Compensation. All of our named executive officers and other of our employees have ownership interests in Manning & Napier Group Holdings, LLC (*M&N Group Holdings*), Manning & Napier Group, LLC (*Manning & Napier Group*) and/or certain of the Manning & Napier Companies. These ownership interests include Mr. Manning's ownership interest in M&N Group Holdings, and Messrs. Cunningham and Mikolaichik's ownership interests in Manning & Napier Group, each of which were granted in connection with the reorganization transactions.

In addition, these ownership interests also include employee ownership interests in certain of the Manning & Napier Companies issued while we were a group of privately-held, affiliated companies. These ownership interests were offered as part of our regular compensation program prior to our reorganization and initial public offering.

Upon the consummation of the initial public offering, each of the Manning & Napier Companies adopted new vesting terms related to the current ownership interests of our employees, other than Mr. Manning. Such individuals were entitled to 15% of their pre-reorganization ownership interests at the initial public offering, and an additional 5% will vest annually through 2014 (service-based vesting). The remaining ownership interests will be subject to performance-based vesting annually through 2014 (performance-based vesting).

As conditions allow, we intend to award equity-based incentives under the 2011 Plan as an incentive to align employee and management interests with that of the stockholders in our company and otherwise recruit and retain qualified employees. Subject to the discretion of the Compensation Committee, we intend to recommence the issuance of equity in our company to our named executive officers.

The 2011 Plan, which permits the grant or issuance of a variety of equity awards of both Manning & Napier, Inc. and of Manning & Napier Group. See *2011 Equity Compensation Plan*.

In determining the number of equity awards to be granted to the named executive officers, we have taken, and in the future intend to take, into account the following factors:

the value of such awards;

the named executive officer's level of current and potential job responsibility; and

our desire to retain the named executive officer over the long term.

Historically, the grant or sale of equity to certain of our named executive officers and other employees allows them to share in the future profits and growth of our business through the payments of distributions to such equity holders. The substantial majority of the cash that Mr. Manning and certain other executives and key employees received from us consisted of pro rata cash distributions in respect of such ownership interests at the same time as cash distributions made to all other holders of ownership interests. The amounts of these cash distributions are footnoted in the *Summary Compensation Table* below because they arise out of such named executive officers' ownership interest

and are not considered compensatory distributions. All of our named executive officers, other than Mr. Mikolaichik, currently own equity in MNA Advisors, Inc. and/or other of the Manning & Napier Companies, which provide them with cash distributions (or allocations) of profits on his or her shares and interests and the opportunity to benefit from the appreciation of (or suffer the depreciation of) the value of those shares and interests from and after the date of grant.

Retirement Benefits. We believe that providing a cost-effective retirement benefit for our employees, including our named executive officers, is an important recruitment and retention tool. Accordingly, we maintain a contributory defined contribution retirement plan for all employees, and match up to 50% of each employee's contributions up to 4% of eligible compensation (other than catch-up contributions by employees age 50 and older) up to a current limit of \$16,500.

Other Benefits and Perquisites. Our named executive officers participate in the employee health and welfare benefit programs we maintain, including medical, group life and long-term disability insurance, and health-care flexible spending, and health club reimbursement, on the same basis as all employees, subject to satisfying any eligibility requirements and applicable law. Currently we do not have plans to change the levels of perquisites received, but continue to monitor them and may make adjustments in this form of compensation from time to time. Our named executive officers enjoy those benefits on the same terms as all of our employees. As part of our ongoing review of executive compensation, we intend to periodically review the perquisites and other personal benefits provided to our named executive officers and other key employees. The perquisites provided to our named executive officers in the fiscal year ended December 31, 2011 are described below under Summary Compensation Table. Furthermore, we offer each of our employees, including each of the named executive officers, our investment management services, if they place their funds in a separately-managed account with us, at a discounted advisory fee typically associated with these services. This benefit is provided at no incremental cost to us.

Stock Ownership Guidelines

Our named executive officers are not subject to mandated equity ownership. However, it is our belief that the equity component of our executive compensation program ensures that our named executive officers are also owners and those components work to align the named executive officers' goals with the best interests of our stockholders. We expect to continue to periodically review best practices and evaluate our position with respect to stock ownership guidelines.

Tax Considerations

Our Compensation Committee is expected to consider the anticipated tax and accounting treatment of various payments and benefits to us and, when relevant, to our executives, although these considerations are not dispositive. Section 162(m) of the Code generally disallows a tax deduction to a publicly-traded corporation that pays compensation in excess of \$1 million to any of its named executive officers (other than the chief financial officer) in any taxable year, unless the compensation plan and awards meet certain requirements. To the extent Section 162(m) is applicable to us, we will endeavor to structure compensation to qualify as performance-based under Section 162(m) where it is reasonable to do so while meeting our compensation objectives. Notwithstanding the foregoing, we reserve the right to pay amounts that are not deductible under Section 162(m) during any period when Section 162(m) is applicable to us.

Risk Considerations in our Compensation Program

We have identified two primary risks relating to compensation: the risk that compensation will not be sufficient to retain talent, and the risk that compensation may provide unintended incentives. To combat the risk that our compensation might not be sufficient, we strive to use a compensation structure, and set compensation levels, for all employees in a way that we believe contributes to low rates of employee attrition. We also make

equity awards subject to multi-year vesting schedules to provide a long-term component to our compensation program and impose on all our employees ongoing restrictions on their disposition of their holdings of our stock acquired through equity awards. We believe that both the structure and levels of compensation have aided us in retaining key personnel as evidenced by the long-term tenure of our management. To address the risk that our compensation programs might provide unintended incentives, we deliberately keep our compensation programs simple and we tie the long-term component of compensation to our firm-wide results. We have not seen any employee behaviors motivated by our compensation policies and practices that create increased risks for our stockholders or our clients.

Our Compensation Committee, which is comprised entirely of independent directors, is responsible for reviewing our compensation plans and policies periodically to ensure proper alignment with overall company goals and objectives. Our Compensation Committee is also responsible for reviewing the risks arising from our compensation policies and practices and assesses whether any such risks are reasonably likely to have an adverse effect on us. Prior to our initial public offering, our management team concluded that our compensation programs do not encourage excessive or unnecessary risk taking. When our Compensation Committee meets in 2012, they will review our compensation programs and determine the risk profile at that time.

Based on the foregoing, we do not believe that our compensation policies and practices motivate imprudent risk taking. Consequently, we are satisfied that any potential risks arising from our employee compensation policies and practices are not reasonably likely to have an adverse effect on the company. Our Compensation Committee will continue to monitor the effects of its compensation decisions to determine whether risks are being appropriately managed.

Potential Payments Upon Termination or Change in Control

Prior to our reorganization and initial public offering, equity granted to our named executive officers and other of our employees was subject to accelerated vesting upon a change of control of our company. Such equity

is no longer subject to such acceleration following the reorganization transactions. Equity granted under our 2011 Plan is not expected to be subject to accelerated vesting upon termination of employment, but may be subject to accelerated vesting upon a change in control, as defined in the 2011 Plan. See Equity Compensation Plan.

Director Compensation

Messrs. Manning, Cunningham and Auspitz, our directors who are also employees of the Company, did not receive any compensation for their service as directors during the year ended December 31, 2011. In fiscal year 2011, compensation for our non-employee directors included an annual retainer of \$75,000 (prorated for the time period subsequent to our initial public offering through December 31, 2011) and an equity grant on terms to be determined. In addition, all directors are reimbursed for reasonable out-of-pocket expenses incurred by them in connection with attending Board of Directors, committee and stockholder meetings, including those for travel, meals and lodging. We reserve the right to change the manner and amount of compensation to our non-employee directors at any time.

The following table sets forth information concerning non-employee director compensation for the year ended December 31, 2011.

2011 Equity Compensation Plan

Prior to the consummation of our initial public offering, our Board of Directors adopted, and our stockholders approved, the Manning & Napier, Inc. 2011 Equity Compensation Plan.

The purposes of the 2011 Plan are to align the long-term financial interests of employees, directors, consultants and advisors of the company with those of our stockholders, to attract and retain those individuals by providing compensation opportunities that are consistent with our compensation philosophy, and to provide incentives to those individuals who contribute significantly to our long-term performance and growth. To accomplish these purposes, the 2011 Plan provides for the grant of units of Manning & Napier Group. The 2011 Plan also provides for the grant of stock options (both stock options intended to be incentive stock options under Section 422 of the Code and non-qualified stock options), stock appreciation rights (SARs), restricted stock awards, restricted stock units, performance-based stock awards and other stock-based awards (collectively, stock awards) based on our Class A common stock. Incentive stock options may be granted only to employees; all other awards may be granted to employees, including officers, members, limited partners or partners who are engaged in the business of one or more of our subsidiaries, non-employee directors and consultants.

We anticipate that the awards under the 2011 Plan granted to our employees will be in the form of participation units or restricted stock that will not vest until a specified period of time has elapsed, or other vesting conditions have been satisfied as determined by the Compensation Committee, and which may be forfeited if the vesting conditions are not met. During the period that any vesting restrictions apply, unless otherwise provided by the Compensation Committee, the recipient of the award will be eligible to participate in distributions of income or dividends from Manning & Napier Group. In addition, before the vesting conditions have been satisfied, the transferability of such units is generally prohibited and such units will not be eligible to be exchanged for cash or shares of our Class A common stock pursuant to the exchange agreement.

Awards under the 2011 Plan will be structured to comply with Section 409A of the Code.

Shares Subject to the 2011 Plan

A total of 13,142,813 equity interests are reserved and available for issuance under the 2011 Plan. The equity interests may be issued in the form of our Class A common stock, units of Manning & Napier Group or LTIP units.

If an equity award granted under the 2011 Plan expires or otherwise terminates without being exercised in full, or is settled in cash, the equity interests not acquired pursuant to the award will again become available for subsequent issuance under the 2011 Plan. In addition, equity that is forfeited, cancelled, exchanged or surrendered prior to becoming fully vested, may become available for the grant of new equity awards under the 2011 Plan.

The aggregate number of equity interests that may be granted to any single individual during a calendar year in the form of options, SARs, restricted stock, restricted stock units, performance-based stock awards and/or other stock-based awards may not exceed 2,628,563 equity interests, or 20% of the total equity interests subject to the 2011 Plan.

Administration of the 2011 Plan

The 2011 Plan is administered by our Compensation Committee. Subject to the terms of the 2011 Plan, the Compensation Committee determines which employees, directors, consultants and advisors will receive grants under the 2011 Plan, the dates of grant, the numbers and types of stock awards to be granted, the exercise or purchase price of each award, and the terms and conditions of the stock awards, including the period of their exercisability and vesting and, in certain instances, the fair market value applicable to a stock award. In addition, the Compensation Committee interprets the 2011 Plan and may adopt any administrative rules, regulations, procedures and guidelines governing the 2011 Plan or any awards granted under the 2011 Plan as it deems to be appropriate.

The Compensation Committee may cancel, with the consent of the affected participants, any or all of the outstanding stock options or SARs in exchange for (i) new stock options or SARs covering the same or a different number of shares of our Class A common stock, but with an exercise price or base amount per share not less than the fair market value per share of our Class A common stock on the new grant date; or (ii) cash or shares of our Class A common stock, whether vested or unvested, equal in value to the value of the cancelled stock options or SARs.

Types of Equity-Based Awards

The types of awards that may be made under the 2011 Plan are described below. These awards may be made singly or in combination, as part of compensation awards or ownership awards, or both. All of the awards described below are subject to the conditions, limitations, restrictions, vesting and forfeiture provisions determined by the Compensation Committee, in its sole discretion subject to certain limitations provided in the 2011 Plan. Awards under the 2011 Plan may be granted without any vesting or forfeiture conditions, as determined by the Compensation Committee. Each award granted under the 2011 Plan will be evidenced by an award agreement, which will govern that award's terms and conditions.

Non-qualified Stock Options. A non-qualified stock option is an option that does not meet the qualifications of an incentive stock option as described below. An award of a non-qualified stock option grants a participant the right to purchase a certain number of shares of our Class A common stock during a specified term in the future, after a vesting period, at an exercise price equal to at least 100% of the fair market value of our Class A common stock on the grant date. The term of a non-qualified stock option may not exceed ten years from the date of grant.

Except as provided in the award agreement or as otherwise determined by the Compensation Committee, an option may only be exercised while the participant is employed by, or providing services to, us or our subsidiaries, or during an applicable period after termination of employment or service.

Incentive Stock Options. An incentive stock option is a stock option that meets the requirements of Section 422 of the Code. Incentive stock options may be granted only to our employees and must have an exercise price of no less than 100% of fair market value on the grant date, a term of no more than ten years, and be granted from a plan that has been approved by our stockholders. No incentive stock option may be granted to any person who, at the time of the grant, owns or is deemed to own stock possessing more than 10% of our total combined voting power or that of any of our affiliates, or more than 10% of the value of all classes of our stock, unless (i) the option exercise price is at least 110% of the fair market value of the stock subject to the option on the date of grant; and (ii) the term of the incentive stock option does not exceed five years from the date of grant.

Stock Appreciation Rights. A SAR entitles the participant to receive an amount equal to the difference between the fair market value of our Class A common stock on the exercise date and the exercise price of the SAR (which may not be less than 100% of the fair market value of a share of our Class A common stock on the grant date), multiplied by the number of shares subject to the SAR. The term of a SAR may not exceed ten years from the date of grant. Payment to a participant upon the exercise of a SAR may be either in cash, shares of our Class A common stock or a combination of cash and shares of our Class A common stock as determined by the Compensation Committee. Except as provided in the award agreement or as otherwise determined by the Compensation Committee, a SAR may only be exercised while the participant is employed by, or providing services to, us or our subsidiaries or during an applicable period after termination of employment or service.

Restricted Stock. A restricted stock award is an award of outstanding shares of our Class A common stock that does not vest until a specified period of time has elapsed, or other vesting conditions have been satisfied as determined by the Compensation Committee, and which may be forfeited if the conditions to vesting are not met. During the period that any restrictions apply, the transferability of stock awards is generally prohibited. Participants generally have all of the rights of a stockholder as to those shares, including the right to receive dividend payments on the shares subject to their award during the vesting period (unless the awards are subject to performance-vesting criteria) and the right to vote those shares. Dividends are subject to the same restrictions as the underlying restricted stock unless otherwise provided by the Compensation Committee. All unvested restricted stock awards are forfeited if the participant's employment or service is terminated for any reason, unless the compensation committee determines otherwise.

Restricted Stock Units. A restricted stock unit is a phantom unit that represents shares of our Class A common stock. Restricted stock units become payable on terms and conditions determined by the Compensation Committee and will be settled either in cash, shares of our Class A common stock, units of Manning & Napier Group or a combination of cash and units of Manning & Napier Group as determined by the Compensation Committee. All unvested restricted stock units are forfeited if the participant's employment or service is terminated for any reason, unless the Compensation Committee determines otherwise.

Performance Awards. The 2011 Plan permits the grant of performance-based stock that may qualify as performance-based compensation that is not subject to the \$1 million limitation on the income tax deductibility of compensation paid per covered executive officer imposed by Section 162(m) of the Code to the extent Section 162(m) is applicable to us. To assure that the compensation attributable to performance-based stock will so qualify, our Compensation Committee can (but will not be required to) structure these awards so that stock will be issued or paid pursuant to the award only upon the achievement of certain pre-established performance goals during a designated performance period.

The performance goals, to the extent designed to meet the requirements of Section 162(m) of the Code, will be based on one or more of the following criteria: (i) earnings including operating income, economic income, economic net income, earnings before or after taxes, earnings before or after interest, depreciation, amortization,

or extraordinary or special items or book value per share (which may exclude nonrecurring items); (ii) pre-tax income or after-tax income; (iii) earnings per common share (basic or diluted); (iv) operating profit; (v) revenue, revenue growth or rate of revenue growth; (vi) return on assets (gross or net), return on investment, return on capital, or return on equity; (vii) returns on sales or revenues; (viii) operating expenses; (ix) stock price appreciation; (x) cash flow, free cash flow, cash flow return on investment (discounted or otherwise), net cash provided by operations, or cash flow in excess of cost of capital; (xi) implementation or completion of critical projects or processes; (xii) economic value created; (xiii) cumulative earnings per share growth; (xiv) operating margin or profit margin; (xv) common stock price or total stockholder return; (xvi) cost targets, reductions and savings, productivity and efficiencies; (xvii) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology, and goals relating to acquisitions, divestitures, joint ventures and similar transactions, and budget comparisons; (xviii) personal professional objectives, including any of the foregoing performance goals, the implementation of policies and plans, the negotiation of transactions, the development of long-term business goals, formation of joint ventures, research or development collaborations, and the completion of other corporate transactions; and (xix) any combination of any of the foregoing.

Units of Manning & Napier Group. Under the 2011 Plan, the Compensation Committee may also grant equity-based incentives related to units of Manning & Napier Group to encourage ownership in our operating partnership. The Compensation Committee may grant the same types of awards available under the 2011 Plan related to our Class A common stock as awards related to the units of Manning & Napier Group, including options to purchase units. Any award granted covering units will reduce the overall limit with respect to the number of shares of Class A common stock that may be granted under the 2011 Plan on a one-for-one basis.

LTIP Awards. The 2011 Plan allows for the grant of LTIP units that may, upon the occurrence of certain events or the participant's achievement of certain performance goals, convert into units of Manning & Napier Group. To the extent provided in an award agreement, LTIP units, whether or not vested, would entitle the participant to receive, currently or on a deferred or contingent basis, distributions or distribution equivalent payments with respect to the number of units of Manning & Napier Group corresponding to the LTIP units. The compensation committee may award LTIP units as free-standing awards or in tandem with other awards under the 2011 Plan. Any award granted covering LTIP units will reduce the overall limit with respect to the number of equity interests that may be granted under the 2011 Plan on a one-for-one basis.

Other Equity-Based Awards. Under the 2011 Plan, the Compensation Committee may grant other types of awards that are based on, or measured by reference to, shares of our Class A common stock or units of Manning & Napier Group. The Compensation Committee will determine the terms and conditions of such awards. Other stock-based awards may be settled in either cash or equity, as determined by the Compensation Committee.

Adjustments

In connection with stock splits, stock dividends, recapitalizations and certain other events affecting our Class A common stock, the Compensation Committee will make adjustments as it deems appropriate in (i) the number and kind of shares covered by outstanding grants and (ii) the exercise price of all outstanding stock awards, if applicable.

Change of Control

If we experience a change of control, unless otherwise determined by our Compensation Committee or evidenced in the applicable award or other agreement, our Compensation Committee will have discretion to provide, among other things, for the continuation of outstanding awards after the change in control without change; the cash-out of outstanding options as of the time of the change in control transaction as part of the

transaction; a requirement that the buyer assume or substitute outstanding awards; and the acceleration of outstanding options and awards. In the event of a change in control in which the consideration paid to the holders of shares of Class A common stock and units of Manning & Napier Group is solely cash, our Compensation Committee may, in its discretion, provide that each award shall, upon the occurrence of a change in control, be cancelled in exchange for a payment, in cash or Class A common stock, in an amount equal to (i) the excess of the consideration paid per share of Class A common stock and unit of Manning & Napier Group in the change in control over the exercise or purchase price (if any) per share of Class A common stock or unit of Manning & Napier Group subject to the award multiplied by (ii) the number of shares of Class A common stock or units of Manning & Napier Group granted under the Award.

In general terms, a change of control under the 2011 Plan occurs:

if a person, entity or affiliated group (with certain exceptions) acquires more than 50% of our then outstanding voting securities;

if we merge into another entity, unless the holders of our voting shares immediately prior to the merger have at least 50% of the combined voting power of the securities in the merged entity or its parent;

if we sell or dispose of all or substantially all of our assets;

if we are liquidated or dissolved;

if a majority of the members of our Board of Directors is replaced during any 12-month or shorter period by directors whose appointment or election is not endorsed by a majority of the incumbent directors; or

the Company ceases to be the managing member of Manning & Napier Group.

Section 162(m) Stockholder Approval Requirements

In compliance with the transition rules under Section 162(m) of the Code, and to the extent Section 162(m) is applicable to us, our stockholders will approve the 2011 Plan no later than the first occurrence of: (i) the expiration of the 2011 Plan; (ii) a material modification of the 2011 Plan (in accordance with Section 162(m) of the Code); (iii) the issuance of all of our Class A common stock authorized for issuance under the 2011 Plan; or (iv) our first stockholders meeting (during which our directors are elected) that occurs after the end of the third calendar year following the year in which our initial public offering occurred.

Amendment; Termination

Our Board of Directors or our Compensation Committee may amend or terminate the 2011 Plan at any time. Our stockholders must approve any amendment if their approval is required in order to comply with the Code, applicable laws, or applicable stock exchange requirements. Unless terminated sooner by our Board of Directors or extended with stockholder approval, the 2011 Plan will terminate on the day immediately preceding the tenth anniversary of the date on which the Board of Directors approved the 2011 Plan, but any outstanding award will remain in effect until the underlying shares are delivered or the award lapses.

PRINCIPAL STOCKHOLDERS

The following table sets forth information regarding the beneficial ownership of our capital stock as of April 27, 2012 with respect to:

each person known to us to own beneficially more than 5% of any class of our outstanding shares;

each of our named executive officers;

each of our directors; and

all of our directors and executive officers as a group.

The information as to the number of shares beneficially owned by the individuals and entities listed below is derived from reports filed with the Securities and Exchange Commission (the "SEC") by such persons and Company records. In accordance with the rules and regulations of the SEC, beneficial ownership includes voting or investment power with respect to securities and includes the shares issuable pursuant to stock options that are exercisable within 60 days of the record date of the Annual Meeting. Shares issuable pursuant to stock options are deemed outstanding for computing the percentage of the person holding such options but are not outstanding for computing the percentage of any other person. The following table does not include shares of Class A common stock that may be issued to Patrick Cunningham, James Mikolaichik, or M&N Group Holdings, LLC ("M&N Group Holdings") and MNCC on behalf of each of the persons listed below, as indirect beneficial owners of M&N Group Holdings and direct beneficial owners of MNCC, respectively, pursuant to the terms of the exchange agreement with M&N Group Holdings, MNCC and the other direct holders of units of Manning & Napier Group, LLC ("Manning & Napier Group"). Pursuant to the terms of the exchange agreement, no such election may be made within 60 days of the record date of the Annual Meeting. PROPOSAL 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed PwC as the Company's independent registered public accounting firm to examine the combined consolidated financial statements of the Company for our fiscal year ending December 31, 2012. Stockholders are being asked to ratify the action of the Audit Committee.

PwC has been our independent auditor since 2007, and no relationship exists other than the usual relationship between auditor and client. Representatives of PwC are expected to be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if the representatives desire to do so.

If our stockholders do not ratify the appointment of PwC at the Annual Meeting, the Audit Committee may, but is not required to, reconsider whether to retain PwC. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the 2012 fiscal year if it determines that such a change would be in the best interests of the Company and its stockholders.

Fees Paid to Independent Registered Public Accounting Firm

The following table sets forth the aggregate fees for professional services provided to the Company by PwC for the year ended December 31, 2011. The aggregate fees for professional services for the year ended December 31, 2010 summarizes services performed by PwC to the Manning & Napier Companies prior to the reorganization transactions and our initial public offering.

Fee Category	2011 Manning & Napier (1)	2011 - Initial Public Offering and Reorganization (1)	2011 - Total (1)	2010
Audit Fees (2)	\$ 595,900	\$ 1,237,113	\$ 1,833,013	\$ 333,400
Audit-Related Fees (3)	234,265	1,511,307	1,745,572	203,000
Tax Fees				
All Other Fees (4)	1,960		1,960	1,960
Total Fees (5)	\$ 832,125	\$ 2,748,420	\$ 3,580,545	\$ 583,360

- (1) In 2011, we completed our reorganization. Subsequent to the reorganization transactions, we completed our initial public offering. This table includes fees in 2011 for professional services rendered by PwC, including in connection with the reorganization transactions and our initial public offering.
- (2) Audit fees consist of fees for professional services provided in connection with the annual audit of our combined consolidated financial statements and the services that an independent registered public accounting firm would customarily provide in connection with subsidiary audits. The fees for 2011 also include the aggregate fees for the audit of the combined consolidated financial statements for the years ended December 31, 2008, 2009 and 2010 for the Manning & Napier Companies that was required in connection with our initial public offering.
- (3) Audit-Related Fees consist of fees for the performance of audits and attest services not required by statute or regulations, including audits of our employee benefit plans, and internal control examinations pursuant to the Statement of Attestation Engagements No. 16. The fees for 2011 also consist of fees for services rendered in connection with our initial public offering and the reorganization transactions.
- (4) Other Fees consist of procurement of an on-line accounting research tool offered by PwC to its clients.
- (5) PwC also provides audit and tax services to the funds we manage. Fees for these services were approximately \$0.5 million for audit fees in both 2011 and 2010 and \$0.3 million and \$0.2 million for tax services in 2011 and 2010, respectively. The tax services provided consisted primarily of tax compliance and related services for the funds. The fees for these services are not included in this table as they were not provided to us or our consolidated subsidiaries.

The Audit Committee believes that the foregoing expenditures are compatible with maintaining the independence of the Company's public accountants. The Audit Committee will annually review and pre-approve the audit, review and any non-audit services to be provided during the next audit cycle by the independent registered public accountants. The Audit Committee may also designate a member of management to monitor the performance of all services provided by the independent registered public accountants and report his or her findings to the Audit Committee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PWC AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012.

AUDIT COMMITTEE REPORT

Notwithstanding anything to the contrary set forth in any filings of Manning & Napier, Inc. under the Securities Act or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Audit Committee Report shall not be incorporated by reference into any such filings, and shall not be deemed soliciting material or filed under the Securities Act or the Exchange Act.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has primary responsibility for the preparation, presentation and integrity of the financial statements, including establishing accounting and financial reporting principles and designing systems of internal control over financial reporting. The Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, is responsible for expressing an opinion as to the conformity of the Company's combined consolidated financial statements with U.S. generally accepted accounting principles and auditing the effectiveness of internal control over financial reporting.

In performing its oversight role, the Audit Committee has reviewed and discussed with management and PricewaterhouseCoopers LLP the audited combined consolidated financial statements contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2011. The Audit Committee has also discussed with PricewaterhouseCoopers LLP matters required to be discussed by Statement on Auditing Standards 61, Communication with Audit Committees, as amended, as adopted by the Public Company Accounting Oversight Board (SAS 61). SAS 61 requires the auditor to communicate a number of items to the audit committee during the course of the financial statement audit, including, but not limited to, the auditor's responsibility under generally accepted auditing standards and significant accounting policies and unusual transactions.

Pursuant to Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as adopted by the Public Company Accounting Oversight Board, the Audit Committee has also received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP, and has discussed with PricewaterhouseCoopers LLP its independence from the Company.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited combined consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011.

The undersigned members of the Audit Committee have submitted this report to the Board of Directors.

Respectfully submitted:

Audit Committee

Edward J. Pettinella, Chairman

Richard M. Hurwitz

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, we are providing our stockholders with an opportunity to vote on an advisory, non-binding resolution to approve the executive compensation of our named executive officers. Accordingly, stockholders will vote on approval of the following resolution at the 2012 Annual Meeting:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, including the Compensation Discussion and Analysis section, the accompanying compensation tables and the related narrative disclosure set forth in this Proxy Statement.

As described in detail under the Executive Compensation Compensation Discussion and Analysis section of this Proxy Statement, our compensation program for our named executive officers is designed to meet our objectives of supporting our business strategy, attracting, motivating and retaining top-tier professionals within the investment management industry, linking total compensation to individual, team and company performance on both a short-term and a long-term basis, aligning our named executive officers' interests with those of our stockholders, and being flexible enough to respond to changing economic conditions. We provide the following elements of compensation to our named executive officers: (i) base salary; (ii) annual bonus; (iii) equity based compensation; (iv) retirement benefits; and (v) other benefits and perquisites.

Stockholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables and the related narrative disclosure in this Proxy Statement to better understand the compensation of our named executive officers.

While our Board of Directors and Compensation Committee intends to carefully consider the outcome of the vote resulting from this proposal, the final vote will not be binding on the Company and is advisory in nature.

THE BOARD OF DIRECTORS, UPON RECOMMENDATION OF THE COMPENSATION COMMITTEE, UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF THE ABOVE RESOLUTION.

PROPOSAL 4 ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under Section 14A of the Exchange Act, the Company is required to seek an advisory, non-binding stockholder vote on the frequency of submission to stockholders of the advisory vote on executive compensation. Stockholders have the opportunity to vote on whether this say-on-pay vote will occur once every year, every two years, every three years, or they may abstain from voting.

The Board of Directors and Nominating and Corporate Governance Committee understand that thoughtful analysis of executive compensation can be time-consuming for stockholders, and that it may be difficult to assess the impact of any changes to our compensation practices within a one or two-year period. Therefore, the Board of Directors and Nominating and Corporate Governance Committee are recommending that stockholders vote for the option of once every three years as the frequency with which stockholders will have a say-on-pay.

While our Board of Directors and Nominating and Corporate Governance Committee intends to carefully consider the outcome of the vote resulting from this proposal, the final vote will not be binding on the Company and is advisory in nature.

THE BOARD OF DIRECTORS, UPON RECOMMENDATION OF THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE, UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE OPTION OF ONCE EVERY THREE YEARS AS THE FREQUENCY WITH WHICH STOCKHOLDERS WILL HAVE AN ADVISORY, NON-BINDING VOTE ON EXECUTIVE COMPENSATION.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures Regarding Transactions with Related Persons

In November 2011, our Board of Directors adopted a written policy, Transactions with Related Persons Policies and Procedures, pursuant to which, as a general matter, our Audit Committee is required to review and approve or disapprove the entry by us into certain transactions with related persons. The policy contains transactions which are pre-approved transactions. The policy only applies to transactions, arrangements and relationships where the aggregate amount involved could reasonably be expected to exceed \$120,000 in any calendar year and in which a related person has a direct or indirect interest. A related person is: (i) any of our directors, nominees for director or executive officers, (ii) any immediate family member of any of our directors, nominees for director or executive officers and (iii) any person, and his or her immediate family members, or entity, including affiliates, that was a beneficial owner of 5% or more of any of our outstanding equity securities at the time the transaction occurred or existed.

The policy provides that if advance approval of a transaction subject to the policy is not obtained, it must be promptly submitted to the Audit Committee for possible ratification, approval, amendment, termination or rescission. In reviewing any transaction, the Audit Committee will take into account, among other factors the Audit Committee deems appropriate, recommendations from senior management, whether the transaction is on terms no less favorable than terms generally available to a third party in similar circumstances and the extent of the related person's interest in the transaction. Any related person transaction must be conducted at arm's length. Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or vote on the approval or ratification of the transaction. However, such a director may be counted in determining the presence of a quorum at a meeting of the Audit Committee that considers the transaction.

A copy of our Transactions with Related Persons Policies and Procedures is available on our website, www.manning-napier.com, under Investor Relations Governance and is available to any stockholder in writing upon request to the Company.

Related Party Transactions

The following is a summary of material provisions of various transactions we entered into with our executive officers, directors or 5% or greater stockholders through 2011.

Aircraft

From time to time, MNA reimburses William Manning for business travel in connection with the use of a private plane owned by William Manning. The Company owns no direct or indirect interest in such private plane, and has not provided any financing to William Manning for such plane. In the event William Manning, or other executives, use such plane in connection with the business of our company, the Company reimburses William Manning based upon the amount of flight time per trip, which is a fraction of the total cost of the ownership and maintenance of such plane. Reimbursements with respect to each particular use of the plane for the years ended December 31, 2011, 2010 and 2009 have been less than \$0.1 million annually, and in the aggregate equaled approximately \$0.2 million.

Services Arrangement

Pursuant to an arrangement between MNIS and IP.com I, LLC, an entity that is indirectly majority-owned by William Manning, MNIS provides to IP.com, and IP.com reimburses MNIS for, central administrative services, including accounting, group health and other benefits, benefits management, payroll, occupancy of shared space and other office expenses. IP.com paid MNIS approximately \$0.2 million, \$0.3 million and \$0.3 million for such services for the fiscal years ended December 31, 2011, 2010 and 2009, respectively.

Equity Ownership Interests

In October 2011, in connection with the reorganization transactions, additional ownership interests in M&N Group Holdings were granted to William Manning pursuant to the amended and restated limited liability company agreement of M&N Group Holdings, as part of the overall agreement among William Manning and the other owners of the Manning & Napier Companies to consummate the reorganization. In addition, in connection with the consummation of our initial public offering, certain of the Manning & Napier Companies adopted new vesting terms related to the current ownership interests of our employees, including our named executive officers other than William Manning. Such individuals were entitled to 15% of their pre-reorganization ownership interests upon the consummation of our initial public offering, and an additional 5% of such ownership interests will vest as of each of the first, second and third anniversaries of the consummation of our initial public offering, provided such individuals are employed by us as of such date (employment-based vesting). The remaining ownership interests will be subject to performance-based vesting on or after each of the first, second and third anniversaries of our initial public offering (subject to an initial two-year lockup period and other selling restrictions), to be determined by a vesting committee of MNA (performance-based vesting).

Notwithstanding these vesting requirements, in the event William Manning sells any portion of his interests in the Manning & Napier Companies following the consummation of our initial public offering, each of our other employee-owners has the right to sell a pro rata amount of such individuals' indirect ownership interest in Manning & Napier Group, and if any individual does not at such time have fully vested ownership interests sufficient to allow such participation, an amount of their ownership interests will vest to the extent necessary to allow them to participate in the pro rata sale. In addition, the aggregate sales in any calendar year by our employees, other than William Manning, of their respective interests is limited to a number of shares equal to 1.5% (or such higher percentage as determined by the board of directors of MNA in its sole discretion) of the number of shares that would be outstanding immediately after our initial public offering if M&N Group Holdings, MNCC and any other holder of units of Manning & Napier Group exchanged 100% of their respective units for shares of our Class A common stock. This 1.5% limit does not apply to ownership interests entitled to vest as a result of sales by William Manning as described above. Upon William Manning's death and the dissolution of MNA, this 1.5% limit will be increased to allow our employees to pay any income taxes resulting from such dissolution.

Shares Subject to Redemption

Prior to our initial public offering, we had a mandatory obligation upon the death of William Manning to pay his estate his pro rata share of net revenue for the four quarters immediately preceding his death. The Manning & Napier Companies recognized a liability for shares subject to mandatory redemption of \$170.3 million and \$211.5 million as of December 31, 2010 and September 30, 2011, respectively, which represents the amount that would have been paid if settlement had occurred on the respective reporting date. Our liability related to this mandatory redemption obligation was calculated each fiscal quarter, and the change in the liability was reflected as a non-cash interest expense. As part of the overall agreement among William Manning and the other owners of the Manning & Napier Companies to consummate the initial public offering, such mandatory redemption obligation terminated upon the consummation of our initial public offering and we no longer reflect non-cash interest expense or the liability related to such obligation.

For one of our entities, MNBD, our redemption obligation upon William Manning's death to pay his pro rata share of net revenue has an element of conditionality. As part of the overall agreement among William Manning and the other owners of the Manning & Napier Companies to consummate the initial public offering, such conditional obligation terminated upon the consummation of our initial public offering and we no longer reflect temporary equity related to such obligation.

Exchange Agreement

In November 2011, we entered into an exchange agreement with M&N Group Holdings, MNCC and the other direct holders of units of Manning & Napier Group. Subject to certain restrictions set forth therein, certain of our employee-owners and M&N Group Holdings and MNCC, on behalf of William Manning and our other employee-members that are direct or indirect members of M&N Group Holdings and MNCC, are entitled to exchange such units for an aggregate of up to 76,400,000 shares of our Class A common stock, subject to customary adjustments. In addition, the holders of any units of Manning & Napier Group thereafter issued will also become parties to the exchange agreement and, pursuant to the terms of the exchange agreement, we may also purchase or exchange such units for shares of our Class A common stock.

The exchange agreement described above is filed as an exhibit to our Annual Report, and the foregoing description is qualified by reference thereto.

Registration Rights Agreement

In November 2011, we entered into a registration rights agreement with the holders of units of Manning & Napier Group, pursuant to which the shares of Class A common stock issued upon exchanges of their units, if any, will be eligible for resale, subject to certain limitations set forth therein.

Pursuant to the registration rights agreement, we committed to file, following the first anniversary of the consummation of our initial public offering, a shelf registration statement registering shares of our Class A common stock that may be issued upon the exchange of units of Manning & Napier Group pursuant to the exchange agreement. We also committed to use our reasonable best efforts to cause the SEC to declare the shelf registration statement effective as soon as reasonably practicable thereafter and to keep such shelf registration statement continuously effective until the earlier of two years after such shelf registration statement has been declared effective and the date on which all securities included in such shelf registration statement have been sold in accordance with the plan and method of distribution set forth therein.

We have agreed in the registration rights agreement to indemnify the participating holders, solely in their capacity as selling stockholders, against any losses or damages resulting from or relating to any untrue statement, or omission, of any material fact contained in any registration statement, prospectus or any amendments or supplements thereto pursuant to which they may sell the shares of our Class A common stock that they receive upon exchange of their units, except to the extent such liability arose from information furnished by the selling stockholder used in a shelf registration statement, and the participating holders have agreed to indemnify us against all losses caused by their misstatements or omissions of a material fact relating to them. No selling stockholder shall be liable to the Company for an amount in excess of the amount received by such selling stockholder in the offering giving rise to such liability.

We will pay all expenses incident to our performance of, or compliance with, any registration or marketing of securities pursuant to the registration rights agreement. The selling stockholders will pay their respective portions of all underwriting discounts, commissions and transfer taxes relating to the sale of their shares of our Class A common stock pursuant to the registration rights agreement.

The registration rights agreement described above is filed as an exhibit to our Annual Report, and the foregoing description is qualified by reference thereto.

Tax Receivable Agreement

In November 2011, we entered into a tax receivable agreement with M&N Group Holdings, MNCC and the other holders of units of Manning & Napier Group, pursuant to which we are required to pay to the holders of such units 85% of the applicable cash savings, if any, in U.S. federal, state, local and foreign income tax that we actually realize, or are deemed to realize in certain circumstances, as a result of any step-up in tax basis in

Manning & Napier Group's assets resulting from (i) our purchase of such units from M&N Group Holdings with a portion of the net proceeds from our initial public offering, (ii) our purchases or exchanges of such units from M&N Group Holdings and MNCC, respectively, for cash or shares of our Class A common stock and (iii) payments under the tax receivable agreement, including any tax benefits related to imputed interest deemed to be paid by us as a result of such agreement.

The tax receivable agreement described above is filed as an exhibit to our Annual Report, and the foregoing description is qualified by reference thereto.

M&N Group Holdings

We used approximately \$105.7 million of the net proceeds from our initial public offering to purchase Class A units of Manning & Napier Group from M&N Group Holdings, which in turn transferred such net proceeds to its members. William Manning, our current employees, including certain of our executive officers, and Richard Goldberg, directly and indirectly, collectively own 100% of the outstanding membership interests of M&N Group Holdings. The purchase price for each Class A unit was equal to the price per share of our Class A common stock in our initial public offering. The members of M&N Group Holdings transferred such net proceeds as follows: approximately \$53.3 million was paid to William Manning; approximately \$3.0 million was paid to Patrick Cunningham; approximately \$3.0 million was paid to Jeffrey S. Coons; approximately \$11.4 million was paid to B. Reuben Auspitz; approximately \$3.0 million was paid to Charles S. Stamey; approximately \$0.8 million was paid to Beth Galusha; and the remaining approximately \$31.2 million was paid to the other minority shareholders of the members of M&N Group Holdings. These distributions by M&N Group Holdings to its members was made pursuant to the terms set forth in the amended and restated limited liability company agreement of M&N Group Holdings.

OTHER MATTERS

As of the date of this Proxy Statement, our Board of Directors knows of no other business that may properly be, or is likely to be, brought before the Annual Meeting. If any other matters should arise at the Annual Meeting, shares represented by proxies will be voted at the discretion of the proxy holders.

To the Company's knowledge, with respect to the fiscal year ended December 31, 2011, all applicable filings were timely made except that Messrs. Manning, Auspitz and Coons filed late Form 4s on November 29, 2011 relating to one transaction each with respect to derivative securities attributable to their interests in M&N Group Holdings.
