Item 1.01 Entry into a Material Definitive Agreement

Merger Agreement

On May 3, 2015, CECO Environmental Corp., a Delaware corporation (the *Company*), entered into an Agreement and Plan of Merger (the *Merger Agreement*) with PMFG, Inc., a Delaware corporation (*PMFG*), Top Gear Acquisition Inc., a Delaware corporation and a direct wholly owned subsidiary of the *Company* (*Merger Sub*), and Top Gear Acquisition II LLC, a Delaware limited liability company and a direct wholly owned subsidiary of the *Company* (*Merger Sub II*). The *Merger Agreement* provides for, among other things, (1) the merger of PMFG with and into *Merger Sub*, with PMFG as the surviving entity (the *First Merger*), and (2) a subsequent merger whereby PMFG will merge with and into *Merger Sub II*, with *Merger Sub II* as the surviving entity (the *Second Merger* and together with the *First Merger*, the *Mergers*). As a result of the *Mergers*, the separate corporate existence of PMFG will cease, and *Merger Sub II* will continue as the surviving entity and a wholly owned subsidiary of the *Company*.

At the effective time of the *First Merger*, PMFG's stockholders may elect to exchange each share of PMFG common stock held by such stockholder for either \$6.85 in cash or a number of shares of *Company* common stock equal to a fraction (the *Exchange Ratio*), the numerator of which is \$6.85 and the denominator of which is the volume-weighted average trading price of the *Company* common stock for the 15-trading day period ending on the last trading day before the closing of the acquisition, subject to a collar so that there will be a maximum *Exchange Ratio* of 0.6456 shares of *Company* common stock for each share of PMFG common stock and a minimum *Exchange Ratio* of 0.5282 shares of *Company* common stock for each share of PMFG common stock. Overall elections are subject to proration so that in the aggregate approximately 45% of the PMFG shares will be exchanged for cash and 55% for shares of *Company* common stock.

The *Merger Agreement* is not subject to any financing contingency. The *Company* intends to finance the cash portion of the acquisition price with debt and cash on hand. The *Company* has obtained a commitment for the financing necessary to complete the transaction, see *Commitment Letter* below.

The *First Merger* is subject to adoption of the *Merger Agreement* by PMFG's stockholders and the issuance of *Company* stock pursuant to the *Merger Agreement* is subject to approval by the *Company*'s stockholders. Consummation of the first *Merger* is subject to the effectiveness of the registration statement on Form S-4 to be filed with the Securities and Exchange Commission (the *SEC*). In addition, the consummation of the *Mergers* is subject to other customary closing conditions, including antitrust approval.

The *Company* and PMFG have made customary representations, warranties and covenants in the *Merger Agreement*. The *Merger Agreement* provides that, for the 45 business day period commencing on the first business day after May 3, 2015, PMFG may, directly or indirectly, initiate, solicit and encourage any offer, proposal or inquiry from a third party relating to the potential acquisition of PMFG. Additionally, the *Merger Agreement* contains certain termination rights for both the *Company* and PMFG, and further provides that, upon termination of the *Merger Agreement* under certain circumstances, PMFG may be obligated to pay the *Company* a termination fee and/or reimburse the *Company*'s expenses. The amount of such payments varies based on the reason for the termination. For example, if (i) PMFG enters into an agreement for a superior proposal (as defined in the *Merger Agreement*), such termination fee is an amount equal to \$1,600,000 plus up to \$1,600,000 of expense reimbursement, (ii) PMFG's shareholders vote not to adopt the *Merger Agreement* PMFG will be liable for expense reimbursement of an amount up to \$1,600,000, and (iii) in all other cases in which the termination fee is payable, such fee is in an amount equal to \$4,800,000 without any expense reimbursement. In certain other circumstances upon termination of the *Merger Agreement* by the *Company*, including specified failures by the *Company* to obtain financing, the *Company* may be required to pay PMFG a reverse termination fee in an amount equal to \$9,600,000 or, in the case that the *Company*'s stockholders do not approve the issuance of stock constituting the stock consideration payable by the *Company*, the *Company* will be obligated to reimburse PMFG's expenses in an amount up to \$1,000,000.

A copy of the Merger Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual or financial information about the Company, PMFG, or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates; are solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company or PMFG or any of their respective subsidiaries or affiliates. The Company's disclosure schedule contains information that has been included in the Company's prior public disclosures, as well as non-public information. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company and PMFG. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the companies and the Mergers that will be contained in, or incorporated by reference into, the proxy statement/prospectus that the parties will file in connection with the Mergers, as well as in the other filings that each of the Company and PMFG make with the SEC.

Commitment Letter

In connection with the execution of the Merger Agreement, the Company entered into a commitment letter, dated May 3, 2015 (the *Commitment Letter*), with Bank of America, N.A., as administrative agent and as collateral agent, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as sole lead arranger and sole book runner. The *Commitment Letter* provides for (a) an additional senior secured amortizing term loan facility in the aggregate principal amount of \$27,100,000 (the *Increase Commitment*), (b) an amendment (the *Amendment*, together with the *Increase Commitment*, the *Amendment and Increase*) to the Credit Agreement, dated as of August 27, 2013, by and among the Company, Bank of America, N.A. as administrative agent, and the lenders party thereto (the *Credit Agreement*) to allow for the Mergers under the Credit Agreement and (c) replacement facilities to refinance the senior credit facilities under the Credit Agreement, if the *Amendment and Increase* are unable to be achieved (the *Replacement Facilities*). The *Amendment and Increase* or the *Replacement Facilities* may be used to finance a portion of the aggregate cash consideration of, and to pay the fees and expenses in connection with, the Mergers, to repay certain existing indebtedness of the Company, PMFG and their respective subsidiaries, and to provide working capital to the Company and its subsidiaries from and after the closing of the Mergers. Pursuant to the terms of the *Commitment Letter*, the definitive agreements to be entered into with respect to the *Amendment and Increase* or *Replacement Facilities* will contain (x) representations and warranties customary for transactions of this type, and (y) covenants customary for transactions of this type and borrowers of similar creditworthiness. The closing of the *Amendment and Increase* or *Replacement Facilities* will be subject to the satisfaction of certain conditions, including (a) no material adverse effect having occurred with respect to the Company and its subsidiaries or PMFG and its subsidiaries, in each case, taken as a whole, (b) the negotiation, execution and delivery of definitive loan and security documentation for the senior credit facilities under the Credit Agreement, and (c) other customary closing conditions more fully set forth in the *Commitment Letter*.

A copy of the *Commitment Letter* is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the *Commitment Letter* is qualified in its entirety by reference to the full text of the *Commitment Letter*.

Safe Harbor for Forward-Looking Statements

Any statements contained in this Form 8-K other than statements of historical fact, including statements about management s beliefs and expectations of the proposed merger and related transactions and future results, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and should be evaluated accordingly. These statements are made on the basis of management s views and assumptions regarding future events and business performance. Words such as estimate, believe, anticipate, expect, intend, target, may, will and similar expressions and their negative forms are intended to identify forward-looking statements.

Forward-looking statements involve risks and uncertainties that may cause actual results to differ materially from any future results, performance or achievements expressed or implied by such statements. These risks and uncertainties

include the ability to complete the proposed merger and related transactions between CECO and PMFG; the receipt of regulatory and shareholder approvals; the availability of financing contemplated by the bank

commitment obtained by CECO; the ability to successfully integrate CECO's and PMFG's operations, product lines, technologies and employees; the ability to realize revenue and customer growth opportunities, combined revenue goals, marketing and cost synergies from the proposed merger between CECO and PMFG in a timely manner or at all; factors related to the businesses of CECO and PMFG including economic, political and financial market conditions generally and economic conditions in CECO's and PMFG's target markets; dependence on fixed-price contracts and the risks associated with those contracts, including actual costs exceeding estimates and method of accounting for contract revenue; fluctuations in operating results from period-to-period due to cyclicity of the businesses; the effect of the merger and related transactions on each of CECO's and PMFG's infrastructure, resources, and existing sales; the ability to expand operations in both new and existing markets; the potential for contract delay or cancellation; changes in or developments with respect to any litigation or investigation; unknown, underestimated or undisclosed commitments or liabilities; the potential for fluctuations in prices for manufactured components and raw materials; the potential impact of the announcement or consummation of the proposed transactions on the parties' relationships with third parties, which may make it more difficult to maintain business and operational relationships; the substantial amount of debt expected to be incurred in connection with the proposed merger and CECO's ability to repay or refinance it, incur additional debt in the future or obtain a certain debt coverage ratio; diversion of management time from each of CECO's and PMFG's ongoing operations; the impact of federal, state or local government regulations; and the effect of competition in the air pollution control and industrial ventilation industry.

These and other risks and uncertainties are discussed in more detail in CECO's and PMFG's current and future filings with the SEC, including CECO's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 under the heading Item 1A. Investors are cautioned not to place undue reliance on such forward-looking statements as they speak only as of the date the statement is made. All forward-looking statements attributable to CECO or PMFG or persons acting on behalf of either CECO or PMFG are expressly qualified in their entirety by the cautionary statements and risk factors contained in this Form 8-K and CECO's and PMFG's respective filings with the SEC.
