On November 28, 2012, Western Gas Equity Partners, LP ( WGP ), a wholly owned subsidiary of Anadarko Petroleum Corporation ( Anadarko ), filed an Amendment to its Registration Statement on Form S-1 (File No. 333-184763) (as it may be amended from time to time, the Registration Statement ) with the U.S. Securities and Exchange Commission (the SEC ) relating to the proposed initial public offering of common units representing limited partner interests in WGP (the WGP Offering ). WGP holds the 40,573,239 common units of Western Gas Partners, LP ( WES, we, our, or us ) indirectly owned by Anadarko and a 100% membership interest in our general partner, Western Gas Holdings, LLC.

For Regulation FD purposes, WES wishes to disclose that our management plans to recommend that the board of directors of our general partner approve an increase in our quarterly cash distribution for the fourth quarter of 2012 to \$0.52 per WES common unit. This distribution increase for the fourth quarter of 2012 has not been submitted to, or approved by, the board of directors of our general partner and is therefore subject to change.

The Registration Statement relating to the common units of WGP has been filed with the SEC, but has not yet become effective. Such common units may not be sold nor may offers to buy be accepted prior to the time the Registration Statement becomes effective. Neither this Current Report on Form 8-K nor the information contained herein shall constitute an offer to sell or the solicitation of an offer to buy such common units nor shall there be any sale of such common units in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
