#### Item 11

(a) **Agreements, Regulatory Requirements and Legal Proceedings.** Item 11(a) of the Schedule TO is hereby amended and supplemented by adding the following paragraph immediately after the paragraph of the sub-section captioned "Shareholder Litigation."

On November 2, 2012, a purported shareholder class action complaint was filed in Multnomah County Circuit Court in the State of Oregon, captioned Joseph Polyak v. Cascade Corporation, et al., Case No. 1211-13933. The complaint names as defendants, the Company, each member of the Company Board (the "Individual Defendants"), Parent and Purchaser. The complaint generally alleges that the Individual Defendants breached their fiduciary duties and that each of the Company, Parent and Purchaser aided and abetted the purported breaches of such fiduciary duties. The complaint includes, among others, allegations that the Individual Defendants breached their fiduciary duties by, initiating a sales process that undervalued the Company, vesting themselves with benefits not shared equally by the public shareholders, capping the price of the Company at a level that does not adequately reflect the Company's true value and failing to ensure a fair process and maximization of shareholder value. The relief sought includes, among other things, an injunction prohibiting consummation of the proposed transaction, rescission (to the extent the proposed transaction has already been consummated) and the payment of plaintiffs' attorneys' fees and costs. The Company, Parent and Purchaser believe the plaintiffs' allegations lack merit and will vigorously contest them. The foregoing description is qualified in its entirety by reference to the complaint which is filed as Exhibit (a)(7).
