## **BBX Capital Corporation Reports Financial Results For the First Quarter, 2013**

FORT LAUDERDALE, Florida May 15, 2013 BBX Capital Corporation ( BBX Capital and/or the Company ) (NYSE: BBX), formerly BankAtlantic Bancorp, Inc., reported financial results for the first quarter ended March 31, 2013.

BBX Capital reported a net loss of (\$6.5) million, or (\$0.41) per diluted share, for the quarter ended March 31, 2013, versus a net loss of (\$14.2) million, or (\$0.91) per diluted share, for the quarter ended March 31, 2012.

As of March 31, 2013, BBX Capital had total consolidated assets of approximately \$432.5 million and shareholders equity of approximately \$234.4 million.

On April 2, 2013, BBX Capital and BFC Financial Corporation ( BFC ) (OTCQB: BFCF) announced that they had completed their previously announced acquisition of Bluegreen Corporation ( Bluegreen ). Prior to completion of the transaction, BFC, through its subsidiary, Woodbridge Holdings, LLC ( Woodbridge ), owned approximately 54% of Bluegreen s outstanding Common Stock. Under the terms of the merger agreement between BFC, Woodbridge and Bluegreen, Woodbridge acquired the remaining approximate 46% of Bluegreen s outstanding Common Stock in a cash merger pursuant to which Bluegreen s public shareholders received \$10.00 per share in cash. BBX Capital participated in the transaction by acquiring a 46% equity interest in Woodbridge for an investment of approximately \$71.75 million (consisting of \$60 million in cash and a promissory note in Woodbridge s favor in the principal amount of \$11.75 million). As a result of the completed transaction, Bluegreen is now a direct wholly owned subsidiary of Woodbridge, and BFC and BBX Capital will share in distributions made from Woodbridge, if any, pro rata based on their membership interests of 54% and 46%, respectively.

On May 7, 2013, BBX Capital and BFC announced that they have entered into a definitive merger agreement pursuant to which BBX Capital will become a wholly owned subsidiary of BFC Financial. Under the terms of the merger agreement, which was unanimously approved by a special committee comprised of BBX Capital's independent directors as well as the boards of directors of both companies, BBX Capital's shareholders (other than BFC) will be entitled to receive 5.39 shares of BFC's Class A Common Stock for each share of BBX Capital's Class A Common Stock held at the effective time of the merger. BFC currently owns approximately 53% of BBX Capital's Class A Common Stock and 100% of its Class B Common Stock, all of which will be canceled upon consummation of the merger. It is currently anticipated that the merger will be consummated promptly after all conditions to closing under the merger agreement are satisfied or, to the extent permitted under applicable law or the merger agreement, waived. The listing of BFC's Class A Common Stock on a national securities exchange or interdealer quotation system of a registered national securities association is a condition to consummation of the merger.

Since the beginning of the year, BBX Capital has monetized approximately \$40 million in loans and real estate assets, acquired two signature self storage facilities in Fort Lauderdale, explored real estate development opportunities, made a significant strategic investment in Bluegreen Corporation through our investment in Woodbridge, and announced a proposed merger with BFC Financial, commented Mr. Alan B. Levan, Chief Executive Officer of BBX Capital. In that regard, we believe this has been a very productive start to 2013. Recognizing the nature of BBX Capital's assets and investments, the majority of which are not income producing and are not expected to generate revenue or income on a regular or predictable basis, our goal is to build long-term value.
