PROXY STATEMENT

FOR

2014 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 21, 2014

This Proxy Statement is furnished by the Board of Directors of Cambium Learning Group, Inc., a Delaware corporation, in connection with the Company's solicitation of proxies for use at our 2014 Annual Meeting of Stockholders to be held on Wednesday, May 21, 2014, beginning at 8:30 a.m., Central Time, at our offices located at 17855 N. Dallas Parkway, Suite 400, Dallas, Texas 75287, and at any postponements or adjournments thereof. This Proxy Statement contains important information regarding the Annual Meeting. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

As used in this Proxy Statement: the terms *we*, *our*, *us* and the *Company* each refer to Cambium Learning Group, Inc.; the term *Board* means our Board of Directors; the term *proxy materials* means this Proxy Statement, the proxy card, and our Annual Report on Form 10-K for the year ended December 31, 2013, as filed with the U.S. Securities and Exchange Commission (the *SEC*) on March 6, 2014; and the term *Annual Meeting* means our 2014 Annual Meeting of Stockholders.

We are sending the Notice of Internet Availability of Proxy Materials on or about April 11, 2014, to all stockholders of record at the close of business on March 24, 2014, the date fixed by the Board as the record date for the Annual Meeting (the *Record Date*).

Who is entitled to attend the meeting?

You are entitled to attend the meeting only if you owned our common stock (or were a joint holder) as of March 24, 2014 or if you hold a valid proxy for the meeting. You should be prepared to present photo identification for admittance to the Annual Meeting.

Please also note that if you are not a stockholder of record but hold shares in *street name* (that is, through a broker, bank, trustee or other nominee), you will need to provide proof of beneficial ownership as of March 24, 2014, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, bank, trustee or other nominee, or other similar evidence of ownership.

Who is entitled to vote at the meeting?

Only stockholders who owned our common stock at the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting, and at any postponements or adjournments thereof.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the meeting will constitute a quorum. A quorum is required to conduct business at the meeting. The presence of the holders of our

Edgar Filing: CAMBIUM LEARNING GROUP, INC. - Form PRE 14A

common stock representing at least 22,437,221 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Table of Contents

How can I vote my shares without attending the meeting?

No matter how you hold shares of our common stock, you may direct how your shares are voted without attending the Annual Meeting. There are three ways to vote by proxy without attending the meeting.

By Internet Stockholders who received a Notice may submit proxies over the Internet by following the instructions on the Notice. Stockholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.

By Telephone Stockholders of record may submit proxies by telephone by following the instructions on the Notice or the proxy card. You will need to have the three digit company number and the eleven digit control number that appears on your Notice or proxy card available when voting by telephone.

By Mail Stockholders who requested and have received a paper copy of a proxy card or a voting instruction card by mail may submit proxies by completing, signing and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed envelope.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank, trustee or other nominee that holds your shares, giving you the right to vote the shares. Even if you plan to attend the meeting, we recommend that you also submit your proxy card or voting instruction card as described above so that your vote will be counted if you later decide not to, or are unable to, attend the meeting.

Can I change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary prior to your shares being voted, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked, unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or other nominee or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

What vote is required to approve each item and how are abstentions treated?

Assuming the existence of a quorum at the Annual Meeting, the vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors (Proposal 1). The election to the Board of two nominees will require the vote of the holders of a plurality of the shares represented in person or by proxy at a meeting at which a quorum is present. Abstentions and broker non-votes will not affect the election outcome.

Table of Contents

Approval, on an Advisory Basis, of Our Executive Compensation (Proposal 2). We sometimes refer to this proposal as *Say-on-Pay*. For the approval of our executive compensation, the affirmative FOR vote of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval, which will be on an advisory (non-binding) basis. You may vote FOR, AGAINST or ABSTAIN for this item of business. If you ABSTAIN, your abstention has the same effect as a vote AGAINST this proposal. Broker non-votes will not have any effect on the vote for this proposal.

Approval, on an Advisory Basis, of the Frequency of Future Stockholder Advisory Votes to Approve Our Executive Compensation (Proposal 3). We sometimes refer to this Proposal as *Say on Frequency*. Stockholders will be able to specify one of four choices for this Proposal on the proxy card: 3 YEARS, 2 YEARS, 1 YEAR or ABSTAIN. This advisory vote on the frequency of the vote on executive compensation requires the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote on the item. However, if none of the frequency options (1 year, 2 years or 3 years) receives the vote of a majority of the shares of common stock represented at the Annual Meeting and entitled to vote thereon, the frequency option receiving the greatest number of votes (that is, a plurality of votes cast) will be considered the frequency recommended by the Company's stockholders. In addition, pursuant to SEC rules, if a particular frequency option receives a majority of votes cast and we adopt that frequency, we may exclude from future proxy statements any stockholder proposal requesting that a different frequency be used. If you ABSTAIN, it will technically have the same effect as a vote AGAINST this proposal.

Approval of the Company's Third Amended and Restated Certificate of Incorporation Allowing the Board to Set the Number of Directors and to Declassify the Board (Proposal 4). This will remove the classes of Directors (i.e., Class I, Class II, Class III) and thus the entire Board of Directors will be elected annually. Additionally, the amendment will allow the Board to set the number of directors to be between one and eleven directors with the current number at seven directors. The affirmative vote of at least a majority of all shares of common stock outstanding is required to approve the proposed Third Amended and Restated Certificate of Incorporation. If you ABSTAIN, your abstention has the same effect as a vote AGAINST this proposal. Broker non-votes also have the same effect as a vote AGAINST this proposal.

Ratification of Whitley Penn LLP as our Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2014 (Proposal 5). The vote of the holders of a majority of the shares entitled to vote and represented in person or by proxy at a meeting at which a quorum is present is required to ratify the selection of Whitley Penn LLP as our independent registered public accounting firm for the fiscal year 2014 by the

Table of Contents

Audit Committee of our Board of Directors. Abstentions will have the same effect as an AGAINST vote for this proposal. Broker non-votes will not have any effect on the vote for this proposal.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you are a stockholder of record and you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (FOR the election of all of the Company s nominees to the Board and, FOR an advisory vote on the compensation of our named executive officers as descended in this proxy statement, FOR an advisory vote on our executive compensation to be held every three years, FOR a resolution to adopt the Company s Third Amended and Restated Certificate of Incorporation to allow the Board of Directors of the Company to set the number of directors and to declassify the board, FOR the ratification of Whitley Penn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014, and in the discretion of the proxy holders on any other matters that may properly come before the Annual Meeting and at any postponements or adjournments of the meeting). If you are a street name holder or hold your shares with a broker and do not instruct your broker how to vote, your broker will vote your shares in its discretion on the proposal to ratify Whitley Penn LLP as our independent registered public accounting firm for the fiscal year ending in December 31, 2014. Your broker does not have discretion to vote your uninstructed shares on the other proposals.

What happens if additional matters are presented at the meeting?

Other than the five proposals described in this Proxy Statement, we are not aware of any business to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holder, Barbara Benson, our Chief Financial Officer, and Todd Buchardt, our General Counsel, will have the discretion to vote your shares on any additional matters that may be properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees for Class II Directors is not available as a candidate for director, the persons named as proxy holder will vote your proxy for such other candidate or candidates as may be nominated by our Board.

Who is soliciting my vote and who will bear the costs of this solicitation?

Your vote is being solicited by the Company at the direction of the Board, and the Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement. In addition to providing these proxy materials, our directors and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. We may also engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, banks, nominees and other institutional owners. The costs for such services, if retained, will not be material.

Table of Contents

What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?

As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for the annual meeting of stockholders to be held in 2015, the written proposal must be delivered to our Secretary at our principal executive offices at the address set forth on the cover of this Proxy Statement so that notice will be received by us no earlier than close of business on January 22, 2015, and no later than the close of business on February 21, 2015. Such proposal must comply with the proxy rules promulgated by the SEC in order to be included in our proxy statement and form of proxy related to the meeting. If notice of any stockholder proposal not eligible for inclusion in our proxy statement and form of proxy is given to us after February 21, 2015, then proxy holders will be allowed to use their discretionary voting authority on such stockholder proposal when the matter is raised at such meeting. In no event will the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws.

Nomination of Director Candidates: Stockholders may propose director candidates for consideration by our Board. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to our Secretary at the address of our principal executive offices set forth on the cover of this Proxy Statement. In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. In order to nominate a director, the stockholder must provide the information required by our bylaws, as well as a statement by the nominee consenting to being named as a nominee and to serve as a director if elected. In addition, the stockholder must give timely notice to our Secretary as described in "Stockholder Proposals" above.

Copy of Bylaw Provisions: For more information regarding stockholder proposal deadlines, please see Section 2.10 of our Bylaws. You may contact our Secretary at our principal executive offices as set forth on the cover of this Proxy Statement for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

SECURITIES OWNERSHIP

Security Ownership of Certain Beneficial Owners and Management

The following table provides information relating to the beneficial ownership of our common stock as of the Record Date (which is March 24, 2014), by:

each stockholder known by us to own beneficially more than 5% of our outstanding common stock;

each of our executive officers named in the Summary Compensation Table on page 22 of this Proxy Statement (these executive officers are sometimes referred to herein as the *Named Executive Officers*);

each of our directors; and

all of our directors and executive officers as a group.

The number of shares beneficially owned by each entity, person, director or executive officers is determined in accordance with the rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of March 24, 2014 (the Record Date) through the exercise of stock options, warrants or other convertible securities or any other right. Shares of our common stock that a person has the right to acquire within 60 days of the Record Date are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person or group (except with respect to the percentage ownership of all directors and executive officers as a group).

The number and percentage of shares beneficially owned is computed on the basis of shares of our common stock outstanding as of the Record Date. The information in the following table regarding the beneficial owners of more than 5% of our common stock is based upon information supplied by our principal stockholders or set forth in Schedules 13D and 13G filed with the SEC. The determination that there were no other persons, entities or groups known to the Company to beneficially own more than 5% of the Company's outstanding common stock was based on a review of all statements and reports filed with the SEC with respect to the Company pursuant to Section 13(d) or 13(g) of the Exchange Act since the beginning of the prior fiscal year.

To our knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, each person or entity named in the table has sole voting and disposition power with respect to the shares set forth opposite such person's or entity's name. Section 16(a) of the Exchange Act requires our directors and executive officers and the beneficial owners of more than 10% of our registered equity securities to file reports of ownership and reports of changes in ownership with the SEC. Such reporting persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms received by us, except for amendments to Dr. Bumphus' Forms 3 and 4 that were amended due to administrative error, we believe that these persons complied with all the applicable filing requirements during our fiscal year ending December 31, 2013.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Structure

Our amended and restated certificate of incorporation provides that the Board shall consist of nine directors. Currently, the Company's directors are David Bainbridge, Walter G. Bumphus, John Campbell, Thomas Kalinske, Harold O. Levy, Jeffrey T. Stevenson, and Joe Walsh. Our directors are divided into three classes—Class I, Class II and Class III—with three directors in each class. The directors in each class serve for staggered three-year terms. Messrs. Bainbridge and Bumphus are Class II directors whose terms will expire at our 2014 Annual Meeting of Stockholders. Each of these directors has been nominated for re-election to the Board. Messrs. Levy, Kalinske, and Walsh are Class I directors whose terms will expire at our 2016 Annual Meeting of Stockholders. Messrs. Stevenson and Campbell are Class III directors whose terms will expire at our 2015 Annual Meeting of Stockholders. The Board currently has one vacancy in each of the Class II and Class III classes.

Subject to approval, Proposal Four will amend the Certificate of Incorporation to allow the Board to set the number of directors to be between one and eleven and to also declassify the Board. If approved, the directors will, effective June 1, 2014, be elected annually for a term of one year.

Director Independence

Our Board has determined that each of Walter Bumphus, Thomas Kalinske, and Harold O. Levy satisfy the current independent director standards established by rules of The NASDAQ Stock Market LLC (*NASDAQ*) and, as to the members of the Audit Committee of our Board, the additional independence requirements under applicable rules and regulations of the SEC. Since the Company is a controlled company (as defined in NASDAQ Rule 5615(c)(2)), it is not required to have a majority of the Board comprised of independent directors. See *Controlled Company Status* below for additional information.

Board Leadership Structure

Joe Walsh serves as the Chairman of our Board and John Campbell serves as our Chief Executive Officer. We believe the separation of offices is beneficial because a separate Chairman (i) is able to provide the Chief Executive Officer with guidance and feedback on his performance, (ii) provides a more effective channel for the Board to express its views on management, and (iii) allows the Chairman to focus on stockholder interests and corporate governance while the Chief Executive Officer leads the Company's strategy development and implementation. As Mr. Walsh has significant experience with companies engaged in the media and information industries, he is particularly well suited to serve as Chairman.

Risk Oversight

The Board has the ultimate oversight responsibility for the risk management process and regularly reviews issues that present particular risk to us, including those involving competition, customer demands, economic conditions, planning, strategy, finance, sales and marketing, products, information technology, facilities and operations, supply chain, legal and environmental matters and insurance. The Board further relies on the Audit Committee for oversight of certain areas of risk management. In particular, the Audit Committee focuses on financial and enterprise risk exposures, including internal controls, and discusses with management and the Company's independent registered public accounting firm our policies with respect to risk assessment and risk management, including risks related to fraud, liquidity, credit operations and regulatory compliance, and advises the internal audit function as to overall risk assessment of the Company. The Board believes that this approach, supported by the separation of our senior leadership, provides appropriate checks and balances against undue risk-taking.

Controlled Company Status

The Company is a controlled company as defined in NASDAQ Rule 5615(c)(2) because V-C Holdings III holds more than 50% of the Company's voting power. As a controlled company, the Company is not required

Table of Contents

to have a majority of its Board comprised of independent directors, a compensation committee comprised solely of independent directors or a nominating committee comprised solely of independent directors.

Committees of the Board

Overview. Our Board has two standing committees: the Audit Committee and the Compensation Committee. The Board may, from time to time, establish other committees to facilitate the management of the Company or for any other functions it may deem necessary or appropriate. The Board may also create various *ad hoc* committees for special purposes. Committee membership will be decided by the Board members. The membership during the last fiscal year and the function of the Audit Committee is described below.

Audit Committee. The current members of the Audit Committee are Thomas Kalinske (Chairman), Walter Bumphus, and Harold Levy. The Board has determined that each member of the Audit Committee meets the independence and financial literacy requirements of the NASDAQ rules and the independence requirements of the SEC. Mr. Kalinske, by virtue of his financial and investment experience gained as CEO of Knowledge Universe, Sega of America, Matchbox, Inc. and Mattel and through serving on other Boards of Directors, has been designated as the Audit Committee financial expert within the meaning of Item 407(d)(5) of Regulation S-K.

The Audit Committee oversees the Company's accounting and financial reporting processes and the audits of its financial statements. In this role, the Audit Committee monitors and oversees the integrity of the Company's financial statements and related disclosures, the qualifications, independence, and performance of the Company's independent registered public accounting firm, and the Company's compliance with applicable legal requirements and its business conduct policies. The Audit Committee has authority to retain outside legal, accounting or other advisors as it deems necessary to carry out its duties and to require the Company to pay for such expenditures. The Audit Committee has a written charter, which was adopted by our Board in December 2009, a copy of which can be found on our website at www.cambiumlearning.com. The information on our website is not a part of this Proxy Statement. During 2013, the Audit Committee held nine meetings. The report of the Audit Committee appears on page 13 of this Proxy Statement.

Compensation Committee. The Company is not required to have a Compensation Committee due to its status as a controlled company. The Board created the Compensation Committee that operates under a charter, which can be found on our website at www.cambiumlearning.com. The primary purpose of our Compensation Committee is to:

review and approve the compensation and benefits of our executive officers and key employees;

monitor and review our compensation and benefit plans;

administer our stock and other incentive compensation plans and programs and prepare recommendations and periodic reports to the Board of Directors concerning such matters;

prepare the Compensation Committee report required by SEC rules to be included in our annual report;

prepare recommendations and periodic reports to the Board as appropriate; and

handle such other matters that are specifically delegated to the Compensation Committee by our Board from time to time. Messrs. Bainbridge and Levy serve on the Compensation Committee, and Mr. Levy serves as the chairman. Our Board of Directors has affirmatively determined that Mr. Levy meets the definition of "outside director" for the purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, and the definition of a "non-employee director" for the purposes of Section 16 of the Exchange Act and is an independent Director under NASDAQ rules.

Edgar Filing: CAMBIUM LEARNING GROUP, INC. - Form PRE 14A

Although Mr. Bainbridge is not an independent director under NASDAQ rules or the independence criteria of the SEC, NASDAQ rules permit one director who is not independent and is not a current officer or employee to be appointed to the compensation committee if the Board determines that such individual's membership on the committee is required by the best interest of the Company and the shareholders, and such individual does not

Table of Contents

serve longer than two years. The Board believes Mr. Bainbridge's membership is in the best interests of the Company and the shareholders because his vast experience and service on the boards of directors of numerous companies provides the compensation committee with access to information regarding business practices and strategies across several industries.

None of our executive officers serve on the compensation committee or board of directors of any other company of which any of the members of our Compensation Committee or any of our Directors is an executive officer.

Board and Committee Meetings

The Board held nine meetings during 2013 and took action by written consent on 2 occasions. Each director, except for Jeffrey Stevenson, attended at least 75 percent of the aggregate number of all meetings of the Board and of the committees of the Board on which he served that were held during 2013.

Director Attendance at Stockholders Meetings

We do not maintain a formal policy regarding director attendance at our annual stockholders' meetings. The directors of the Company are encouraged to attend the Company's annual stockholders' meetings, and we expect that, absent compelling circumstances, our directors will attend our annual stockholders' meetings in person or by telephone. Except for Mr. Stevenson, each of our directors attended the Company's 2013 Annual Meeting of Stockholders, which was held on May 15, 2013.

Director Nomination Process

Nominations. Our Board does not currently have a nominating committee or other committee performing a similar function, nor do we have any formal written policies outlining the factors and process relating to the selection of nominees for consideration for Board membership by the full Board and the stockholders. As previously discussed, we are considered a controlled company under NASDAQ Rule 5615(c)(2) and therefore are not required to have a nominating committee or to have a majority of our independent members recommend qualified nominees for consideration by the Board. The Board as a whole performs the functions that would typically be performed by a nominating committee.

Our Board believes that it is appropriate for us to not have a nominating committee because, in light of V-C Holdings III's control of more than 50% of our voting power, it does not believe that a nominating committee would serve a meaningful purpose. Since there is no nominating committee, the Board does not have a nominating committee charter.

Director Qualifications. While our Board has not established specific minimum qualifications for director candidates, the candidates for Board membership should have the highest professional and personal ethics and values, and conduct themselves consistent with our code of business conduct and ethics. While our Board has not formalized specific minimum qualifications that it believes must be met by a candidate in order for such candidate to be recommended by the Board, the Board believes that candidates and nominees must reflect a Board that is comprised of directors who (i) have broad and relevant experience, (ii) are of high integrity, (iii) have qualifications that will increase overall Board effectiveness and enhance long-term stockholder value, and (iv) meet other requirements as may be required by applicable rules, such as independence, financial literacy or financial expertise with respect to Audit Committee members.

Nomination of Director Candidates: Stockholders may propose director candidates for consideration by our Board as well as nominate a director for election at our annual meeting. For more information please review the information provided in the question "What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?" on Page 5 of this Proxy Statement.

Identifying and Evaluating Director Nominees. Typically, new candidates for nomination to the Board are suggested by our directors or our executive officers, although candidates may initially come to our attention through professional search firms, stockholders or other persons. The Board carefully reviews the qualifications

Table of Contents

of any candidates who have been properly brought to its attention. Such a review may, in the Board's discretion, include a review solely of information provided to the Board or may also include discussion with persons familiar with the candidate, an interview with the candidate or other actions that the Board deems proper. The Board will consider the suitability of each candidate, including the current members of the Board, in light of the current size and composition of the Board. In evaluating the qualifications of the candidates, the Board considers many factors, including, without limitation, issues of character, judgment, independence, expertise, diversity of experience, length of service, and other commitments. The Board evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. Candidates properly recommended by stockholders are evaluated by the Board using the same criteria as other candidates.

Director Compensation

Our current Board compensation program is as follows:

Non-Employee Directors. A *Non-Employee Director* is any director who is neither an employee of the Company or any subsidiary of the Company, nor an Affiliated Director (as defined below). Each Non-Employee Director is entitled to (i) an annual retainer of \$35,000, payable in cash (pro-rated for partial year service); and (ii) an annual award of restricted common stock of the Company valued at approximately \$30,000, using the then-current stock price. The restrictions on the common stock award will lapse on the one year-anniversary of the grant date or upon a change in control of the Company. The common stock awards will be made under, and will be subject to, the Company's 2009 Equity Incentive Plan (the *Equity Incentive Plan*). In 2013, our Non-Employee Directors were Thomas Kalinske, Harold O. Levy, and Walter Bumphus. For 2013 and 2014, the Board elected to convert the annual award of restricted stock to a cash payment equal to \$30,000.

Affiliated Directors. *Affiliated Directors* are directors who are employed by VSS. Each Affiliated Director is entitled to an annual retainer of \$65,000, payable in cash (pro-rated for partial year service), in lieu of any annual equity compensation. The compensation payable to Affiliated Directors is required to be paid directly to VSS and not to the Affiliated Directors. In 2013, our Affiliated Directors were David Bainbridge and Jeffrey T. Stevenson.

Employee Directors. An *Employee Director* is any director who is a current officer or employee of the Company or any subsidiary of the Company. Employee Directors do not receive any additional compensation for their service as members of either the Board or any committees of the Board. In 2013, our Employee Directors were John Campbell and Joe Walsh.

All directors are entitled to reimbursement for travel and lodging and other reasonable out-of-pocket expenses incurred by them in connection with their attendance at Board and/or Board committee meetings.

In addition to any other applicable compensation payable under the director compensation program outlined above, so long as the Chairman of the Board is an Affiliated Director, he or she will be entitled to an annual retainer of \$70,000, payable in cash (pro-rated for partial year service). Also, members of the Audit Committee of the Board are entitled to receive an additional annual cash retainer of \$7,000 and the Chairman of the Audit Committee is entitled to receive an additional annual cash retainer of \$10,000. Non-Affiliated members of the Compensation Committee are entitled to receive an annual cash retainer equal to \$2,000, and the Chairman of the Compensation Committee is entitled to receive an annual cash retainer equal to \$5,000.

The table below sets forth the total compensation received by our Non-Employee Directors and Affiliated Directors in 2013.

	Fees Earned and Paid in Cash (\$)
Thomas Kalinske	82,000
Harold O. Levy	82,000
David Bainbridge	65,000
Walter G. Bumphus	65,000
Jeffrey T. Stevenson	65,000

Transactions with Related Persons

Messrs. Stevenson and Bainbridge, directors of the Company, are a partner and managing director, respectively of VSS. Funds managed by VSS own a majority of the equity interests in the Company.

A consulting fee agreement was entered into between the Company and VSS, entitling VSS to the following fees:

a fee equal to 1% of the gross proceeds of any debt or equity financing by the Company; and

a fee equal to 1% of the enterprise value of any entities acquired or disposed of by the Company.

In March 2013, the Board approved an amendment to the consulting fee agreement that pays VSS an additional \$70,000 per year for its oversight and assistance it provides the Company in a number of financial and operational areas.

These obligations will remain in effect until the earlier of the date on which VSS-Cambium Holdings III, LLC or funds managed by VSS cease to beneficially own at least 10% of the outstanding common stock of the Company or, unless the Company's Audit Committee renews the consulting fee agreement, January 1, 2017.

In addition to serving as Chairman, Mr. Walsh is also an employee of the Company. For his services as Chairman and as an employee to the Company, Mr. Walsh will receive total annual compensation of \$300,000.

REPORT OF THE AUDIT COMMITTEE

The Report of the Audit Committee does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language in those filings, except to the extent that the Company specifically incorporates the Report of the Audit Committee by reference therein.

The Audit Committee of the Board of Directors is currently comprised solely of independent directors meeting the requirements of applicable rules of the SEC and of the NASDAQ Capital Market. All members of the Audit Committee were appointed by the Board of Directors. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. As more fully described in the charter, the purpose of the Audit Committee is to provide general oversight of the Company's financial reporting, integrity of financial statements, internal controls and internal audit functions.

The Audit Committee monitors the Company's external audit process, including the scope, fees, auditor independence matters and the extent to which the Company's independent registered public accounting firm may be retained to perform non-audit services. The Audit Committee has responsibility for the appointment, compensation, retention and oversight of the Company's independent registered public accounting firm. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of the Company's financial, accounting and internal controls over financial reporting. In addition, the Audit Committee generally oversees the Company's internal compliance programs. The Audit Committee members are not all professional accountants or auditors, and their function is not intended to duplicate or to certify the activities of management and the independent registered public accounting firm.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with applicable accounting standards, laws and regulations. The Company's independent registered public accounting firm, Whitley Penn LLP, is responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and expressing an opinion in its report on those financial statements.

The Audit Committee provides oversight, advice, counsel and direction to management and the independent registered public accounting firm on matters for which it is responsible based on the information it receives from management and the independent registered public accounting firm and the experience of its members in business, financial and accounting matters.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended December 31, 2013, and met with both management and Whitley Penn LLP to discuss those financial statements and Whitley Penn LLP's related opinion. Management and the independent registered public accounting firm have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

The Audit Committee has discussed with Whitley Penn LLP the matters required to be discussed by PCAOB Auditing Standard No. 16, *Communications with Audit Committees*.

The Audit Committee has also received and reviewed the written disclosures and the letter from Whitley Penn LLP required by applicable requirements of the PCAOB regarding Whitley Penn LLP's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn LLP its independence.

Based on its review and the meetings, discussions and reports described above, and subject to the limitations of its role and responsibilities referred to above and in its charter, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company for the fiscal year ended December 31, 2013, be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 to be filed with the SEC.

PROPOSAL TWO

ADVISORY RESOLUTION ON THE COMPANY S EXECUTIVE COMPENSATION

In accordance with recently adopted Section 14A of the Exchange Act, which was added under the Dodd-Frank Act, we are asking stockholders to approve an advisory resolution on the Company s executive compensation as reported in this Proxy Statement. Our executive compensation programs are designed to support the Company s long-term success. The Board has structured our executive compensation program to achieve the following key objectives:

Provide a total rewards package to our executives that are competitive with similarly situated companies;

Attract and retain key talent; and

Link pay to performance by providing incentives that promote short and long-term financial growth and stability to continuously enhance stockholder value.

In fiscal year 2013, the Company achieved many of its goals, despite a challenging economic environment and downward pressure on state and local funding of educational spending. Our primary focus in 2013 was to:

Continue overall growth in our technology driven business;

Deliver stable revenues for the overall business;

Restructure long term incentive compensation to better align with stockholder interests;

Increase Earnings Before Interest, Taxes, Depreciation and Amortization (or *EBITDA*); and

Edgar Filing: CAMBIUM LEARNING GROUP, INC. - Form PRE 14A

Invest for growth.

We believe that our performance-based executive compensation programs provide incentives that are aligned with the best interests of our stockholders and have facilitated the Company's performance.

We urge stockholders to read the Summary Compensation Table and related compensation tables and narrative below, which provide detailed information on the compensation of our Named Executive Officers. The Board believes that the policies and procedures of the Company are effective in achieving our goals and that the compensation of our Named Executive Officers reported in this Proxy Statement has supported and contributed to the Company's success.

Table of Contents

Accordingly, we are asking stockholders to approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the stockholders of Cambium Learning Group, Inc. (the Company) approve, on an advisory basis, the compensation of the Company's named executive officers set forth in the Summary Compensation Table and the related compensation tables and narrative in the Proxy Statement relating to the Company's 2014 Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a Say-on-Pay resolution, is non-binding on the Board. Although non-binding, the Board will carefully review and consider the voting results when evaluating our executive compensation program.

Board of Directors Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* PROPOSAL TWO.

PROPOSAL THREE

ADVISORY VOTE ON THE FREQUENCY OF FUTURE STOCKHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION

We will provide an advisory vote on executive compensation at least once every three years. Pursuant to recently adopted Section 14A of the Exchange Act, in this Proposal Three, we are asking stockholders to vote on whether future advisory votes on executive compensation should occur every year, every two years or every three years.

After careful consideration, the Board recommends that future advisory votes on executive compensation occur every three years (triennially). We believe that this frequency is appropriate for a number of reasons, including:

Our compensation programs do not change significantly from year to year and we seek to be consistent;

Our compensation programs do not contain any significant risks that might be of concern to our stockholders;

A longer frequency is consistent with long-term compensation objectives; and

Our compensation programs are designed to reward and incentivize long-term performance and a triennial vote corresponds with the three year performance period under our long-term incentive awards.

For the foregoing reasons, we encourage our stockholders to evaluate our executive compensation programs over a multi-year horizon and to review our Named Executive Officers' compensation over the past two fiscal years as reported in the Summary Compensation Table below. In addition, we believe that a triennial advisory vote on executive compensation reflects the appropriate time frame for our Board to evaluate the results of the most recent advisory vote on executive compensation, to discuss the implications of that vote with stockholders to the extent needed, to develop and implement any adjustments to our executive compensation programs that may be appropriate in light of a past advisory vote on executive compensation, and for stockholders to see and evaluate the Board's actions in context. In this regard, because the advisory vote on executive compensation occurs after we have already implemented our executive compensation programs for the current year, and because the different elements of compensation are designed to operate in an integrated manner and to complement one another, we expect that in certain cases it may not be appropriate or feasible to fully address and respond to any one year's advisory vote on executive compensation by the time of the following year's annual meeting of stockholders.

We are aware that some stockholders may believe that annual advisory votes will enhance or reinforce accountability. However, we have in the past been, and will in the future continue to be, proactively engaged with our stockholders on a number of topics and in a number of forums. Thus, we view the advisory vote on executive compensation as an additional, but not exclusive, opportunity for our stockholders to communicate with us regarding their views on the Company's executive compensation programs. In addition, because our executive compensation programs have typically not changed materially from year-to-year and are designed to

Table of Contents

operate over the long-term and to enhance long-term performance, we are concerned that an annual advisory vote on executive compensation could lead to a near-term perspective inappropriately bearing on our executive compensation programs. Finally, although we believe that holding an advisory vote on executive compensation every three years will reflect the right balance of considerations in the normal course, we will periodically reassess that view and can provide for an advisory vote on executive compensation on a more frequent basis if changes in our compensation programs or other circumstances suggest that such a vote would be appropriate.

Stockholders will be able to specify one of four choices for this proposal on the proxy card: three years, two years, one year or abstain. Stockholders are not voting to approve or disapprove the Board's recommendation. This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Board. Notwithstanding the Board's recommendation and the outcome of the stockholder vote, the Board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

Board of Directors Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE TO CONDUCT FUTURE STOCKHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY THREE YEARS.

PROPOSAL FOUR

VOTE TO AMEND COMPANY'S CERTIFICATE OF INCORPORATION

EXPLANATORY NOTE

The Company was incorporated in Delaware in 2009 in connection with the transactions contemplated by that certain Agreement and Plan of Mergers, dated as of June 20, 2009 (the *Merger Agreement*), by and among the Company, Voyager Learning Company, a Delaware corporation (*Voyager*), Vowel Acquisition Corp., a Delaware corporation and wholly owned subsidiary of the Company (*Vowel Merger Sub*), VSS-Cambium Holdings II Corp., a Delaware corporation (*Cambium Holdings*), Consonant Acquisition Corp., a Delaware corporation and wholly owned subsidiary of the Company (*Consonant Merger Sub*), and Vowel Representative, LLC, a Delaware limited liability company, as Stockholders' Representative. On December 9, 2009, the transactions contemplated by the Merger Agreement were completed, pursuant to which Vowel Merger Sub was merged with and into Voyager, and Consonant Merger Sub was merged with and into Cambium Holdings, with each of Voyager and Cambium Holdings surviving their respective mergers and continuing as wholly owned subsidiaries of the Company (together, the *Mergers*).

On March 5, 2014, the Board of Directors adopted a Third Amended and Restated Certificate of Incorporation, or the Amended and Restated Charter, which, among other things, would eliminate the classification of the Board and allow the Board to set the number of directors to be between one and eleven directors. The Board further directed that the proposed Amended and Restated Charter be submitted for consideration by our stockholders at the Annual Meeting. We are asking stockholders to approve the Amended and Restated Charter.

Our second amended and restated certificate of incorporation currently provides that the Company's directors are divided into three classes, with the term of one class expiring each year and the directors in each class serving three-year terms. If the Amended and Restated Charter is approved and becomes effective, beginning with the 2015 Annual Meeting of Stockholders, the Board of Directors will be declassified and the entire Board will be elected on an annual basis. The Amended and Restated Charter would also provide that, upon the annual election of the entire Board at the 2015 Annual Meeting of Stockholders, a director appointed to a vacancy or new directorship would serve for a term expiring at the next Annual Meeting of Stockholders following his or her appointment.

The Amended and Restated Charter also provides that the number of directors shall be between one and eleven, as such number shall be determined by the Board from time to time, with the initial number of directors set at seven. The Amended and Restated Charter would not change the Board's authority to fill any vacancies or

Table of Contents

newly created directorships. The full text of the Amended and Restated Charter is attached to this Proxy Statement as *Appendix A*.

If the Amended and Restated Charter is approved, the Board intends to cause the Amended and Restated Charter to be filed with the Secretary of State of the State of Delaware following the annual meeting. If the Amended and Restated Charter is not approved, our Board will remain classified and the number of directors shall continue to be fixed by the Board from time to time.

The affirmative vote of the holders of at least a majority of the outstanding common stock of the Company is required for approval of this proposal.

of record, or who represents in good faith that such person or entity was a beneficial owner, of our common stock as of March 24, 2014. We will also furnish a requesting stockholder with any exhibit not contained in our 2013 Annual Report on Form 10-K upon specific request. Any such requests should be addressed to our Secretary at Cambium Learning Group, Inc., 17855 N. Dallas Parkway, Suite 400, Dallas, Texas 75287.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single notice or set of proxy materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies.

Some banks, brokers and other nominees may be participating in the practice of householding, and will therefore send a single Notice or set of proxy materials to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or other nominee that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive separate proxy solicitation materials, or if you are receiving multiple copies of the proxy solicitation materials and wish to receive only one, please notify your broker if your shares are held in a brokerage account or notify us if you are the record owner of your shares. You can notify us by sending a written request to the attention of our Secretary at Cambium Learning Group, Inc., 17855 N. Dallas Parkway, Suite 400, Dallas, Texas 75287, or call us at (214) 932-9500. In addition, if you are a stockholder as of the Record Date, we will deliver a separate copy of the Notice or proxy materials to you if you contact us at the above address or telephone number.

OTHER MATTERS

We are not aware of any other business to be presented at the Annual Meeting. As of the date of this Proxy Statement, no stockholder had advised us of the intent to present any business at the Annual Meeting. Accordingly, the only business that our Board intends to present at the meeting is as set forth in this Proxy Statement.

If any other matter or matters are properly brought before the Annual Meeting, the proxies will use their discretion to vote on such matters in accordance with their best judgment.

BY-LAWS

In furtherance and not in limitation of the powers conferred by law, the Board of Directors is expressly authorized and empowered:

- (1) to make, alter, amend or repeal the Bylaws of the Corporation or any amendment thereof without the assent or vote of the stockholders of the Corporation; and
- (2) from time to time to determine whether and to what extent, and at what times and places, and under what conditions and regulations, the accounts and books of the Corporation, or any of them, shall be open to inspection of stockholders; and, except as so determined or as expressly provided in this Third Amended and Restated Certificate of Incorporation or in any Preferred Stock Designation, no stockholder shall have any right to inspect any account, book or document of the Corporation other than such rights as may be conferred by applicable law.

Notwithstanding any other provisions of this Third Amended and Restated Certificate of Incorporation or the Bylaws of the Corporation and in addition to any other vote required by law, no provision of the Bylaws may be altered, amended or repealed in any respect by the stockholders, nor may any provision inconsistent therewith be adopted, in any respect by the stockholders, unless such alteration, amendment, repeal or adoption is approved by the affirmative vote of the holders of at least a majority of the capital stock of the Corporation entitled to vote generally in an election of directors, voting together as a single class, at any annual or special meeting of the stockholders of the Corporation, duly called and upon proper notice thereof.

The Corporation may in its Bylaws confer powers upon the Board of Directors in addition to the foregoing and in addition to the powers and authorities expressly conferred upon the Board of Directors by applicable law; provided that such powers are approved by the affirmative vote of the holders of at least a majority of the capital stock of the Corporation entitled to vote generally in an election of directors.

A. CALLING A MEETING

Special meetings of the stockholders of the Corporation for any purpose or purposes may be called at any time by the Chairperson of the Board of Directors or the Chief Executive Officer or at the written request of a majority of the members of the Board of Directors or, for so long as VSS-Cambium Holdings III, LLC, a Delaware limited liability company or one or more funds or entities, owned, controlled or managed by VSS Fund Management LLC (each a VSS Fund and collectively, the VSS Funds) have beneficial ownership (as determined in accordance with Rule 13d-3 of the Securities Exchange Act 1934, as amended (the Exchange Act)) of at least twenty-five (25%) of the outstanding shares of capital stock of the Corporation, by a VSS Fund, and may not be called by any other person. Except as set forth in the preceding sentence with respect to the VSS Funds, any power of stockholders to call a special meeting is specifically denied; provided, however, that if and to the extent that any special meeting of stockholders may be called by any other person or persons specified in any provisions of this Third Amended and Restated Certificate of Incorporation or any amendment hereto or any certificate filed under Section 151(g) of the DGCL, then such special meeting may also be called by the person or person, in the manner, at times and for the purposes so specified.

B. ACTIONS BY STOCKHOLDERS

So long as the VSS Funds beneficially own (as determined in accordance with Rule 13d-3 of the Exchange Act) at least twenty-five (25%) of the outstanding shares of Common Stock, and subject to the terms of any series of

Preferred Stock, any action required or permitted to be taken by the stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action to be taken, are signed by the holders of shares of outstanding capital stock having not less than the minimum number of votes necessary to authorize such action, subject to applicable law. Once the VSS Funds cease to beneficially own (as determined in accordance with Rule 13d-3 of the Exchange Act) at least twenty-five percent (25%) of the outstanding shares of Common Stock, and subject to the terms of any series of Preferred Stock, any action required or permitted to be taken by the stockholders must be effected at an annual or special meeting of the stockholders and may not be effected by written consent in lieu of a meeting.

C. ADVANCE NOTICE

Advance notice of new business at a meeting of the stockholders and stockholder proposals and stockholder nominations for the election of directors shall be given in the manner and to the extent provided in the Bylaws of the Corporation.

ARTICLE VII

BOARD OF DIRECTORS

The business and affairs of the Corporation shall be managed by or under the direction of a Board of Directors.

A. NUMBER

Subject to the right of the holders of any series of Preferred Stock, or any other series or class of stock as set forth in this Third Amended and Restated Certificate of Incorporation, to elect additional directors under specified circumstances, the number of directors of the Corporation shall be between one and 11, as such number shall be determined by the Board of Directors from time to time and, on the date hereof, the initial number of directors shall be seven. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

For so long as the VSS Funds or any affiliate thereof beneficially owns (as determined in accordance with Rule 13d-3 of the Exchange Act) at least a majority of the outstanding shares of Common Stock, a majority of the directors shall be nominated by the VSS Funds or an affiliate thereof (each a VSS Nominee and collectively, the VSS Nominees).

Whenever the holders of one or more classes or series of Preferred Stock shall have the right, voting separately as a class or series, to elect directors, the nomination, election, term of office, filling of vacancies, removal and other features of such directorships shall not be governed by this Article VII unless otherwise provided for in the applicable Preferred Stock Designation; and shall instead be governed by the Preferred Stock Designation.

B. REMOVAL

Subject to the rights of holders of any class or series of Preferred Stock, if any, to elect directors under specified circumstances, a director may be removed from office only (i) for cause and only by the affirmative vote of not less than a majority of the total voting power of all outstanding securities of the Corporation then entitled to vote generally in the election of directors, voting together as a single class or (ii) for so long as the VSS Funds continue to beneficially own (as determined in accordance with Rule 13d-3 of the Exchange Act) at least twenty-five percent (25%) of the outstanding shares of capital stock of the Corporation, without cause and only by the affirmative vote of not less than a majority of the total voting power of all outstanding securities of the Corporation then entitled to vote generally in the election of directors, voting together as a single class.

C. VACANCIES

Subject to the rights of the holders of any class or series of Preferred Stock then outstanding, newly-created directorships resulting from any increase in the authorized number of directors, or any vacancies in the Board of Directors resulting from death, resignation, disqualification, removal or other cause shall be filled solely by a majority of the total number of directors then in office, even if less than a quorum, or by a sole remaining director. Any director elected by the Board of Directors to fill any vacancy shall hold office for a term that shall coincide with the remaining term of the director to which such person has been elected.

D. ELECTION

Unless and except to the extent that the Bylaws of the Corporation shall so require, the election of directors of the Corporation need not be by written ballot.

E. VOTING

Unless otherwise set forth herein, a majority in voting power of directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. Each director shall have one (1) vote on all matters to be voted on by the Board of Directors or any committee thereof; provided, however, at any time that the right of any of the VSS Funds or an affiliate thereof to nominate a majority of the Board of Directors is in effect, if at any time there are less than a majority of directors who are VSS Nominees, then for so long as Jeffrey T. Stevenson shall be serving on the Board of Directors as a VSS Nominee, Jeffrey T. Stevenson shall have such number of votes as is equal to the majority of the number of director positions minus the number of VSS Nominees then serving on the Board of Directors, provided, that, in the event Jeffrey T. Stevenson shall not then be serving on the Board of Directors as a VSS Nominee then, for so long as David Bainbridge shall be serving on the Board of Directors as a VSS Nominee, David Bainbridge shall have such number of votes as is equal to the majority of the number of director positions minus the number of VSS Nominees then serving on the Board of Directors, provided, further, that in the event neither Jeffrey T. Stevenson nor David Bainbridge shall be then serving on the Board of Directors as a VSS Nominee, then the most senior employee of the VSS Funds then serving on the Board of Directors as a VSS Nominee shall have such number of votes as is equal to the majority of the number of director positions minus the number of VSS Nominees then serving on the Board of Directors, provided, further, that in the event no employee of any VSS Fund shall then be serving on the Board of Directors as a VSS Nominee, then the Chairman of the Board of Directors shall have such number of votes as is equal to the majority of the number of director positions, in each case, so that all of the VSS Nominees then serving on the Board of Directors collectively have a majority of the votes. At any time that the right of any of the VSS Funds or an affiliate thereof to nominate a majority of the Board of Directors is in effect, all references in this Third Amended and Restated Certificate of Incorporation, the Bylaws of the Corporation, and any other charter document of the Corporation, each as may be amended from time to time, to (i) a majority of the members of the Board of Directors , a majority of the total number of directors then in office , majority of the members of the Board , a majority of the Board , a majority of the remaining directors , a majority of the authorized number of directors , majority of the directors present and similar phrases and (ii) unanimous vote of the Board or all members of the Board and similar phrases, in each case, shall give effect to the voting provisions of this Article VII such that references to majority shall mean a majority of the votes of the directors and references to unanimous vote of the Board or all members of the Board and similar phrases mean all votes entitled to be cast by the directors.

ARTICLE VIII

LIABILITY AND INDEMNIFICATION

A. LIABILITY

A director of the Corporation shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

B. INDEMNIFICATION

- (1) The Corporation shall indemnify each of the Corporation's directors and officers in each and every situation where, under Section 145 of the DGCL, as amended from time to time (Section 145), the Corporation is permitted or empowered to make such indemnification. The Corporation may, in the sole discretion of the Board of Directors of the Corporation, indemnify any other person who may be indemnified pursuant to Section 145 to the extent the Board of Directors deems advisable, as permitted by Section 145. The Corporation shall promptly make or cause to be made any determination required to be made pursuant to Section 145.
- (2) The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or other entity against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person under the DGCL.
- (3) The Corporation shall, to the fullest extent permitted by the DGCL, advance all costs and expenses (including, without limitation, attorneys' fees and expenses) incurred by any director or officer within fifteen (15) days of presentation of such costs and expenses to the Corporation, with respect to any one or more actions, suits or proceedings, whether civil or criminal, administrative or investigative, so long as the Corporation receives from such director or officer an unsecured undertaking to repay such expenses if it shall ultimately be determined that such director or officer is not entitled to be indemnified by the Corporation under the DGCL. Such obligation to advance costs and expenses shall include, without limitation, costs and expenses incurred in asserting affirmative defenses, counterclaims and cross-claims to the fullest extent permitted by the DGCL. Such undertaking to repay may, if first requested in writing by the applicable director or officer, be on behalf of (rather than by) such director or officer, provided that in such case the Corporation shall have the right to approve the party making such undertaking.
- (4) No amendment to or repeal of the provisions of this Article VIII shall deprive a director or officer of the benefit hereof with respect to any act or omission occurring prior to such amendment or repeal.

ARTICLE IX

CORPORATE OPPORTUNITIES

(1) In recognition of the fact that the Corporation, the VSS Funds, and directors, officers and employees of the VSS Funds, acting in their capacities as such, currently engage in, and may in the future engage in, the same or similar activities or lines of business and have an interest in the same areas and types of corporate opportunities, and in recognition of the benefits to be derived by the Corporation through its continued contractual, corporate and business relations with the VSS Funds

(including possible service of directors, officers and employees of the VSS Funds as directors, officers and employees of the Corporation), the provisions of this Article IX are set forth to regulate and define the conduct of certain affairs of the Corporation as they may involve Authorized Persons and their directors, officers and employees, acting in their capacities as such, and the powers, rights, duties and liabilities of the Corporation and its directors, officers, employees and stockholders in connection therewith. In furtherance of the foregoing, the Corporation renounces any interest or expectancy in, or in being offered the opportunity to participate in, any corporate opportunity not allocated to it pursuant to this Article IX to the fullest extent permitted by Section 122(17) of the DGCL (or any successor provision).

(2) To the fullest extent permitted by applicable law, no director, officer, employee, or stockholder of the Corporation, in such capacity, that is an Authorized Person or a director, officer, or employee of an Authorized Person, acting in his or her capacity as such, shall have any obligation to the Corporation to refrain from competing with the Corporation, making investments in competing businesses or otherwise engaging in any commercial activity that competes with the Corporation, which in each case is not a Restricted Opportunity. To the fullest extent permitted by applicable law, the Corporation shall not have any right, interest or expectancy with respect to any such particular investments or activities, which in each case is not a Restricted Opportunity, undertaken by any Authorized Person or any director, officer or employee of an Authorized Person, acting in his or her capacity as such, such investments or activities, which in each case is not a Restricted Opportunity, shall not be deemed wrongful or improper, and no such person shall be obligated to communicate, offer or present any potential transaction, matter or opportunity to the Corporation, which in each case is not a Restricted Opportunity, even if such potential transaction, matter or opportunity is of a character that, if presented to the Corporation, could be taken by the Corporation.

(3) Nothing in this Article IX shall limit or otherwise prejudice any contractual rights the Corporation may have or obtain against any Authorized Person or any director, officer, or employee of any Authorized Person.

(4) For purposes of this Article IX:

Authorized Person shall mean the VSS Funds, any subsidiary of an Authorized Person, any successor by operation of law (including merger) of an Authorized Person, and any person or entity which acquires all or substantially all of the assets of an Authorized Person in a single transaction or series of related transactions; and Restricted Opportunity shall mean a transaction, matter or opportunity offered to a person in writing solely and expressly by virtue of such Authorized Person or a director, officer, or employee of an Authorized Person being a member of the Board of Directors or an officer or an employee of the Corporation. In the event that an Authorized Person or any director, officer or employee of an Authorized Person, acting in his or her capacity as such, acquires knowledge of a potential transaction or matter which may be a corporate opportunity for both the Authorized Person and the Corporation, but is not a Restricted Opportunity, the Authorized Person and the directors, officers and employees of the Authorized Person, acting in their capacities as such, shall have no duty to communicate or offer such corporate opportunity to the Corporation and shall not be liable to the Corporation or its stockholders for breach of any fiduciary duty by reason of the fact that an Authorized Person or any director, officer, or employee of an Authorized Person, acting in his or her capacity as such, pursues or acquires such corporate opportunity for itself, directs such corporate opportunity to another person, or does not communicate information regarding such corporate opportunity to the Corporation, and the Corporation hereby renounces any interest or expectancy in such corporate opportunity.

(1) Neither the alteration, amendment or repeal of this Article IX nor the adoption of any provision of this certificate of incorporation inconsistent with this Article IX shall eliminate or reduce the effect of this Article IX in respect of any matter occurring, or any cause of action, suit or claim that, but for this Article IX, would accrue or arise, prior to such alteration, amendment, repeal or adoption.
