PROXY STATEMENT

INFORMATION ABOUT THE ANNUAL MEETING OF SHAREHOLDERS AND VOTING

Why Did You Send Me this Proxy Statement?

We sent you this Proxy Statement and the enclosed proxy card because the Board of Directors of Addus HomeCare Corporation, which we refer to as Addus HomeCare, we, us, our or the Company, is soliciting your proxy to vote at the 2015 Annual Meeting of Shareholders, which will be held June 17, 2015 at 10:00 a.m. (Central time) at our headquarters at 2300 Warrenville Road, Downers Grove, Illinois 60065. A copy of our Annual Report for the fiscal year ended December 31, 2014 accompanies this Proxy Statement. We will begin mailing this Proxy Statement on or about May 12, 2015 to all shareholders entitled to vote. **Upon your written request, we will provide you, without charge, a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2014. Our Notice of Annual Meeting of Shareholders, Proxy Statement and Annual Report on Form 10-K may also be found on our website at www.addus.com.**

This Proxy Statement summarizes the information you need to vote at the Annual Meeting of Shareholders. You do not need to attend the Annual Meeting of Shareholders to vote your shares. You may simply complete, sign and return the enclosed proxy card.

What Proposals will be Voted on at the Annual Meeting of Shareholders?

There are two proposals scheduled to be voted on at the Annual Meeting of Shareholders:

The election of Mark L. First and R. Dirk Allison as Class III directors.

The ratification of the selection of BDO USA, LLP, an independent registered public accounting firm, as our independent auditor for 2015.

Addus HomeCare's Board of Directors (the Board) recommends that you vote your shares (1) FOR each of the nominees of the Board and (2) FOR the ratification of the selection of BDO USA, LLP as our independent auditor for 2015.

Who Is Entitled to Vote?

April 27, 2015 is the record date for the Annual Meeting of Shareholders. If you owned shares of our common stock at the close of business on April 27, 2015, you are entitled to vote. As of April 27, 2015, we had 11,089,311 shares of common stock outstanding and entitled to vote at the Annual Meeting of Shareholders. Our common stock is our only class of voting stock.

How Many Votes Do I Have?

You have one vote for each share of our common stock that you owned at the close of business on April 27, 2015.

What is the Difference Between Holding Shares as a Shareholder of Record and as a Beneficial Owner?

Many of our shareholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some differences between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare, you are considered, with respect to those shares, the shareholder of record and these proxy materials are being sent to you directly by Addus HomeCare. As the shareholder of record, you have the right to grant your voting proxy directly to Addus HomeCare or to vote in person at the Annual Meeting of Shareholders. Addus HomeCare has enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares and are also invited to attend the Annual Meeting of Shareholders. However, because you are not the shareholder of record, you may only vote these shares in person at the Annual Meeting of Shareholders if you follow the instructions described below under the heading **How Do I Vote in Person at the Annual Meeting of Shareholders?** Your broker or nominee has enclosed a voting instruction card for you to use in directing your broker or nominee as to how to vote your shares.

How Do I Vote by Proxy?

If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board:

FOR the election of Mark L. First and R. Dirk Allison as Class III directors.

FOR the ratification of BDO USA, LLP as our independent auditor for 2015.

If any other matter is presented, your proxy will vote in accordance with his best judgment. At the time we began printing this Proxy Statement, we knew of no matters that needed to be acted on at the Annual Meeting of Shareholders, other than those discussed in this Proxy Statement.

May I Revoke My Proxy?

Yes. If you change your mind after you vote, you may revoke your proxy by following any of the procedures described below. To revoke your proxy:

Send in another signed proxy with a later date,

Send a letter revoking your proxy to Addus HomeCare's Secretary at 2300 Warrenville Road, Downers Grove, Illinois 60065, or

Attend the Annual Meeting of Shareholders and vote in person.

If you wish to revoke your proxy, you must do so in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the vote is taken.

How Do I Vote in Person at the Annual Meeting of Shareholders?

You may vote shares held directly in your name as the shareholder of record in person at the Annual Meeting of Shareholders. If you choose to vote your shares in person at the Annual Meeting of Shareholders, please bring the enclosed proxy card or proof of identification. Even if you plan to attend the Annual Meeting of Shareholders, Addus HomeCare recommends that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting of Shareholders.

Shares beneficially owned and held in street name may be voted in person by you only if you obtain a signed proxy from the shareholder of record giving you the right to vote the shares. If your shares are held in the name of your broker, bank or other nominee, you must bring to the Annual Meeting of Shareholders (1) an account statement or letter from the broker, bank or other nominee indicating that you are the owner of the shares and (2) a signed proxy from the shareholder of record giving you the right to vote the shares. The account statement or letter must show that you were beneficial owner of the shares on April 27, 2015.

What Votes Need to be Present to Hold the Annual Meeting of Shareholders?

To have a quorum for our Annual Meeting of Shareholders, persons must be present, in person or by proxy, representing a majority of the votes that could be cast by the holders of all outstanding shares of stock entitled to vote at the meeting.

What Vote Is Required to Approve Each Proposal?

Election of Directors

The election of each nominee for Class III director requires the affirmative vote of a plurality of the votes entitled to be cast by shareholders who are present in person or represented by proxy at the Annual Meeting of Shareholders and entitled to vote on the election of directors.

Ratification of Appointment of Independent Auditors

The ratification of the selection of BDO USA, LLP as independent auditor for 2015 requires the affirmative vote of a majority of the votes entitled to be cast by shareholders who are present in person or represented by proxy at the Annual Meeting of Shareholders and entitled to vote.

How Are Votes Counted?

In the election of Addus HomeCare's directors, your vote may be cast FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For the ratification of Addus HomeCare's independent auditor, your vote may be cast FOR or AGAINST or you may ABSTAIN. If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board. We will appoint one or more inspectors of election to count votes cast in person or by proxy.

What Is the Effect of Broker Non-Votes and Abstentions?

Abstentions have the same effect as negative votes. Broker non-votes and shares as to which proxy authority has been withheld with respect to any matter are not entitled to vote for purposes of determining whether shareholder approval of that matter has been obtained and, therefore, will have no effect on the outcome of the vote on any such matter. A broker non-vote occurs on an item when shares held by a broker are present or represented at the meeting, but the broker is not permitted to vote on that item without instruction from the beneficial owner of the shares and no instruction is given.

What Are the Costs of Soliciting These Proxies and Who Will Pay Them?

Addus HomeCare will pay all the costs of soliciting these proxies. Although we are mailing these proxy materials, our directors and employees may also solicit proxies by telephone, fax or other electronic means of communication or in person. We will reimburse our transfer agent and banks, brokers, nominees and other fiduciaries for the expenses they incur in forwarding the proxy materials to you.

Where Can I Find the Voting Results?

We will publish the voting results by filing a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission (the SEC) within four business days of our Annual Meeting of Shareholders.

Do Directors Attend the Annual Meeting of Shareholders?

Although we do not have a formal policy regarding director attendance at shareholder meetings, we encourage our directors to attend our annual meeting of shareholders and special meetings of shareholders. In 2014, three of the directors of the Company attended the Annual Meeting.

Can a Shareholder Communicate Directly with Our Board? If So, How?

Shareholders and other interested parties may contact any member (or all members) of the Board, any Board committee or any chair of any such committee by mail. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent to the Secretary, Addus HomeCare Corporation, 2300 Warrenville Road, Downers Grove, Illinois 60065.

All communications received as set forth in the preceding paragraph will be opened by the Company's executive officers for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising or promotions of a product or service, or are not patently offensive material, will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the executive officers will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

General

Our Bylaws divide our Board into three classes with the terms of office of each class ending in successive years. Our Bylaws empower our Board to fix the exact number of directors and appoint persons to fill any vacancies on the Board until the next Annual Meeting of Shareholders.

Following a recommendation from the Nominating and Corporate Governance Committee, our Board has nominated Mark L. First and R. Dirk Allison for re-election as Class III directors of the Company to serve three year terms to expire at the Annual Meeting of Shareholders in 2018.

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THESE

NOMINEES AS DIRECTORS OF THE COMPANY.

It is the intention of the persons named as proxies, subject to any direction to the contrary, to vote in favor of the candidates nominated by the Board. We know of no reason why any nominee would be unable to serve as a director. If any nominee is unable to serve, your proxy may vote for another nominee proposed by the Board, or the Board may reduce the number of directors to be elected. If any director resigns, dies or is otherwise unable to serve out his term, or the Board increases the number of directors, the Board may fill the vacancy until the next election of the class for which such director was chosen.

We have set forth below information with respect to the nominees for election as directors proposed by the Company and the other directors whose terms of office as directors will continue after the Annual Meeting of Shareholders. A majority of the Board, including Mark L. First, Simon A. Bachleda, Mark S. Heaney and Steven I. Geringer, were initially elected pursuant to a shareholders' agreement dated September 19, 2006 (the Shareholders' Agreement). The Shareholders' Agreement was terminated in connection with the Company's initial public offering completed on November 2, 2009 (the IPO) and there are no remaining contractual rights to appoint directors. There are no other arrangements or understandings between any director and any other person pursuant to which any director was or is selected as a director or nominee.

Nominees for Election for Terms Expiring in 2018.

Mark L. First, age 50, has served as a director of the Company since September 2006 and Lead Independent Director since June 2009. Mr. Allison earned a master's degree in business administration at the University of Dallas and his BBA at the University of Louisiana at Monroe (formerly Northeast Louisiana University) and is a Certified Public Accountant (CPA). Independent Director Meetings

Our independent directors meet regularly. The Company has a Lead Independent Director, Mark L. First, who is a non-executive director. The Lead Independent Director presides at all meetings of the Board and shareholders at which the Chairman is not present, including executive sessions of non-executive directors. The Lead Independent Director also serves as a liaison between the Chairman and the independent directors as required. The independent directors may delegate additional duties to the Lead Independent Director as appropriate.

Other Corporate Governance

Highlights

Only independent directors serve on our Audit, Compensation and Nominating and Corporate Governance Committees. A majority of our Board is composed of independent directors.

Under our Code of Business Conduct and Ethics, directors, employees and officers are required to report service on the board of directors or trustees of any other business, trade or community organization. The Company may prohibit membership by officers or employees on any board of directors or trustees where such membership might conflict with the best interests of the Company.

Our Audit Committee appoints, determines the compensation and oversees the work of our independent auditors. It also has the authority to retain outside advisors.

Our Compensation Committee has the authority to retain independent advisors. Our Compensation Committee evaluates the performance of the Chief Executive Officer based on corporate goals and objectives and determines and approves his compensation level based on this evaluation and in accordance with any applicable employment agreement then in effect.

Our Board has adopted a Code of Business Conduct and Ethics applicable to all directors, officers and employees. The Code of Conduct addresses, among other things, legal compliance, conflicts of interest, corporate opportunities, protection and proper use of Company assets, confidential and proprietary information, integrity of records, compliance with accounting principles and relations with government agencies.

Our Board has adopted an Insider Trading Policy, applicable to all directors, officers and employees, their family members and entities controlled by them, which prohibits, among other things, trading in securities of the Company or others while in possession of material non-public information. In addition, the Insider Trading Policy requires that all Company insiders notify the Company's Compliance Officer of the amount and nature of any proposed trades in the Company's securities and prohibits trading other than during a specified trading window. The proposed transactions must be approved in writing before the insider may trade the securities, and the securities must be traded within two days of such approval or the insider must seek a new approval to trade. The Compliance Officer may reject any trading requests in his sole discretion.

Board of Directors

Our Board oversees our business and monitors the performance of management. The Board does not involve itself in day-to-day operations. The directors keep themselves informed by discussing matters with the President and Chief Executive Officer, other key executives and our principal external advisors, such as legal counsel, outside auditors, investment bankers and other consultants, by reading the reports and other materials that we send them regularly and by participating in Board and committee meetings.

The Board usually meets four times per year in regularly scheduled meetings, but will meet more often if necessary. The Board met six times during 2014. All incumbent directors attended at least 75% of the aggregate number of meetings of the Board and committees of the Board of which they were a member held during the year ended December 31, 2014.

Director Independence

Our Board has affirmatively determined that each director other than Mark S. Heaney is independent, as defined by the Marketplace Rules of The NASDAQ Stock Market LLC. Under the Marketplace Rules, a director can be independent only if the director does not trigger a categorical bar to independence and our Board affirmatively determines that the director does not have a relationship that, in the opinion of our Board, would interfere with the exercise of independent judgment by the director in carrying out the responsibilities of a director.

With respect to Messrs. First and Bachleda, our Board considered Mr. First's role as a Managing Director and Mr. Bachleda's former role as a principal of Eos Management, which is an affiliate of the Eos Funds, and the fact that the Eos Funds own a significant number of shares of our capital stock. See Information About our Common Stock Ownership. Mr. Bachleda is no longer affiliated with the Eos Funds, and he may no longer be

deemed to share beneficial ownership of the shares of Common Stock owned by the Eos Funds. In addition, our Board considered that Messrs. First and Bachleda served as non-employee, unpaid executive officers of the Company prior to the IPO. In addition, our Board considered the fact that Addus HealthCare was party to a management consulting agreement with Eos Management, Inc. prior to the completion of the IPO, pursuant to which Eos Management, Inc. served as its consultant with respect to the IPO, acquisitions and other senior management matters related to its business, administration and policies, in exchange for a management fee. Our Board also considered the fact that we were a party to the Shareholders' Agreement with the Eos Funds, among others, which terminated by its terms upon the completion of the IPO, and we are a party to a registration rights agreement with the Eos Funds, among others, in connection with their ownership of our capital stock, which survived the completion of the IPO. Our Board also considered the payments received by the Eos Funds and their affiliates upon completion of the IPO, including the issuance of dividend notes and the prepayments required thereunder at the completion of the IPO, and a \$1,500,000 one-time consent fee paid to the Eos Funds in connection with the IPO. After reviewing the existing relationships between us and the Eos Funds and their affiliates, and considering that the affiliation of Mr. First, and the former affiliation of Mr. Bachleda, with the Eos Funds positively aligns their interests with those of our public shareholders, our Board has affirmatively determined that, in its judgment, Messrs. First and Bachleda do not have any relationship that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors under the standards established by The NASDAQ Stock Market LLC.

Board Leadership Structure

The Company's Bylaws permit the Board to choose a Chairman of the Board from among its members. There is no restriction against appointing the President or Chief Executive Officer of the Company as the Chairman of the Board. This approach gives the Board the necessary flexibility to determine whether these positions should be held by the same person or by separate persons based on the leadership needs of the Company at any particular time. The positions of President and Chief Executive Officer and Chairman of the Company are currently held by Mark S. Heaney. The directors believe that, at the Company's current stage, Mr. Heaney's in-depth knowledge of the Company's operations and strategic goals make him qualified to serve as Chairman as well as Chief Executive Officer. In addition, the Board is permitted to choose a Lead Independent Director, who cannot be an executive officer. The Lead Independent Director presides at all meetings of the Board and shareholders at which the Chairman is not present, including executive sessions of non-executive directors. The Lead Independent Director also serves as a liaison between the Chairman and the independent directors as necessary. Committees of the Board

The Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, all of which consist exclusively of members who qualify as independent directors under the applicable requirements of The NASDAQ Stock Market LLC and the SEC.

Audit Committee

The audit committee is composed entirely of directors who are independent of the Company and its management as defined by The NASDAQ Stock Market LLC listing standards and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the Exchange Act).

The members of the Audit Committee are Steven I. Geringer, R. Dirk Allison and Michael Earley. Mr. Allison serves as chairman of the Audit Committee.

The Board has determined that each member of the Audit Committee satisfies the financial literacy requirements of The NASDAQ Stock Market LLC. Additionally, the Board has determined that Mr. Allison and Mr. Earley are audit committee financial experts, as that term is defined under Item 407(d) of Regulation S-K. The members of the Audit Committee are reviewed at least annually by the Board.

The primary purpose of our Audit Committee is to oversee the integrity of our financial statements, our financial reporting process, the independent accountants' qualifications and independence, the performance of the independent accountants and our compliance with legal and regulatory requirements on behalf of our Board. In particular, our Audit Committee performs the following key functions, among others:

reviewing our financial statements, reports, earnings press releases and other financial information (including internal procedures used in the preparation thereof) in conjunction with management and the independent auditor;

meeting quarterly with our Chief Financial Officer to monitor certain financial and operational metrics;

appointing our independent auditor and approving all audit and engagement compensation and terms, as well as all significant permitted non-audit services by our independent auditors, and meeting with our independent auditors to review and discuss certain financial measures;

reviewing the adequacy and effectiveness of our internal controls regarding accounting and financial matters;

reviewing and, if appropriate, approving transactions between us and related persons; and

reporting regularly to the full Board.

Additional information regarding our Audit Committee and its processes and procedures for the consideration and approval of related person transactions can be found under the heading "What Is Our Related Party Transactions Approval Policy and What Procedures Do We Use to Implement It?"

This Committee met seven times in 2014.

Compensation Committee

The Compensation Committee is composed entirely of directors who are independent of the Company and its management, as defined by The NASDAQ Stock Market LLC listing standards. The members of the Compensation Committee are Steven I. Geringer,

Edgar Filing: Addus HomeCare Corp - Form DEF 14A

Mark L. First and Simon A. Bachleda. Mr. Geringer serves as chairman of the Compensation Committee.

The Board considered, in its independence evaluation for Mr. First, that the Eos Funds, with which Mr. First is affiliated, from time to time engage Winston & Strawn LLP, the Company's outside legal counsel, to advise on investments. The Board also considered, in its independence evaluation of Mr. Bachleda, that Revelstoke Capital Partners LLC, with which Mr. Bachleda is affiliated, from time to time engages Winston & Strawn LLP to advise on investments.

The principal responsibilities of our Compensation Committee are to assist our Board by ensuring that our officers and key executives are compensated in accordance with our total compensation objectives and policies and to develop and implement these objectives and policies. In particular, the Compensation Committee is responsible for the following key functions, among others:

reviewing and approving corporate goals and objectives of executive compensation;

evaluating and approving the compensation and benefits of our senior executive officers and approving compensation for new senior executive officers hires; and

administering stock plans and other incentive and equity compensation plans.

This Committee met three times in 2014.

Nominating and Corporate

Governance Committee

The Nominating and Corporate Governance Committee is composed entirely of directors who are independent of the Company and its management, as defined by The NASDAQ Stock Market LLC listing standards. The members of the Nominating and Corporate Governance Committee are Mark L. First and R. Dirk Allison. Mr. First serves as chairman of the Nominating and Corporate Governance Committee.

The primary responsibilities of the Nominating and Corporate Governance Committee include:

identifying individuals qualified to become board members consistent with the criteria established by our Board from time to time and recommending nominees to our Board;

Edgar Filing: Addus HomeCare Corp - Form DEF 14A

overseeing the succession planning of the President and Chief Executive Officer and senior executive officers.

This Committee met two times in 2014.

Risk Oversight

Together with the Board's standing committees, the Board is responsible for ensuring that material risks are identified and managed appropriately. The Board and its committees regularly review material operational, financial, compensation and compliance risks with senior management. As part of its responsibilities as set forth in its charter, the Audit Committee is responsible for overseeing the quality and integrity of the Company's financial statements and other financial information, financial reporting process, internal controls and procedures for financial reporting and internal audit function. In addition, the Audit Committee strives to provide an open avenue of communication among the Company's independent auditor, management and the Board. The Compensation Committee considers risk in connection with its design of compensation programs for our executives. The Nominating and Corporate Governance Committee annually reviews its own performance and the Company's corporate governance guidelines and their implementation. Each committee regularly reports to the Board.

How Are Directors Nominated?

The Nominating and Corporate Governance Committee identifies potential nominees for directors from various sources. The Nominating and Corporate Governance Committee reviews the appropriate skills and characteristics required of Board members in the context of the current composition of the Board. The Nominating and Corporate Governance Committee considers, among other things, a potential director's independence and conflicts of interests, character and integrity, financial literacy, education and business experience and available time to devote to Board matters. The Nominating and Corporate Governance Committee seeks candidates from diverse business and professional backgrounds with outstanding integrity, achievements, judgment and such other skills and experience that would enhance the Board's ability to serve the long-term interests of the shareholders. The Nominating and Corporate Governance Committee considers diversity as one of a number of factors in identifying nominees for director. The Committee views diversity broadly to include diversity of experience, skills and viewpoint as well as traditional diversity concepts such as race and gender. The Nominating and Corporate Governance Committee's objective is to assemble a slate of directors that can best fulfill the Company's goals and promote the interests of shareholders.

The Nominating and Corporate Governance Committee may from time to time use its authority under its charter to retain at the Company's expense one or more search firms to identify candidates and to approve the search firm's fees and other retention terms, and will specify for the search firm the criteria to use in identifying potential candidates.

The Nominating and Corporate Governance Committee will consider a shareholder's recommendation for director, but the Nominating and Corporate Governance Committee has no obligation to recommend such candidates for nomination by the Board. Assuming that appropriate biographical and background material is provided for candidates recommended by shareholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process and applying substantially the same criteria as for candidates recommended by other sources. If a shareholder has a suggestion for candidates for election, the shareholder should mail it to: Secretary, Addus HomeCare Corporation, 2300 Warrenville Road, Downers Grove, Illinois 60065. No person recommended by a shareholder will become a nominee for director and be included in a proxy statement unless the Nominating and Corporate Governance Committee recommends, and the Board approves, such person.

If a shareholder desires to nominate a person for election as director at a shareholders' meeting, that shareholder must comply with Section 1.11 of the Company's Bylaws, which requires, in the case of an annual meeting of shareholders of the Company, that any nomination made by a shareholder be delivered to the Company's secretary at the principal executive offices of the Company not later than the close of business on the one hundred twentieth (120th) day nor earlier than the close of business on the one hundred fiftieth (150th) day prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the

date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice by the shareholder must be so delivered not earlier than the close of business on the one hundred fiftieth (150th) day prior to such annual meeting and not later than the close of business on the later of the one hundred twentieth (120th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company). In no event shall the public announcement of an adjournment or postponement of an annual meeting of shareholders of the Company commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

Notwithstanding the above, in the event that the number of directors to be elected to the Board at an annual meeting of shareholders of the Company is increased and there is no public announcement by the Company naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, the shareholder's notice required by the Bylaws shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the secretary of the Company at the principal executive offices of the Company not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Company.

In the case of a special meeting of shareholders of the Company, to be timely, any nomination shall be delivered to the secretary of the Company at the principal executive offices of the Company not earlier than the close of business on the one hundred fiftieth (150th) day prior to such special meeting and not later than the close of business on the later of the one hundred twentieth (120th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of such special meeting and of the nominees proposed by the Board of the Company to be elected at such special meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting of shareholders of the Company commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

The time period for delivery of notice of nominations has passed with respect to the 2015 Annual Meeting of Shareholders. With respect to the 2016 Annual Meeting of Shareholders, the Company must receive such written notice no earlier than January 18, 2016 and no later than February 17, 2016. To be in proper form the shareholder's notice of nominations must set forth:

all information relating to the individual being nominated that is required to be disclosed in solicitations of proxies for election of directors in an election contest and such individual's written consent to be named in a proxy statement as a nominee and to serve as a director if elected;

the name and address of the shareholder, as they appear on the Company's books, and of the beneficial owner proposing such business;

the class, series and number of shares of capital stock of the Company which are owned beneficially and of record by the shareholder and beneficial owner;

a representation that the shareholder is a holder of record of stock of the Company entitled to vote at such meeting and such shareholder intends to appear in person or by proxy at the annual meeting to propose such business;

whether and the extent to which any hedging or other transaction or series of transactions has been entered into by or on behalf of, or any other agreement, arrangement or understanding (including any short position or any borrowing or lending of shares of stock) has been made, the effect or intent of which is to mitigate loss to or manage risk of stock price changes for, or to increase the voting power of, such shareholder or beneficial owner or any of its affiliates with respect to any share of stock of the Company; and

a representation as to whether the shareholder or the beneficial owner, if any, intends or is part of a group that intends to (1) deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding capital stock required to elect the individual nominated and/or (2) otherwise solicit proxies from shareholders of the Company in support of such nomination.

The Company may require any individual nominated to furnish such other information as it may reasonably require to determine the eligibility of such individual to serve as a director of the Company.

Role of Compensation Consultants

The Compensation Committee has the authority to retain a compensation consultant or obtain advice from external legal, accounting or other advisors to assist in the evaluation of senior executive compensation. During 2012 and 2014, the Compensation Committee engaged Pearl Meyer & Partners as its independent compensation consultant to provide advice as discussed below under Executive Compensation Compensation Discussion and Analysis, which advice was used in making 2014 compensation decisions.

What Is Our Related Party Transactions Approval Policy and What Procedures Do We Use to Implement It?

Our written Code of Business Conduct and Ethics provides that our directors, officers and employees are not permitted to enter into a related person transaction with us without the prior consent of our Audit Committee, or other independent committee of our Board in the event it is inappropriate for our Audit Committee to review such transaction due to a conflict of interest. In addition, the charter of our Audit Committee states that the Audit Committee shall review and approve all related person transactions. Any request for us to enter into a transaction with an executive officer, director, nominee for director, principal shareholder, or any of such persons' immediate family members or affiliates, or our employees, in which the amount involved may exceed \$120,000, will first be presented to our Audit Committee or such other committee for review, consideration and approval. All of our directors, officers and employees are required to report to our Audit Committee or such other committee any such related person transaction. In approving or rejecting the proposed agreement, our Audit Committee or such other committee will consider the facts and circumstances available and deemed relevant, including, but not limited to, the risks, costs and benefits to us, the terms of the transaction, the availability of other sources for comparable services or products and, if applicable, the impact on a director's independence. Our Audit Committee or such other committee will approve only those transactions that, in light of known circumstances, are in, or are not inconsistent with, our best interests, as our Audit Committee or such other committee determines in the good faith exercise of its discretion. Under the policy, if we should discover related person transactions that have not been approved, the Audit Committee or such other committee will be notified and will determine the appropriate action, including ratification, rescission or amendment of the transaction. Notwithstanding the foregoing, compensatory transactions with our related persons will be reviewed by our Compensation Committee.

What Related Person Transactions Do We Have?

In connection with the settlement of a derivative lawsuit, the Company agreed, among other things, to lower the disclosure threshold for certain related party transactions from \$120,000 (which is the requirement under the rules of the SEC) to \$60,000. Since January 1, 2013, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are a party in which the amount involved exceeded or exceeds \$60,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, other than compensation arrangements with directors and executive officers, which are described where required under the captions Executive Officers and Executive Compensation appearing elsewhere in this proxy, and the transactions described below.

Property Lease

The Company leased its former corporate office space from W. Andrew Wright, III, a former member of our Board and former Chairman of Addus HealthCare who is also a 5% shareholder of the Company, under the terms of an operating lease that expired in May 2014. The Company made monthly rent payments of \$40,050, plus our proportionate share of the common costs and expenses. Rental expense relating to this lease amounted to approximately \$200,250 for the year ended December 31, 2014.

Escrow Related to Acquisition of Addus HealthCare

In connection with the acquisition of Addus HealthCare on September 19, 2006, the Company entered into a purchase agreement with Mark S. Heaney, President and Chief Executive Officer and Chairman of the Board of the Company, W. Andrew Wright, III, a holder of more than 5% of our common stock and a former member of our Board, and certain members of Mr. Wright's family and trusts for their benefit, who we collectively refer to as the sellers. Pursuant to the purchase agreement, subject to certain limitations, the sellers had ongoing obligations to indemnify us for losses we may incur as a result of breaches of certain representations, warranties and covenants set forth in the purchase agreement; sellers' expenses, indebtedness and brokers' fees to the extent not paid or assumed at closing; certain tax, litigation and insurance matters; certain matters relating to certain discontinued operations; and workers' compensation claims relating to events that occurred prior to January 1, 2006, referred to as the pre-2006 workers' compensation claims.

We also entered into an escrow agreement on September 19, 2006 with Mr. Wright, in his capacity as the representative of the sellers, and Fifth Third Bank (Chicago), as the escrow agent, pursuant to which \$25.7 million of the acquisition purchase price was deposited into escrow to serve as security for the post-closing indemnification obligations of the sellers and payment of certain pre-2006 workers' compensation claims. Messrs. Heaney and Wright were entitled to 5.6% and 75.8% of any funds released to the sellers from escrow, respectively. A total of approximately \$24.2 million had been released to us in respect of certain indemnifiable events, including pre-2006 workers' compensation claims and certain litigation, insurance and tax claims, prior to December 29, 2014. On December 29, 2014, the parties agreed to settle remaining claims secured by the escrow and agreed to a release of \$700,000 to the representative of the sellers and the balance of \$824,000 to us.

Registration Rights Agreement

We are a party to a registration rights agreement with the Eos Funds, Freeport Loan Fund LLC, Mark S. Heaney, W. Andrew Wright, III and certain members of Mr. Wright's family and trusts for their benefit, pursuant to which, under certain circumstances, we are required to register shares of our common stock held by those shareholders under the Securities Act of 1933, as amended (the Securities Act).

Limitation of Liability and Indemnification

Our amended and restated certificate of incorporation contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors will not be personally liable to us or our shareholders for monetary damages for any breach of fiduciary duties as directors, except liability for the following:

any breach of their duty of loyalty to our company or our shareholders;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; and

any transaction from which the director derived an improper personal benefit.

Our amended and restated bylaws provide that we are required to indemnify our directors and officers and may indemnify our employees and other agents to the fullest extent permitted by Delaware law. Our amended and restated bylaws also provide that we will advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity, regardless of whether our bylaws would otherwise permit indemnification. We believe that these by-law provisions are necessary to attract and retain qualified directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our amended and restated certificate of incorporation and amended and restated bylaws may discourage shareholders from bringing a lawsuit against our directors for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and our shareholders. Furthermore, a shareholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions.

We are party to indemnification agreements with each of Mark L. First, Simon A. Bachleda, Mark S. Heaney, Steven I. Geringer, R. Dirk Allison and Michael Earley, in their capacities as officers and directors, and with Brian D. Young, a former member of our board of directors and an affiliate of the Eos Funds, Wayne Lowell, a former member of our board of directors, and W. Andrew Wright, III, a former member of our board of directors and a 5% stockholder (each, an indemnitee). Pursuant to these agreements, we have agreed to hold each indemnitee harmless and indemnify him to the fullest extent permitted by law against all expenses, judgments, penalties, fines and amounts paid in settlement including, without limitation, all liability arising out of the negligence or active or passive wrongdoing of the indemnitee. We are not obligated to make any payment to any indemnitee that is finally determined to be unlawful. In respect of any threatened, pending or completed proceeding in which we are jointly liable with an indemnitee, we will pay the entire amount of any judgment or settlement without requiring the indemnitee to contribute. We will advance, to the extent permitted by law, all expenses incurred by or on behalf of an indemnitee in connection with a proceeding. No amendment, alteration or repeal of our certificate of incorporation, our bylaws or the indemnification agreement with any indemnitee will limit any right of that indemnitee in respect of any action taken or omitted by that indemnitee prior to such amendment. With respect to Messrs. Young, First and Bachleda, we have agreed that, where the indemnitee has certain rights to indemnification, advancement of expenses and/or insurance provided by any of the Eos Funds or their affiliates, we will be the indemnitor of first resort, we will be required to advance the full amount of expenses incurred by the indemnitee, and we will waive and release the Eos Funds and their affiliates from any and all claims for contribution, subrogation or any other recovery of any kind. We anticipate that we will enter into similar indemnification agreements with any new member elected to our board of directors.

At present, we are not aware of any pending litigation or proceeding involving any of our directors, officers, employees or agents in their capacity as such for which indemnification will be required or permitted. In addition, we are not aware of any other threatened litigation or proceeding that may result in a claim for indemnification by any director or officer.

We have been informed that, in the opinion of the SEC, any indemnification of directors or officers for liabilities arising under the Securities Act is against public policy and therefore unenforceable.

Section 16(a) Beneficial Ownership Reporting Compliance in 2014

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than ten percent of a registered class of our equity securities (collectively, the reporting persons) to file reports of ownership and changes in ownership with the SEC and to furnish us with copies of these reports. Based upon our review of reports filed with the SEC by the reporting persons, and based upon written representations received from the reporting persons, we believe that all of the reporting persons timely complied with the reporting requirements of Section 16(a) of the Exchange Act during 2014.

INFORMATION ABOUT OUR COMMON STOCK OWNERSHIP

How Much Stock is Owned By Directors, Executive Officers and Holders of at Least 5%?

The following table sets forth information regarding beneficial ownership of our common stock, as of April 27, 2015, by the following:

each person, or group of affiliated persons, who is known by us to beneficially own 5% or more of any class of our voting securities;

each of our current directors;

each of our named executive officers; and

all current directors and executive officers as a group.

Beneficial ownership is determined according to the rules of the SEC. Beneficial ownership means that a person has or shares voting or investment power of a security, and includes shares underlying options and warrants that are currently exercisable or exercisable within 60 days after the measurement date. The information in the table below is based on information supplied by our directors and named executives and public filings.

Except as otherwise indicated, we believe that the beneficial owners of the common stock listed below have sole investment and voting power with respect to their shares, except where community property laws may apply. Unless otherwise indicated, we deem shares of common stock subject to options that are exercisable within 60 days of April 27, 2015 to be outstanding and beneficially owned by the person holding the options for the purpose of computing percentage ownership of that person, but we do not treat them as outstanding for the purpose of computing the ownership percentage of any other person. As of April 27, 2015, we did not have any warrants issued or outstanding. The percentage of shares beneficially owned is based on 11,089,311 shares of our common stock outstanding as of April 27, 2015. Except as otherwise indicated, the address of each person or entity named below is the address of the Company, 2300 Warrenville Road, Downers Grove, Illinois 60065.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this compensation discussion and analysis is to provide information about the material elements of compensation that is paid or awarded to, or earned by, our named executive officers.

Named Executive Officers

Our named executive officers for the last completed fiscal year were as follows:

Mark Heaney, President and Chief Executive Officer;

Dennis Meulemans, Former Chief Financial Officer, Vice President and Secretary*;

Maxine Hochhauser, Chief Operating Officer;

Darby Anderson, Executive Vice President and Chief Business Development and Strategy Officer; and

Inna Berkovich, Chief Information Officer.

* Mr. Meulemans' previously-announced retirement will commence May 1, 2015.

Overview of our Compensation Program and Compensation Philosophy and Objectives

Our compensation and benefits programs are designed to attract and retain talented, qualified senior executives to manage and lead the Company, to motivate them to pursue corporate objectives and to maximize the long-term growth of the Company. We believe that our compensation program allows us to meet the following objectives:

Edgar Filing: Addus HomeCare Corp - Form DEF 14A

Reward the named executive officer for a job done well. While base salary, which is related to the essential elements of a named executive officer's position, remains the largest component of a named executive officer's compensation, annual cash bonuses based on corporate, divisional/departmental and

individual performance comprise a significant portion of compensation, with named executive officers having the opportunity to obtain a target bonus of 40% to 60% of base salary and a maximum bonus of 70% to 100% of base salary, depending on the individual, as set forth in their respective employment agreements.

Compensate named executive officers within market standards. We believe that competitive pay, together with our significant growth opportunities and employee-centered corporate culture, allow us to attract and retain top-quality executives. To ensure the competitiveness of our compensation levels within the comparable markets for executive talent, we will direct the conduct of periodic independent consulting studies to evaluate our executive compensation program in comparison to pertinent market data and specified peer companies.

Provide compensation that is fair to the named executive officer and the Company. We believe that it is important for named executive officers to be fairly compensated, at levels reflective of their talents and experience, and the scope of their job responsibilities. We also believe that it is important that each named executive officer perceives that his or her compensation is fair and equitable relative to his or her peers and others in the organization. This perceived equity promotes executive retention and satisfaction, and is consistent with our beliefs and values.

Create a high-performance culture. We believe that named executive officers should strive to achieve and exceed performance expectations, and drive the growth and success of the business. We also believe that superior performance warrants superior rewards. Our merit-based salary increases and performance-based annual cash bonus plans are designed to promote this high-performance culture and motivate our executives to achieve at their highest potential.

2013 Advisory Vote on Executive Compensation

The Compensation Committee reviewed the results of the 2013 shareholder advisory vote on named executive officer compensation and incorporated the results as one of the many factors considered in connection with the discharge of its responsibilities. Since a substantial majority (over 98%) of our shareholders at our 2013 annual meeting of shareholders approved the compensation program described in our 2013 Proxy Statement, the Compensation Committee did not implement changes to our 2014 executive compensation program as a direct result of the shareholders' advisory vote.

The Company also held a non-binding shareholder vote at the 2013 annual meeting of shareholders regarding whether to hold an advisory vote on named executive officer compensation every one, two or three years. In line with the results of the vote, the Company will present an advisory vote on named executive officer compensation every three years, the next of which will appear in the 2016 Proxy Statement.

Role of the Compensation Committee, Consultants and Executive Officers in Determining Executive Compensation

The targeted compensation range and amount of each element of our compensation program is determined by our Compensation Committee at the time of initial hire or promotion, taking into consideration our results of operations, long and short-term goals, the competitive market for the named executive officer and general economic factors. We then review compensation on an annual basis as described below. We seek to combine the components of our executive compensation program to achieve a total compensation level appropriate for our size and corporate performance. We then determine the amount of each element of compensation based on our compensation objectives.

Role of the Compensation Committee

The Compensation Committee has primary responsibility for all compensation decisions relating to our named executive officers. The Compensation Committee reviews the aggregate level of our executive compensation, as well as the mix of elements used to compensate our named executive officers on an annual

basis. In addition, the targeted compensation range for each executive, along with the amount of each program element, is determined by the Compensation Committee. During 2012, the Compensation Committee engaged Pearl Meyer & Partners as its independent compensation consultant to provide advice as discussed in the following paragraph, which advice was used in making 2014 compensation decisions.

Role of the Independent Compensation Consultant

The Compensation Committee has the authority to retain a compensation consultant or obtain advice from external legal, accounting or other advisors to assist in the evaluation of senior executive compensation. The Compensation Committee retained Pearl Meyer & Partners as an outside compensation consultant during 2012. Pearl Meyer & Partners was engaged to provide advice with respect to Mr. Heaney's total compensation opportunity and to provide market data regarding other senior executives' base salaries. The Compensation Committee reviewed the independence of Pearl Meyer & Partners in light of new SEC rules and NASDAQ listing standards regarding compensation consultants and has concluded that Pearl Meyer & Partners' work for the Compensation Committee does not raise any conflict of interest. All work performed by Pearl Meyer & Partners is subject to review and approval of the Compensation Committee. Pearl Meyer & Partners did not provide any other services to the Company and only received fees from the Company on behalf of the Compensation Committee.

Benchmarking

To ensure that our executive compensation program is competitive in the industry, we have occasionally benchmarked certain aspects of our compensation program against a peer group of companies. In 2012, we reviewed an analysis of CEO pay at the following peer group companies used by Pearl Meyer & Partners, the Compensation Committee's independent consultant:

Providence Service Corp.
Advocat Inc.

LHC Group Inc.
U S Physical Therapy Inc.

Almost Family Inc.
Sunlink Health Systems Inc.

In determining our peer group, we selected companies that provide comparable services in the healthcare industry. The Compensation Committee targeted Mr. Heaney's total compensation opportunity at the 50th percentile of the peer group, on average, though his actual compensation varies based on such factors as external business conditions and the Company's financial performance. Overall performance may result in actual compensation levels that are more or less than the target. The Compensation Committee has not benchmarked Mr. Heaney's compensation since 2012, but based on its review in 2014 of the prior 2012 Pearl Meyer & Partners analysis and the collective experience of its members, the Compensation Committee did not adjust Mr. Heaney's base compensation amount in 2014 and believes that his pay level continued to be appropriate in such year.

Role of the Executive Officers

Mr. Heaney regularly participates in meetings of the Compensation Committee at which compensation actions involving our named executive officers are discussed. Mr. Heaney assists the Compensation Committee by making recommendations regarding compensation actions relating to the named executive officers other than himself. Mr. Heaney recuses himself and does not participate in any portion of any meeting of the Compensation Committee at which his compensation is discussed.

Elements of Our Executive Compensation Program

The compensation we provide to our named executive officers is primarily comprised of three elements: base salary, performance-based annual cash bonuses and performance-based equity compensation. We believe that offering these elements of compensation allows us to meet each of the objectives of our compensation philosophy, as well as to remain competitive with the market for acquiring executive talent. We also provide our named executive officers with certain other benefits and perquisites that are discussed below under "Other Compensation."

Base Salary

We utilize base salary as the primary means of rewarding our named executive officers for their individual job performance, and encouraging them to focus on their most important priorities and initiatives. The Compensation Committee may adjust executive base salary levels based on performance, competitive market conditions, and/or changes in position scope and responsibilities.

We agree upon a base salary with each named executive officer at the time of initial employment or promotion, which historically has been reflected in employment agreements. The amount of base salary initially offered to a new or newly-promoted named executive officer agreed upon, which is not at risk, reflects our views as to the individual named executive officer's scope of anticipated responsibilities; past experience; and future potential to add value through performance, knowledge, skills and expertise. This base salary level is also based on competitive industry salary practices.

A named executive officer may receive a merit-based salary increase to the extent such named executive officer is eligible pursuant to his or her employment agreement. In addition, we may adjust salary due to other circumstances, such as a change in responsibilities or position. Executive merit-based salary increases, to the extent permitted by a named executive officer's employment agreement, have generally been determined based on the named executive officer's performance of key Company and divisional or departmental objectives, as well as his or her effectiveness in performing his or her role.

The following named executive officers received base salary increases after their 2014 merit reviews, effective as of July 1, 2014: Mr. Meulemans from \$265,000 to \$272,420; and Mr. Anderson from \$265,000 to \$272,950. Ms. Berkovich's base salary increased from \$235,000 to \$245,000, effective as of June 18, 2014, per the terms of her employment agreement.

In addition, after their 2015 merit reviews, the following named executive officers received base salary increases, effective as of March 13, 2015: Mr. Heaney from \$400,000 to \$413,600; Mr. Anderson from \$272,950 to \$277,590; and Ms. Berkovich, from \$245,000 to \$249,410.

Performance-Based Annual Bonuses

A significant part of each named executive officer's annual cash compensation is awarded under our individualized performance-based annual bonus plans. Our annual cash bonuses are intended to incentivize and reward our named executive officers for the achievement of certain financial objectives, and are dependent on the attainment of corporate performance goals and individually tailored performance criteria. These objectives are separated so that a named executive officer may be paid a bonus for meeting one objective even if he or she fails to meet other objectives. Performance-based annual bonuses are designed so that a significant portion is at risk, and that the named executive officer will only receive the maximum bonus if his or her performance exceeds our expectations.

Our financial objectives are established to drive performance at or above Company budgetary levels, requiring that internal budget levels be exceeded to achieve the maximum bonus potential. Individual performance objectives are intended to add economic value and align each named executive officer's compensation with expectations of leadership and achievement placed on the individual to realize various aspects of our business plan.

For Mr. Heaney, the award opportunity for 2014 performance was based 100% on the achievement of certain levels of EBITDA (earnings before interest expense, income taxes, depreciation and amortization). For each of Messrs. Meulemans and Anderson and Ms. Berkovich, the award opportunity for 2014 performance was based 75% on the achievement of certain levels of EBITDA and 25% on the achievement of individual performance goals (MIT goals). The target EBITDA goal was set based on the budget/forecast for the period

reflecting a level of performance which at the time was anticipated to be challenging, but achievable. The threshold EBITDA goal was set to be reflective of performance at which the Compensation Committee believed a portion of the award opportunity should be earned. The maximum level was set well above the target, requiring exemplary performance. The MIT goals were separately established for each named executive officer other than Mr. Heaney and were anticipated to be challenging, but achievable. MIT performance is measured based on the Compensation Committee's subjective evaluation of the named executive officer's performance during the fiscal year. The table which follows provides the EBITDA performance targets established by the Compensation Committee for 2014 as well as the actual level of performance achieved (dollars in thousands):

EBITDA	EBITDA GOALS			
	Threshold	Target	Maximum	Actual
	\$ 19,081	\$ 22,448	\$ 26,938	\$ 23,759

The target amount for each annual performance bonus is set as a percentage of the named executive officer's base salary, as set forth in the executive's employment agreement, and is based on the achievement of certain performance objectives. The target opportunity for Mr. Heaney in 2014 was 60% of base salary. For each of Messrs. Meulemans and Anderson and Ms. Berkovich, the target opportunity was 40%. Threshold performance objectives must be met in order for any payout to occur and payouts cannot exceed the maximum level, as set forth in the table below. The bonus plans are structured so that a named executive officer may receive a portion of the target amount based on achievement of one or more financial or non-financial objectives, but may not receive another portion of the bonus if other objectives are not achieved. The following table shows the annual incentive opportunities and actual bonus percentages earned for our named executive officers with respect to 2014 performance:

Name (1)	Base Salary	EBITDA				MIT			
		Threshold % of Base Salary	Target % of Base Salary	Maximum % of Base Salary	Actual % of Base Salary Earned	Threshold % of Base Salary	Target % of Base Salary	Maximum % of Base Salary	Actual % of Base Salary Earned
		Mr. Heaney	\$ 400,000	20	60	100	70		
Mr. Meulemans	\$ 272,420	7.5	30	52.5	35.6	2.5	10	17.5	4.0
Mr. Anderson	\$ 272,950	7.5	30	52.5	35.6	2.5	10	17.5	13.38
Ms. Berkovich	\$ 245,000	7.5	30	52.5	35.6	2.5	10	17.5	14.13

(1) Ms. Hochhauser was not eligible to, and therefore did not, receive an annual performance bonus with respect to 2014. The Compensation Committee makes recommendations to the Board regarding the actual annual bonus amount payable to Mr. Heaney based on the extent to which his annual bonus plan objectives have been achieved. Mr. Heaney makes recommendations to the Compensation Committee regarding the actual annual bonus amounts payable to the other named executive officers based on the extent to which their annual bonus plan objectives have been achieved. The respective award amounts for the other named executive officers are set forth in the Summary Compensation Table.

Long-Term Incentive Awards and Performance-Based Equity Compensation

We believe compensation in the form of incentive equity awards aligns the interests of our named executive officers with the interests of our shareholders, and rewards our named executive officers for superior corporate performance. We believe this form of compensation is particularly effective for those individuals who have the most impact on the management and success of our business, providing them with a valuable long-term incentive while providing us with a valuable retention tool through the use of vesting periods. We also believe that equity incentives are an important part of a competitive compensation structure necessary to attract and retain talented named executive officers.

The long-term incentive component of our executive compensation program is designed to provide our senior management with performance-based award opportunities, to drive superior long-term performance and to align the interests of our senior management with those of our shareholders.

2014 Awards

On April 4, 2014, the Company granted long-term incentive awards to certain of our named executive officers in the form of stock options and restricted stock under the Addus HomeCare Corporation Amended and Restated 2009 Stock Incentive Plan (the 2009 Plan), in accordance with the following table:

	Annual Option Awards (#)	Employment Option Award (#)	Employment Restricted Stock Award (#)
Mr. Heaney	17,850		
Mr. Meulemans	12,856		
Ms. Hochhauser (1)		50,000	20,000
Mr. Anderson	12,698		
Ms. Berkovich	10,225		

(1) Ms. Hochhauser’s employment option and restricted stock awards were granted on December 15, 2014. The annual option award levels were determined based on performance in relation to the EBITDA and MIT goals established with respect to 2013 performance. The annual option awards vest in equal one-third installments on each of the first three anniversaries of the grant date. For all 2014 option awards, such options would be forfeited upon a termination for Cause (whether or not vested) or become fully vested upon a Change in Control or upon the named executive officer’s death or Disability (each term as defined in the 2009 Plan). The 2014 option awards generally remain exercisable for a maximum of three months following the named executive officer’s termination of employment for any reason, except (i) all options are forfeited upon a termination for Cause, (ii) vested options remain exercisable for a period of six months following termination in the event of the named executive officer’s Retirement and (iii) vested options remain exercisable for a period of twelve months following termination in the event of the named executive officer’s death or Disability (each term as defined in the 2009 Plan).

On the effective date of her employment agreement (December 15, 2014), we granted Ms. Hochhauser nonqualified option and restricted stock awards in amounts necessary to enhance the Company’s retention efforts. The option award vests in equal installments on each of the first four anniversaries of the grant date. Such options would be forfeited upon a termination for Cause (whether or not vested) or become fully vested upon a Change in Control or upon Ms. Hochhauser’s death or Disability (each term as defined in the 2009 Plan). The option award would generally remain exercisable for a maximum of three months following Ms. Hochhauser’s termination of employment for any reason, except (i) all options are forfeited upon a termination for Cause, (ii) vested options remain exercisable for a period of six months following termination in the event of Ms. Hochhauser’s Retirement and (iii) vested options remain exercisable for a period of twelve months following termination in the event of Ms. Hochhauser’s death or Disability (each term as defined in the 2009 Plan).

A portion of Ms. Hochhauser’s restricted stock award (12,000 restricted shares) vests on the six-month anniversary of the effective date of her employment agreement, and the balance of the award vests in installments on each of the first three anniversaries of such effective date (2,666 restricted shares on the first anniversary and 2,667 restricted shares on each of the second and third anniversaries). The restricted stock would become fully vested upon a Change in Control or upon Ms. Hochhauser’s death or Disability (each term as defined in the 2009 Plan).

2015 Awards

On April 17, 2015, the Company granted long-term incentive awards to certain of our named executive officers in the form of restricted stock under the 2009 Plan, in accordance with the following table:

	Restricted Stock Awards (#)
Mr. Heaney	9,078
Mr. Meulemans	
Ms. Hochhauser	
Mr. Anderson	6,529
Ms. Berkovich	5,244

The annual restricted stock award levels were determined based on performance in relation to the EBITDA and MIT goals established with respect to 2014 performance, as described above in the Performance-Based Annual Bonuses section. These awards vest in equal one-third installments on each of the first three anniversaries of the grant date. The restricted stock would be forfeited upon a termination of employment (to the extent unvested) or become fully vested upon a Change in Control or upon the named executive officer's death or Disability (each term as defined in the 2009 Plan).

Other Compensation

In addition to the primary compensation elements discussed above, we provide our named executive officers with limited benefits and perquisites as described below in footnote 3 to the Summary Compensation Table. We consider these additional benefits to be a part of a named executive officer's overall compensation. These benefits generally do not impact the level of other compensation paid to our named executive officers, due to the fact that the incremental cost to us of these benefits and perquisites represents a small percentage of each named executive officer's total compensation package. We believe that these enhanced benefits and perquisites provide our named executive officers with security, convenience and support services that allow them to focus attention on carrying out their responsibilities to us. In addition, we believe that these benefits and perquisites help us to be competitive and retain talented executives.

In addition, we offer other employee benefits to our named executive officers for the purpose of meeting current and future health and security needs for the named executive officers and their families. These benefits, which we generally offer to all eligible employees, include medical, dental and life insurance benefits, short-term disability pay, long-term disability insurance, flexible spending accounts for medical expense reimbursements and a 401(k) retirement savings plan, which matches 6% of each dollar of compensation contributed to the plan by the employee, up to the maximum allowed by the Internal Revenue Service.

Change in Control and Severance

Each of our named executive officers is eligible to receive contractually-provided severance benefits pursuant to his or her employment agreement. These severance benefits are generally intended to match the terms that we believe to be standard within the market, show the named executive officer that we have made an investment in the named executive officer and provide stability for both us and the named executive officer in a competitive market for qualified talent. We believe that providing severance protection to our named executive officers upon their involuntary termination of employment is an important retention tool that is necessary in the competitive marketplace for talented executives. We believe that the amounts of these payments and benefits and the periods of time during which they would be provided are fair and reasonable. We generally do not take into account any amounts that may be received by a named executive officer following termination of employment when establishing current compensation levels. The terms of each arrangement were determined in negotiation with the applicable named executive officer in connection with his or her hiring and were not based on any set formula. Our equity award agreements with each of the named executive officers also generally provide for unvested options or restricted stock to vest immediately upon a Change in Control of the Company.

We believe that these change in control and severance arrangements provide additional benefits to the Company by allowing us to receive certain covenants from our named executive officers in partial consideration of the compensation to be received upon a Change in Control or termination without Reasonable Cause. These covenants include agreements not to compete, agreements not to solicit our employees, payors or consumers, agreements not to disclose trade secrets and agreements not to disparage the Company. These covenants are described in further detail below under Potential Payments upon Termination or Change in Control.

Anti-Hedging of Company Stock

According to the Company's Insider Trading Policy, directors, officers and employees are prohibited from buying or selling put options, call options or other derivatives of Company stock, and from short sales of Company stock, without obtaining the consent of the Company's Compliance Officer and the Board of Directors (or a duly appointed committee thereof).

Financial Restatements

The Compensation Committee has not adopted a policy with respect to whether we will make retroactive adjustments to any cash- or equity-based incentive compensation paid to named executive officers (or others) where the payment was predicated upon the achievement of financial results that were subsequently the subject of a restatement. The Compensation Committee believes that this issue is best addressed when the need actually arises, when all of the facts regarding the restatement are known. However, the Company intends to adopt a compensation recoupment policy that will comply with the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act when such requirements become effective.

Effect of Accounting and Tax Treatment on Compensation Decisions

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) imposes a limitation on the deductibility of non-performance-based compensation in excess of \$1 million for the Chief Executive Officer of the Company and each of the three next most highly compensated executive officers (other than the Chief Financial Officer). The 2009 Plan is designed to allow us to grant awards that may qualify for the performance-based exception to the Code Section 162(m) deductibility limit. Historically, while the Company has generally considered the financial accounting and tax implications of executive compensation decisions, these implications have not been material considerations and compensation has not been specifically designed to meet the Code Section 162(m) performance-based exception because our named executive officers generally have received compensation which is below the \$1 million threshold for Code Section 162(m) purposes. The Compensation Committee retains the flexibility to award compensation that may exceed the limitation on deductibility under Code Section 162(m) when it believes it is in the Company's and shareholders' best interests.

Hiring of New Chief Financial Officer in 2015

The Company entered into an employment agreement with Donald Klink to become Chief Financial Officer effective May 11, 2015. The terms of the employment agreement are generally consistent with those of the named executive officers (other than Mr. Heaney) and provide for substantially the same severance benefits and non-competition and non-solicitation restrictions. Mr. Klink will receive an initial base salary at an annual rate of \$300,000 and initial grants on May 11, 2015 of (i) an option to purchase 40,000 shares of common stock and (ii) 10,000 restricted shares of common stock.

During 2014, only Mr. Meulemans participated in the Excess Plan.

The Company may make discretionary contributions to a participant's deferred compensation account, which vest in increments based on the participant's number of years of service and become fully vested upon the participant's completion of five years of service (or, if earlier, upon the participant's death or disability or upon a Change in Control event as defined in the Excess Plan). The Excess Plan is administered by the management of the Company and the Company may also make discretionary credits to a participating employee's deferred compensation account.

Distributions of amounts under the Excess Plan are made (i) in a lump sum upon the participant's death or disability or (ii) in a lump sum or in annual installments for a term not to exceed 10 years, at the participant's election, upon the participant's retirement or separation from service. Plan earnings under the Excess Plan are generally tied to rates of return on investment choices selected by plan participants. The Excess Plan is an unfunded, nonqualified deferred compensation plan that is intended to comply with the requirements of Code Section 409A.

Employment Agreements

We have entered into employment agreements with each of our named executive officers.

Employment Agreement with Mr. Heaney

We entered into an employment agreement with Mr. Heaney on May 6, 2008. Mr. Heaney's employment agreement was amended first, in connection with the Company's IPO and again, in November 2011, to extend the initial term of the agreement until September 19, 2012; after the initial term, the agreement automatically renews for successive one-year terms, unless either party provides at least 30 days' notice prior to the expiration of the applicable term of its intention not to renew the agreement. Under the agreement, Mr. Heaney's base salary was originally \$325,000 per year, subject to review and adjustment in the sole discretion of our Compensation Committee. Mr. Heaney's annual base salary for 2014 was \$400,000.

For the year ended December 31, 2014, Mr. Heaney was eligible to receive target and maximum bonus amounts of 60% and 100% of base salary, respectively, based on the achievement of certain EBITDA targets, calculated to exclude acquisitions completed during the fiscal year. In addition, under the agreement, Mr. Heaney is entitled to receive a Company vehicle and to participate in all employee benefit programs generally available to senior executives of the Company, as well as to receive a ten-year level term life insurance policy with a minimum death benefit equal to five times his base salary, although we are not required to pay more than 3% of Mr. Heaney's base salary for such insurance policy. In addition, Mr. Heaney is the beneficiary under a whole life insurance plan, under which we pay an annual premium of approximately \$28,000. Mr. Heaney is entitled to receive severance benefits upon termination of employment as described below under Potential Payments upon Termination or Change in Control.

Employment Agreement with Mr. Meulemans

We entered into an employment agreement with Mr. Meulemans on November 29, 2010. The agreement provides that Ms. Hochhauser will be eligible to receive a performance-based annual bonus, with a target of up to 70% of her annual base salary, beginning with respect to the 2015 calendar year and each calendar year thereafter.

In connection with her relocation to Illinois, Ms. Hochhauser is entitled to receive reimbursement of relocation expenses up to \$30,000, a one-time relocation bonus of \$30,000 and payment by the Company of all reasonable costs of temporary housing during the period prior to her relocation (through July 31, 2015). Ms. Hochhauser must reimburse the Company for a portion of such relocation amounts if she terminates her employment for any reason other than Good Reason (as defined below) prior to the first anniversary of the agreement's effective date. In addition, under the agreement, Ms. Hochhauser is entitled to receive benefits paid to similarly situated employees, which includes, at a minimum, participation in health, disability and vacation plans, as well as receipt of a life insurance policy with a death benefit of up to five times her base salary, although we are not required to pay more than 3% of Ms. Hochhauser's base salary for such insurance policy. Severance Benefits

If we terminate a named executive officer's employment other than for Reasonable Cause (or, in the case of Mr. Meulemans, Ms. Hochhauser and Ms. Berkovich only, the executive resigns for Good Reason), then, generally, such executive is entitled to the following:

Mr. Heaney (i) unpaid base salary for any period prior to the effective date of termination, (ii) accrued but unpaid bonus with respect to a prior completed period and (iii) accrued but unpaid benefits, including accrued vacation time and unused holidays. In addition,

subject to strict compliance with the noncompetition, confidentiality and other covenants, Mr. Heaney would receive severance pay equal to three times his annual base salary determined at the time of termination and payable on the Company's regular pay dates for three years following termination of Mr. Heaney's employment with the Company.

Mr. Meulemans (i) unpaid base salary for any period prior to the effective date of termination, (ii) a pro rata payment of bonus for any period prior to the effective date of termination, (iii) accrued but unpaid benefits, including accrued vacation time and unused holidays (including life and disability insurance benefits if terminated due to death or disability) and (iv) outplacement services reimbursement up to \$10,000. In addition, subject to strict compliance with the noncompetition, confidentiality and other covenants, Mr. Meulemans would receive (i) severance pay equal to three-quarters of Mr. Meulemans' annual cash compensation, which is defined as the sum of the highest base

salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), payable in equal installments for 12 months following termination; provided, that for every 12-month period Mr. Meulemans remains employed after his first year, Mr. Meulemans shall become entitled to one additional month of severance up to a total of 12 months' severance (the "Meulemans Severance Period"), plus (ii) a cash payment equal to the Company's share of COBRA premiums for the Meulemans Severance Period.

Ms. Hochhauser (i) unpaid base salary for any period prior to the effective date of termination, (ii) a pro rata payment of bonus for any period prior to the effective date of termination, and (iii) accrued but unpaid benefits, including accrued vacation time and unused holidays (including life and disability insurance benefits if terminated due to death or disability). In addition, subject to strict compliance with the noncompetition, confidentiality and other covenants (and subject to early termination upon Ms. Hochhauser's commencement of employment with a new employer), Ms. Hochhauser would receive (i) severance pay equal to Ms. Hochhauser's base cash compensation, which is defined as the highest base salary in effect for the executive, payable in equal installments for 12 months following termination; plus (ii) cash payments equal to the Company's share of COBRA premiums for a period of 12 months.

Mr. Anderson (i) unpaid base salary for any period prior to the effective date of termination, (ii) a pro rata payment of bonus for any period prior to the effective date of termination and (iii) accrued but unpaid benefits, including accrued vacation time and unused holidays. In addition, subject to strict compliance with the noncompetition, confidentiality and other covenants, Mr. Anderson would receive (i) severance pay for one year equal to Mr. Anderson's annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's maximum target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), plus (ii) a cash payment equal to the Company's share of COBRA premiums for a period of 12 months.

Ms. Berkovich (i) unpaid base salary for any period prior to the effective date of termination, (ii) a pro rata payment of bonus for any period prior to the effective date of termination, (iii) accrued but unpaid benefits, including accrued vacation time and unused holidays (including life and disability insurance benefits if terminated due to death or disability) and (iv) outplacement services reimbursement up to \$10,000. In addition, subject to strict compliance with the noncompetition, confidentiality and other covenants, Ms. Berkovich would receive (i) severance pay equal to one-half of Ms. Berkovich's annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), payable in equal installments for 12 months following termination; provided, that for every 12-month period Ms. Berkovich remains employed after her first year, Ms. Berkovich shall become entitled to one additional month of severance up to a total of 12 months' severance (the "Berkovich Severance Period"), plus (ii) a cash payment equal to the Company's share of COBRA premiums for the duration of the Berkovich Severance Period.

Change in Control Severance Enhancements

Messrs. Heaney, Meulemans, Ms. Hochhauser and Ms. Berkovich are entitled to severance enhancements in the event they experience a termination by the Company without Reasonable Cause in connection with a Change in Control (as defined in their employment agreements), as follows:

Mr. Heaney if a Change in Control of the Company occurs less than two years prior to or 18 months after termination without Reasonable Cause, then he would receive the remainder of his severance in a lump sum, and the total amount of Mr. Heaney's severance would be increased to include the average bonus paid over the previous two fiscal years, rather than just base salary. Furthermore, if any

payments in connection with a termination or Change in Control would be subject to the excise tax on excess parachute payments as defined in Code Section 280G, he would be entitled to a tax gross-up payment from us sufficient so that after paying ordinary income taxes and the excise tax on the tax gross-up payment, the balance of the payment will be equal to the excise tax on the other excess parachute payments, with the effect that he will be economically in the same position as he would have been had such excise tax not been applied.

Mr. Meulemans if Mr. Meulemans is terminated by the Company without Reasonable Cause within 12 months of a Change in Control of the Company, then he would receive, in lieu of the amounts described above in Severance Benefits, his annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), payable in equal installments for 12 months following termination.

Ms. Hochhauser if Ms. Hochhauser is terminated by the Company without Reasonable Cause within six months prior to or one year following a Change in Control of the Company, then she would receive, in lieu of the amounts described above in Severance Benefits (and less any such severance amounts already received), (i) her annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's target bonus for the current year, payable in equal installments for 12 months following termination, plus (ii) cash payments equal to the Company's share of COBRA premiums until the earlier of (a) one year following termination or (b) the date that Ms. Hochhauser is eligible to receive coverage and benefits from a new employer.

- (1) Equity awards vest automatically upon a Change in Control or the executive's death or Disability, each as defined under the 2009 Plan. Amounts are calculated using the market price of Company common stock at the close of December 31, 2014, which was \$24.27 per share.
- (2) This payment would be in substitution of, not in addition to, the amount of severance not already paid to the executive for termination without Reasonable Cause. This amount would be reduced to the extent that the executive had already received severance prior to a Change in Control.
- (3) The 280G excise tax gross-up calculation was determined using conservative assumptions without taking into account any reductions in parachute payments attributable to reasonable compensation payable before or after a Change in Control. In addition, although the non-compete obligations in Mr. Heaney's employment agreement could have value associated with them, no value was assigned to them in determining the amount of the excise tax gross-up.
- (4) Mr. Heaney's severance payments due to termination without Reasonable Cause consists of three times Mr. Heaney's then-current annual base salary. Mr. Heaney's severance payment due to a termination without Reasonable Cause in connection with a Change in Control (in lieu of the benefits described in the previous sentence) is a lump sum payment equal to three times his annual cash compensation (defined as the sum of his highest annual base salary in effect during his employment term and an amount equal to the average bonus paid in the last two years).
- (5) Mr. Meulemans' severance payments due to termination without Reasonable Cause or his termination for Good Reason include one year of his annual cash compensation (defined as the sum of his highest annual base salary in effect during his employment term and the greater of the prior year's bonus or the annualized amount of the executive's target bonus), plus an amount equal to the Company's share of COBRA premiums for 12 months. Mr. Meulemans' severance payments due to termination without Reasonable Cause in connection with a Change in Control include (in lieu of the benefits described in the previous sentence) his annual cash compensation plus an amount equal to the Company's share of COBRA premiums for 12 months.
- (6) Ms. Hochhauser's severance payments due to termination without Reasonable Cause or her termination for Good Reason include one year of her base cash compensation (defined as the highest annual base salary in effect during her employment term), plus an amount equal to the Company's share of COBRA premiums for 12 months. Ms. Hochhauser's severance payments due to termination without Reasonable Cause in connection with a Change in Control include (in lieu of the benefits described in the previous sentence) her annual cash compensation (defined as the sum of her highest base salary in effect during her employment term, plus the greater of the prior year's bonus or the annualized amount of her target bonus for the current year) plus cash payments equal to the Company's share of COBRA premiums for a period of 12 months.

- (7) Mr. Anderson's severance payments include one year of his annual cash compensation (defined as the sum of his highest annual base salary in effect during his employment term and the greater of the prior year's bonus or the annualized amount of the executive's target bonus), plus an amount equal to the Company's share of COBRA premiums for 12 months.
- (8) Ms. Berkovich's severance payments due to termination without Reasonable Cause or her termination for Good Reason include 7/12 of her annual cash compensation (defined as the sum of her highest annual base salary in effect during her employment term and the greater of the prior year's bonus or the annualized amount of the executive's target bonus), plus an amount equal to the Company's share of COBRA premiums for 7 months. Ms. Berkovich's severance payments due to termination without Reasonable Cause in connection with a Change in Control include (in lieu of the benefits described in the previous sentence) her annual cash compensation plus an amount equal to the Company's share of COBRA premiums for 12 months.

We entered into a separation agreement with Mr. Meulemans in connection with his retirement as Chief Financial Officer and termination of employment effective May 1, 2015. Pursuant to this agreement, Mr. Meulemans will continue to make himself reasonably available for one year following his retirement to provide consulting services to us as may be necessary in connection with the transition of work to his successor. As compensation for these transition services during the one-year period, Mr. Meulemans will receive aggregate compensation of \$393,655 and payment of an amount necessary to cover COBRA benefit costs. He will continue to be subject to non-competition, non-solicitation, non-disclosure and non-disparagement restrictions during this transition period. He will also receive a gross-up for the employer-paid portion of payroll taxes had he received these payments as an employee.

Compensation Risks

With the oversight of the Compensation Committee, we have reviewed our employee compensation policies and practices to determine whether they expose the Company to excessive risks. Based on our review, we believe that risks arising from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on the Company.

As more fully described in the charter, the primary purpose of the Audit Committee is to assist the Board in its oversight of the integrity of the Company's financial statements and effectiveness of internal controls over financial reporting and the performance, qualification and independence of the Company's independent auditors, BDO USA, LLP.

The Company's management prepares the Company's consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and is responsible for the financial reporting process that generates these statements. The Audit Committee has reviewed and discussed the Company's December 31, 2014 audited consolidated financial statements and effectiveness of internal controls over financial reporting with management and with BDO USA, LLP.

The Audit Committee has also received from, and discussed with, BDO the matters required to be discussed by the Public Company Accounting Oversight Board (the PCAOB) Auditing Standard No. 16 (Communications with Audit Committees).

We have received from BDO USA, LLP a letter providing the disclosures required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence with respect to any relationships between BDO USA, LLP and the Company that in its professional judgment may reasonably be thought to bear on independence. BDO USA, LLP has discussed its independence with us, and has confirmed in the letter that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the December 31, 2014 audited consolidated financial statements and Management's Annual Report on Internal Controls over Financial Reporting be included in the Company's Annual Report on Form 10-K.

THE BOARD OF DIRECTORS AND THE AUDIT COMMITTEE RECOMMEND

RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT AUDITORS.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy materials with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is commonly referred to as householding, potentially means extra convenience for shareholders and cost savings for companies. We have not implemented householding rules with respect to our record holders. However, a number of brokers with account holders who are shareholders may be householding our proxy materials. If a shareholder receives a householding notification from his, her or its broker, a single proxy statement and annual report will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise.

Shareholders who currently receive multiple copies of the proxy materials at their address and would like to request householding of their communications should contact their broker. In addition, if any shareholder that receives a householding notification wishes to receive a separate annual report and proxy statement at his, her or its address, such shareholder should also contact his, her or its broker directly. Shareholders who in the future wish to receive multiple copies may also contact the Company at 2300 Warrenville Road, Downers Grove, Illinois 60065, Attention: Secretary.

SHAREHOLDER PROPOSALS FOR 2016 ANNUAL MEETING

How do I Submit a Proposal for Inclusion in Next Year's Proxy Material?

If you wish to submit a proposal to be considered for inclusion in the proxy material for the next annual meeting, please send it to the Secretary, Addus HomeCare Corporation, 2300 Warrenville Road, Downers Grove, Illinois 60065. Under the rules of the SEC, proposals must be received no later than January 8, 2016, and otherwise comply with the requirements of the SEC to be eligible for inclusion in the Company's 2016 Annual Meeting of Shareholders proxy statement and form of proxy.

How do I Submit a Proposal or Make a Nomination at an Annual Meeting of Shareholders?

Our Bylaws provide that if a shareholder desires to nominate persons for election as directors, the shareholder must provide written notice of an intent to make such nomination which the secretary of the Company must receive at our principal executive offices no later than 120 days prior and no earlier than 150 days prior to the anniversary date of the preceding year's annual meeting of shareholders (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice by the shareholder must be so delivered not earlier than the close of business on the one hundred fiftieth (150th) day prior to such annual meeting and not later than the close of business on the later of the one hundred twentieth (120th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company). In no event shall the public announcement of an adjournment or postponement of an annual meeting of shareholders of the Company commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

Notwithstanding the above, in the event that the number of directors to be elected to the Board at an annual meeting of shareholders of the Company is increased and there is no public announcement by the Company naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, the shareholder's notice required by the Bylaws shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the secretary of the Company at the principal executive offices of the Company not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Company.

With respect to the 2016 Annual Meeting of Shareholders, written notice of a nomination must be received no earlier than January 19, 2016 and no later than February 18, 2016.

We amended our Bylaws in April 2013 to align the provisions regarding submission of shareholder proposals with Rule 14a-8 under the Exchange Act. Our Bylaws now provide that if a shareholder desires to submit a proposal for consideration at an annual meeting of shareholders, the shareholder must provide written notice of an intent to make such a proposal which the secretary of the Company must receive at our principal executive offices no later than one hundred twenty (120) days prior to the anniversary date of the proxy statement for the immediately preceding annual meeting of shareholders.

With respect to the 2015 Annual Meeting of Shareholders, written notice of a shareholder proposal must be received no later than February 18, 2016. The notice must meet the requirements set forth in our Bylaws. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the Exchange Act, management proxies would be allowed to use their discretionary voting authority to vote on any proposal with respect to which the foregoing requirements have been met.

OTHER MATTERS

The Board of the Company does not know of any matters which may be presented at the 2015 Annual Meeting of Shareholders other than those specifically set forth in the Notice of Annual Meeting of Shareholders. If any other matters come before the meeting or any adjournment thereof, the persons named in the accompanying form of proxy and acting thereunder will vote in accordance with their best judgment with respect to such matters.

By Order of the Board of Directors,

Dennis B. Meulemans

Secretary
