Use of Proceeds

We expect the net proceeds from this offering of notes to be approximately \$393 million after deducting the underwriting discount and our estimated expenses relating to the offering. We intend to use the net proceeds from this offering, along with borrowings under our revolving credit facility, (1) to partially fund tender offers for up to \$400 million aggregate principal amount of our outstanding notes, including (x) up to \$250 million aggregate principal amount of our 8.250% Notes due 2019, (y) up to \$100 million aggregate principal amount of our 7.250% Notes due 2018 and (z) up to \$50 million aggregate principal amount of our 7.625% Notes due 2020, and (2) to pay premiums in connection with those tender offers. If there are any net proceeds remaining after expiration of the tender offers, we intend to use those proceeds to repay borrowings under our revolving credit facility and for general corporate purposes. Amounts repaid under our revolving credit facility may be reborrowed for general corporate purposes, including the repayment or redemption of other indebtedness.

Other information (including financial information) presented in the Preliminary Prospectus Supplement is deemed to have changed to the extent affected by the changes described herein.
