***Cautionary Statement Regarding the Monthly Operating Report***

The Company cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Report, which was not prepared for the purpose of providing the basis for an investment decision relating to any of the securities of the Company. The Monthly Operating Report is limited in scope, is not presented in accordance with generally accepted accounting principles or SEC regulations applicable to financial statements contained in periodic reports filed with the SEC and has been prepared solely for the purpose of complying with requirements of the Bankruptcy Court. The Monthly Operating Report was not reviewed by independent accountants, is in a format prescribed by applicable bankruptcy laws, and is subject to future adjustment. The Monthly Operating Report also contains information for periods which are shorter or otherwise different from those required in the Company's reports pursuant to the Securities Exchange Act of 1934, as amended (the *Exchange Act*), and such information might not be indicative of the Company's financial condition or operating results for a period that would be reflected in the Company's financial statements or in its reports pursuant to the Exchange Act. ***Cautionary Statement Regarding Forward-Looking Statements***

This Current Report on Form 8-K and **Exhibit 99.1** hereto may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are those involving future events and future results that are based on current expectations, estimates, forecasts, and projections as well as the current beliefs and assumptions of the Company's management. Forward-looking statements are only predictions and are subject to risks, uncertainties and assumptions that are difficult to predict. Therefore actual results may differ materially and adversely from those expressed in any forward-looking statements. Factors that might cause or contribute to such differences include, but are not limited to, factors discussed under the section entitled Risk Factors in the Company's reports filed with the Securities and Exchange Commission, the ability to conclude the transaction with Lowe's or another bidder in the Court-supervised auction process under Section 363 of the Bankruptcy Code and the challenges and risks associated with operating the business under Chapter 11 protection.
