ITEM 8.01. Other Events.

On November 8, 2013 a train operated by a subsidiary of Genesee & Wyoming Inc., Alabama & Gulf Coast Railway LLC, (AGR) derailed in the vicinity of Aliceville, Alabama, at approximately 12:55am EST. There were no injuries, and no ongoing evacuations were necessary.

The extent of the damage from the derailment has yet to be determined and the cause of the derailment is under investigation. Emergency responders, including environmental experts, are currently on site and cleanup and restoration of rail service are underway. While the extent of the damage is still being assessed, Genesee & Wyoming Inc. expects that the repairs will require approximately seven to ten days from commencement to complete.

Genesee & Wyoming Inc. expects the costs to repair the rail line, costs to remedy any environmental contamination and compensate AGR for the interruption to its business will be covered by insurance, subject to self-insured retentions totaling \$2.0 million.
