Item 4. Purpose of Transaction

Agreement and Plan of Merger

On December 18, 2012, Alterra, the Issuer and Merger Sub entered into the Merger Agreement. Under the terms of the Merger Agreement, Merger Sub will merge with and into Alterra (the *Merger*), with Alterra, as the surviving company, becoming a wholly owned subsidiary of the Issuer.

Pursuant to the Merger Agreement, upon the closing of the Merger, each issued and outstanding Alterra common share (other than any Alterra common shares with respect to which appraisal rights have been duly exercised under Bermuda law), will automatically be converted into the right to receive (a) 0.04315 validly issued, fully paid and nonassessable Issuer Common Shares, together with any cash paid in lieu of fractional shares, and (b) \$10.00 in cash, without interest. Consummation of the Merger is conditioned upon, among other things, the approval of the issuance of Common Shares by the Issuer to Alterra's shareholders by at least a majority of votes cast at a special general meeting of the Issuer's shareholders (as required by the rules of the New York Stock Exchange). The Merger is also subject to certain other customary closing conditions.

Under the Merger Agreement, the Issuer has agreed to take the necessary actions to increase the authorized number of directors from ten to twelve members and for two individuals designated by Alterra and approved by the nominating/corporate governance committee of the Issuer's board of directors, such approval not to be unreasonably withheld, to be appointed to Issuer's board of directors, effective as of the effective time of the Merger.

The Merger Agreement contains customary representations and warranties of Alterra and the Issuer. In addition, the Merger Agreement contains customary covenants of Alterra, including, among others, covenants (a) to conduct Alterra's businesses in the ordinary course during the interim period between the execution of the Merger Agreement and completion of the Merger, (b) not to engage in certain kinds of transactions during this interim period, (c) to hold a shareholder meeting to put the matters that require the approval of Alterra's shareholders before its shareholders for their consideration and (d) to use their reasonable best efforts to take all actions necessary to obtain all governmental and regulatory approvals, subject to certain customary limitations. The Merger Agreement also contains a covenant pursuant to which the parties have agreed that they will not, and will use reasonable best efforts to cause their respective representatives not to, solicit, facilitate (including by providing information), or participate in any negotiations or discussions with any person relating to, any takeover proposal, as further described in and subject to the exceptions set forth in the Merger Agreement.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to and qualified in its entirety by reference to the Merger Agreement, a copy of which is attached hereto as Exhibit 1 and the terms of which are incorporated herein by reference.

Pursuant to the Issuer Shareholder Voting Agreements, each such shareholder agreed, among other things, to vote all of such shareholder's Common Shares in favor of the matters to be submitted to the vote of the Issuer's shareholders in connection with the Merger, including the issuance of Common Shares by the Issuer to Alterra's shareholders, and against any competing takeover proposal or any amendment to the Issuer's articles of incorporation or bylaws that would reasonably be expected to materially impede or delay the Merger Agreement and the transactions contemplated by the Merger Agreement. Each such shareholder has also granted a proxy to Alterra and up to two designated representatives of Alterra to vote such shareholder's Common Shares in accordance with the terms of the Issuer Shareholder Voting Agreement.

Those shareholders of the Issuer executing an Issuer Shareholder Voting Agreement agree that for a period beginning on December 18, 2012 and ending three months following the effective time of the Merger, they will not offer or agree to directly or indirectly sell, transfer, assign or otherwise dispose of or create or permit to exist any encumbrance with respect to any Common Shares or restricted awards owned by such person, subject to customary exceptions.

The foregoing description of the Issuer Shareholder Voting Agreement and the transactions contemplated thereby does not purport to be complete and is subject to and qualified in its entirety by reference to the Form of Issuer Shareholder Agreement, a copy of which is filed as Exhibit 2 hereto and the terms of which are incorporated herein by reference in their entirety.
