The Consent Solicitation is seeking shareholder consent for two proposals:

- 1) **Unitary Fee:** To approve amendments to the Trust Indenture that change the manner in which the ordinary fees and expenses of the Trust are paid such that, in return for a payment to the Sponsor of 0.40% per year of the daily NAV of the Trust, the Sponsor will be responsible for all other ordinary fees and expenses of the Trust, as described in the Consent Solicitation Statement.
- 2) **Affiliate Compensation:** To approve the amendment to section 3.08 of the Trust Indenture to permit the Sponsor to compensate affiliates for providing marketing and other services to the Trust.

The changes called for in proposal 1 are being sought because of the following:

- 1) The Trust was the first of its kind when developed nearly ten years ago. Since that time, similar ETFs have adopted the unitary fee structure making it the industry standard/best practice. Proposal 1 seeks to implement this industry standard/best practice and in effect simplify and modernize the trust for current and future shareholders.

The Sponsor believes that this change will make the accounting for the Trust's fees and expenses simpler and more efficient with the Sponsor being able to provide greater oversight over the Trust's service providers. The Sponsor also believes that it will be better able to control the Trust's costs if proposal 1 is adopted.

- 2) Currently, the Trust, under certain circumstances, is permitted to charge investors an amount in excess of 0.40% of the daily NAV per year for ordinary fees and expenses of the Trust. Although this has not occurred historically, with the changes sought in proposal 1, investors will have ongoing assurance that those ordinary fees and expenses will not exceed 0.40% of NAV per year.

Approval for Proposal 2 is being sought because having the ability to utilize the expertise of the World Gold Council, the Sponsor's ultimate parent company, and its affiliates, when and if needed, is likely to be beneficial to the Trust and its shareholders. The Sponsor believes that it will be in the best interest of the Trust if the Sponsor were permitted to engage and pay certain of its affiliates, for example, those that have expertise with respect to gold as an

asset class, including the marketing of gold as an asset class. The Sponsor will be responsible for any payments made to affiliates for providing any services to the Trust without any additional cost to the Trust.

Independent evaluations of the proposals:

Prominent proxy review providers Institutional Shareholder Services (ISS) and Glass-Lewis, two leading, independent proxy advisory firms focused on protecting shareholder interests, have each recommended that Shareholders vote FOR both proposals.

Additional recommendations:

The board of directors of World Gold Trust Services, LLC, the Sponsor of the Trust, recommends that shareholders vote FOR the two proposals.
